Students Plant Memorial Tree Honoring Principal

East Main-st students and teachers planted a flowering crab tree on the school's front lawn in memory of Leonard S. Wallick, a former principal of the school.

Wallick, who was the school's principal during the 1958-1959 year, died on Sept. 25, 1959.

More than 500 pupils and their teachers attended the ceremony. The tree was purchased with money collected by children in the first through the fifth grades.

A suitable plaque will be placed at the foot of the tree at a later date.

Eastmoor High School's Warriors' Spear-It

By Barbara Moltenberry

Warriors Place High In North Relay Meet

Varsity cheerleaders for the next year have been selected. The girls are Arlene Masch, Linda Stuart, Sharon Hemmer, Ruth Tarcov, Connie Wilson, and Janice Younkin.

Senior track team placed third in the Polar Bear Relays last Saturday at North. East High won with 77½ points, North was second with 73⅓, and Eastmoor was third with 66 points. Homer McKnight took first place in the mile run. Our winning 880 relay team consisted of Ron Wollet, Frank Oakley, Randy Sheets, and Bob Benjamin.

The Varsity Baseballers were defeated by Saint Charles 4-1, but came back with an 8-6 win over East. Frank Stavroff drove in the two winning runs.

The Junior High baseball team, undefeated this season, added two wins to their record by defeating Beery Junior High 13-1 and West 5-2.

Saint Charles stopped the Warrior's tennis team by a 4-1 score. Their record for the season now stands at 2 wins and 2 losses.

The track team defeated Grove City last Wednesday 77-1/6 to 40-5/6, but lost 91 to 36 at Hilliard. Hilliard won 12 of 14 events.

Saturday night Eastmoor will hold their first annual Eastmoor Invitational track meet. Nine teams will participate in the event. Finals will begin at 7 p. m.

A tea for Eastmoor faculty will be given by the Future Teachers of America next Wednesday afternoon. Entertainment will be by a girl's quartet consisting of Dixie Ewing, Mary Jo Flowers, Bobbi Kall, and Karen Smith. New officers of the club will be introduced by mistress of ceremonies Sandy Parks.

Eastmoor's Mixed Ensemble and saxophone quartet performed at the city-wide Parent-Teacher Association luncheon held in the Ohio State University Union. The ensemble, directed by Mr. Morris, sang, "Down the Wind," a sea song, in costume and semi-staging. The quartet, directed by Mr. Kaye, played "Scherzo." The number brought them a superior rating in state competition.

Plans are underway for the Senior's graduation dinner which will be held May 31 at the school. General Chairman of the event is Jeannine Moneymaker. Other committee chairmen are Rachel Egbert, decorations; Nancy Hildenbrand; menu; Peggy Colegrove, program; Barbara Moltenberry, class will; and Ellen Applebaum, class prophecy.

Seagle Ends Radio Course

Army Recruit Benton H. Seagle, 18, son of Mr. and Mrs. Luke B. Seagle, 831 Sheridan-av, recently completed the communications center operation course at the Southeastern Signal School, Fort Gordon, Ga.

During the eight-week course, Seagle was trained to receive, process and relay messages by various means of communication. He entered the Army last November and completed basic training at Fort Knox, Ky.

Seagle attended East High School.

Sportsmen Urged To Consider Use Of Flushing Bars

Sportsmen clubs wishing to carry on a worthwhile conservation project should consider sponsoring wider use of flushing bars."

This was the advice of Roger McElroy, game management supervisor of Wildlife District No. 2.

While game management men agree the flushing bar is no cure-all for an increase in the pheasant population, it does save many nesting hens, thus permitting them to re-nest.

The bar is a simple device attached to the front of the tractor which flushes the hen pheasant from her nest before the cutter has a chance to cut her to pieces. Without the use of the flushing bar many hens remain on the nest and are destroyed or are so badly mutilated they can't survive. Most casualties occur during hay mowing operations.

The Division of Wildlife will furnish flushing bars to sportsmen clubs who will install the equipment on farmers' tractors.

How come when it's time to git up we're never ready?

PTA WILL SPONSOR SQUARE DANCE

DO-SI-DO BRUSH-UP—Practicing their square dancing techniques for the upcoming James Read Elementary School dance Friday, May 13, are, left to right, Mrs. Charles Coate, Leslie Baty, Carol Scheer and Donald Cooper. HAWK *Lines*

By Virginia Kastl

150 Student Journalists Guests At New Workshop

On April 30, Hartley sponsored a journalism workshop for high school newspaper editors, their staffs, and their advisors.

It was under the direction of Rev. James Magmer, S.J., of the University of Detroit. Four aspects of high school newspaper writing were presented in three sessions during the day.

News writing was under the direction of Rev. Magmer. Miss Mary McGarey of the Columbus Dispatch supervised the feature writing. Don Weaver, editor of the Citizen-Journal, and Tom Pastorius, sports writer for the Citizen-Journal, spoke on editing and sports writing.

Approximately 150 students and their faculty advisors attended the workshop. Schools from Cleveland, Dayton, and many other towns outside Columbus, and Columbus schools were represented.

Hartley reserve baseball team now has a 4-3 record. April 25 hall Rams 6-4. The next day the Hawks outscored University's varsity 9-5. April 27 Hartley tromped South 14-4.

the Hawks defeated the White-

Bill Mackin has the highest batting average, .512. Mark Lang, a freshman, is second with .333. Jim Nelson is Hartley's leading home run hitter.

On April 27 and 28 the juniors were given the opportunity to order class rings. The students had their first view of the rings several days earlier. They have Hartley's crest on the stone, the head of St. James, patron of Hartley on one side, and the Diocesan seal on the other side. Most of the stones are blue and the metal is gold. The rings will be delivered to the students by June 10.

A girls' intramural softball league is being organized under the direction of faculty member Earl Vermillion. The junior girls will play on Sunday afternoons and the freshmen and sophomores on Wednesdays.

The track team will participate in its first meet on May 3 with Eastmoor's reserve team. The team has been practicing on Hartley's new track which is not entirely completed. The baseball field has just been completed.

MAY DAY DOINGS

Capital U. Gets Set For Lively Weekend

Capital University will hold its annual May Day Weekend on Friday, May 6, and Saturday, May 7, under the general theme, "Destination Disneyland."

Four girls will vie for the honor of reigning as queen over the two-day event. They are Pat DuVall, Reita Cornell, Sylvia Zickefoose, and Priscilla Leedy.

The program will start Friday night in the College Refectory, with a special dress-up dinner being held in "Adventureland Cafe." At 6 p.m., a special band concert will be held for the queen and her attendants, as well as students and faculty.

At 8:15 p.m. the final play of the season will be given by Masquer's Dramatic Society. This year's production will be "The Taming of the Shrew." Prior to the play the queen and her attendants will be presented on the stage of Mees Hall Auditorium. Final event of the evening, following the play, will be a queen's reception, held at 10:30.

Parade, Coronation Saturday

Saturday morning "Frontierland" wil be featured. The day will begin with a parade of floats and the Capital University Marching Band performing to the general theme "Sites Along the Santa Fe Trail." At 10:30, a variety show will be presented for students and visitors in the "Gallop-In Saloon."

At 2 p.m. the coronation will be held in Bernlohr Stadium, weather permitting. From 2:30 until 4:30 p.m. open house will be featured in the campus dormitories and annexes.

At eight p.m., Saturday, the court and attendants will again be presented prior to the last performance of the dramatic production.

Final event will feature a "Danse Futuristique," which will be held in "Tomorrowland," better known as Alumni Gymnasium. The May Day Dance will close the activities for the weekend.

Local Youth Is Paratroop Grad

Trailers Ready For Camping

It's Spring, and the fancy of some young men, and older ones too, is turning to thoughts of camping, says D. E. Severt, Franklin County distributor for Romany camping trailers.

Severt, president of the Suburban Heating Corp. at 1605 Frebis-av., says a new stock of trailers is on display at that address. His firm also will demonstrate the trailer at private homes.

The trailer is so light that one of the new compact cars can haul it easily, says Severt. Yet it provides more than 43 cubic feet of storage space, sleeping and living area for an entire family and has a tubular steel box frame and full nylon floor.

The trailers, available in either one or two-wheel models, can be set up in less than five minutes and provide more than 83 square feet of living area.

VIC Sponsoring May 7 Car Wash

WESTERN ELECTRIC NAMED AS ONE OF TOP TEN PLANTS IN NATION

Factory Publication Selects Local W-E Plant From 500 Nationwide Nominees

Western Electric Company has been named one of the "Top 10 Plants" built in 1959. The plant was picked from over 500 nationwide entries by Factory, McGraw-Hill publication, in its 26th annual competition.

Winners will receive a citation on which appears an original Kent Day Coes watercolor of their plant.

The citation for Western Electric reads: "A progressive example of conservative design, Western Electric's huge plant is a marvel of planning for the present and future. Packed with intergrated manufacturing equipment and flexible support services, it meets the challenge of providing a dynamic working environment for a giant workforce."

Engineers were Western Electric Company, Inc., New York City, and Charles T. Main, Inc., Boston, Mass. Management contractor was Turner Construction Company, Inc., New York, N.Y.

The plants were nominated by U.S. architects and engineers, regional and state development commissions, railroads, utilities and readers of the magazine. The 10 winning plants were required to be of "general interest and significance for a broad range of plant operating executives in many types of manufacturing industries and in companies of all sizes."

The factories nominated had to be new, and must have been completed between Jan. 1, 1959, and Dec. 31, 1959.

Selection was based on adaptability to changes in production methods and processes; provisions for growth and expansion; plant electrical services, services other than electrical; employe facilities and services; maintenance, and appearance of buildings and grounds.

Neither size of the plant nor number of employes was a factor.

St. Anthony Hospital Plans Open House

In conjunction with all hospitals in the United States, St. Anthony Hospital will observe National Hospital Week, May 8-14.

To enable the many friends of St. Anthony, and all others interested to familiarize themselves with hospital routines, St. Anthony will hold open house on Sunday, May 8, from 1:30 to 5:30 p.m. Refreshments will be served.

St. Anthony's is a 290 bed general, medical and surgical hospital, located at 1450 Hawthorne-av.

The hospital is approved by the Joint Commission on Accreditation of Hospitals and is a member of the American Hospital Association, Catholic Hospital Association and the Columbus Hospital Association.

This open house will provide an opportunity to learn what goes on behind the scenes and to see what is necessary to make a modern hospital facility operate efficiently.

There will be exhibits exemplifying the various facilities in the hospital and a tour of the hospital and the St. Frances Nursing School which is operated in conjunction with St. Anthony. Everyone is invited.

Surgical, Medical Plan Offered To Over-65 Residents

A new Blue Shield plan offering surgical and medical cost protection, designed exclusively for Ohio residents age 65 and over, will shortly become available it has been announced by Charles H. Coghlan, executive vice-president of Ohio Medical Indemnity, Inc., Columbus.

This new 65-and-Over Plan will help pay for the costs of surgery, in-hospital medical care, anesthesia and radiotherapy, according to a schedule of indemnities set forth in the contract. These benefits, Coghlan said, are the same as those offered to groups through payroll deduction plans.

Enrollment in the plan will start Monday, May 16 and continue through midnight, Sunday, May 29. Ohio residents who are now age 65 or older, or who will be 65 by May 29, are eligible.

Enrollment may be made only by mail and application blanks will appear in advertisements in this newspaper during the 15-day enrollment period.

Coverage to participants will become effective July 1, 1960. Cost of the plan to each individual will be only $1.45 per month or $17.40 per year.

Actively recommended by The Ohio State Medical Association, the physicians' professional organization, this Blue Shield Plan does not require the applicant to take a physical examination or make a health statement.

There are no exclusions because of any present or past health problems, and there are no waiting periods for pre-existing conditions. In addition, the individual does not need to be employed.

This new Blue Shield Plan, Coghlan stated, is planned to make available surgical and medical cost benefits to approximately 900,000 of the state's elder citizens who are now in the 65 or over age group.

Signups Open For Jubilee Queen, Court

Setting the stage for the 1960 West Side Jubilee, (week of June 6) 16 candidates for Jubilee Queen already have been registered.

There is still room for more, according to committeeman Don McCann, who said any girl of high school age is eligible.

Each candidate will be sponsored by a local merchant who pays a $10 entry fee.

A Weekly Guide For Those In Your Leisure Hours

It's The Man Not The Fish, Who Makes Fishin' Pleasant

INSIDE ON THE **Outdoors** By ROD COCHRAN

Pounds Not Paramount

Anglers seem to have been catching fish everywhere for the last few days.

Jim Mills, 1517 Truro-av, has reported a catch of 14 nice crappies from Hoover Reservoir. He used minnows for bait, and while fishing saw two anglers in a boat with a stringer full of largemouth bass.

Alan Ward, Madison County game protector, told me crappies and bass were caught over the weekend at Madison Lake. Nightcrawlers were used for the most part on the bass, and some good-sized ones were taken. Crappie fishermen were using minnows.

Little Darby Creek is still producing catfish, and smelt seems to be the most popular bait.

With the height of the spring fishing rush here, it's easy to forget the real reason for going fishing. Sure, you go to catch fish! But the success of a fishing jaunt should not be gauged in number of pounds caught. You go fishing for other reasons, too. Doctors, psychologists, efficiency experts and almost everybody else you talk to nowadays insist that the pleasures of fishing are more important than the fish you bring home.

The real treasures of angling are measured in hours of soaking up spring sunshine, rolling to the gentle rock of waves, listening to the song of birds and enjoying the outdoors—and if the fish are obliging, so much the better. But the fellow who lets the catching become too important never sees these things. His basement looks like a tackle junkyard, for he has purchased every gadget he could lay his hands on that was supposed to put more fish on the stringer.

Some Lose Their Heads

When on the water, this fellow whips up a foam in his zeal to catch fish. He's been known to break rods in disgust, hurl tackle boxes or even kick his outboard motor. If he does not catch fish, he returns home in worse shape than when he left. The poor guy might as well have stayed home and taken down the storm windows, or fought crab grass all day.

It's important what a man brings home from fishing, but likely as not it won't be found in his creel. If he comes home physically tired, but mentally refreshed, sun-burned on the outside, but cool on the inside, then his trip has been a success. It is the man who makes fishin' great, not the fish.

County Fish And Game Hearing Set For May 11

The Franklin County Fish and Game Hearing will be held on Wednesday, May 11 at the Youth Center of the State Fairgrounds.

Rooms 150 and 151 are reserved and the public hearing will begin at 1 p.m.

Division of Wildlife officials will be present to hear what sportsmen suggest for future hunting and fishing regulations and to answer questions that may be asked.

The session is held annually to provide sportsmen the opportunity to express opinions on fish and game laws.

At the meeting, representatives will be chosen to attend a district hearing, and ideas from that will be sent to the annual state fish and game hearing in June.

the exploits of an American magazine correspondent against the exotic, strategic backdrop and intrigue of one of the world's most colorful and exciting cities.

Rod Taylor will carry the principal role, supported by a large cast headed by Alex Davion. Robert Buckner is the writer.

The Ohio State University May Queen, selected from a field of five finalists, will be crowned by Louis "Satchmo" Armstrong during his performance at Mershon Auditorium on Friday, May 6, at 8 p.m.

The Ambassador of Jazz and his All Stars are appearing as the final event of Ohio State's traditional May Week festivities. The show is sponsored by Ohio Staters, Inc.

Discouraging

Andre Houttekier, of Courtrai Belgium, was very pleased when a stranger in a bar offered him a cigar. It was Houttekier's own expensive brand. When he returned home, he found his house ransacked, his humidor of cigars stolen.

Off The Hook

Elwood Davis, acting as his own attorney, in Knoxville, Tenn., beat a charge that he was fishing without a license. The arresting officer could not prove the hook was baited.

State School Citizens Group Is Formed

A newly-formed Citizens' Advisory Committee for Columbus State School held its first meeting last week.

Rev. Arthur Decker, pastor of the Congregational Christian Church in Troy and former president of the Ohio Mental Health Association, is chairman of the group.

Other members of the 11-man committee are Mrs. Alexander Glockner, a member of the board of directors of the Mental Health Federation; Mrs. Hazel McIntyre, former director of special education for the State Department of Education; William Rush, managing editor of Hartley Newspapers; Rabbi Nathan Zelizer, Broad Street Temple; Dr. Calvin Baker, former commissioner of Mental Hygiene; Robert Porter, administrator of Children's Hospital; Charles B. Larry, executive vice-president of the AFL-CIO; Kenneth Brown, director of industrial relations at Ternstedt plant of General Motors, and Judge Guy Cline of Pickaway County.

Kentucky Derby Field Draws TV Sports Fans This Week

The "Triple Crown of Racing," valued at $400,000-added, will again be presented on CBS-TV and WBNS-TV, Columbus, Channel 10. This racing highlight, comprising the Kentucky Derby, Preakness and Belmont Stakes, all events for three-year-olds, has been offered on CBS Television since 1948.

The $125,000-added Kentucky Derby will be televised Saturday, May 7, from 5:15 to 5:45 p.m. Last year's Derby winner was Tomy Lee, who did not run in either of the other two "Triple Crown" races.

The Preakness, richest of the three races at $150,000-added, will be presented on Saturday, May 21, from 5:30 to 6:00 p.m. The program will originate at Pimlico Race Track, Baltimore, Md. Royal Orbit was 1959 Preakness winner.

The $125,000-added Belmont Stakes, final jewel of the "Triple Crown," will be presented on Saturday, June 11, from Belmont Park, N.Y., from 4:30 to 5:00 p.m. Sword Dancer won last year's Belmont.

Citation was the last horse to win the "Triple Crown," in 1948. Only eight three-year-olds have won all three races in the same year. Tim Tam, in 1958, won the Kentucky Derby and Preakness ran second in the Belmont.

"Hong Kong," an hour-long adventure series, will be a new entry in the 1960-61 season on ABC-TV sponsored by The Kaiser Industries.

The program will be produced for ABC-TV by 20th Century-Fox Television.

"Hong Kong" will be the second major TV show sponsored by The Kaiser Industries—both of them on ABC-TV. Industrialist Henry J. Kaiser three years ago began sponsorship of the highly successful "Maverick" opposite Ed Sullivan, Steve Allen and Jack Benny.

The new program will be scheduled on WTVN on Wednesday nights from 7:30 to 8:30 p.m., EST, starting early this fall, directly opposite "Wagon Train," currently the TV program with the highest audience rating.

"Hong Kong" will be an hour-long adventure series featuring

YMCA's Camp Willson Offering Summer Outdoor Fun To Boys

A Scene When Fun Hits Peak At Camp Willson

Here's great news for all boys between the ages of eight and seventeen who love the excitement and thrill of boating, fishing, horseback riding, swimming, and many other fascinating, planned outdoor activities.

All these can be had for the asking at beautiful Camp Alfred L. Willson, located near Bellefontaine and hour and a half drive from Columbus.

Camp Willson is owned and operated by the Columbus YMCA and is situated in a natural wooded area of 337 acres. Its 70 acres of Lake-Mac-O-Chee provides swimming, boating and canoeing.

The YMCA is a member of the American Camping Association and provides its campers with top-flight leadership. A trained Camp Director is on duty at all times. The camp staff is composed of college graduates and undergraduates with previous YMCA or camp experience. Each counselor is an outstanding leader and is carefully selected. And a medical student is a member of the staff.

Camp Willson's program, called "Adventure through Nature," is carefully planned so that boys share with others the happy friendship of a group learning and living together. Daily activities include baseball, tennis archery, cookouts, chuck-wagon feeds and arts and crafts. Evening programs include camp fires, Indian ceremonies, talent shows and others.

Well-built cabins house 12 campers and their counselors. Food is of the best quality and served in generous amounts to satisfy all appetites.

Camp Willson is a non-profit operation. The fees, which are very reasonable, along with funds from the United Community Council, are used to provide the best facilities for the boys and to maintain the camp in tip-top condition.

Complete information on Camp Willson can be obtained by writing or calling Camp Willson Headquarters, YMCA, 40 West Long-st, CA. 4-1131.

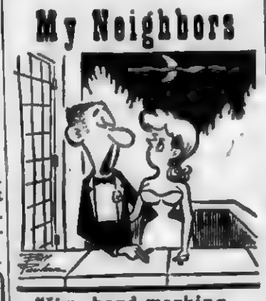
Judgment Returned For $35,000

One of the largest judgments ever to be returned by a Common Pleas Court jury against Franklin County occurred Apr. 27 after the jury had deliberated 5½ hours in a damage suit case.



The judgment was for $35,000.

Lafayette J. Ervin, 25, of 169 Betz-rd, sought a $75,000 judgment as a result of injuries he suffered when his motorcycle went out control after hitting a chuck hole on Frank-rd, east of Gantz-rd. The incident occurred Sept. 13, 1955.

Ervin maintained the county was negligent in not repairing the hole in the road and that flare pots were not properly placed to mark the hole.

Prosecutor Earl W. Allison said that he would appeal the decision.

First Report Show $35,000 Given OSU

First reports in the Columbus and Franklin County alumni campaign for gifts to the Ohio State University Development Fund show a total of $35,869 received from 4,367 alumni and friends of the University.

The totals were reported last week by Campaign Chairman, Mrs. Ralph C. Barnett, 1617 Essex-rd. At this point in the 1959 campaign, 3,921 gifts totaling $34,321. were reported.

The campaign, in which approximately 11,000 local alumni of the university are being solicited, will end on Saturday, May 7, at a luncheon on campus.

Good News For Boys

A great time is ahead for boys of this community who want to go to summer camp at Camp Alfred L. Willson, located near Bellefontaine, O. This is the wonderful camp owned and operated by the YMCA.

The camp contains 337 acres with 70 acres of sparkling Lake Mac-O-Chee providing the best in swimming, boating, fishing and canoeing.

The Y.M.C.A. is a member of the American Camping Association and provides its campers with excellent leadership. A trained Camp Director is on duty at all times. The camp staff is composed of college graduates and undergraduates with previous Y.M.C.A. or camp experience. Each counselor is an outstanding leader and is carefully selected. And a medical student is a member of the staff.

Camp Willson's program, called "Adventure Through Nature," is carefully planned so that boys share with others the happy friendship of a group learning and living together. Daily activities include baseball, tennis, archery, cookouts, chuck-wagon feeds and arts and crafts. Evening programs include camp fires, Indian ceremonies, talent shows and others.

Well-built cabins house 12 campers and their counselors. Food is of the best quality and served in generous amounts to satisfy all appetites.

Camp Willson is a non-profit operation. The fees, which are very reasonable, along with funds from the United Community Council, are used to provide the best facilities for the boys and to maintain the camp in tip-top condition.

Complete information on Camp Willson can be obtained by writing or calling Camp Willson Headquarters, Y.M.C.A., 40 West Long Street, Columbus, CApitol 4-1131.

ON RICHARDSON-AV.

Duck Is Down-right Character

If you travel down S. Richardson-av often you're sure to know a certain neighborhood character. He's Jimmy III, family pet duck of the Robert T. Shea's, 113 S. Richardson-av.

Unlike some drifting drakes we've heard of, Jimmy III is a homebody. He seldom ventures from the Shea yard, unless he decides to escort a pretty girl to the bus stop or follow the mailman or a school child a few steps.

Happily for the neighbors, Jimmy isn't one to be up at the "quack of dawn." In fack, . . . er, fact, . . . he quacks only when spoken to.

Although light-billed in this way, Jimmy does bear a few scars on his beak from friendly bouts with Duke, one of the two family dogs. They normally serve as his guardians, protecting the Sheas' resider from outsiders.

The two Shea girls, Georgia, 17, and Jerrie, 12, said this is their third pet duck—he'll be three years old this Easter. They usually keep him in the garage, but sometimes allow him to spend the night with a hunting dog pal of his next door. The name? It came from an old boy friend "of many years back."

TROOP 278 GETS CHARTER

NOW CHARTER MEMBERS—The Whitehall Lions Club, which sponsors Post and Troop 278 in Whitehall, recently received a charter on behalf of the troop from Central Ohio Council at Beechwood School. In the ceremony May 2, Glenn Kapp (right), the institution representative, is shown looking on while Paul Leva (Center), District Scouting Executive from the Central Council, presents the troop's charter to Gordon Lemert (left), president of the Whitehall Lions.

No Handicaps Here On Fun, Friendship

By Betty Daft

Tiny trees were bright with paper bonnets, painstakingly made by hands not quite as deft as most children's, and baskets were filled with treats by their hostess from her wheelchair.

The gayest party ever was the one held by Miss Eleanor Arthur, 753 Pierce-dr, Apt. A, for her group of little handicapped friends last month.

It's anyone's guess who enjoys "The Happy Workers" club most—the youngsters who find the weekly sessions an opportunity for fun and handcraft geared to their limited capabilities, or their friend, Miss Arthur.

"It means as much or more to me than to the children," she smilingly insists.

An amputee for 34 years, she learned this winter that she soon will possibly lose her other leg. "I was so depressed until, one day in February, one of these children was watching me crochet with such deep interest.

"I asked her if she would like to learn, and her eager answer was the start of this group. There are now ten, and more are joining all the time.

"We're supposed to meet from 1 to 3 on Saturdays," she chuckled, "but they start arriving at 12:30 and leave about 3:30.

"One of the boys came, on his crutches, from clear across the project on the iciest day of the winter, and another's mother put his wheelchair on a sled and pulled him—they are so eager to come.

"Some of the children go to Sullivant School, and others to the special schools—Neil Avenue and Indianola for the handicapped.

She taxes her ingenuity and imagination to devise handcraft, within her limited income, that they can enjoy.

Materials for pasting and coloring — hand-traced pictures and discarded greeting cards— and simple refreshments make up the program. Mothers of the children donate boxes of cake mixes for the meetings, and friends help out with special treats like candy for the Easter baskets.

Her future plans for the children include "crocheting and making doll clothes for the girls —I'm sure they can manage them with enough help and encouragement.

"We do need some material like discarded tiles for the boys to work with.

"It's so important that they have something extra to make up for the normal childhood activities they are missing."

Meanwhile, most important the "something extra" Miss Arthur is offering her young friends, is a sincere welcome and a warm friendship.

Science—

(Continued From Page 1)

be more interested in the scientific domain, Murphy does not think that it is all due to the advent of "Sputniks."

His thoughts center on the philosophy that "there is more interest in science these days because of the modern age in which we live." He also points out that youngsters today have been educated more toward scientific learning in the lower grades.

If the title "one in 10" means anything, then this top-notch science instructor must know what he is talking about.

Hospital Needs Volunteers For 'Operation Friendship'

Volunteer Service Council of the Columbus State Hospital is seeking the assistance of individuals and groups to help entertain and instruct patients.

The program, known as "Operation Friendship," includes leadership, such activities as needlework, flower arrangement, stamp collecting, woodworking, loom threading, ceramics, and recreational activities.

Several groups (church, college, service, youth, etc.) now go to the hospital on a regular basis for a social occasion and ward parties that feature games and small gifts. Others help with outdoor "egg frys" and holiday programs.

The Columbus State Hospital houses 2700 mentally ill patients from a 13-county district in Central Ohio. Volunteers are asked to contact Victor Ewald, coordinator of volunteer services, for further information.

Youths Involved In Meter Thefts

Police have rounded up eight West Side boys in connection with the smashing of 100 parking meters along Washington-blvd.

The boys apparently used a plumb bob to punch coin boxes from the meters, then threw the parts into the river, police said.

Four youths, arrested for intoxication at W. Town-st and Hawkes-av, implicated others. They live on W. Rich and McDowell-sts.

THE CHANGING SCENE AT CHRIST THE KING: WHAT IT WILL LOOK LIKE IN SEPTEMBER . . . AND WHAT IT LOOKS LIKE NOW

Christ The King School Addition Now In Progress

Things should be a little less crowded next year at Christ The King Catholic School.

A new $450,000 addition, consisting of 14 classroms is in progress of being built now at the site along E. Livingston-av. According to Father Leo R. Brehm, pastor of Christ the King, work on the addition should be completed by Sept. 1.

Included in the construction plans, along with the numerous new classrooms is an auditorium-gymnasium with a seating capacity for 1000 people, Father Brehm stated.

"We have had what may be called a 'congested situation' here at Christ The King," the priest explained. The parish, he said was established 14 years ago, in 1946. It has been difficult to keep up with dwelling construction in the vicinity."

Some 875 students are currently attending classes at Christ The King School. Bishop Hartley High School also lends a hand with the overcrowded conditions. Approximately 250 Christ The King pupils from the seventh and eight grades are now attending Bishop Hartley.

Next year, Father Brehm expects the enrollment mark at Christ The King to hit close to 1000 pupils. "And," he pointed out, "Bishop Hartley will nead all the room they can get for their own."

Thus far, Christ the King has three first grade classes, and this year three second grade classes were started. "There is a remote possibility that a fourth first grade class will have to be started in the future."

Eleven nuns and eight lay teachers comprise the teaching staff at the school. The principal is Sister Ancilla, O.P.

Father Brehm mentioned that the average number of pupils per classroom amounts to approximately 40. "And several are near the 50 per classroom mark," he said.

Father Brehm

He said his first mass in February, 1946, at Bexley Montrose Grade School. The school is now 13 years old. It was officially opened in September, 1947, with 75 pupils entering the doors.

Rezoning Request Ratified

The E. Livingston-av rezoning battle was finally settled this week, much to the chagrin of East Side Civic Associations.

By a 4-3 vote, the exact margin that had earlier approved the rezoning, council overrode Mayor Ralston Westlake's veto of the measure. The mayor had cited protests by school officials and property owners in the vicinity as reasons for vetoing the plan.

In addition he had listed complications as to school, parking, water and sewage problems.

The tract in question consists of 20 acres on the south side of E. Livingston-av near Bishop Hartley High School. With council nixing the Mayor's trumb down action, developer John Ranft has an okay to erect multiple dwelling units.

Civic organizations in the area have been against the move from the start of the requested rezoning action, some five months ago.

IT'LL BE STUDENT PRINCE TIME AT CAPITAL

STUDENTS AND PRINCESS — It can't exactly be called a repeat performance, but some 25 years ago Capital University presented "Student Prince." Again Friday and Saturday, May 20 and 21, at 8:30 p.m., Capital students will take part in the production. Leading lady is Betty Margetts, who will portray the role of Kathie. Flanking her are Bruce Matthews, Doug Catanzariti and Max Ziegler, all members of the student corps. The play will take place in Mees Auditorium. The show is under the direction of Professor Wilbur E. Crist, professor of music and director of instrumental music.

DIZZY OVER POLITICS

This Lass Takes Politics To Heart

By John Poeppelmeyer

. . . The Torch, be yours to hold it high . . .
—excerpt from Flanders Field

A tumultuous occasion awaits young Judy Wittman.

She'll soon be California bound, if all goes well.

Her reason for heading for the ocean shores town of Los Angeles?

Well, to some it may appear to be an out of the way motor tour. To others, it may seem that she has stars in her eyes, the kind of stars that appear over a theater marquee.

But to 19-year-old Judy, it is none of these.

She plans on heading for the land of movie makers to be in on a bit of history in the making, and not the making of history via camera modification. Rather, it is the Democratic Convention at L. A. that beckons this young lass who is "dizzy over politics."

Judy, who proclaims that she is an ardent Dem, to coin current usage, and a "feryent patriot" is the daughter of Mr and Mrs. Bernard F. Wittman, 398 Collingwood-rd in Whitehall.

Her present occupation, if it could be called that, is attending council meetings in her "fair city." Although, as she says, she is more interested in politics on a national scale than she is in local matters. Judy has been a frequent visitor to Whitehall council chambers.

In addition, she has also attended council meets at Bexley and at Reynoldsburg.

A political science major at Ohio State University, where she is a freshman, Judy claims that she is "fascinated" by the world of politics. "It's fun finding out what makes politics tick," is the way she expressed her dynamic reaction to council meetings.

Her interest stems, she thinks, from the fact that she used to attend Franklin County Young Democrat meetings with her father. Also, she pointed out, history and government were her favorite subjects in high school.

When she was in the eighth grade, she recalls, she wrote a 25-page essay on "You As An American and Communism." She calls herself an "extreme patriot."

But that is not the end of Judy's talents. She is also the chairman of Ohio Youth For Symington. He is a possible

Help The 'Y' Reach Goal By June 1

An extra all out effort is being made through the county by the many workers in the YM-YW Development Fund drive to round up as many pledges as possible for the big building fund drive before June 1.

Throughout the city and county many individuals and business firms that should make contributions to this worthy cause have not yet come forward and done so. It is hoped that they will give the matter their most serious

Girls Forgotten? Boy Has Buckeye State Nod

It looks like Bishop Hartley High School girls will have to wait another year for a chance to send a delegate to Buckeye Girls State, but the boys will be well represented this year.

James N. Harkless, junior class president, has been selected by the East Side Rotary Club as their sponsored candidate to the Boys State activities at Ohio University, June 9-18.

According to Father Robert White, principal at Hartley High, no organization has offered to sponsor a girl candidate for Buckeye Girls State which will be held at Capital University, June 18-26.

Harkless resides at 1474 Aven-dr.

Eastview Sets Parsonage's Sod-Breaking

Eastview Methodist Church, Ross-rd at Josephus-ln, Whitehall, will hold ground-breaking ceremonies for a new parsonage Sunday, May 15, 11:45 a.m. Site of the proposed structure is 791 Ross-rd.

The parsonage will be constructed by Claude Sigman, of Reynoldsburg, and will be a brick-stucco structure of tri-level design.

Minister is Rev. James B. Feste.

Holy Spirit Athletic Group To Sponsor Kiddie Karnival

The fourth annual Kiddie Karnival, sponsored by the Holy Spirit School Athletic Association, will be held on Monday, May 23, from 11 a.m. to 11 p.m.

The festivities, to be held on the school grounds at the corner of E. Broad-st and Yearling-rd, is open to the public.

Felix Pedon, president and chairman of the karnival, has many interesting rides and booths planned.

Booths such as a fish pond, cinderella and balloon bursting will add to the proceedings. A merry-go-round and pony rides will also be featured.

The cafeteria will be open throughout the day to accommodate everyone at their pleasure. Refreshments booths will include such things as cotton candy, ice cream and popcorn.

Flippo the Clown will be the special attraction. He will appear at 7 p.m. to do magic tricks.

'Music Man' Otto Heaton Buried May 6

Otto B. Heaton, a man who brought music within the reach of thousands, died at his 2130 E. Broad-st home last Friday and was buried in private services Sunday. He died of a heart attack.

Mr. Heaton operated music stores in various N. High-st locations from 1911 on, except for a World War I stint with a YMCA special services troupe in Europe. For this work he received the Distinguished Service Cross.

The 75-year-old [illegible] closed his music store [illegible] N. High-st last July when [illegible] lease expired and a state [illegible] store moved in.

The Heaton name [illegible] familiar to motorists throughout Ohio who remember seeing it in big white letters on barns and other buildings. His advertisements often carried Heaton-coined slogans, the most famous of which was "Teach a Boy to Blow a Horn and He Won't Blow a Safe."

Encouraged Music In Schools

His zeal for music education led to its popularity in public schools and colleges. His influence brought many artists to Columbus audiences and he aided many young students to gain stature. At various times, Mr.

Complaint Is Thrown Out

On Apr. 27, the Ohio Supreme Court ruled the state took no property right from Nora M. Scheiderer of 192 S. Sandusky-st, when it constructed the elevated Mound-Sandusky Expressway so as to obstruct the view from her home.

The court denied her a writ to compel State Highway Director E. S. Preston to file proceedings to set a price for the property rights.

She said the street in front of her property was reduced from 60 to 26 feet and the expressway is 18 feet high, interfering with a view of the street.

Jaycees Set Road-e-o For Sunday Noon

The Veterans Memorial parking lot on W. Broad-st will be the scene where Greater Columbus area boys and girls between the ages of 16 and 19 will test their driving skills.

Sunday, May 15, the Jaycees will present their annual Safe Driving Teen-Age ROD-E-O to give the youths a chance to compete for cash prizes and college scholarships.

Entry blanks are available at all Greater Columbus Area high schools and may be turned in at the schools or at the Columbus Junior Chamber of Commerce office at 30 E. Broad-st.

HARTLEY HIGH SCHOOL'S

HAWK *Lines*

By Virginia Kastl

Incoming Freshmen To Get Ideas Of High School Life

This Friday Hartley will present an "Eighth Grade Night." It is designed to give freshmen entering Hartley next year a better idea of the aims and activities and introduce them to the faculty of their new school.

At the second annual "Eighth Grade Night," the Freshman Glee Club will present a program of songs to entertain the new Hartley students and their parents.

On May 5, Mr. Topmueller, a local attorney, visited Hartley as the representative of the Ohio Bar Association to speak in an assembly on law. Law Day, instituted a few years ago by President Eisenhower, is aimed to remind Americans of the great part law plays in their lives.

The speaker emphasized the fact that everyone is both affected and protected by law.

On May 27, Student Council will sponsor a "Civvie Day." This will provide an opportunity for the girls to get out of their school uniforms and wear "civvies." The attire of the boys remains to be seen.

Three junior intramural softball teams have been organized by Arlene Ferris, under the direction of Earl Vermillion. The teams played their first game May 8. Pam Rothermel's team came from behind to win by a score of 22-21.

Hartley had its first practice track meet with Johnson Park on May 5 on Hartley's track. Because this was only a practice meet, there was no official score, but the Hawks came out on top.

BIBLE COMMENT:

Stocktaking Is Necessary In Our Lives

The old type of general store has largely given way to modern retail outlets, but stocktaking is still necessary to conduct business.

And in the art of living there is a form of stocktaking that is, and always will be, imperative.

That is spiritual stocktaking. It has something to do with looking within, evaluating one's own life and measuring whether the year has meant growth or deterioration.

But spiritual stocktaking is not all, or even mainly, a matter of looking within. There are many prominent writers and publicists today telling people how to succeed, gain friends, influence others and improve themselves. Some are secular, some religious, but all have in common the placing of emphasis on man himself.

It has not been so on the part of the great religious teachers. To the Apostle Paul the chief purpose of life was to discover and conform to the will of God; and the cry of the Hebrew saint, who in a human sense was the glory of the Old Testament, was:

"Search me, O God, and know my heart; try me and know my thoughts; and see if there is any wicked way in me, and lead me to the way everlasting.' (Psalm 139:23-24.)

"Search the scriptures" is still good advice for spiritual stocktaking, and the guidance of the scriptures attains its height in St. Peter's suggestion that it is the privilege of the Christian to "grow in grace, and in the knowledge of Our Lord and Savior Jesus Christ."

Niblack Salon To Hold Open House May 15

The Niblack Slenderizing Salon, 2978 E. Broad-st, will hold an open house on Sunday, May 15, from 2 to 4:30 p.m.

Mrs. Flo Weiffenbach, owner, will show the equipment used in the Niblack system of spot reducing. Refreshments will be served and door prizes awarded.

Mrs. Weiffenbach has been a resident of the community for five years and was formerly a drug buyer for one of the large local department stores for 26 years.

Well Known Tailor Joins Bexley Cleaners

Sid Cunix, widely known in the tailoring field because of his years of experience in the industry, has become associated with Bexley Cleaners, 2677 E. Main-st. Announcement was made Saturday by Bexley Cleaners.

Cunix operated his own tailor shop at 60 E. Long-st for many years.

Because of the current high cost of furniture, many folks enamel old pieces from the attic or "finds" from second hand shops. This is not a complicated job: sand the surface clean and apply a gleaming coat of enamel.

Mail Box Improvement Week Slated May 16-21

The Post Office Department has designated the week of May 16 to 21 as "Mail Box Improvement Week." The improvement program will include letter boxes on mounted city routes, star routes and rural routes.

The department wishes to encourage postal patrons to provide suitable mail recepticles to afford maximum protection of mail against the weather, maintain easy and safe accessibility to the letter box as well as presenting a neat community appearance.

Name of box owner should be inscribed on side of the box visible to the carrier as he approaches, or on the door if boxes are grouped. Box supports should be level, firmly planted and kept painted.

Town Meeting On Community Problems Slated

Community and civic leaders are invited to attend Ohio's Town Meeting in Columbus, June 1 and 2.

"Let's Make Ohio Grow" is the slogan for the two-day sessions designed for "Balanced Community Development." Discussion time for individual community problems with the state's top development experts is provided.

Ohio's Town Meeting has as its objective to inform and to educate Ohioans on what tools are available to assist in the community development program. Robert L. Wolf, director of Area Development for the Ohio Power Co., Canton, is general chairman of the meeting.

Ohio's Town Meeting is sponsored by the Industrial Development Committee of the Ohio Chamber of Commerce, and co-sponsored by the Ohio Department of Industrial and Economic Development and the Cham-

Employment BureauCareer Day Saturday

The Columbus Ohio State Employment Service is having its first Career Day Saturday, May 14, from 8 until noon at its offices at 435 Cleveland-av. At this morning open house the local office, according to its manager, Ralph E. Gabele, will play host to Columbus employers and graduating seniors from public and parochial high schools in the city and county.

Employers from local industrial plants, insurance, legal, medical and dental offices, restaurants, accounting and engineering firms, and county, city and state agencies, will meet and interview graduates interested in permanent employment and who are not going to college.

School authorities have estimated about 5,000 will receive diplomas from public and parochial high schools in the city and county in May and June. Of these approximately 50 per cent will attend college in the fall or keep military dates. The rest will have their sights focused on full time, permanent employment.

During the four-hour job session, employment service staff members will be on hand to assist, and some occupational testing will be conducted. New graduates will be brought up to date on current job information, as well as introduced to employment service techniques used to screen and refer them to suitable jobs.

Here is an announcement on Blue Shield surgical and medical cost protection you must read

Blue Shield Benefits

Payments will be made for Surgery, in-hospital Medical Care, Anesthesia, Radiotherapy . . . according to the schedule of indemnities listed in the Special Preferred Contract (M-10-F) you will receive. These are the same as those offered to groups. The benefits are available when the services are performed by a duly licensed physician or surgeon as defined in the contract.

These areas of benefits are included, according to the terms of the contract and its schedule of indemnities:

Surgery almost all types performed anywhere.

Medical Treatment when the member is a bed-patient in a hospital for more than 18 consecutive hours, for non-surgical illness.

Fractures & Dislocation reduction (setting) performed anywhere.

Emergency Care emergency stitching of wounds within 24 hours after the accident.

Radiotherapy regardless of where the treatment is performed.

Burns & Skin Grafting for treatment performed anywhere.

Anesthesia Administration as defined in the contract in connection with surgical procedures.

Services Not Covered

When both surgical and medical services, or both medical and radiotherapy services, are rendered during the same hospital confinement, payment shall be made for the one service which provides the greater payment, but not for both. This contract does not provide payment for any of the following: services rendered in a V.A. hospital; workmen's compensation cases; services furnished or payable by a governmental agency; services for cosmetic or beautifying purposes; dental services. No payment is provided for hospital bills.

For the first time, Blue Shield offers Ohio residents age 65 and over surgical and medical benefits like payroll deduction groups enjoy.

Just think of it! • No physical examination • No health statement • No exclusion because of present or past health problems • No waiting periods for pre-existing conditions • You need not be employed

But you must act by Sunday, May 29. This special plan is available only between Monday, May 16 and Sunday, May 29, 1960. Each person must enroll individually . . . even husband and wife must each apply. Use the coupon below . . . mail it today! Your application must be postmarked before midnight Sunday, May 29. You can enroll only by mail.

Your physician can reassure you. The Blue Shield plan is actively recommended by the Ohio State Medical Association, and this 65-and-Over Plan is offered with the Association's encouragement. Ask your physician about Blue Shield and this Plan. Or check with the Blue Cross hospital care plan that serves your area.

Just look at all the benefits. Blue Shield provides payments toward the cost of Surgery, in-hospital Medical Care, Anesthesia, Radiotherapy . . . according to the schedule of indemnities listed in the Special Preferred Contract (M-10-F) you will receive. Blue Shield helps you pay your surgeon's and physician's bills, relieves this anxiety when sickness strikes. And Blue Shield protects you when you travel outside of Ohio, too.

Costs only $1.45 a month. Just $1.45 each month brings you all these benefits. It's a small price to pay for such peace of mind.

Talk it over with your family. Ask your son or daughter, niece or nephew . . . see if they don't agree that this Plan is a very wise way for you to invest $1.45 each month (only $17.40 per year) to help preserve your independence.

Your Application must be postmarked by midnight Sunday, May 29, 1960 . . . MAIL THIS APPLICATION TODAY!

Junior Jet Sale Was Big Success

Because you gave so generously of your time, space, and facilities, this year's Scout-O-Rama and Junior Jet Badge Sales Campaign were highly successful.

The Scout-O-Rama was a two-day, weekend event that packed the Buckeye Building on the Fairgrounds.

Jet Badge sales records are not quite complete at this time, but sales reports indicate another banner year.

Thank you so much for helping in both of these fine youth programs and, again, congratulations for making both 1960 events a huge success.

Visiting Scientists Program Readied For Ohio Schools

The National Science Foundation has announced that the Ohio Academy of Science, with headquarters in Columbus, will receive a grant of $21,965 to inaugurate a visiting scientists program for the public, private and parochial secondary schools of Ohio.

The visiting scientists program will serve to stimulate vital activities in science in the public, private and parochial schools, acquaint the students, teachers and administrators with science, provide guidance and counsel to these same people in the school community.

In the Ohio Academy of Science Visiting Scientists program, the visiting scientists will be able to spend up to several days at a school. This will provide an opportunity for instituting and participating in school science programs which will have more lasting value than a single speech or address.

The visiting scientists, carefully chosen by an Academy committee, may, at the invitation of a school, spend a period of time in the school and community. During this time the visiting scientists will have an opportunity to speak to various school and community groups, to develop seminars and symposia, to organize and plan paper sessions among students, and perform many other services designed to stimulate interest in science.

The program will be in operation in Sept, 1960, and this present grant includes operation through Sept. 1961.

Commercial Travelers Council 144 To Meet

Ohio Council 144, United Commercial Travelers will meet at the Guild Athletic Club, 1114 Ridge-st, at 8 p.m. Friday, May 13.

A vote will be taken on the proposed dues increase. Other matters will be discussed.

Here's the Answer

Smallmouth Bass Should Be Striking

Now that the buckeye trees are blooming, it's time for the smallmouth bass to be hitting in Whetstone Creek, comment local anglers.

There have been no notable catches of smallmouths reported despite the leafing of the buckeye trees, but other fish are being taken.

Another note from the Division of Wildlife warns woodsmen not to pick up wild animals. This is the plea from Wildlife officials who, each year around this time, are flooded with calls from citizens wanting to know how to care for the "orphans."

Wildlife employes point out that in most cases, however, the baby animal is not an orphan, or wasn't until being picked up.

"All forms of wild animals are almost wholly dependent upon their mothers during the early days of life, and should not be taken home as pets," declares George Fennen, district game management supervisor.

South Alumni Sets Reunion

South High School Alumni Association will hold its annual reunion Friday, May 20 at the school.

Registration at 7:30 p.m. will be followed by a variety show at 8:15 and dancing at 9:30.

All graduates of South High are invited to attend.

More information is available from Alumni Association officers: Richard Mincer, CL. 8-1757, president; Augie Graumlich, TR. 5-4401, vice-president; Julia Spurgeon, CL. 8-9117, secretary, or Nelson Hennis, CA. 4-3729, treasurer.

Open House Set At Naval Annex On OSU Campus

The Naval Reserve Officers Training Corps will hold its annual Armed Forces Day open house Friday, May 13, from 6 to 9 p.m., at the Naval Annex on the Ohio State University campus.

The open house will give central Ohio residents a chance to see the various courses, facilities and activities which are available to the midshipmen enrolled in the NROTC. Visitors will also get to see the $90,000 attack teacher installation used to train the midshipmen in the fundamentals of anti-submarine warfare.

Homecoming and buffet dinner will be held Friday at 6:30 p.m. Joseph Prestler, chairman of board of trustees will be master of ceremonies, Geraldine Harris will speak, and there will be a tape recording by Lowell Fillmore, son of the founders.

Friday, 13th Is Lucky For East Siders

According to Tom Green and Joe Davidson, this Friday, the 13th, will be a lucky day for small car buyers in the Columbus East End area.

The new Davidson-Green Volkswagen headquarters, 701 S. Hamilton-rd, will officially open this Friday and Saturday.

Plans for the two-day celebration include refreshments and a film, "The Birth of An Automobile," featuring scenes taken in the West Germany Volkswagen plant.

Green was previously service manager of a local auto agency and is a graduate of the University of Maryland. Davidson, a Cornell graduate, is a mechanical engineer.

A staff of eight men handles the agency's service department and five members take care of sales and administration.

Many models of world renowned cars and trucks will be on display, Friday, in the showroom.

Us Scribes Pen Proper Usage Of Our Juggled, Jumbled Jargon

By John Auble, Jr.

The world of sports harbors a million clinches. Most of them can be found on the sport pages of this paper—or any other paper—and can be quite confusing to the "uneducated."

If you can't speak sport-slanguage and/or want to impress your date at a homecoming game or Jet stadium, herewith is a handy guide to discussing the game the way the experts do.

Simply cut this out, tuck it away in your wallet, and you'll be all set to take the role of the Big Man in The Stadium, proving that you know what you're talking about.

First, a sports reporter is a scribe. This comes from the Latin verb **scribere**, meaning simply, to scribble. Secondly, scribes never write articles, they always pen them.

Us scribes don't care much for the language as it is taught by the local high school English departments. It sufficeth if we can remember to put the prepositions where they belong at. Then we let colorful jargon take over.

A shortstop is not simply a shortstop. He is a speedster, a fleet-footed playmaker or, at worst, a speedy shortstop. It doesn't seem to matter that there are no slow shortstops.

Those wing-footed speedsters of the gridiron, never ran the ball. They scampered, skipped, sped, skirted end or slanted off their own right tackle. In the open field they streaker, strutted, sprinted, dashed, danced, pranced, galloped, raced and broke loose as they eluded tackles. These tacklers were properly called defensive demons, stalwarts or bulwarks.

Likewise, a track star is not just a runner. He is a thinclad or trackster, who digs in, or spurts from, the starting block, churns up the cinders in the straight-aways, and smashes, or severs, the winner's ribbon in a burst of individual fortitude. If he doesn't win the race, he is a big boob.

Only quarterbacks sneak. They also spark drives, ramrod the team, and get smeared on the keeper. This is when the guy hasn't got time or sense enough to get rid of the ball. These field generals, or signal callers, also hurl, toss, or heave the ball, putting on an aerial circus. If the enemy quarterback throws one, it's an aerial duel.

The basketball team does not merely make baskets. They dunk, net, ring up tallies and make dangerous threats, finally hitting pay dirt to eke past the opposing squad—unless the drive sputters and fails, or bogs down.

In wrestling, the team, or squad, is always composed of bone-crushers—usually anchored by a beefy 200-pounder. New men on the team are green sophomores or unheralded rookies. Anybody who made the traveling squad last year is automatically a highly-touted, rugged veteran.

Place-kickers are toe specialists.

Stick-welders are link men.

Scout is the name of Tonto's horse.

Deviations from the language are usually "quoted." The "quote" marks are thrown in for fear some jerk "will not understand" part of this "colorful patter."

And that is the way us scribes see it at the old horseshoe, or oval, when the home forces take to the turf, or the hardwood, sports fans.

It's Rattlesnake Time In Southern Ohio Hills

Rattlesnake time has arrived in the hills of southern Ohio, according to Howard Peck, District 5 forest management chief.

On one of the first warm days early in April, a marking crew, headed by Roger Herrett, crew leader, was working in a remote section in the big Shawnee State Forest. One of the men stepped across a three and a half foot rattler which was still too sluggish to strike. When another crew member yelled at him, he leaped away in a hurry.

The snake had five rattles and was heavy bodied, according to Herrett.

Peck reports that the Division of Forestry purchased aluminum snake guard leggings for use of the cruising and marking crews. Most of the men hadn't bothered to make use of them yet this year up to the time of this first snake incident. Now the leggings are in demand.

"Rattlesnakes seem to be increasing," says Peck. "It may be due to better forest fire protection among other factors. Formerly many snakes were destroyed when extensive fires occurred. With fewer fires, they have lost one of their worst enemies, and they are becoming more abundant."

Army Center Will Stay In City--Kromer

Brig. Gen. Philip Kromer, commanding officer, said last week that the Army Engineer Maintenance Center at 52 Starling-st will not move from Columbus.

Under consideration by the Department of Defense is possible assignment of a new mission to the center here or that at St. Louis, Mo., he said.

Each of the armed forces now handles its own supply management and procurement of construction materials and some repair parts. Under consideration is creation of a military construction supply agency under one manager, available to all services.

The Columbus center's 2735 employees are not expected to be affected materially. If the new agency is located here, additional workers are probable. If located at St. Louis, a few might be affected by transfer, but even this is uncertain, Gen. Kromer said.

Homemaking Hints

Exciting Fabrics, Patterns Make Sewing Tempting

Bertha B. Everhart

Never in history has there been such an array of exciting fabrics, patterns and equipment to tempt the home sewer to test her skill at clothing construction. Old fabrics have taken on new finishes and new fibers have entered the fabric picture.

Sewing may not come easy for you, but you may be able to attain a professional look and in less time if you select interesting but simple patterns and fabrics, and if you cut and sew in a carefully planned, well organized manner.

Fabrics which are usually easy to sew are firm, closely woven, and fray little, if any. Avoid fabrics which are stretchy, sleazy, bulky or stiff unless you are an experienced [illegible].

Save time by buying fabrics which have been pressed on the straight of grain during the finishing process. Some fabrics are difficult to straighten, others impossible. This can be determined by examining the torn end of the fabric on the bolt.

Preshrink fabrics if they are not labeled "sanforized" or a similar term indicating shrinkage by not more than one per cent. To do this, soak the fabric in warm water, absorb excess moisture in a towel or sheet, then hang straight or dry on a flat surface. Press with the lengthwise or crosswise grain of the fabric, being careful not to distort the grain. This method may also be used to straighten fabrics which have been pressed off grain by the manufacturer.

Solid colors and small all-over prints are easier to work with than plaids, stripes and large prints. If a design is printed on a fabric, be sure it is printed straight along the crosswise yarns of the fabric. This can be determined, by examining the torn end of the fabric or by following a crosswise yarn across the end of the fabric, before making a purchase.

For ease of sewing select a pattern with simple lines. For example, a skirt with four gores rather than eight or ten will be quicker and easier to construct. Short sleeves are easier to make than long sleeves.

Your sewing will go more smoothly if you work by units, following an organized plan. After cutting out a garment mark all darts, tucks, pleats, seams, and other perforations. Then assemble all the pieces by units in which you will work; for example, all skirt pieces together and all blouse pieces together. Fold these with the pinned-on pattern to the outside so that you can later recognize each piece as you are ready for it.

Starting with one unit such as the waist of a dress, remove the patterns and stay-stitch all off-grain edges to prevent stretching. This is a single line of regular machine stitching on a single thickness of fabric just inside the seamline. The neckline, shoulder seam, armseye, waistline and any other seam which may become stretched should be stay-stitched.

Whitehall Is Assured By Portman Of Leave

When the time comes for M. D. Portman to do his portion of a $15,000 Whitehall master plan he will take a leave of absence from his $1100 a month state job.

Portman is already on a leave of absence from his job with Rackoff Associates to do a six-month study for the state.

James Maxwell, Jr., Whitehall City Solicitor, said Wednesday, Portman has asked him to assure suburban officials that "when the time comes for completion of my portion of this report, I'll take a leave from the state."

Portman said his part in the Whitehall plan "can be completed in a relatively brief period of my spare time," in a statement to Gov. Michael V. DiSalle, Tuesday.

Portman's financial analysis section of the master plan would take about five days to complete, reported Maxwell.

"We hired Rackoff to get Portman's services and I feel he has a moral obligation, if not a legal one, to live up to that hiring." "I don't care what he (Portman) calls the job as long as it's done properly," stated President E. D. Willis, leader of the Democrat majority, in the meantime.

The master plan in essence, is "nothing more than a big overgrown budget to give us a fiscal calendar," Willis said.

Willis unexpectedly commended Maxwell for drawing a contract specifying the work to be done, after he noted that the first contract proposed by Rackoff's firm was "vague."

September 1, is the deadline for completion of the Whitehall master plan, Willis said.

PTA PLANS CARNIVAL

Bexley-Cassingham PTA has planned a new type of carnival, a "Carnaveral," from 5 to 9 p.m., May 20.

Floyd Stolzenburg, school principal, and Mrs. William Woodruff, chairman, announced that Mr. Muttnik, a space creature designed by Mrs. Ira Jackson, would be the mascot of the evening.

NEW DEVELOPMENT FOR EAST SIDE

ON HAND—Official ground-breaking ceremonies on what is potentially the biggest real estate development in the Columbus area were held this week with city officials and builder Ernest G. Fritsche participating. At the site of Yorkshire Addition are, left to right, Fritsche, City Superintendent of Water Frank Wright, City Superintendent of Sewers and Drains Carl Schoene, Service Director Ernest H. Stork, Deputy Service Director Robert T. Leiderf and City Engineer Robert Werner. The Yorkshire community will be composed of 500 luxury homes ranging in price from $25,000 to $40,000 and more for some custom models. The area will include reserves for schools, a community service center and a private park along Big Walnut Creek. Yorkshire is located at the southeast corner of Noe-Bixby and E. Livingston-avs. The Ohio Fuel Gas Company has selected one of the homes for its 1960 "House of Enchantment."

Bexley High School LION's ROAR

By GLENDA SCHOTTENSTEIN

Four New Cheerleaders Chosen, Two Re-elected

Four new cheerleaders were selected last week to serve for two years on the Bexley High cheerleading squad.

Selected from the finalists were Claire Baas, Pat Miller, Sue Helmick and Barbara Kerr.

Diane Kearns, who has already served for two years on the squad, was also re-elected. Bev Solove, who was selected last year, will be the other member of next year's six-girl cheering squad.

The head cheerleader will be named at Bexley's Athletics Awards Assembly on May 27.

Graduating members of this year's cheering squad are Patty Lutzy, head cheerleader; Barbie Blose, Ina Sue Valcov, and Lynn Whetstone.

Duties of Bexley High School cheerleaders include leading cheers at all football and basketball games and promoting good school spirit.

Junior-Senior Prom

"The Wizard of Oz" was the theme of Bexley High School's 1960 Junior-Senior Prom which took place last Saturday night at the Columbus Jewish Center.

Juniors and Seniors danced to the music of Bob Marvin's Orchestra. Additional entertainment was provided by the Boy's Barber Shop Chorus.

According to tradition, the theme of the Prom was kept secret by the Junior Class who presented the affair.

Doug Loeffler and Sam McGavern were co-chairmen of the decorations committee for the Prom. Sue Yardley was chairman of the program committee.

Bob Self and Barbara Rall were chairmen of the souvenir committee. Steve Pollack was in charge of lighting and Phyllis Schecter and Marlene Solomon were co-chairmen of the refreshments committee.

Three Services Combine Efforts At Columbus General Depot Show

It'll be a knock-out, a touchdown and a hole-in-one Saturday when the Columbus General Depot opens its doors to the general public for Armed Forces Day 1960.

Gates are scheduled to open at 10:30 a.m., while the five-hour show will get underway at 11 a.m. Aerial demonstrations were not planned but a demonstration of U.S. Marines capturing a hill assisted by an Ohio Guard helicopter will take place.

There'll be free ice cream for the children and the public will be able to fire a World War I water-cooled machine gun. During a tour of one of the largest warehouses in the world—8/10th of a mile long—plastic toys, balloons and suckers will be given out to the youngsters.

The 2nd Army Kilty Band—complete with skirts—will compete for attention with professional models who will show off every WAC uniform in the 18 years of the Woman's Army Corps has been in existence.

Sentry dog demonstrations, survival and personal equipment displays, judo demonstrations, electronic countermeausures display, trampolin demonstrations, pellet gun demonstrations, and firing small arms exhibit, flying safety display and firefighting show will highlite the entertainment.

A tri-service chaplain's display will be shown. Lockbourne's 214th Field Training Detachment will have B47 and KC97 aricraft cut-away engines will be displayed. Also shown will be a peek at space, in the form of an Explorer satellite replica.

Rezoning 'Cools Off' In Whitehall

Whitehall residents of the Broadhurst-Etna-rd areas still have their rezoning problem this week.

After a long month of debate by nearby property owners, residents of Whitehall Park area got the word Tuesday night that they'll have to "cool off" for 60 days.

Sixty days was the length of a continuance granted Attorney William Page Lewis for Hazel Realty Company, the concern planning to set up a medical center and a department store on a tract now zoned residential.

The commercial zoning change is sought by Lewis for the firm in an area on Hamilton-rd, between Etna-rd and Broadhurst-dr.

One official, who declined to be quoted, said "it'll be like a cooling off period." Opponents contend they were sold their homes on the strength of the area remaining in the residential classification.

GIVEN PERMIT

James M. Sherman, 1017 S. Yearling-rd, has been given a building permit for a patio and awning. It will be built by Wojno's, Inc., 3047 Indianola av.

ELECT PRESIDENT

REPUBLICAN CLUB—The Whitehall Republican Club recently elected Kenneth E. McIntosh to be president of their organization. The new vice-presidents of the club are Samuel Hey, John Williams, Jack McQuaid and Tom Monti, who are all ward committeemen. McIntosh was formerly Whitehall's safety director. Francis E. Shaeffer, former first ward councilman, was elected secretary and Mildred Williams was chosen to be treasurer. Left to right, McIntosh, Shaeffer and Walter L. LaRue, retiring president.

Music Man—

headed state and national associations of the music merchandising business.

A native of Meigs County, he came to Columbus in 1900 and started as a chore boy in a general music store. He learned to play many instruments and later gave lessons and formed a dance band.

He became a collector of old instruments, and this led to another interest—numismatics. In 1949 his collection of rare coins was declared the finest in the country. In 1953 President Eisenhower invited him to serve on the U.S. Assay Commission.

Mr. Heaton is survived by his wife, Lorena; two daughters, Mrs. Ralph S. Bush, Columbus, and Mrs. Rowland S. Wilson, of Newport, R.I.; four grandchildren, and a brother, C. Wert Heaton, Pompano Beach, Fla.

Rezoning—

were alternately "discouraged," "happy," and "discouraged" as the measure wended its way through council chambers.

A fortnight ago, solons approved the rezoning. Then came Westlake's veto. And now, again, by a similar one vote margin that originally approved the Ranft request, council nudged the mayor's objections aside.

The vote to override the veto was on a bi-parisan level.

For the rezoning, and against the mayor's veto, were councilmen Robert L. Van Heyde, (D); Mrs. Golda Mae Edmonston, (R); Robert H. Smith, (D); and Russell M. Jones, (D).

On the other side of the ledger could be found Council President William Hicks, (R); and solons Ronald DeVore, (R) and William P. Hoermle, (D).

Future Teachers Get Scholarships

Seniors Sandy Chambers and Sidney Townsend each received $200 scholarships from the Columbus Council of the Parent Teacher Association. The scholarships, given to selected Columbus seniors who are going into teaching, were presented at a banquet held at Ohio State University's Union last Thursday. Sandy plans to attend Otterbein College and wants to teach Spanish. Sidney is going to Ohio State University and will major in Music Education.

The annual Band Banquet, sponsored by the Instrumental Music Parents Association, was held Tuesday at the school. The senior band members were honored, music letters and pins were awarded to outstanding members, and promotions from junior to senior band members were announced.

Those members who received letters were Senior High: Mary Heffron, Jim Wright, Roberta Kall, Ted Guyton, Linda Koetz, Eric Snider, Bill Burton, Dale Barton, Ira Sutton, Jim Herd; Junior High: Carl Lowe, Mike Korbel, Ted Klug, John Rosemond, Bonita Shoultz, Pam Levine, Richard Highman, Carol Narcross, Roy Arnett, Paul Fitspatric, James Beightler.

The members that have previously received letters and who were awarded pins this year were Barbara Moltenberry, Sandy Edwards, Ken Strickrod, Sidney Townsend, and Sandy Bland.

Mr. Kaye, band director, announced that the majorettes for next year would be Marilyn Stevens, Pam Smyser, Bonita Shoults, and Barbara Dearth; alternates, Sharon Pierce and Sue Huffman. Don Sprague was chosen drum major. Tryouts were held last week.

Mr. Swinger, president of the Music Parents Association, was master of ceremonies for the evening.

Student Council and Student Court will hold their annual picnic next Wednesday at Hoover Dam from 6 to 10 p.m.

The new homeroom delegates to next year's Student Council have been selected. They are Sharon Allen, Sandy Ball, Richard Batteiger, Craig Bush, Nancy Butterworth, Marcia Davis, Frank Dwyer, Richard England, Judy Fleming, Ron Golden, and Bill Gordon.

Dianne Haley, Dick Highman, Ronald Jackson, Wynne Justice, Kathy Kelley, Connie Long, Arlene Mara, Tim McCool, Dottie McDonald, Sandy McNamar, Pete Miller, Gretchen Neiswander, Larry Nichols, Carol Peterson, Diane Phares, and Steve Pinsky.

Connie Rau, Roger Reynolds, Alan Ross, Frank Schnitzsphon, Gerry Shoemaker, Frank Stavroff, Ira Sutton, Tommy Tucker, Bonnie Venook, and Jeannine Wilson.

Eastmoor drama students with their instructor, Mr. Keiser, attended a special showing of "Ben-Hur" last Saturday, and are now planning a field trip to Ohio State University's production of the "Merry Widow."

Another drama project is a banquet for Masquer's Club members to be held soon.

The music department will present a concert at the meeting of the PTA Monday at 8 p.m. Participating will be the Junior Band, Senior Orchestra, 10th grade chorus, Boys' Ensemble, 9th grade chorus, Girl's Ensemble, and ninth grade ensemble.

Police Calm Street Dance By Students

One of two things happened at Drexel-av and Broad-st Friday night, but whatever the reason it took police officers to quiet the group.

When students from Columbus School for Girls and Columbus Academy got together for a party at the home of W. A. Carlile, Jr., they either became too enthusiastic or there were just too many of them.

The students, dancing in celebration, spilled out into the intersection and had to be dispursed by police.

Carlile, whose home is at the northeast corner of the intersection, had given the students permission to hold their dance in his driveway, police said.

Eventually, some of the 150 to 200 students blocked off the street.

Police chased them back without any trouble and no arrests were made. However, Sgt. Foster McElfresh, acting chief, said he would talk with school officials about the event.

GRANTED PERMIT

Fred Saas, 1034 Chelsea-av, was granted a building permit to construct a two-story two-room addition. The contractor is the Pendleton Construction Co., 910 S. Roosevelt-av.

Girl Scouts Get Badges Have Party

Girl Scout Troop 176 intermediates of the Yearling Road Neighborhood Association were presented badges in various fields at the group's last meeting.

Peggy Jo Whipps, Barbara Summers, Patty Taylor and Carole Gerdinac received five year pins. Kathy Cook and Beck Schwartz were invested into the troop as new members.

Troop 745 intermediates entertained their mothers at their third troop birthday with an international program. Hospitality badges were awarded to Cynthia Meeks, Patti Ziegler, Judy Findley, Lou Ellen Brambiett, Rose Marie Campbell, Aleta Rawdon, and Linda Yanevich.

The Neighborhood Association is holding training sessions for summer camping. Mrs. Wayne Simon, the group's chairman, will serve as site director when the Girl Scouts attend Hickory Hills Day Camp from Aug. 8 to Aug. 18.

Area Residents Aid Fund Drive

A fund drive to raise $1,750,000 in congregations of the United Presbyterian Church in the USA, will be conducted May 15 through June 1 by the Synod of Ohio.

The money will be used to erect new buildings for Westminster Foundations on the campuses of Ohio colleges.

Campaign committee includes, from Hartley Newspapers' area: Mrs. Ernest Roush, Mifflin Church, Gahanna; Rev. John Sloat, Pataskala; Dr. A. J. Wold and H. V. Mielke, Hoge Memorial Church, and Mrs. H. Richard Hahn, Brookwood Church.

Politics—

Democratic presidential nominee. She met him at a Jefferson-Jackson Day Dinner, she said. Her duties are to welcome Sen. Stu's staff when they come and provide publicity for the presidential aspirant.

But it was another presidential seeker that started her on her "gung-ho" way, she declared. The person was Massachusetts Senator John Kennedy, whom she also met at a Jefferson-Jackson Day dinner some years ago. As for the outlook on her former idol, she believes that he needs four years experience as vice-president before he should seek the top post.

But all of her Wittman-isms, to coin a term, are not necessarily the brash thoughts and frequent shifting of youthful ideals. Judy also reflects a maturity beyond her age.

Questioned as to whether or not 18-year-olds should be allowed to vote, she incorporated a teen-age outlook with a mature pertinent point: "there are too many half-wits who would abuse the privilege."

And she went on to compare them with older adults who find that a "rainy day seems to be a good excuse not to go to the polls."

She feels that the average citizen has the idea that they are somehow disassociated from their government, instead of recognizing the fact that they are the government.

"People," she says, "think of themselves as salesmen, clerks, or (facetiously) reporters. They think they are entirely differentiated from the government, when in reality it is their say so as to what goes on.

"For this reason alone, they should take a more active part in the formation of governmental policies, whether it be on the local or national level."

Of her own local government, what ever their differences may be, Judy thinks that they are working as best as they know how for the betterment of their community.

But whether it be on the subject of national or local politics, or her favorite subject, Stuart Symington, it cannot be said thta exuberant Judy Wittman doesn't have a torch of her own to be seen.

Good Old Days May Not Have Been So Good

We hear a lot about the good old days but a recent survey of grocery prices points out that in comparison with today's prices the good old days may not have been quite as good as they are painted.

The prices of today's foods are often increased by the fact that the housewife now buys ready prepared or frozen items which may cost a little more.

A look back at an old grocery list in 1868 shows that a grocery bill that amounted to $4.88 then will now come out around $4.65 Let's take a look:

	Then	Now
Sugar, lb.	$ .15	$ .11
Raisins, lb.	[illegible]	.31
Tea, lb.	2.00	1.74
Squash, lb.	.02½	.09
Tomatoes, can	[illegible]	.18
Berries, can	.16	.25
Lemons, each	.03	.04
Oranges, each	.05	.05
Horseradish, jar	15	.21
Starch, ½-lb.	.08	.08
Soap, bar	.25	.10
Coffee, lb.	[illegible]	.66
Crackers, lb.	.16	.29
Lard, lb.	.22	.23
Totals	$4.88	$4.65

It is apparent that the farmer, the grocer or even the middle man doesn't deserve all the blame he often gets today for the high cost of living.

A CASE OF QUALITY WITHOUT QUANTITY

Wait 'Till Next Year Says Warrior Coach

By John Auble, Jr.

Shuffle into the athletic department at Eastmoor High School, and to get a conversation into high gear, you might ask, "What's new?"

A lad in the corner, putting on a pair of track shoes, will say, "Our coach is new, Vincent Cahill." But that's not all.

Cahill, in his first season with the Warrior track squad, is expecting quite a few new —if not startling—things from his squad next year.

Glancing at the record book, Eastmoor's unimpressive 4-5 record in dual and triangular could be misleading.

"We're grabbing a lot of first places," the young coach said, "We just don't have the depth to win enough points."

It's purely a case of quality without quantity.

Recapping the season, the Warriors took a second place in the Gahanna Relays, third in the Polar Bear Relays (at North) and third in their recent Eastmoor Invitational.

"We were relatively green this season," Cahill stated. "We did have a number of returning lettermen, but the biggest part of our squad is made up of sophomores."

Cahill explained that track has been "sort of an also-ran" at Eastmoor, with the majority of the school's athletes heading for the baseball diamonds.

Cahill explained that the nice part about a school like Eastmoor is the spirit on the part of the student and faculty bodies.

"With the spirit that we've got here," Cahill said, "the turn-outs at the track meets have grown. I'm sure it will grow more as we improve—and we are improving."

Looking ahead, Cahill and his group will be meeting Franklin Heights and Central in a triangular meet Thursday night (this evening) and will run against North High Monday evening.

"Then we go to the Muskingum Relays," the personable coach said. "We'll be competing against approximately 200 other schools and this will give our sophomore boys a taste of real competition."

Homer McKnight, who has been one of the outstanding runners on the Warriors' squad, will be leaving via the graduation trail along with sprinters Ron Wollett and Frank Oakley. Also leaving will be Jim Huffman who is, according to Cahill, "one of our better 440 men."

McKnight is planning on an engineering career at either Ohio State or Ohio University.

From the looks of things at the practice sessions and in competitive meets, Eastmoor's 440 and field events are still weak.

"It takes a long time to get a boy to do exceptionally well in a field event," the coach said. "We are having trouble developing any high jump, shot put or discus men."

This is the way the Warriors stand at present. If they come out on top over Central and Franklin Heights Thursday, the smell of roses will be most intoxicating.

KIWANIANS TO PACK JET STADIUM

DUGOUT DOPE—Protective helmets used by professional baseball players get first hand inspection by two youngsters at Jet Stadium during practice before the local club's opening game. The Jets' efforts to climb into first place were given a morale boost when Kiwanis clubs of Central Ohio announced that night a gala "fill the stands" night for June 8. Eastern Kiwanis Club's Jack Unkefer, 339 S. Ashburnton, was on hand when arrangements were made for the big night when Buffalo will be in town. Pictured above are (from left to right) Unkefer, manager Cal Ermer, Joe Beckwith, 795 S. Hague-av; Jay Kubin, 12, 694 S. Harris-av, Ron Blackburn and Clark Martin.

NOW AT OHIO U.

Bexley Grad Sparks Victory

Bob Babbitt, freshman quarterback who was graduated from Bexley High School, sneaked over from the one-yard line in the fourth quarter for a touchdown and Bucky Wagnar ran over for the extra points that gave the White team a surprise 15-14 victory over the Green team in Ohio University's second spring game in a week.

The White team, beaten 26-14 last week, pushed the Greenies around considerably in the muddy contest on the Bobcat practice field.

ROUNDING UP SPORTS

Eastmoor Downs Hawks In 12-0 Battle; Cap Set

Eastmoor handed Hilltonia Junior High its first loss of the season recently, 12-0 on the Hawk diamond. This put the Hawks record to date 2-1.

Don Van Order, with two hits including one double, and Paul Ratliff, with a single, garnered Hilltonia's only three hits of the afternoon. Eastmoor's hurler Myers, meanwhile, was striking out 12 of the Hawks while only giving up one base on balls.

Hilltonia's pitching staff couldn't stem the flow of runs nor hits (11) for the visitors as the mound. Starter Van Order took the loss.

Hilltonia	000 000— 0	3	8

The batteries: Myers and Golden, Padgett (5); Van Order, Weisert (2). Goodin (3), Vawters (5) and Neely.

In other local baseball action, Whitehall's Rams suffered a 4-3 defeat to the hand of Eastmoor's varsity baseball team last week.

With the score tied 3-3 in the ninth, Ry Poole scored the decider on Frank Stavroff's bunt. The Warriors eliminated Licking Valley from tournament competition by scoring an 8-1 victory last Thursday.

In golf circles, Eastmoor defeated Grove City 6-2 two weeks ago, came back to down Gahanna in an upset tilt, 12-4. The team scored 350 points to make it their most outstanding meet to date.

In collegiate circles, Capital University will journey to Westerville tonight (Thursday) to take on Otterbein. They will then return for a double-header with Heidelberg on Saturday.

The Fighting Lutherans have downed Heidelberg five times in the seven times the squads have met. Against Otterbein, Cap has won 66, lost 35 and tied one.

Saturday, Captial's track team will travel to Tiffin, O., for a meet with the Heidelberg group and then return for a Tuesday afternoon meet with Otterbein.

Last year, Heidelberg downed Cap 73½ to 53½.

Child Center Gets $100,000 Federal Grant

Building fund for the planned Diocesan Child Guidance Center, to be built across from Mt. Carmel Hospital, has received a $100,000 boost from a Hill-Burton grant.

Federal funds will be matched two to one with Diocesan money in building the $312,000 structure.

The out-patient clinic will be operated independently from Mt. Carmel, but will benefit from the hospital's facilities and trained staff members.

Construction on the center is expected to get under way in the near future.

WBBA Youths Will Begin Annual Membership Drive

You can't tell the players without a program in the Whitehall Boys' Baseball Association, but you can help them have a successful 1960 campaign by purchasing a membership card beginning May 19.

According to Linn L. Hiatt, assistant secretary of the group, the WBBA membership drive is the "do-it-yourself" section of the summer baseball program and will be handled by the boys themselves.

Although it is not required, the association believes that each diamond squad member can sell at least 10 memberships each if the community residents cooperate with their support.

"Last year," Hiatt said, "one young fellow sold over 60 memberships and several of the boys have sold over 50."

This year, when a boy sells 10 memberships, he will receive recognition by having a gold cloth button sewn on his uniform cap. Boys selling 20 or more will be refunded their insurance money—"this means," Hiatt explained, "a summer of baseball without investing any money."

Also, the boys selling the most on each team will receive an official Little League or Babe Ruth style baseball.

Ted Bontempo, the WBBA treasurer, reported that the memberships sell for 50 cents and consist of a wallet-size membership card and a windshield sticker.

Additional stickers can be purchased by members for 25 cents. Since this is a house-to-house campaign, an additional sticker in the front window will save answering the door bell more than once.

Hiatt added that memberships are not restricted to Whitehall and that friends and relatives anywhere can be WBBA members.

In concluding, Hiatt stated that the project is the only sales contact the boys will make with the public.

Eastmoor Grad Earns 'Airman Of Month' Title

Airman Second Class Richard Schwingel, 20, son of Mr. and Mrs. Robert Schwingel, 615 Napoleon-av, was named "Airman of the Month" during February at the L. G. Hanscom Field at Bedford, Mass.

Airman Schwingel has been in the Air Force about 21 months. He was in the first graduating class of Eastmoor High School (1957); where he was elected to the National Honor Society and was active in dramatics.

As part of his honors he received a $25 cash prize and was a guest of the Kiwanis Club of Lexington.

He was employed by the Hanna Paint Company for about a year.

Now in communications, he is en route to a new assignment with the Strategic Air Command on Guam.

Whitehall Boosters Plan Friday Dance

The Whitehall Band Boosters are sponsoring a round and square dance Friday, May 13, from 8 to 11 p.m. in the high school cafeteria.

The regular monthly meeting of the Whitehall-Yearling High School Band Boosters will be held Tuesday, May 17 in the high school band room.

Panthers Nab Invitational At Eastmoor

Due to inclement weather, more participants than spectators turned out for the first annual Eastmoor Invitational track meet held under rainy skies Saturday night.

Tim Donaldson's triple win led Linden-McKinley to a slim 59 7/10 to 58 win over Whitehall in team honors.

The host warriors finished third with 37⅘ points followed by North, 34 1/10; South, 24 14/15; Central, 8 3/5, and Aquinas who was blanked.

West and Franklin Heights were unable to make it a nine-school event, due to the weather.

Donaldson posted his wins in the 100 yard dash, the 440 and the 220 with times of 10.7, :53.1 and :23.2, respectively.

Track records fell in the 880, 440 and discus events.

CALLING ALL BOYS

Church Sets East Area Baseball

The East Columbus Christian Church, under Russ Cohagan as athletic director, is sponsoring three baseball teams for boys under 16 years of age. The groupings are.

Little Leaguers, Junior Knothole and Intermediate Knothole.

Such men as Charles Carter, Jerry Axline, David Kalb, "Pop" Coverdale, Ray Shade and Brother Joe are managing and coaching the teams.

The teams are open to all boys regardless of race, creed or religious affiliation.

Any boy who is interested may contact Dr. "Brother Joe" Belcastro (BE. 5-4311 or BE. 7-5481). The East Columbus Christian Church is inaugurating an all year-round athletic program.

Ohio's President Of Student Council Will Speak Friday

On May 13, the Student Council will present to the student body the Code of Ethics, which will be voted on by the pupils, the school flag, the school creed, and a banner from each of the CBL schools. The purpose of this assembly is to acquaint the students with some of the activities of the council throughout the year. Tom Nighswander, the president of the Ohio Association of Student Councils and Chet Long will speak to the assembled group.

The Rams' baseball team defeated previously unbeaten Marysville in district tournament play, 3-0, behind the no-hit pitching of freshman, Tom Smith. Big blow for the Rams was Jim Franklin's double in the sixth inning. The team faces Mt. Vernon on Tuesday in the second round of the tournaments.

Seniors received their cards and announcements Wednesday, May 11, making them realize that graduation was more than a dream away.

At both the Mifflin and Eastmoor Relays, the WYHS track team placed second. High scorer for the team is Jerry Millington, who has 168¼ points.

The first honor roll (all A's) has been published. On the roll are: Phyllis Puckett, Janet Jackson, Fred Butler, Penny VanderPutten, Janice Freeman, Roanne Rumper, Gladys Parker, Esther Blaker, Melissa Cottingham, Carol Wheaton, Amos Brown, Karen Kephart, Cheryl Klinger, Mary Jo Potts, Kathie Trees, Ronald Roth, Sherman Schwartzberg, Paul Morganski, Judy Lehman, Steven White, Eileen Remenicky, Carol Fleener, and Shelia Perry.

Whitehall seniors have been invited to the first annual reception at the Ohio State Employment Service on Saturday, May 14, from 8 a.m. until 12 noon in order to meet prospective employers. This is the first time this has ever been done and should be quite interesting.

To prove that he was still in good condition, Bob Franklin ran to the Mifflin Relays from Whitehall with his ticket taped to his hand. When asked why he taped his ticket to his hand, he said, "Well, you can't expect me to run and hold that too!"

The band has invited an outside combo to play for its dance on Friday, May 13, so that all the members may dance and enjoy themselves that evening.

Question of the week: When is the newspaper coming out?

EASTMOOR'S BOWLING CHAMPS

TEACHERS TAKE TROPHY—Members of the winning championship teacher's bowling team in the Columbus Men Teacher's League can be found at Eastmoor Junior-Senior High School. From left to right, taking a look at the championship trophy, are Jerry Kay, band instructor; Don Murphy, science teacher, and Ray Tate, math instructor. Not pictured is John Young, principal at Johnson Park School and was vice-principal at Eastmoor at the time the team was in action.

Gar Is 'Shark' Of Fresh Water Fishes

INSIDE ON THE **Outdoors** By ROD COCHRAN

Tom Maggard, West Jefferson, took recently what would be a trophy gar fish if such a strange looking creature could be called a trophy. The gar came from Deer Creek, near Mt. Sterling, and Maggard gigged six others the same night while after suckers. The big gar was 48½ inches in length.

This fish was almost certainly a longnose gar, since the other three kinds of which there are records in the state are quite rare. Milton B. Trautman, 3875 Olentangy-rd, author of "The Fishes of Ohio," states in his excellent book that the largest longnose gar coming to his attention in more than 30 years of fisheries work was four feet, six inches. This is just five and one-half inches longer than the gar Tom Maggard speared the other night.

While gars are common in waters of this area, they are not as abundant as they once were. Older fishermen will tell you of seeing more of them in years past. Sightings of schools of gars basking in the Scioto River were not uncommon.

All of the gars have long, narrow snouts lined with teeth, which gives a pretty good hint of their feeding habits. They are predatory, and once they grab a fish it has little chance of escape—these fish might be called fresh water sharks. (The record for alligator gars is one taken in Louisiana that weighed 302 pounds, but there are only a few records of this species in the state in the last 50 years and all were in the Ohio River near Cincinnati.)

State Record 14 Pounds

The longnose gars seen in this vicinity are long and slender, and most of them are small. I do not believe I have ever seen one much more than 20 inches in length, and at this size they weigh about a pound. Tom estimated the one he speared to weigh about 12 pounds, and the record-holder for the state weighed 14.

It is interesting to speculate on how many fish a gar would eat in a year—and fishermen always do this. Certainly they take their share, but they may not always be game fish—in fact, their food may be rough fish more often than not. They are probably like the rest of us; they take what they can get.

Gars must not do great harm to fish populations, for game species did not noticeably increase as the gars declined. This is so true of many situations in nature—there are many factors responsible. Decreasing a single predator, or a dozen, may not have much effect. But, if everyone realized this, we wouldn't have so much to talk about, and life wouldn't be nearly so interesting.

The huge gar was the high-point of Tom's trip. It thrashed the water to a froth, and bent the gig. But Tom stuck it out, and landed the brute. I would have liked to have taken a picture of the fish, but he didn't bring it in—it weighed too much to drag back to the car. He laid it along his gig pole and notched its length to measure when he got home.

Oh yes, he got some suckers, too.

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR:

Vegetables—Asparagus, snap beans, spinach, greenhouse tomatoes, celery, carrots, escarole.

Fruits—Bananas, rhubarb, Valencia oranges, canned cling peaches, froren lemonade.

Protein Foods—Pork loins, chuck roasts, Boston butts, steak "specials," fryers, large eggs.

THE GREENHOUSE TOMATO

The Greenhouse tomato—queen of all tomatoes—is here again. This is the tomato that really lives in a glass house. It's grown in greenhouses under controlled soil, temperature and moisture conditions. The supply of this high-quality tomato will be largest during late May and early June. And, of course, that's the time you can buy them at the lowest price.

FOOD SHOPPERS SAY greenhouse tomatoes come closer to the ideal tomato than do the vine-ripe or tube tomatoes. This fact is revealed in a study done at the Ohio State University. On flavor and texture, greenhouse medium tomatoes were rated "good" by nine out of 10 customers, compared with four out of 10 for vine-ripe, and two out of 10 for tube tomatoes. All three kinds of tomatoes are available now.

GREENHOUSE TOMATOES are Ohio's most valuable single fruit or vegetable crop. Each year's crop has a money value at 16 to 20 million dollars at the wholesale level.

Close to 600 acres of greenhouse tomatoes are grown in Ohio. Two crops are grown each year on many of the acres—one in the spring and one in the fall.

An average spring crop yields about 96,000 pounds per acre. The fall crop yield averages lower, about 56,000 pounds per acre. This is due largely to less sunshine during the fall growing period.

The Cleveland area leads in greenhouse tomato production, followed by Toledo, Cincinnati and Columbus.

WHEN YOU BUY

The green calyx (green stem) is the "trademark" of greenhouse tomatoes and one way to distinguish it from vine-ripes or tube tomatoes. However, it is no longer a sure sign of identity. Many southern field-grown ones also have the green calyx.

Other tips are to read the label, if prepackaged, or ask the grocer if there is no label, to be sure you are getting greenhouse tomatoes. The ones that are firm, plump and free from blemishes are most economical. The color may be red or pink, depending on the variety.

CARE AT HOME—Do not store greenhouse tomatoes in the refrigerator. Low temperatures hinder the development of full flavor in greenhouse tomatoes. Keep them out of direct sunlight. If you like to serve chilled tomatoes, place them in the refrigerator a short time before serving.

STRAWBERRY SHORTCAKE TIME NOT FAR AWAY

Growers say strawberries are in bloom throughout Ohio. Much depends on the weather, but peak of local harvest is expected the first part of June. Meanwhile, Arkansas, Alabama, South Carolina and western Tennesee are starting harvest.

Summer Swim Program Announced For YWCA Pool

Registrations are being taken now for summer swimming lessons at the YWCA.

The classes begin the week of June 13, and registration must be made in advance. Classes are scheduled for girls six through 17 years of age, boys six through eight years of age and adult women. The pool is open Monday through Friday from 9 a.m. to 9 p.m.

Lessons are scheduled according to abilities of swimmers—beginner, intermediates, advanced, synchronized swimming and diving. Special instruction is organized for junior-senior high school girls. Also there are special classes for boys and girls three to five years old. Registrations for tiny tots will be taken after May 21.

Adults will meet Tuesday and Thursday mornings and Monday through Thursday evenings. Beginners' classes start every week. The pool is also open every day for children for a free swim period and every evening for adults. Registrants should call the Health, Physical Education and Recreation Office of the YWCA. A physical examination is required of every one using the pool and enrollment in the classes will be limited.

More Mature Elvis Makes TV Appearance This Week

Elvis Presley, after returning to civilian life, will resume his place in the entertainment world with an appearance as special guest on the Frank Sinatra Show, Thursday, May 12, at 9:30 on Channel 6.

A little more mature in appearance, perhaps, Elvis demonstrates he has also matured professionally. The voice is a bit deeper, the delivery more authoritative. Elvis will be in the company of other great stars, such as Sinatra, Joey Bishop, Peter Lawford, Sammy Davis Jr. and Nancy Sinatra.

Producer's Choice will present "Neighbors" Thursday, May 12, at 8:30, on Channel 4, starring Joseph Cotten, Leora Dana and Mary Murphy. A club woman discovers her selfish interests are driving her husband into the arms of a widow.

The Phil Silvers Show brings Sergeant Bilko, eager for cash, setting up a radio station, using army equipment, to replace the closed-down Roseville station. During an inspection of the camp, they must keep their microphone moving, and in moving, pick up a spat between Colonel Hall and his wife. Bilko bills it as a soap opera and the listening public appeals for it to continue.

Roughing It, a dramatization of Mark Twain's book of reminiscences of the Nevada Gold Rush days, will be presented on Channel 4, Friday, May 13, at 10 p.m. Twain will be portrayed both as a young man during the six years when he served as an unpaid aide to his brother, secretary of the Nevada Territory, and in his later years as a wry commentator on this period of his life. James Daly will play Mark Twain. Co-starring will be Andrew Prine, Frances Heflin and George Mathews.

NBC Major League Baseball will bring the Milwaukee Braves and Pittsburgh Pirates together at County Stadium in Milwaukee, Saturday, May 14, at 1:25 p.m.

Eyewitness to History will be devoted to on-the-scene coverage of the Big Four summit meeting in Paris, Tuesday, May 17, 8:30 p.m., on Channel 10. Reports will be special background material filmed in West Berlin and behind the Iron Curtain in East Germany.

Western access to West Berlin and Soviet Premier Khrushchev's demand for Western recognition of the East German satellite regime will be included in the reports. The program will also feature special reports from Geneva on the disarmament negotiations currently being conducted.

Playhouse 90 presents a special production of Rod Sterling's "In the Presence of Mine Enemies." Wednesday, May 18, at 8:30 p.m., on Channel 10. The story is of how a rabbi and other Warsaw Ghetto residents lived, suffered and fought back against their Nazi oppressors during the World War II years between 1940 and 1943.

The cast will include Charles Laughton, Arthur Kennedy, Susan Kohner, Oscar Homolka, George Macready and Sam Jaffe.

Mifflin Girl Tops County Honor Group

Ruth Higginbotham, of Mifflin, has been elected the new president of the Franklin County Honor Society.

Other officers selected at the organization's meeting last week at the Franklin County Court House were Clyde Garrett, New Albany, vice-president; Mary Jo Reinking, Reynoldsburg, secretary, and Connie Hensley, Grove City, treasurer.

Holding other offices are Waldo Walker, Dublin, scholarships; Sandra Stewart, Gahanna-Lincoln, services; Susan Johnson, Canal Winchester, leadership; Sharon Reichart, Groveport, character; Sharon Werstlein, Hamilton Township, reverence; William Geese, Hilliard, conductor; Jeanne Groene, Grove City, pianist, and James White, Mifflin, flag bearer.

MAILMAN'S HOLIDAY

Oakland, Calif.—Postman Bernard J. Connolly is on a 16-week European "tour of understanding." During the trip Connolly plans to deliver 13,000 letters written by people along his mail route to relatives and friends abroad.

Zoning Change For Motel Denied By Plan Board

The Regional Planning Commission turned down a request for a zoning change to permit a motel to be built on E. Main-st, 1000 feet east of McNaughten-rd.

The change was denied primarily because the site is located in an area involved in annexation litigation.

The city claims the tract is located within Columbus city limits and that they have jurisdiction over the zoning.

The rezoning to commercial use was requested by Arthur Sichler, 1784 S. Champion-av.

Donald Radike Is Presented With Certificate

Donald J. Radike, son of U.S. Army Major and Mrs. Melvin N. Radike, 4163 Wright Park, Columbus, has been awarded the 1960 Reserve Officers Association Certificate by the Air Force Reserve Officers Training Corps at Capital University.

Radike is studying history at Capital, where he is a senior. Upon graduation, Radike will be commissioned a second lieutenant in the United States Air Force.

The award was presented for Radike's high degree of achievement and proficiency as an Air Force ROTC Cadet.

Three More Groups Join United Appeal

Three fewer contacts by fund raising groups became a possibility for this area this past week as three organizations applied for United Appeal participation.

W. Rex Davis, UA president, said applications have been submitted by the House of Hope, Central Ohio Chapter of the National Kidney Disease Foundation, and Columbus Area Council on Alcoholism.

Their qualification for membership will be studied by United Community Council and the UA Citizens Screening Committee.

There have now been seven applications for membership in the last year. This development Davis said, "reflects the public's growing desire to contribute fewer times for support of worthy causes."

Davis said that invitations encouraging six other organizations to join under UA's "open door" policy have been sent to local chapters of American Heart Assn., American Cancer Society, Crippled Children's Society, Muscular Dystrophy Society, National Foundation, and Tuberculosis Society.

Lutherans Set District Meet At Concordia

About 125 persons are expected to attend the annual convention of the Central Ohio District Lutheran Laymen's League at Concordia Lutheran Church Sunday, May 15, beginning at 2:30 p.m.

Theme of the convention will be "Worship God and Rejoice in Christ Jesus."

Representing League headquarters, Ed Gockel will report on the current status of the LLL's international program of Christian service. Carl Schalk, director of "The Lutheran Hour" Choir, will speak at convention banquet at Concordia. Toastmaster will be Jack Frost of Lincoln Village.

Other convention highlights will include election and installation of officers and reports on district projects.

Luckoff Resigns Commission Post

Declaring that going-out-of-business sales are a racket too big for him to fight, Herman Luckoff, 3075 Elbern-av, resigned Friday as chairman of the Columbus Sales Commission.

The commission is charged with regulating such sales.

ACCIDENTS CAN BE DEMONSTRATED

PRESENT FOR POLICE—In order to present a graphic illustration of just how an accident may take place, the Columbus Automobile Club has presented a mechanized board, complete with miniature people, warning signs and automobiles for use in the Whitehall Mayor's Court. From left to right, watching Capt. R. W. Weatherby of the Whitehall Police Force demonstrate how the board works, are Harry Satchell, Columbus Automobile Club director of services, and Mayor Walter B. Meling.

THE CODE FACTS—Whitehall-Yearling Student Council officers display the "Code of Ethics" which will be presented formally to the student body Friday. Flanking the framed statement are Bill Gornell, president, and Linda Layman, secretary. In the rear, from left, are Bob Adams, treasurer; Bob Leonard, vice-president, and Mrs. Lovella Compton, advisor.

Whitehall Student Council Forms Own Pattern For School Conduct

"E" is for effort, but it also stands for ethics at Whitehall-Yearling High School.

The Student Council believes this, and on Friday will present a formal Code of Ethics and School Creed to the student body.

The student representatives drew up their own patterns for conduct. After making a careful study of the American Creed they decided it would be a good foundation for their project. After it they have tacked on the following school creed:

"We, the students, believe in Whitehall-Yearling High School as an institution of knowledge for the complete development of free human beings to the highest level which can be attained. We therefore believe it is our duty to support our school, to obey its laws, and to respect its flag."

The Code of Ethics encourages students to—1. Develop industrious study habits because an education is an invaluable investment in a rewarding future.

2. Be clean and properly dressed; take pride in personal appearance for character is often judged by appearance.

3. Attend church regularly. Our Maker gave us seven days each week; let's give Him one back.

4. Show courtesy and respect for our teachers, parents, and fellow students. Let's extend to them the dignity we claim for ourselves.

5. Refrain from smoking on or near the school grounds. This habit depletes the pocketbook and harms the body.

6. Be mindful that profane language and obscene literature are expressions of ignorance and crudity.

7. Display good sportsmanship. Good sportsmanship and school spirit make a champion. Hasty tempers destory a school's reputation.

8. Respect school property by treating it as if it were your own. After all, your parents as taxpapers own a share in this property.

9. Regard love as a precious and private feeling between two individuals. Emotions are not meant to be displayed publicly.

10. Remember honesty is the best policy. Truthfulness is the highest virtue that we may possess.

The code end with this quotation by Stephen Grellet—

"I expect to pass through this world but once; any good therefore that I can do or any kindness that I can show to any fellow creature, let me do it now, let me not defer or neglect it for I shall not pass this way again."

Service Director Receives Report From Engineers

The engineering firm reported in a letter to Service Director Robert Mickey that the Rackoff Associates has completed 15 per cent of its $15,000 master plan for Whitehall.

The report states, "We are now completing the preliminary phase which produces no visible and tangible results for you to see despite its time-consuming nature." The one page report, representing some $2,200 of the survey's total cost, "doesn't show much but it probably represents a lot of work," Mickey noted.

Contacts to determine what federal, state, county, and municipal data is available to aid in their analysis, were made by the master planners, the report said.

The engineers said "the various reports of the Bartholomew Master Plan guide for all of Franklin County have been studied for selected items of information."

The preliminary phase has also included collection of sewer and water line trunk data from city engineers and preparation of an aerial mosaic of the city.

Inflation is the one thing that people are down on that's on the up and up.

Cub Pack 424 Stage Play, Gets Awards

Cub Scout Pack 424 presented a play concerning the Great Lakes and received new members at its monthly meeting on Tuesday, Apr. 26.

The theme for the meeting was the Great Lakes with a play on the subject being presented under the direction of Mrs. R. Lindsey.

Sam Krouse presented the Cubs with awards for the sale of Scout-O-Rama tickets.

Robert Osborn received an advancement board for the Pack's use from Jerry Neff.

The following committeemen were appointed: Robert Osborn, advancement man; Herb Brown, finance man; Frank Waters, committee man, and Charles Sevy, secretary.

New Cubs received into the Pack were Joe Gusman, Henry Arheiger, Herbert H. Brown, Donald Campbell, Douglas Dragoo, Keith Oliver, David Smith, David Dixon, Michael McCarty, Mark Nichols, Pat Nichols, Kenneth Paulson, Kenneth Rader, Michael Sewint, William Trombley, Larry Smith, Michael Osborne, Steven Rowe, Junior Carter, Philip Stover, Dean Scott, Tim Anderson, William Foster, Jerry Lambert, Charles Sevy, Thomas Sevy, Michael Woofter and William Spienlia.

Frank Waters, Joseph Corbin, Robert Corbin, Jack Gregory and Stephan Olson were advanced in rank.

One Triplet Lives; Now Border Baby

One of the identical triplet boys born Friday morning to Mrs. John Hunter, 4839 Calvin-dr, is considered in "good" condition, St. Ann's Hospital officials said Wednesday.

The other two infants, which were the first and second born, died Friday evening.

Mr. and Mrs. Hunter are also the parents of two other sons who are both under two years old.

Mrs. Hunter was released from the hospital, but the infant, which was named Jeffrey Scott, remained in the hospital as a border baby. He weighed two pounds, six ounces when born.

St. Ann's Hospital officials reported that these were the first triplets born at St. Ann's since 1953. Triplets occur in 8,410 births but occurrence of identical triplets, derived from a single ovum, is so rare that no statistics are available.

John Kelley Cited By Police For Not Keeping Distance

Two westbound cars waiting for a traffic light were struck from the rear by a third vehicle Saturday at the corner of Livingston-av and Kenwick-rd. Three persons were injured in the accident.

John Kelley, 21, of 413 Wilson-av, was cited by police for not keeping assured clear distance. Kelley's car hit the rear of the car driven by Thomas Kellogg, 25, of 1789 Northwest-blvd. Kellogg's car was shoved into the rear of the car driven by Frederick M. Erwin, 31, of 2447 Middlesex-rd.

Kellogg, Kelley and Erwin's wife were treated at Lincoln Memorial Hospital.

Bexley Students In Math Contest

Two Bexley High School students were among the top 19 from throughout the state in the 1960 Ohio High School Mathematics Contest.

Bexley High finished fourth in team scores.

Michael John Friedman, of Bexley, finished ninth. Jeffrey Harlan Paiper, of Bexley, tied for 14th with James Ludlow Elliott, of North.

Students in the top 19 won cash awards.

You wonder how some people ever got the idea they are big people just because they hold the other guy down.

How Much Would "No Advertising" Cost Your Business?

Some businessmen look upon advertising as an expense. When expenses must be cut, the advertising budget is first to come under the knife.

The trouble with that method is—it just won't work. The fact overlooked is that newspaper advertising represents only a fractional part of the cost of goods sold.

Advertising is the instrument which brings the greatest returns when it is intelligently planned.

Advertising becomes expensive when you don't use enough.

It's like failing to lubricate a piece of valuable machinery. You save the cost of the lubricant, but eventually you have to pay the big repair bill— and production losses while the machinery is idle.

Area Pastor Appointed

Rev. Mooney

Rev. Vincent Mooney, pastor of Holy Rosary Church, was recently appointed to the Community Relations Commission by Mayor W. Ralston Westlake.

Rev. Mooney has been the pastor of Holy Rosary since September, 1958, and was previously youth director for the 23 counties composing the Central Ohio Diocese.

He served as national youth director for his church from 1933 to 1942 and was a chaplain in the European Theater during World War II.

Rev. Mooney is a graduate of Notre Dame law school and has completed graduate studies in sociology and education at Catholic University and Columbia University.

Rev. Mooney said he was very happy to do his part in connection with the commission.

Camp Fire Girls To Celebrate Golden Jubilee At Annual Council Fire Meet

East Suburban Camp Fire Girls will hold their annual District Council Fire and Fly-Up ceremony on Thursday, May 19, 7:30 p.m. at Whitehall-Yearling High School.

The Council Fire will have as its theme the special celebration of Camp Fire's Golden Jubilee. It was 50 years ago, in 1910, that Dr. and Mrs. Luther Halsey Gulick originated the Camp Fire program, the first of its kind in this country, designed specifically for girls, built on their interests and intended to help prepare them for their feminine roll.

The Gulicks were assisted by a group of prominent men and women in the educational field including Chauncey Langdon, Mrs. Charles Farnsworth, Dr. Mary Schenck Woolman and Ernest Seton.

In 1910, Chauncey Langdon, an associate of Dr. Gulick at Russell Sage Foundation, went to Vermont to direct a community pageant. He invited the Boy Scouts to take part and was embarrassed to have a group of girls appear and ask why there was no organization for them. He promised them that he would do something about it, and was true to his word.

It was in this pageant that Camp Fire Girls made their first public appearance. He had taken the problem to Dr. Gulick who was so inspired by the idea of formulating a program for girls that he asked for a leave of absence from the Russell Sage Foundation.

The leave of absence was granted and he accepted with these words, "I believe that the opportunity presented is of greater importance than anything with which it has been my privilege to be connected."

Thus the Camp Fire organization came into existence. A charter for the Columbus Council was granted in 1925.

Flag bearers at the ceremony commemorating Camp Fire's Golden Jubilee will be Mary Keene and Kathy O'Connor. Girls participating in the Fire Fighting Ceremony to celebrate Camp Fire's yesterday, today and tomorrow will be Mary Jane Goldthwaite, Cindy Hicks and Marie Jackson.

Mrs. Harlen Ford will conduct the Council Fire and will award all ranks to those girls who have been reviewed and passed by the Committee of Awards. Mrs. Jack Connelly will present all special awards including three and five-year membership honors and annual honors for completion of the national project based on the theme "She Cares—Do You?"

Highlighting the program will be the awarding of individual guardians of the traditional Camp Fire honor beads to girls in their own groups. Participating in this colorful part of the Council Fire will be groups from the following schools:

Berwick—Tan-da Group, Mrs. Donald Kloss, guardian; Cassingham—Ne-top-pew Group, Mrs. Ben F. Buchner, guardian; Rosemont—Pat-co-tee Group, Mrs. William Foster, guardian; Fairmoor—Wi-ne-ki-wa Group, Mrs. Edwin Polk, guardian; Johnson Park—Tan-da-ki-ci Group, Mrs. Gordon Gilbertson, guardian; Maryland Avenue—To-wa-si-ya Group, Mrs. Glen Thomas, guardian.

Montrose — Elu-ta-wan-ka Group, Mrs. Arthur Becker, guardian; Shady Lane—Te-ku-wa Group, Mrs. John Noble, Jr., guardian.

St. Catharine's—Tan-da Group, Mrs. Robert Higgins, guardian; Tan-da Group, Mrs. Thomas Monnett, guardian; Chesk-cha-may Group, Mrs. Hugh O'Connor, guardian; We-to-ma-chick Group, Mrs. Sam Roderick, Jr., guardian; O-da-ko Group, Mrs. Jack Connelly, guardian; Chesk-cha-may Group, Mrs. Jack Connelly, guardian.

Whitehall Yearling — Lo frihe Group, Mrs. Harlen Ford, guardian.

Mrs. Donald Kloss is in charge of the Blue Bird Fly-up Ceremony. Six fourth grade groups in the East Suburban District will be graduating from the Blue Bird program into Camp Fire.

Groups from the following schools will be represented: East Main Street — Dancing Blue Birds, Mrs. Howard Drizigacker, Jr., leader; Montrose—Lucky Blue Birds, Mrs. Charles Collier, leader; Reynoldsburg—Merry Maid Blue Birds, Mrs. Robert Heffelfinger, leader; St. Catharine's — Humming Bird Blue Birds, Mrs. Orin Gherkin, leader, and Busy Blue Birds, Mrs. Earl W. Merry, leader; University—Busy Blue Birds, Mrs. Edward Cox, leader.

Members of fifth grade Camp Fire groups will have the honor of investing the Blue Birds with their new Camp Fire handkerchiefs.

Miss Eloise Winters, new district field director, and Mr. Glen Thomas, recently elected district chairman, will be introduced. Members of the Lo-fri-he and Wa-di-ta-ka groups, dressed in special Camp Fire ceremonial gowns, will enact one of the traditional ritual songs, The Sheltering Flame by W. H. Neidlinger.

As past of the closing ceremony, the Camp Fire lights of yesterday, today and tomorrow will be extinguished by Margaret Higgins, Diana Radford and Kathy Smith.

Second and third grade Blue Birds, as well as all parents and friends of Camp Fire, are cordially invited to attend this special Golden Jubilee District Council Fire.

WHITEHALL STUDENTS TREAT EMPLOYERS, SCHOOL OFFICIALS

HI TIME FOR HIGH SCHOOLERS AND EMPLOYERS—It was all play and no work last week when Distributive Education and Cooperative Office Education students of Whitehall and their employers got together at Ilenke's. The annual fete was surrounded by melodious Hawaiian music as the students treated employers aand school officials. In the photo at [illegible], Nina Hill and Susan Pope, a couple of attractive hostesses for the event, take time out to shape up this hula girl bit. In the photo at right, employers are seen receiving certificates. DONNA BLOWS IT WELL

FIXER UPPER—Little Donna Holzworth, Bexley Montrose kindergartener, fell and scratched her knee one day last week, just before this picture was snapped. Her teacher, Virginia Iankri, took time out to mend the little lass' hurts. The Mercurochrome helped, but it was Donna's "blew on it" attempt that really did the job.

Taxpayer Says Franchises Needed To Control Utilities

To The Editor:

"I have a suggestion to help the city administration raise money for its operation without casting another burden on the lowly taxpayer.

"Ask the voters to approve a reasonable franchise this November with the three local utilities here in Columbus—the electric, telephone and gas companies The franchises should provide the city with about $500,000 to $1 million per year. A franchise is merely a contract with the city to pay for the utility's privilege of digging up the streets to install gas pipes, stringing lines overhead, erecting poles, etc.

"This new income would make unnecessary the raising of water and sewer rates which certain city officials have hinted is now in the mill.

"The utilities can well afford to pay for this privilege. Daily stock market reports show their great profit. Their monthly utility bills take a large bite from our wages.

"The average taxpayer, myself for instance, cannot stand any more tax. We cannot pay a higher water and sewer bill.

"Other Ohio cities have franchises while Columbus has only one—with the transit company. Some years ago all Columbus utilities had franchise contracts with the city and they paid into the city general fund without a whimper. During the depression the franchises ran out and were not renewed.

"The City Charter gives the city the right to fix utility rates as well as the right to charge them for using city property.

"Why not freeze the present rates by submitting five-year franchises to the voters this November? This would provide in the neighborhood of $500,000 per year and make unnecessary any plan to raise city water and sewer rates. At the same time it would also help those taxpayers living outside Columbus who pay a higher rate for their water and sewer. These out-of Columbus citizens should be considered even if they can't vote for city officials. Some of them are paying very high utility bills AND city income taxes plus a premium water and sewer rate.

"If the city fathers would pass an ordinance to place the franchises on the ballot this November it would prevent ANY rise in utility rates until after the vote. If the voters would approve the present rates for five years, it would freeze present rates for that duration.

"Under the present system of "no franchises" the utilities can ask for a rate increase at any time. Under a franchise they cannot get a rate increase without the consent of the voters.

"Last year the electric company asked for—and got— a huge rate increase. If there had been a franchise in force the matter would have been submitted to the voters.

"Now the gas company wants a rate increase. We have no franchise with them either. This increase can be prevented if the city officials immediately place the question on the ballot this November.

"If the city officials fail to act and if the utilities are allowed to go their merry way, Columbus will have the highest gas, electric and telephone bills in the United States."

"Section 192 of the City Charter (under Franchises) says in part . . . "No . . . change in rates shall become operative until it shall have been submitted to the vote of the electors of the city and approved by a majority of those voting thereon. . ."

"Since election day is Nov. 8, 1960, the city fathers have until Aug. 8 to pass the franchise ordinance. (The Board of Elections must have 90 days in which to process the ballots.)

"Unless the people speak up now—we still have 90 days—there is a good chance the gas company will get its rate increase. Then next year it will be the telephone company's turn—and then in 1962 the electric company, etc.

"I say freeze all utility rates NOW by the most democratic process in the world—the ballot."

Taxpayer Russell D. Drake
105 N. Chase-av.

FOOT HEALTH WEEK PROCLAIMED

FOR FIT FEET—Mayor Ralston Westlake (right) put his best foot forward this week and proclaimed May 8 to 15 as Foot Health Week. Here, he greets members of a local academy of the Ohio Chiropodists Association, (from left) Dr. C. R. Ellis, 1231½ S. Highland-av; Dr. Donald Pietnick, 1212 Striebel-av, and Dr. Peter Vlahos, 462 S. James-rd. It was pointed out that business and industry loses millions of dollars every year because of poor foot health of workers and that 75 per cent of the U.S. population is afflicted with foot disability.

Camp Fire Girls Prepare For 'Spazz-Up' At Camp

Just a few days remain for Camp Fire Girl families to make their reservations for the "Spazz-Up" time at Camp Wyandot, on Memorial Day week-end, May 28 through May 30. A nominal fee is charged to participate in the camping and mealtime activities.

The attractions are hiking, swimming, programs, the Gold Diggers Supper, Indian Game Night, crafts, Witches Cave, Carmichaels, Windy Bluff, rowing on Lake Atagahi, Salt Peter's Cave, and the Christening of the New Egypt.

It is hoped to get the "Spazz-Up" activities done quickly, so most of the time can be spent having fun. Clearing the underbrush, painting the water towers, readying the kitchen for the summer campers are the main chores to be done at this time.

Deadline for the reservations is May 15, and may be made by calling Betty Ogle, HI. 3-9713

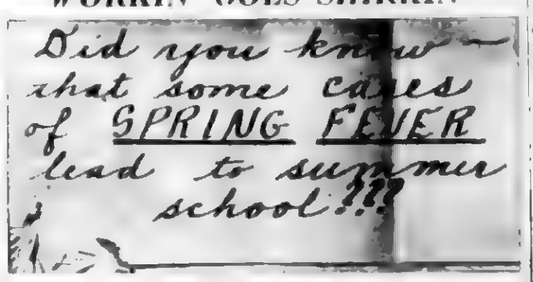
Committee meetings to be held within the week at the Camp Fire Girls office, 718 S. High-st, are Group Organization, 7:30 p.m., May 12, and Leaders Cabinet, May 16, 10 a.m. The Camp Property Committee will hold a work day at Camp Wyandot, May 14.

The Camp Fire Girls organization is one of the youth groups eligible to participate in the viewing of the Oscar-winning "Ben-Hur" at reduced prices.

Groups should be at least 20 in number. One adult will be the guest of the theatre, when accompanying 20 children.

Education Board Announces New Policy Attempt

The Columbus Board of Education will try a new policy this summer and during the next school year by allowing civic and community groups to use school facilities without charge.



In the past, a nominal fee for janitorial services has been charged, Superintendent Harold H. Eibling reported. But in the schools' multimillion budget the $6000 collected in fees is "inconsequential," he added.

Besides, janitors are now on duty in most schools in the evening, working on staggered shifts. Dr. Eibling explained.

You're only young once. After that you'll have to think up another excuse.

SIGHS OF THE SEASON

WORKIN' GOES SHIRKIN'

SPRING FEVER INVADES THE CLASSROOM—Aaaahh! Spring—with its many thoughts of other things to do besides being in school. Apparently Richard Stopper, a student at Christ the King School, who attends classes at Bishop Hartley High, forget to read the warning on the outside of the classroom door (in above photo). If the young lad keeps on looking out that window much longer, he'll not only miss his summer vacation, but find himself right back in the same classroom next year.

DAV, Auxiliary Arrange Slate Of Activities

On Friday, May 13 the auxiliary will give a reception at the memorial building in honor of the commander of he department of DAVA, Mrs. Guy Lambert, 40 W. Kanawha-av.

Annual Past Commander's Banquet will be held at Aunt 6 at the Veterans Memorial, 250 Nettie's Party House, 2300 Parkwood-av at 6:30 p.m. Saturday, June 4.

Election of officers will take place at 8 p.m. Monday, June W. Broad-st.

The Dav's annual picnic (a basket lunch) will be held in Shelter House No. 4 near Griggs' Dam from 10:30 to 5 p.m., Sunday, July 17.

North Reunion Dated June 25

Plans are under way for the 15-year reunion of North High Class of 1945, to be held at the Neil House Saturday, June 25.

A social hour at six will be followed by dinner at 7 and dancing until 1.

General chairman of the reunion is Marvin Moorehead. All 1945 graduates and others may make their reservations with Mrs. Van Dorn, 200 Northridge-rd, AM. 7-3209.

GRANTED PERMIT

S. Wolsefer, 5062 Vanderbilt-dr, was granted a building permit to replace the siding on his home. Work will be done by Stonecraft Co., 979 E. Main-st.

PERMIT GIVEN

Herbert Romaneff, 880 Pleasant Ridge-av, has been given a building permit to construct a frame one room addition.

Leawood School District Lines Set By Board; Six Boundaries Changed

Eastern Review

TEN CENTS PER COPY — A Hartley Newspaper — $3.00 PER YEAR BY MAIL

Vol. II, No. 37 — 2465 W. Broad St., Columbus, Ohio, Thursday, May 19, 1960 — Total No. 89

Richardson Is Named At Johnson

A new vice principal for Johnson Park Junior High School was appointed, and district boundaries for Leawood School were defined by the Columbus School Board Tuesday.

Six other school district lines in the area were changed.

Donald Richardson, 554 Blenheim-rd, an administrative cadet was named vice principal of Johnson Park Junior, effective Aug. 1.

William Munsell, 132 S. Ashburton-rd, vice principal of Dominion Junior High, was promoted to principal of Roosevelt Junior.

District boundary lines for the new Leawood Elementary start at Livingston-av and Elaine-rd, continue east to Simpson-dr, south to Dundee-av, east to Lattimer-dr, southeast to Big Walnut Creek, south to New York Central RR, west to the southerly extension of Elaine-rd, north to point of origin.

District lines for Willis Park School start at E. Main-st and Shady Lane-rd, go south to Sherwood Forest Addition, east to Country Club-rd, south to Benson-dr, east to Country Club-rd, south to Folger-dr, east to Lillian-ln, south to Dickens-dr, east to Columbus line, north along line to origin.

SHEPARD

Shepard district begins at Woodland-av and city school district line, continues east along line to Alum Creek, south to Pennsylvania and Baltimore and Ohio RR, west to Norfolk and Western RR, northwest to Woodland, north to origin.

Shady line boundaries start at Hamilton-rd and Livingston-av, continue north to corporation line, east to Shady Lane-rd, north to Sherwood Forest Addition, east to Country Club-rd, south to Benson-dr, east to Country Club-rd, south to Folger-dr, east to Lillian-ln, south to Dickens, east to Big Walnut Creek, south to Lattimer-dr, northwest to Dundee-av, west to Simpson-rd, north to Livingston-av, west to origin.

Boundaries of Scottwood start at Livingston-av and Zettler-rd, east to Selkirk-rd, south to Rosewell-dr, west to Courtright-rd, south to Petzinger-rd, west to Zettler-rd, north to Bexvie, west to extension of Wilmore, north to Janwood-dr, east to Zettler-rd, north to origin.

East Columbus District starts at Alum Creek and Mifflin Twp. line, continues northeast along line to Columbus line, south to Big Walnut Creek, southeast to Pennsylvania and Baltimore and Ohio RR, southwest to Alum Creek, north to origin.

District lines for Berwick School start at S. Weyant-av and Livingston-av, continue north to Main-st, east to the New York Central RR, southeast to corporation line, south and east to New York Central RR, southeast to Livingston-av, west to Alum Creek, south to Petzinger-rd, east to Zettler-rd, north to Bexvie, west at the extension of Wilmore-av, north to Janwood-av, east to Zettler-rd, north to Livingston-av, east to origin.

Rezoning Verdict Awaited

Sixty days is a long way off, but residents in the Broadhurst-Etna-rd area are content to wait. Then, once again, the subject of rezoning will be contemplated.

At stake before the Whitehall planning and zoning commission is a decision whether or not to rezone a tract now laveled "residential" to a future commercial area.

Petitions bearing 772 signatures can be used to confront city officials protesting the rezoning measure.

At last week's zoning meeting, where residents received the word that 60 days hence, a decision will be announced, some 150 Broadhurst-Etna-rd residents were on hand.

POPPIES TO BUD FROM LAPELS THIS WEEKEND

It's that time of the year again for poppies to begin budding from lapels. And Friday and Saturday, May 20 and 21, will be the day for East Siders to pick theirs up from members of Paul S. Lawrence VFW Memorial Post 9857.

According to Commander Gene Perry, Auxiliary and VFW members will be stationed along E. 5th-av during the day with the red boutonnieres.

In charge of the Auxiliary is Mrs. Bernice Roebuck, president of the VFW Auxiliary.

This is the Lawrence Post's first year to sell poppies, Commander Perry said.

Senior Youth Group Schedules Car Wash

The senior high youth group of Brookwood Presbyterian Church, 2685 East Livingston-av, will hold a car wash Saturday, May 21, in the east parking lot from 10 a.m. until 4:30 p.m. The inside and outside of the car will be washed for $1.

ONE WILL BE QUEEN

CLOSE-UP OF CUTENESS—Come May 23 and one of these winsome little cuties will rise from "commoner" to "royalty." The big moment will come when a queen is chosen for the Holy Spirit Carnival. The trio, in back, are Patty White, Rita Garvey and Judy Cunningham; in front, Deborah Brown, Linda Spears and Roberta Seitz. The carnival is scheduled between the hours of 11 a.m. and 9 p.m.

COUNCIL SEEKS BIDS

Money Moves Affect East Siders

Money—to be raised and to be paid out—was the by-word as Columbus City Council met last Monday evening.

Taking bids for the Stelzer-rd water line was one of the items of business that would affect East Side residents.

Council approved the selling of notes to help finance $1.4 million worth of other capital improvement projects.

Included in the $1.4 million projects to be financed, $700,000 would go for the rehabilitation of a Port Columbus runway.

The councilmen gave their tentative approval on a $65,000 recreation center project for the Bolivar Arms public housing section in the East Side area.

Hanford Village residents were discussed at the meeting, with council agreeing to assume $4817 in debt of the former Hanford Village which has been annexed to the city.

In other business, the councilmen rejected rezoning for city lot sizes in a restricted rural residential district near the Belleview-av and Alum Creek-dr area.

Bidding Is Set For Water Line

Bids for construction of the first phase of the $2.2 million Stelzer Road water line will be opened about June 7, Service Director Ernest H. Stork announced recently.

Completed engineering plans for the project, which will extend from Morse-rd south to Seventh-av, were submitted to Stork May 11 by Ben K. Hare, of the engineering firm of Burgess and Niple.

Kingsgate Association Elects New Officers

Hiram D. Harris, 1322 S. James-rd, was re-elected president of the Kingsgate Association at the annual election meeting.

Don Wood, 123 S. James-rd, was chosen vice president, and Henry Lewin, 1383 S. James-rd, secretary-treasurer.

Floods Hit Some Areas In Vicinity

A rain-swollen ditch overflowed Monday causing occupants of a half dozen homes, in the vicinity of Streibel-rd and Vilardo-ln, to evacuate their homes.

Home-owner Raymond Knepper, 1698 Streibel-rd, carried his 14-year-old stepson, David, a polio victim, to a nearby home.

Knepper was forced to move his stepson a second time due to rapidly rising waters over the lawn and flooding of the neighbor's home.

Helpful neighbors worked to get his furniture on top of paint cans and boxes as two to three inches of water rushed through his home. The only losses noted so far, he said, were the rugs.

Residents complained that the storm sewer in the area empties into the ditch, thus bringing about flash flood conditions each time it rains. Most of the homes in the area are less than a year old.

At least a dozen cars parked in the area were saved by quick work, after a hard driving rain storm dumped more than an inch of rainfall on Columbus late Monday afternoon.

Columbus and Southern Ohio Electric Co. reported most trouble occurred before the rain started. Storm-caused power stoppages were reported scattered over the city. Stoppages lasted only 10 to 12 minutes in most instances.

Police tow trucks worked overtime to haul stranded cars from rapidly rising waters in many areas.

Flooded basements resulted in the Berwick area police said, with up to three feet in some residences.

DON'T BE SO HAPPY, LARRY—Practicing to be a clown sometimes can be a little tiring. Larry Nichols, Cassingham kindergartener, took a moment to rebuild some smiles for the circus performance held Tuesday night at the school.

AREA HIGH SCHOOLS' GRADUATIONS SET

For seniors in three area high schools, that time of the year is fast approaching. The dates may be different, but the ceremonies will still retain their time-honored tradition: processional in cap and gown, ready to receive diploma awards.

At Eastmoor High School, as at Bexley and Whitehall-Yearling, "the day" will be preceded by another day: Baccalaureate.

The services have been scheduled for June 5, with commencement slated for June 7, at Eastmoor. Student speakers will be Cynthia Husted and Jeff Gordon.

At Bexley High School, no student speakers will be on the agenda. Baccalaureate will take place June 5, with commencement day set for June 9.

Former Senator John Bricker is the scheduled graduation day speaker, according to Principal C. W. Jones.

Whitehall seniors will take part in Baccalaureate also on June 5 and commencement on June 9.

Valedictorian will be Terri Brummel and Salutatorian will be Lynda Starrett.

FROM THE DAYS OF LORE—At her home along Bryden-rd, former silent movie star, now Mrs. Nathan Morganroth, looks over one of the costumes she used to wear. Looking on are Art Florez, left, Gallery Players hair-dresser, and Harold Eisenstein, Gallery Players director.

Former Silent Movie Star Still Engaged In Theatrical Work

She's over sixty, but nobody could tell it.

Her dark eyes, vibrantly belying her years, still sparkle with the reminisces of early Hollywood. She reels off big names and big studios with the assured know-how of one who has been among them.

For Mrs. Laurell Morganroth, who was once known as "Lolly" Bishop, a Columbus Beauty Queen, Hollywood is a fascinating stage all its own.

But yet, she says, she would not do it over again, if given the chance. "It's hard work, and I much prefer the stage to the movies

"Lolly" spent three years in Hollywood, then moved on to New York. "Pictures were also made in that metropolitan city in those days," she recalls. Altogether, she was associated with the movie industry for approximately 15 years.

At the present time, she can be said to be "getting her feet wet again." She is the technical advisor for Gallery Players at the Jewish Center, who this week are involved in the production of "Once In A Lifetime," a satire of movies in the late '20s, just when talkies were coming into being.

She works with Art Florez, of the Far East Beauty Salon, who is also the hairdresser for the performers. "Lolly" and Art get together to discuss the hair styles of that era.

Quite a few of the costumes being used in the production are also being supplied by the former movie star.

Referring again to her days in the spotlight, "Lolly," pointed out that she never was one to be idle. If movie work fell off, she turned to cabarets and vaudeville to continue her existence.

According to her, she had been, before her retirement, working in the theatrical world since she was 14.

One interesting sidelight to her career did occur right here in Columbus. During a streetcar strike, she went to work driving a taxi.

When she married, she decided to settle down with the learned knowledge that "marriage and movies do not usually mix." Her husband, Nathan, was running a cigar store at

Capital University's Music Clinic To Start June 10

Capital University's Annual Summer Music Clinic has been set this summer from Friday, June 10, to Friday, June 17, and will be held in air-conditioned Bexley Hall on the Capital campus.

The Clinic is open to all high school musicians, grades eight through 12. All facilities of the university will be open to attending high schoolers, including modern dormitories, the student union, and the dining hall. Experienced teachers and councilors will supervise the work and play of the students during the week's activities.

Registration will be held on the Capital campus in Mees Hall Lobby on Friday, June 10, from 7 until 9 p.m., at which time room assignments will be made.

Director of the Summer Clinic is Professor Floyd Elliott, who has assembled a staff of the University's most accomplished teachers for the instructional sessions, which will include two private lessons in major areas, group lessons and additional private lessons at the request of students.

The Clinic will end Friday evening, June 17 at 7 p.m. when the young musicians will present a massed concert, with all students present participating.

Whitehall Area Pre-School Age Registration Set

According to Roy Blosser director of attendance in the Whitehall City School district, the dates have been set for registering pre-school children.

All children five-years-old prior to Nov. 1 and those children who have not been enrolled in a Whitehall school kindergarten and who will be six prior to Nov. 1, should be registered.

Registration, Blosser stated will begin on May 23 and run until June 3. Parents may register children during school hours on any of the nine days.

Gen. McDowell's Name Proposed For Army Center

The name of Maj. Gen. Irwin A. McDowell has been suggested for Whitehall's new Army Reserve Training Center.

Gen. McDowell, the commander of the Union troops when they were routed during the first battle of Bull Run, was a native of Franklinton, the site of which is now occupied by Columbus.

Gen. McDowell was a controversial figure of the Civil War. He was reported to have been relieved of his command twice during the war.

Band Director To Be Soloist At Alma Mater

Whitehall-Yearling Band Director Warren Wesler will return to his alma mater, John Adams High School in Cleveland this weekend, to participate in a Jubilee Concert directed by his father, Amos G. Wesler.

He will join four other Columbus area musicians, who are graduates of the Cleveland School, in participating in the concert.

Warren Wesler will be featured as clarinet soloist; Jerry Kaye, director of the Eastmoor High School Band, and Bob Marvin better known as Flippo the Clown, will also participate; Jack O. Evans, director of the Ohio State Marching Band will be guest conductor.

This year marks the 20th anniversary of the Adams Orchestra's trip to Los Angeles to play at a music concert.

RAIN CHECKS ON CAR WASH

Whitehall High School's car wash, sponsored by the junior class, was itself washed out last weekend. Reason: too much water—the kind from the skies, not the hose.

They'll try again this weekend at the south side of the school from 8 a.m. to 5 p.m. Cars will be washed for $1.50 each, they say, providing, of course, that nature doesn't do it for free.

Movie Star—

the time they met. He recently retired from a supervisory capacity at Columbus General Depot. They reside at 1627 Bryden-rd.

Right now, according to "Lolly," they are planning to sell their home to buy a place in the country.

For the former silent movie star, Laurell Bishop, it will be but another and newer experience in a rich, full life.

GETS PERMIT

Mr. and Mrs. Kenneth Kauffman, 253 W. Virginia Lee-rd., has a building permit for a one story brick veneer dwelling and two-car attached garage at 465 N. Drexel av.

PERMIT RECEIVED

Mr. and Mrs. Kenneth D. McClure, 2449 Dale av., have received a building permit for a two-bedroom two-story frame addition.

Cap Squads All Victors

It was a lovely Thursday, despite the weather, for Capital University spring sports squads, with the thinclads thumping Akron, 81½-45½, the netters downing Otterbein, 5-4 and the baseballers defeating the Otters also, 6-0.

Captains Harry Hixon (shot and discus) and Al White (100 and 220) were double winners. Zip Clinton Lee set a new Cap field mark of 14.7 in the high hurdles, skimming the old 14.8 mark, and teammate Dick McKissick set what is believed to be a new mark of 12-ft., ½ in.

Joe Dill tossed his second shutout of the season, snipped after eight innings because of darkness, a one-hit, 11-strikeout job and got hitting support from Gary McCusker (2-for-4).

How Would You Say Ohio's Gas Rates Compare?

Overall, in the United States, Residential Gas Rates are 28% Higher than in Ohio.....Residential Rates in Ohio are Lower by Far than in other Midwest States

Gas rates in Ohio are among the lowest in the nation.*

Look at how much higher residential rates are in these other nearby states:

Indiana, 38% higher; Illinois, 51% higher; Michigan, 35% higher; Wisconsin, 80% higher; Iowa, 18% higher, and Minnesota, 35% higher.

Ohio's residential rates are even comparable to those in Texas, by far the nation's largest producer of natural gas.

Why?

The key is *underground storage.* During summer, natural gas produced in the Southwest is piped to Ohio and pumped into huge underground storage reservoirs developed here by your gas company. In winter the gas is withdrawn from storage as needed to help meet heating demands.

Because of underground storage, natural gas is available for house heating to hundreds of thousands of Ohio families who want year-around comfort and convenience — at moderate cost.

**Based on studies of official American Gas Association statistics.*

Rams Garner Links Laurels

Whitehall won the Saturday division of the High Golf League last Saturday by posting win No. 6, an easy 16-0 victory over previously undefeated Westerville at Indian Run.

Whitehall was tied by Bexley in the next to last match.

In other matches, St. Charles defeated Watterson, 11-4; Bexley took Eastmoor, 14-2, and Groveport trimmed Aquinas, 13-3.

Bob Carson's one under par 71 helped Whitehall to a team total of 301 lowest in either section for the season.

Mt. Vernon advanced in the District AA Baseball Tournament Saturday afternoon by eliminating Whitehall, 7-2 in a game played on the St. Charles diamond.

Tom Smith, a freshman pitcher, gave Whitehall its only runs with a homer with a mate aboard.

How it all ended:

Whitehall	020	000	0—2	4 3
Mt. Vernon	025	000	x—7	7 3

Smith and Gornall; Speaks and Lee.

Capital's golf squad defeated Otterbein, 16-4, in an Ohio Conference meet Wednesday at Bridgeview.

At Eastmoor, the junior high baseball team still holds the lead in the City League play. They defeated Johnson Park 9-3 last Thursday on their field.

The varsity baseball team became eligible for tournament finals by a 7-5 defeat over South last Thursday. Doug VanHorn pitched a 12-strike out game.

Shortstop Bob Benjamin took honors with a homer, double, and a single. The Warriors then surprised previously unbeaten Linden with a 7-6 victory on Friday.

In Eastmoor track action, the squad won a triangular meet at Central last Thursday with 71 points to the hosts' 56 and Marion-Franklin's 21.

Ron Wollett and Homer McKnight shared scoring honors with 9½ points each. Dave Fredericks set a school record in discus with a throw of 121'10".

Hartley Sets Field Day Activities

Races, Games Are Featured

When the folks at Bishop Hartley High School decide to hold an affair they do it up right. From all indications, the planned Hartley track and field day Friday, May 27, should contain enough activity for the sportiest sport fan.

According to Fr. Robert White, Hartley's principal, the school discussed holding a picnic on the last day of school "I thought," said Fr. White, "that we could have a better time here on the school grounds."

The activities thus far planned for the affair include: May Queen crowning, all track and field events, novelty activities, war ball and an intramural softball tourney.

The event is being held under the joint direction of the intramural department, Earl Vermillion, chairman, and the school's student council.

May Queen crowning will kick-off the festivities at 8:40 a.m. Ice cream and cake will be served to the home room that wins the track and field events. The public is invited.

St. Pius Women Date Breakfast

St. Pius X Catholic Church will hold a communion breakfast for all women and daughters of communion age, after the 8 a.m. mass Sunday, May 22 at Dessert Inn.

Rev. Lucier, chaplain at the Ohio State Penitentiary, will speak.

Reservations may be made with Mrs. Ed Kock, UN. 6-4258 or Mrs. Robert Doherty, UN. 6-4036.

HEARING SET

A hearing on rezoning of E. Livingston-av will be held Friday, May 20, at 2 p.m. in City Council chambers.

ALONG THE SIDELINES

Second Lighted Golf Link In Columbus Set

By John Auble, Jr.

A par three, lighted golf course — the second in the history of Columbus — is beginning to take shape at 5801 E. Main-st at McNaughten.

The course, under the name of Golf Land, Inc., is a 30-acre affair featuring a 35-tee driving range, a miniature course and an 18 hole par 3 course. Nine of the holes will be illuminated for night-time play.

The first lighted golf course here, an 18-holer, was the Elm Crest course at 2299 S. High-st, built by American Aggregates in 1930.

It was operated by a number of persons for seven years, then leased by Everett Hoover, later greenkeeper at Columbus Country Club.

Hoover took out the lights and operated it until 1943 when, due to the war, it became impossible to get help to man it or enough traffic to make it profitable.

The layout of the new proposed course will have a 2000-foot frontage on Main-st, 750 feet on McNaughten and represents a $150,000 improvement, said W. H. Davis, Columbus developer. Davis is president of the venture.

His son, W. C. Davis, is secretary-treasurer and former Walnut Hill golf professional Alex Polli is general manager.

Earth is already being moved by the Kautz Construction Co., the same concern which constructed the Wanut Hill course.

The driving range and 18-hole miniature are expected to be open about June 15 to 20 and the par 3 should be ready by the latter part of the season—definitely by next spring.

A parking lot and pro shop will complete the picture.

WBBA ENDORSES GIRLS' SOFTBALL . . .

The Whitehall Boys' Baseball Association, on a resolution by Jim Bishop, construction superintendent of the newly completed diamonds, unanimously voted to endorse the formation of a girls' softball league.

The endorsement came after criticism about the Whitehall City Recreation program becoming bogged down. The girls will use the association's playing facilities.

In presenting the resolution, Bishop outlined the long-standing lack of any program for girls in the community. "I've thought about this recreation matter for girls for a long time," Bishop said.

He added, "When the park was finally finished, it occurred to me that softball might well be a large part of the answer."

Henry Maxfield, WBBA president, praised the Bishop resolution as a means of providing the first organized girls' recreation in Whitehall's history. "It's regrettable," he said, "that the WBBA can't supervise the program but we feel that the daytime use of the fields and the enthusiasm of the girls will spark a successful formation of teams."

MEMOIRS OF A SPORTS WRITER . . .

It was reported by Whitehall School that its all-sports banquet is scheduled for Thursday evening. The event will be held at the school with all the coaches handling the speaking chores.

Mrs. Mary Lois Greely (BE. 1-6203) and Mrs. "Mickey" Considine (BE. 5-9416) have agreed to act as coordinators of the newly formed Whitehall Girls' Softball League. All girls interested in playing softball are urged to get in touch with these women immediately. WBBA is endorsing the program.

The spring meeting of the Ohio Trappers Association is scheduled for June 5 on Moose Island in the Tuscarawas River, one mile west of Midvale.

AND, AS A PARTING SHOT—A studious Eastmoor High School boy was seen reading a book at a baseball game. The coach, curious about the situation, asked the lad, "Son, don't you ever get the urge to exercise?" The boy replied, "Sure, but I always lie down until the urge passes."

ON TO CINCINNATI

WELCOME SEND-OFF—On to Cincinnati for "Operation Youth" goes Phillip Feldmeier, of Bishop Hartley High School. He is congratulated by Principal Father Robert White on being selected as a delegate. The workshop centers around American enterprise. Feldmeier will attend a convention June 11 to 18. He is the son of Mr. and Mrs. Otto Feldmeier, of 1357 Studer-av.

Services Held For Builder

Henry Frederick Blocker of Columbus and Put-In-Bay, died Monday at the age of 70. Services were held Wednesday at the Schoedinger State-st Chapel. Interment, Put-In-Bay.

Blocker was a commercial building contractor in Columbus for 40 years. His buildings include the Lambda Chi Fraternity House at Denison University and the famous Lonz Winery on Middle Bass Island.

He was a 35-year member of the Columbus Maennerchor and a member of the Aladdin Shrine. Bloker was born in Kiel, Germany, where he learned the masonry trade before coming to the United States at the age of 18.

He is survived by his wife, Lona; two daughters, Miss Martha Blocker, Chicago, and Mrs. J. E. Simmons, Indianapolis, Ind.; six grandchildren; a sister, Mrs. W. C. Lindnor, St. Louis, Mo., and a nephew, Henry Blocker, Chicago.

MAYOR BUYS FIRST VFW POPPY

POPPY TIME AGAIN—It's that time of the year again for poppies to bud from every lapel. May 20 and 21 have been chosen as the dates for the annual Whitehall VFW poppy sale. First to make a purchase was Mayor Walter B. Moling. Gathering around the mayor, second from left, are Mrs. Mary Stace, poppy chairman; Mrs. Ann Kern, co-chairman; George Williams, commander, and Mrs. Reba Hall, auxiliary president.

PERMIT GRANTED

Willie J. Wilson, 2824 Delmar-dr has been granted a building permit to repair his floor and foundation. Midwest Roofing and Furnace Co., Inc., 697 E. Fulton-st, contractor.

Eastmoor High School's Warriors' Spear-It

By Barbara Moltenberry

'Bali-Hi' Prom Plans Are Being Completed

Reserve cheerleaders have been selected for the 1960-61 school year. The girls are Lynn Balthasar, Penny Dawson, Janet Gray, Tara Jackson, Judy Kuchler, Bobbie Shaw, Julia Walls and Sarah Welch.

Plans are being completed for "Bali-Hi," junior-senior prom, which will be held June 4 from 8:30 to 11:30 at the school. General chairman of the dance is Joe Goodwin, and committee chairmen are Janice Zurawinski, decorations; LaRita Gantz, tickets; Ron Beyers, publicity; Sharon Jarvis, refreshments; Sid Townsend, band; Linda George, arrangements; and Jennifer Douthit, program.

In the recent junior high solo and ensemble contest at Capital University, three Eastmoor soloists received superior ratings. They were Lynn Balthasar, flute; Steve Pinsky, clarinet; and Bonita Shoults, French horn.

The Future Teachers of America Club held a recognition service yesterday. Girls honored for service to the club and school were Connie Brown, Mary Cutshall, Diane Gay, Janet Gray, Helene Heller, Sandra Hellrud, Barbara Hoffman, Ruth Konkle, Mary Beth Morris, Pat Ross, Sally Sachs and Barbara Shore. Those members honored for outstanding service were Peggy Colegrove, Claudette Corbet, Sharon Jarvis, Kay Martindale, Karen Smith and Gretchen Volz.

Mr. Keiser's radio-speech class took a field trip to the WLW-C television studio last week. The students viewed the actual mechanics of television and saw the production of a broadcast. Equipment, scenery and various departments were included in the tour.

Three-Choir Concert Set For Sunday

Annual spring concert will be presented at East Columbus Christian Church, 3147 E. Fifth-av, Sunday, May 22, 7:30 p.m.

The newly-formed Cherub Choir with Shirley Sayre, director, will sing "God Of Our Fathers" and "Joshua Fot De Battle Of Jericho."

The Junior Choir with Eddie Johnson, director, will present a light program of songs.

Chancel Choir, directed by Charles W. Warner, Jr., will present: "One God," "Church In The Wildwood," "He Could Only Sing A'C'" and the extended work, "God's Trombones."

Winners Revealed In Script Contest

Four high school students from Hartley Newspaper areas numbered among the 10 grand prize winners in the Tuberculosis Society-WBNS "TB On the Spot" radio-writing contest. There were 450 entries from 29 Franklin County high schools.

The local winners are Eliza Busenberg, 2678 Valleyview-dr, West High School; Terry Thall, 46 S. Roosevelt-av, Phyllis Schechter, 2585 E. Broad-st, and Terry Berman, 265 S. Cassingham-rd, Bexley High. They were awarded transistor radios.

Numbered in the 15 runners-up receiving phonograph records are Reed McIntosh, 86 N. Harris-av, West; Timmy Lane, 795 S. Cassingham-rd, Debbie Siegel, 2414 Fair-av, and Jack Dickey, 798 Euclaire-av, Bexley; Arlene Watkins, Rt. 1, Groveport, Groveport-Madison; Phyllis Levine, 439 Bernhard-rd, Whitehall-Yearling ; and Barbara Neugebauer, 1212 Linwood-av, St. Mary's.

West and Bexley, as schools of grand prize winners, will each be presented engraved trophies, the "Golden Microphone Award of Honor," by the sponsors.

GRAND PRIZE WINNERS — These top rated writers in the TB Society—WBNS scrips project for senior high schools will have their original spot announcements on tuberculosis taped and aired all summer. Pictured with disc Jockey Dean Lewis who presented transistor radios, are, left to right, Phyllis Schechter, Bexley; Eliza Busenberg, West; Terl Berman, and Terry Thall, both from Bexley High School.

Hellgrammite Is Best Bass Bait

Hellgrammites are the best smallmouth and rock bass bait, according to a year study of angling in Massie Creek, Greene and Clark Counties, by Ed Brown, Jr., fish management supervisor, Ohio Division of Wildlife.

Cooperating fishermen took 804 smallmouth bass during the period of the study, 1954 through 1958. Two-thirds of the total, or 536 fish, were caught on live bait. Best live bait was hellgrammites which took one and one-half bass per hour of fishing. Crawfish were second taking one bass per hour, and worms caught one-half fish per hour.

One-third of the smallmouths were caught on artificial baits.

A total of 389 rock bass were reported caught during the study. Natural baits took almost three-fourths of all rock bass caught: Worm dunkers took one-half fish per hour and soft craws were least effective on rock bass bringing in only one-fourth fish per hour.

Spinners were the best artificial lures and brought in more than one-half fish per hour.

Plugs took less than one-half fish per hour.

Day-dreaming motorist is a danger not only to himself but to other drivers on the streets or highways, says the Columbus Auto Club. If you find yourself day dreaming behind the wheel, you'll find it a lot safer to pull off the road until you regain your alertness. As essential part of safe driving is the ability to keep your mind on the task at hand—operating an automobile.

State Extends Stream Pollution In Grove City

The State Water Pollution Board will extend Grove City's stream pollution permit until Dec. 1, announced officials and board representatives May 9.

Grove City sought the renewal of the permit beyond its May 15 expiration to place a sewage plant bond question before city voters in November.

A spokesman for the board said Grove City officials explained if voters reject the general obligation bond proposal, the council will move to finance the project with mortgage revenue bonds.

A unique tax restriction in Grove City's new charter stalled the plant plans and forces the city either to get voter approval for the project or go to the more costly mortgage revenue bonds.

Hoover Dam Is Producing Fish For Many A Skillet These Days

INSIDE ON THE **Outdoors** By ROD COCHRAN

Fishing reports keep rolling in—Hoover is hot. Henry Cring reporting from Paul's Marine, said that fish have been hitting all over the lake for more than a week now. The lower end of the lake, below the second bridge, is now producing in fine fashion.

Walleyes from one to three and one-half pounds are being taken by trolling. Most popular method is to use a night crawler harness, and drift in about 15 feet of water fishing near the bottom. This is not really trolling, but should be called drift fishing — but the Hoover anglers have named it trolling.

"Catches of up to a dozen walleyes per angler are not uncommon," Cring said.

Bass are coming from all parts of the lake, and a six pounder was weighed earlier in the season at a bait store. Shysters, silver spoons, bombers and jitterbugs are the lures most successful anglers are using. A lot of bass are being caught at Hoover in the evening.

Muskies are showing up at the lake this year. Most of these have hit plugs meant for bass. "Some reports must be taken with a grain of salt," declared Cring, "for I've seen small walleyes, grass pike, and even a gar fish brought in by proud anglers who called them 'muskies'."

Crappies fishing has been good but somewhat spotty to date. Some fish are running large, in the 12 to 14 inch class. Minnows, as usual, are bringing in the large crappie stringers, some totaling 50 to 60 fish.

You can follow the march of spring by the fishing reports at Hoover. Early, the first fisherman success comes from the upper end at Galena. This is simple to explain, for shallow water warms up quicker than deep. As the season progresses fish are caught farther and farther down the lake. By mid-May fishing can be good all over.

Stream fishermen are still in the news. Gerald Holland, West Jefferson, caught two king-sized carp in Little Darby recently. One weighed 20¼ pounds and the other 16½. Gerald is a lad of 14 years, and doesn't have any respect for his fishing elders, or else he wouldn't embarass us this way. Soft craws were used to catch the carp.

R. W. Recob, West Jefferson, reports that a lot of carp are being caught now on soft craws. Also, he said, there are stories of mystery fish in the pool in Little Darby at the edge of town. "These are probably large catfish that would be impossible to land on the short lengths of line fishermen are using," Recob declared.

One angler had a 30-pound test line broken there the other night, but this does not mean much. If he had 200 yards or more of a lighter line that would permit the fish to run, he might well have landed it. But this would scotch the monster fish rumor, and I wouldn't have anything to write about.

Missionaries are making slow progress among the cannibals in the heart of Africa, according to my friend Dick Jennings, of the Cortland Line Company.

Electra Playhouse Readies 'Gambler, Nun And Radio'

By Larry Homes

The Electra Playhouse will present Ernest Hemingway's dramatization of "The Gambler, the Nun, and the Radio," Thursday, May 19, at 9:30 p.m., on Channel 10.

The drama takes place in a small Montana hospital where Gayetano is brought after he is wounded in a barroom gunfight. His struggle for life is shared by his ward mates and Sister Cecilia. Tension is heightened by a threatened reappearance of the nameless gunman.

Eleanor Parker will appear as Sister Cecilia, the nun whose faith and good humor cheer the patients in her hospital ward. Richard Conte plays cayetano, the gambler, and special guest, Charles Bickford will be seen as Frazer, the wordly writer who watches a life-and-death drama unfolding.

Ex-convict Bill Hagan makes a deal with federal officer Eliot Ness so that he can collect a reward offered for the capture of a newspaperman's killers in "The Jake Lingle Killing," on the "Untouchables," Thursday, May 19 at 9:30, on Channel 6.

Ruth Lyons and her family will return to her "50-50 Club" colorcast on Friday, May 20, at 12:00 noon on Channel 4.

The entire cast will get together at the Taft Auditorium for the 90-minute telecast and welcome home festivities, following Miss Lyons European vacation.

Play of the Week will present Paul Vincent Carroll's warm-hearted tale "The White Steed" Saturday, May 21, at 11:30 p.m. on Channel 10. Frank Conroy, Dermot McNamara, and Helena Carroll star in the play.

Premiere will present "The Great Waltz" starring Luise Rainer. Behind the joy of the waltzes of Johann Strauss, a story of romance and tragedy is told that affected the life of the young composer and a lovely young singer. Because he is married, their love must be renounced, and the bewitching singer can no longer sing the lovely waltzes. Presented at 11:25 p.m., Saturday, May 21 on Channel 4.

General Electric Theatre will present Van Johnson staring as an American in Paris in "At Your Service." Jan Sterling is guest star in the gay drama which was filmed in France with generous shots of the Arc do Triomphe, Tour Eiffel, Notre Dame and other famous areas on the City of Light, Sunday, May 22 on Channel 10.

Wednesday, May 25 at 7:30 "Listening Post—East," will be presented on Channel 6. A report on Hong Kong and Communist China by ABC News producer Walter Peters, when he journeyed to Hong Kong recently.

Wildlife Division May Buy Chicks

Authority to purchase up to 12,000 day-old pheasants, should the estimated production fall short, has been given by the Ohio Wildlife Council to the Division of Wildlife. The council was told that based on the estimated production and planned distribution, there may be a deficit of 11,635.

Each of the day-old chicks would cost 35 cents and the total amount would be $4,200. Members were told by Lee Roach, assistant division chief in charge of fish and game production, that they would know by mid-May whether the purchase would be necessary.

"A budget helps you pay as you go—if you don't go anywhere.

Raceway Resets Date Of Opener

Wet grounds postponed the scheduled opener of the Columbus Motor Speedway scheduled for last Sunday.

The event has been rescheduled for this coming Friday night. Times trials start at 7 p.m. with the first of eight events at 8.

This year's program calls for the running of both modified sportsmen and flying stocks. The sportsmen division will have cars of 1949 through 1957 vintage with stock body but no limit on motor.

The speedway is located at 1845 Williams-rd, southeast of Columbus. The regular racing scvhedule calls for both Friday and Sunday night racing.

Farm Bureau Employees To Receive Awards May 25

Awards will be presented to employees and board members of the Farm Bureau for 5, 10, 15 and 20 years of service on Wednesday, May 25 at the Nationwide Dining Room, 246 N. High-st.

Among those receiving engraved silver serving Bowls for 20 years of service are David E. Alban, 354 S. Terrace-av and Miss Gladys Stock, 955 Whittier-st, both of Columbus.

Engraved mantel clocks for 15 years of service will be presented to Miss Maxine Barrick, 2476 Indianola-av, Columbus; Miss Margaret E. Flory, 399 S. Columbia-av, Columbus; Orville Huffman, 1562 Garywood-av, Columbus; Ralph Kring, 3731 Johnstown-rd, Gahanna; Eric Mengering, 441 Naomi Court, Groveport; Robert Morgan, 2844 Beulah Road, Columbus, and A. M. Mowrer, 2729 Ferris-rd, Columbus.

Group Looking For Guitarist

"The Stringtimers," a group of hobbyists who play old time favorites to entertain in the hospitals, rest homes, and other institutions, is in need of a volunteer rhythm guitar player to complete the group.

Mrs. Mary Hougland, 806, Bellows-av, a handicapped member of the group, can be reached at CA. 4-4508. Dwight Clark, 805 Summit-st, AX. 4-2698, is director.

Wildlife Reports First Fish Tale

Well, it happened.

The first believe-it-or-not fish story of the year is in, according to Everett Ridge, Wildlife District 4 supervisor. There is a switch to this story, however, for there were witnesses, and the fish was photographed.

It happened at Forked Run Lake, Meigs County, where Cliff Miller, Parkersburg, W. Va. was fishing for bass with artificial lures. On one cast his line became snagged in a tree, and the bait swung a few inches above the water. While he was trying to loosen his line, a bass jumped up and grabbed the bait.

MONTROSE MOTHER GOOSE PICNIC IS HELD

RUB-A-DUB-DUB—The three men in the tub were just part of the many Mother Goose characters on hand last Thursday when Bexley's Montrose Elementary School presented its Mother Goose picnic program. In the tub, left to right, are, Ben Segal, Tim Sells and Cap Clegg. At extreme left is Miss Virginia Ianiri and extreme right, Mrs. Ann Brown, both kindergarten instructors.

Local Soldier In Firing Drill

Maj. Raymond B. Sherman, whose wife, Thais, lives at 138 N. James-rd, participated recently in the Second Army rifle and pistol matches at Fort George G. Meade, Md.

The 32-year-old officer, son of Mrs. Nellie C. Sherman, Tiffin, was graduated from Calvert High School, Tiffin, in 1945 and attended Ohio State University.

Three Western Electric Executives Promoted; Plant Changes Status

The upgrading of Western Electric's new Columbus location at 6200 E. Broad-st from "plant" status to "works" was recently announced by the company along with three executive promotions.

The title "works" indicates that the operation has reached a point where it is considered to be one of Western Electric's larger manufacturing units.

The present Columbus Plant Manager, John D. Burlie, has been named to be Works Manager. He has headed the Company's maunfacturing operations in Columbus since they began in June, 1957.

He started his Western Electric career in 1926 at the Hawthorne Works in Chicago.

He is a member of the Board of directors of the Columbus Area Chamber of Commerce, the United Appeal of Franklin County and the Franklin County Chapter of the American Cancer Society.

Patrick B. Lyons, presently superintendent of manufacturing engineering, was appointed to the post of assistant works manager. He will be responsible for all engineering and operating functions.

Lyons began his Bell System career in 1942 as field engineer.

Frank C. Hoppensteadt, presently plant comptroller, has been named works comptroller. He will be responsible for accounting, industrial and labor relations.

He has been comptroller of the Columbus Plant since October, 1957. He began his Western Electric career at the company's Hawthorne Works in 1920.

Bexley High School LION'S ROAR

By GLENDA SCHOTTENSTEIN

Bexley's McGavran Elected New Prexy Of Student Council

Sam McGavran will serve as president of Bexley High School's Student Council next year.

Steve DeVoe and Sue Yardley will serve as vice-president and secretary-treasurer, respectively.

The election for the officers of Student Council, the law-making body of the school, took place on May 10

Preceding the election was a week of campaigning, during which posters lined the school corridors and campaign speeches were given. The edition of "The Torch," the school newspaper, was also a special election issue, giving information about the election and the candidates.

Other candidates for the Student Council offices were Jeff Schwartz, president; Ellen Ziskind, vice-president; and Nancy Samson, secretary-treasurer.

Fred Mann, president of this year's Student Council, pointed out that by voting in the student elections, students exercise an important democratic right that will carry into adult life.

Spring Concert

Bexley's annual spring "pop" concert and art exhibit, given by the band, choir and art department, will take place May 24 at 8 p.m. in the high school auditorium.

The choir and band will each perform separately for half an hour and will then combine their efforts in presenting "The Battle Hymn of the Republic."

After the concert, there will be an art exhibit of the works which seniors have created since their freshman year.

Abstract, modern and realistic paintings, portraits and sculptures are among the entries in the exhibit.

Mr. Cunningham from the Columbus Art School and two art instructors from Ohio State University will judge the entries. Ralph Trivella, art teacher, will then present the winner with a gold cup at the annual Senior Awards Assembly on June 3.

Club Officers

New officers have been elected in many Bexley clubs.

Ellen Drum will serve as president of the Future Teachers of America organization at Bexley. Other officers include Connie Stebelton, vice-president, and Judy Holt, secretary-treasurer.

Nancy Samson will serve as Y-Teens president next year. Assisting her will be Sue Helmick as vice-president.

Melissa Blanton will be president of the book club next year. Cheri Leeman and Marlene Solomon will be vice-president and secretary-treasurer, respectively.

Kingsgate Group Elects: Hears Planning Expert

Kingsgate Association held its annual election of officers May 12, in the Community Room of the Main Federal Savings and Loan Building at 891 S. James-rd.

Kline Roberts, chairman of the Regional Planning Commission, spoke on the expressway system and conducted a question and answer period relative to proposed plans for James-rd. Rt. 33 and interchanges in the immediate area.

Hiram D. Harris, 1322 S James-rd, was re-elected president; Don Wood, 1423 S. James-rd, vice-president and Henry Lewin, 1383 S. James-rd, was elected secretary-treasurer.

Armed Bandit Robs Eagle Candy Store

Whitehall police reported a bandit with his jacket pulled over his head flashed a knife in the Charley S. Eagle Candy Store at 3999 E. Broad-st, in the Robinwood Plaza Shopping Center, and stole $53 from a woman clerk Monday night.

The clerk, Mrs. Betty A. Merz, was alone in the store at the time, police said.

Kindergartners Stage 'Mother Goose's Picnic'

The combined kindergarten classes of Main-Montrose School in Bexley will present a play "Mother Goose's Picnic," in the school auditorium on Friday, May 13 at 7:30 p.m.

The pre-school youngsters will also give their play for the remainder of the school year on Thursday afternoons at 2:15 p.m.

Jim Harkless Named As Delegate To The Boys State Convention

HARTLEY HIGH SCHOOL'S HAWK *Lines*

By Paul Colemen

Hartley principal, Rev. Robert White, announced recently that Jim Harkless would be delegate to the Boys' State Convention at Ohio University this summer. At the convention, to be held from June 9 to 18, at the Athens school, Harkless, along with some fifteen hundred other boys from this state, will elect a mock state government. The delegate will nominate and vote for candidates to fill all the offices in the actual state government.

Harkless, who lives at 1474 Aven-dr, is a 16-year-old junior. He was recently elected president of the 1961 class and has done a magnificent job of piloting the juniors this year in their first experience with class government. Hartley is certainly proud of his being chosen for this honor, which will educate and reward both him and his school.

Two "first ever" Hartley athletic teams played in their first meets on Wednesday, May 11. The baptism of fire came for the track team and the golf team in their respective meets. The track met with Eastmoor and the golfers with Mifflin.

The Hawks cindermen were victorious, posting a 37 2/5 to 46 2/5 score over the Warriors on the losers' track. Buddy Thomas, a junior ,and Jim Kirk, a hard-running sophomore, were high point men for the meet, Thomas, a junior, and Jim Kirk, with 13. The track team commented on the fine courtesy and respect shown by Eastmoor at the meet. It was evident that the Warriors have some fine sportsmen as well as athletes.

The golf team was less fortunate, dropping a close match to the Cowboys at Mifflin. Steve Burman, Bill Lingo, Pat Lynch, and Dick Phillips teed off for the Hawks at this meet. Both the track and the golf teams are competing on a reserve basis this year.

Two junior boys will be given an opportunity to advance in their education this summer. Philip Feldmeier will be sent to Xavier University for one week to study different angles of business, by the Knights of Columbus. They are sponsoring this program, named "Operation Youth." Ron Glass plans to attend Northwestern University to take advanced courses in math and science. Glass, who will attend these sessions for five weeks, is already doing above average work in these fields at Hartley.

The tickets for the junior prom have been selling very well around Hartley, according to junior class veep, Nancy Krauss. Nancy and her committee began selling the tickets for the May 25 dance this week.

Hartley students witnessed an original production written by a freshman student last Friday. The program, on the life of Blessed Julie Billiard, foundress of the Sisters of Notre Dame, was written by Susan McGough. Members of the cast were selected from the freshman and sophomore classes.

The team standings for the boys' intramural softball program have been posted by Earl Vermillion, director of intramural activities. In the Class A league, Bob Whitman's sophomores head the list, with junior teams captained by Lloyd Douglas and John Maier taking the second and third spots respectively. Class B leader is Rick Patton's freshmen, with Carl Polito's sophomores in second place, and Dan Kruse's freshmen third.

The Central Ohio Area Student Council program has been well received by the Student Council at Hartley. The purpose of the Area Council is to promote better relationships between the schools in the Central Ohio area. To accomplish this, the Council plans to sponsor dances, exchange assemblies, and other activities between the schools.

Junior Gets Eastmoor Drama Prize

SUSAN BROWN

A junior, who appeared in her first play last year, was the winner of this year's dramatic award at Eastmoor High School. Susan Brown was presented the award last night for numerous dramatic efforts throughout the year. This year she has appeared as one of the aunts in "Arsenic and Old Lace" and played the lead in "The Bad Seed."

She also appeared in the school's traveling children's play, "The Princess and the Swineherd."

She acted as student director for the Christmas production, "Dust of the Road." She is a member of Masquers, Eastmoor's dramatic club, and of the senior high dramatics class.

Bexley Association Plans Annual July Fourth Parade

A Fourth of July Parade planned for this year by the Bexley Celebrations Association is scheduled to be a yearly event in the City.

The Association invites service, fraternal, religious, and community groups to sponsor a float in the parade.

Any organization interested in participating in the event are asked to contact James Henly, BE. 5-8666; Houard Mauger, BE. 1-1532; or Charles Brubaker, BE. 5-5137.

IT'S NEARING THAT TIME AGAIN!

GLAD GRADS—This scene will soon be a familiar sight around area high schools as seniors climax 12 years of education. For many, walking out their high school's doors for the last time will mean a step toward college, for others it will mean employment. But, for every senior, graduation will represent a beginning.

AWARD WINNERS — The top math and instrumental music students at Eastmoor High School congratulate each other. Barry Hilton, left, math award winner, takes a look at Sid Townsend's music plaque.

Top Eastmoor Awards Go To Seven Students

Ry Poole

It was awards time at Eastmoor High School last week. And a multitude of personnel came in for recognition in the morning long assembly.

The yearly Agonis award went to Ry Poole as the outstanding scholar-athlete. Poole has a 3.875 overall classroom average and lettered three times in baseball and once in football.

Coming in for a $1250 scholarship to Bryn Mawr College was the class second top student, Eileen Collins, of 507 Napoleaon-av, daughter of Mr. and Mrs. T. M. Collins.

Altogether, he related, Eileen had offers from three schools totaling $2400 worth of scholarships.

To Sid Townsend and Barry Hilton went the school's instrumental music and mathematics awards, respectively.

Ten vocal music awards went to John Braulick, son of Dr. and Mrs. Roald Braulick, of 734 S. Broadleigh.

Straight "A" student Richard England came in for accolades by placing eighth in the state in an American History examination.

Placing 15th in the state in an Algebra exam was David Shupe, son of Mr. and Mrs. Lloyd M. Shupe, of 2600 Floribunda.

Bexley Sets Hearing For Capital Zoning

Council Places July 12 Date For Discussion

Discussing little, but acting much, Bexley Council this week raced through a trio of measures in a brief 20 minute session.

Solons set a public hearing for July 12 on a rezoning request by Capital University officials to add more land to the college proper, agreed to extend the parking limit span along a half block section of Pleasant Ridge and listened to a letter for zoning in the Bellwood section.

According to the letter from Wilburn K. Kerr and Sons, developers, the Bellwood tract zoning request would aid them in unloading a parcel of land on the south side of Delmar-dr between N. Cassingham-rd and an alley east of Cassady-av to an eatity for refurbishing boats.

In the letter, Kerr stated that his company had purchased the tract a number of years ago. At that time, he pointed out, it was zoned commercially.

In 1955, he said, the City of Bexley asked him to discontinue shop operations as it did not comply with the zoning in effect at that time. Kerr reminded council that he had done as they had requested.

The buildings, Kerr went on, were continued to be used for office space and storage. However, he pointed out, it was economically unsound for his concern not to do shop work in the same location as the office.

His company, he said, tried to dispose of the surplus land. They had some offers, but found out that the area had been changed from commercial to residential.

He said that his company now has an outside offer from a party to use the location for refurbishing boats and trailers when boating season is over and wanted council to study the possibility of amending the zoning ordinance to allow for this type of work.

The suggestion was turned over to committee to be studied.

The parking limit resolution

JUDGE BELL SLATED FOR SCOUT MEETING

The Southeast District of the Central Ohio Council of Boy Scouts will hold its Annual Installation of officers and recognition dinner May 31 at the Whitehall-Yearling High School at 6:30 p.m.

The Southeast District is comprised of territory from Alum Creek north to the railroad; east and south to the Franklin County lines. There are more than 500 volunteers serving the 2,200 Scouts in this area. Paul Love is the District Scout Executive.

The annual affair is an adult meeting for commtteemen, their wives, Den Mothers and husbands, Cubmasters and assistants and Scoutmasters and assistants.

Each unit will have an opportunity to praise and thank the volunteers who have given up their time and money to further the Scouting program.

The guest speaker will be the Honorable Judge James F. Bell, Supreme Court of London, O. A graduate of DePauw University and of Ohio State University College of Law, Judge Bell served four years during World War II as a special agent of the FBI.

He has been active in civic affairs of his community and state, having been president of the London Jaycees and London Rotary Club. He is past governor of Rotary International and for several years was a leader in tuberculosis control in Ohio.

Council Gets Extra Funds For Repaving Streets

An ordinance submitted for approval by Columbus City Council Monday night would authorize the following:

Confirming award of over $700,000 worth of notes to finance purchase of motorized equipment, obtain easements for improvements of E. Livingston-av and pay part of the city's share of the new senior citizens' recreation center at Sunshine Park.

The city's share of $21.000 was appropriated for the state's repaving of E. Broad-st, between Bexley and Whitehall.

AWAITING COMPANY

LONESOME POOL — It may be a damp, forlorn looking play area now, but on Sunday, it will be filled with laughing splashing throngs of humanity, swimmers, divers, floppers and waders and just plain sun-bathers. The scene was shot this week at the Jewish Center.

Bexley Okays Summer School

For those who request it, Bexley School Board has authorized a summer school program to be set up.

The program, Superintendent Dr. E. D. Jarvis mentioned, will commence June 20 and end Aug. 12. Some 174 students have enrolled, Jarvis said.

Classes in typing, remedial arithmetic and reading have been set up, each for an hour and a half unit of time.

Shopping Center Tract At Livingston Okayed

By JOHN POEPPELMEYER

It has taken the City Board of Zoning Adjustment less than a week to take aim on City Council's limitations of their powers.

And in the center of the disinclination of the board to heed council authority, in fact the subject that brought the situation to a head, is the proposed shopping center along E. Livingston-av and Cunard-rd.

Some time ago, City Council rebuffed an effort by the Davis Investment Co. to rezone the commercial tract to nearly double its size. Between that time and last Friday, City solons passed an ordinance restricting the Zoning Board's powers.

Last Friday, in Zoning Board chambers, where the pros and cons of permitting a variance to the zoning was to be discussed, the main topic of concern evolved into whether or not the Zoning Commission had the right to dictate on the matter.

Robert E. Allbright and Ralph Lucas, attorneys for the variance, producted traffic and sewage experts to verify their cause.

But the clincher appeared to be come when Allbright and his associate explained to the board that the city charter doesn't contain any specific reference to zoning, so they said.

City Attorney Russell Leach said that the board could grant the variance and see if the Building Division would issue permits. The board asked Allbright "how he would like that?"

"I'd love it!" he replied.

John Rossculp, in pointing out to the zoning commission the effect of drainage on the area in question, in event the variance was granted, told them that, "the ultimate conclusion with respect to the increase of drainage flow would not be noticeable in comparison to the total flow."

He added that there would be little if any change in drainage because of the large surrounding area

Ralph Wolf, of the Ohio State University, an authority on traffic, examined with the board the traffic situation in the area.

He pointed out that deceleration lanes planned would "allow traffic to flow more smoothly."

He added that it is the first shopping center he had seen with points of ingress and egress on three different streets.

Attorney Edward Cox fighting against the zoning, asked Wolf if he had taken into consideration the areas of traffic outside of the shopping center section. Wolf admitted that he did not. Cox then rebutted that the street was designed for an arterial highway for the Sandusky interchange and not for commercial zoning.

When the Zoning Board of Adjustments took its vote, it came down to a 3-1 decision to allow the variance—but in so doing they may have paved the way for a court show-down as to which arm of the city government has jurisdiction in zoning cases.

One item of importance, brought out at Friday's hearing: city council has the power to abolish the Zoning Board of Adjustment altogether, if it so desires.

Sounding Of 'Taps' Will Commemorate Dead Of Many Wars

Solemn tributes to the dead — patriotic and civic will be held May 30 at community burial grounds and memorials, and in some places with street processions.

The Monday holiday will mean an extended weekend of at least four days for many people.

Traditional Memorial Day services by the American Legion Bexley Post will be held at the Memorial pylon, in the circle at E. Broad and Drexel, Commander Ernest Obert has announced.

Rev. Karl W. Scheufler, pastor of First Methodist Church will be speaker for the service, which begins at 10:30 a.m. Monday, May 30. Assisting will be an Air Force ROTC firing squad from Capital University in charge of Captain Henry B. Angle; two buglers, Edward A Molen and Captain Angle himself; Commander Obert and Chaplain William Armstrong of Bexley Post.

Prior to the service the Bexley Auxiliary will serve breakfast at the Legion home, 3227 E Livingston-av, to members, their families and friends from 7:30 to 10 a.m.

Representatives of the post wil lalso help other groups decorate the graves of veterans in Mt. Calvary cemetery on Saturday afternoon, May 28, and march in the downtown parade Monday morning.

Capitol Post of the American Legion will perform ceremonies at the Agudes Achim cemetery with Rabbi Zelizer and Rabbi

Office Closed Memorial Day

Because of the Memorial Day holiday next Monday, club reporters and other news contributors are asked to send their reports to this newspaper as early as possible.

The offices of Hartley Newspapers, 2465 W. Broad-st, will be closed all day Memorial Day and will reopen at 8 a.m. Tuesday. All photo appointments must be completed by Saturday noon.

Both classified and display advertising have also stepped up their deadlines and advertisers are urged to place their advertisements at their earliest convenience.

Newspapers Highly Rated At Convention

A first place award for news and editorial content was received by The Eastern Review, a Hartley Newspaper, at the annual convention and newspaper show of the Accredited Home Newspapers of America this past week in Boston.

Several honorable mention awards went to other Hartley Newspaper as follows: Editorial and news content, Rural-Urban News and Hilltop Record; best newspaper promotion, Reynoldsburg Record; best typography, Hilltop Record; general excellence, Eastern Review.

The AHNA is made up of large community newspapers all over the United States.

C. Carlton Hartley, publisher of Hartley Newspapers was elected a member of the AHNA board of trustees. Del Bodey, publisher of the Linden News, is vice-president of the organization.

When Baby Grows Up

Your used nursery furniture has a ready market. Mrs. D. Lytton, 89 S. Broadleigh-av, found this out when she advertised a complete six-year crib in Hartley Newspapers Want Ads. The bed was sold immediately. When baby grows up, sell the items you don't need by calling BR. 4-1155.

HEY KIDS!

Free Want Ads Again!

It's here again . . . the big offer that has won hundreds of young friends for Hartley Newspapers

With summer vacation so near, everybody under 16 will want to use the FREE Kids' Want Ads to sell their services at cutting grass, babysitting or perhaps selling that bike or outgrown dress.

As grownups know, Hartley Want Ads bring in the results. Your free ad will appear in the June 8, 9 editions of all seven Hartley Newspapers.

Here are the easy rules:

1. Only boys and girls under 16 may submit free want ads.

2. Ads must not contain more than 20 words, including your name, address and phone number.

3. Name, address and phone must be listed or the ad cannot be accepted.

4. No ads will be accepted by telephone. They may be taken or mailed to Hartley Newspapers, Boys' and Girls' Want Ad Dept., 2465 W. Broad-st, Columbus 4, O.

5. All ads must be received by 10 a.m., Monday, June 6.

6. The newspaper has the right to edit or reject any ad.

MONEY MERGED TOO — When the Whitehall Business Men's Association became part of the Whitehall Chamber of Commerce, May 19 at Ilenke's, its treasury went along too. Wes Sanders, president of the WBMA and owner of Sanders Carpet Center, 4027 E. Main-st, is seen presenting a check closing out the treasury to Leonard Hass, president of the chamber and owner of Hass Furniture Co., 4094 E. Main-st. Looking on, from left, are Mayor Walter Meling of Whitehall; Sam Bates, C of C vice-president and owner of the Super Duper Market, 173 Fairway-blvd; and Erwin Johnson of WBNS who spoke at the dinner dance.

Solon Shipley Sends Surveyors Suggestions

At a request of Whitehall Master Plan surveyists, Rackoff Associates, Councilman Ray Shipley has listed 15 suggestions, which in his opinion, would lead to a betterment of the city.

Shipley's suggestion follow:

"Storm water is the problem. If there were a place for our storm water to go, sanitary sewers would not back up into houses.

"All our storm water dumps into ditches that are clean in Whitehall but are blocked up in Columbus. This is a proven fact.

"Whitehall has the most natural place to run storm water if the city could finance the cost of two large trunk line sewers, one running east on Broad-st from Robinwood-av to Big Walnut Creek; and one running east on Main-st from Hamilton-rd to Big Walnut Creek. The longer the city waits on these sewers the more the cost will be, because of lot improvement on these two streets.

"The time has come, or should I say the time has passed and come again, for Whitehall to have its own sewage disposal plant. Again, I say, Big Walnut Creek could be used for the plant.

"The third thing that should be done is the construction of our own water plant. I'm sure that with careful planning of our own sewage plant and water plant, that the cost of these services to the people of Whitehall would be about half what we are paying to the City of Columbus.

"A street improvement program is a must for the city. This can never be accomplished without first the City Council and the Administration getting together on what share the City would pay on these improvements. As a member of City Council for the last six years, I recommend the City's paying 20 per cent plus the cost of engineering and inspection fees. I still recommend this share to be paid by the City.

"Recreation: The City does not have enought parks and playgrounds. A board should be set up to recommend different spots in the City to purchase for this purpose in the future. When a subdivision is approved there should be a request from the Planning Commission and the City Council to set aside some land for a playground. This should be the largest job the Director of Recreation is required to do the first year.

"Two man fire stations set up; one on western side of the City and one on the eastern side, with present Fire Station being enlarged to accomodate a hook and ladder truck.

"A bus line to run between Broad and Main-sts on the west side of the City. If not by the Columbus Transit Company, then by the City of Whitehall.

"The Street Light Levy should be taken over by the City in January, 1962. We should do everything in our power to lower property taxes.

"Our Service Department and garage should be moved to Big Walnut and E. Main-st to give city offices more room in the future. Trucks and heavy equipment should not be stored in the center of residential zoning.

"The City should take over the collection of rubbish and garbage at no cost to the property owner. I believe the people would not object to paying $1 a month for this service for a while longer if we could cut their water bills in half.

"The cost of this service is small to each person, but to the Capital Improvement Fund it would cost about $70,000 per year. I sincerely believe we should take this money and spend it on water and sewage plants.

"We have already paid for plans and specification for new streets south of Main, east of Yearling-rd to Hamilton-rd. A trunk line storm sewer is needed in this area to get the cost of the improvement down, the City should pay for ALL trunk lines, no matter where they are needed.

"A professional study of our traffic light system.

"A professional study of the salaries paid the city employees. Personalities have entered into this too much in the past and presently.

"A study of our needs for a full time city attorney and a part-time assistant attorney, to prepare ordinances and legislation for members of City Council. I feel the City would benefit tremendously by having legal advise on hand at all times.

"To finance a City Administration Building on Yearling-rd. This building should be large enough to accomodate all our present and future offices and departments. Whitehall has been criticised the last few years for having offices and books all over the City.

"I believe that by adding more space to our present city building it would do for a few years until we give the people all the service this City Income Tax is paying for.

Consumer Report

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR:

Fruits: Strawberries, Valencia oranges, pineapple, bananas, rhubarb.

Vegetables: Asparagus, greenhouse tomatoes, carrots, celery, lettuce.

Other Foods—Fryers, ham, rib roasts, ground beef, large eggs, ice cream.

Strawberries are here in all their glory for the Memorial Day weekend. This is peak of harvest for Kentucky berries, but supplies from Arkansas, Alabama, Tennessee and California are still coming. Prices probably won't get much lower during the fresh strawberry season. Berries in the Columbus area are expected to ripen around June 15.

Another fruit that may interest you for picnics and outdoor eating is watermelon. So many melons are coming from Florida now that some stores will feature them for the holiday. Fresh lemons and frozen lemonade are other budget-prized fruits. The lemons are small but quality appears to be good.

Greenhouse tomatoes always add an extra special touch to salads or picnic baskets. You'll like their lower price this weekend. These hothouse beauties are at their peak in production from now through mid-June.

Rains and warmer weather keep asparagus growing—the quality is good. Locally grown [illegible] items are plentiful now — radishes, green onions, new crop spinach and field-grown leaf lettuce. Shipped-in produce is also increasing—lots more snap beans and sweet corn from Florida. You'll do well to buy sweet corn in the husks wherever possible. These are the natural wrap and preserve quality best of all.

Many Meats—This is the weekend to watch for specials on meats suited to outdoor grilling or for picnics. Steaks, ground beef, ham, frankfurters are among the items to look for. Broiler-fryers, too, will be offered as featured items.

Eggs—any way you use them—give a lot of high-quality protein for your money. Supplies remain heavy and prices are expected to remain steady until July. The large sizes are still the best buys.

Be sure to stop at the frozen food counter. Sweet corn, Fordhook limas and broccoli supplies are being cleared for the new packs that will be coming along soooon.

And while you're at the frozen food cabinet it might be fun to look for new items. More are appearing every day. Since 1942 through 1957, the total production of frozen foods increased nearly 800 per cent.

Need For Foster Homes Is Still Big Problem

The Franklin County Child Welfare Board is again calling attention to the fact that the need for foster homes continues to be an outstanding problem facing the agency.

The Child Welfare Board has children of all ages, from infants to teenagers, and the need is as great for girls as for boys.

Since the general appeal was made through this newspaper last March, 1959, many new homes have been found for the neglected and dependent children under the care of the agency.

At the same time, the increase in the number of children under the agency's care has accelerated so that it has been difficult to keep up with the need.

The agency is looking for people to become foster parents who are sincerely concerned about children and helping them grow. People who love children, who have a great deal of patience and who are able to give painstakingly and wait for results are the kind of foster parents the agency can best use.

The role that foster parents play in building character traits and attitudes that the child will carry with him through life is very important.

Foster homes must meet certain physical and housekeeping standards and foster parents must be between 22 and 60 years of age. There are other state requirement that must be met before a home can be certified for use.

Foster parents are provided the cost of care, such as board, clothing, medical, dental and incidental expenses.

Interested persons are urged to call BR. 6-3541 or write the Homefinding Department, Franklin County Child Welfare Board, 1951 Gantz-rd, Grove City.

BIBLE COMMENT:

Animals Were Not Forgotten For Their Tail

An unusual sight, the heads of stone oxen, greets the visitor to the medieval cathedral in Laon, France.

Although the oxen were placed on the towers 800 years ago when the church was built, they bear a lesson for us today.

In many ways the man of the middle ages was similar to the man of today. Although he was devoted to God he had his failings.

He was capable of great cruelty as well as reaches of creativity that made it seem that he was inspired by the Divine.

The scholar, Henry Adams, has described his work on stained glass this way. Although he had little precedent for his work, he created pieces of art of high beauty — dedicated to the glory of God.

But if he was cruel and arrogant, he was humble as well. This is where the oxen on the ancient spires of Lyon cathedral become important.

To the mind of the medieval craftsman, all the creatures on earth were devoted to the service of God. The cathedral required years of toil on the part of many laborers, masons, carpenters and stonecutters of the community, for everyone gave their time to help in the construction.

Not to be forgotten were the dumb oxen that labored up the steep hill, dragging stone from the quarries to the site of the cathedral. They, too, served God. And they, too, are memorialized on the soaring testimony of the creator of all things of heaven and earth.

HARTLEY HIGH SCHOOL'S

HAWK *Lines*

First Field Day Slated For Hartley Tomorrow

By Bob Whitman

Students of Bishop Hartley will have their first Field Day in the school's history. This event will take place tomorrow, May 27. The day will begin at 8:30 with a May Procession in honor of Our Lady to be held in the gym. Two students will be chosen as May King and Queen. They will crown "Our Lady" in the morning and be in charge of giving the trophies and ribbons to the winners of the events to be held later in the day.

Earl Vermilion, director of intramural activities, along with Student Council, have organized the track and field events which will be held on this day. In addition to these events there will be novelty events, casting, golfing and soft ball throwing. All the students will join in the fun and will be competing for individual and home room awards.

The big news around Hartley recently was the track team's victory over Aquinas' varsity 48½ to 41½ on May 18. The team was led by Buddy Thomas, who collected 16 points by winning the broad jump, 220 yard dash, and being a member of the relay team. Thomas placed second in the 100 yard dash.

Others scoring for the Hawks, were Jim Billiter, Paul Coleman, Jerry Emerich, Mike Hanf, Jim Kirk, Don Van Horn, Steve Warren and John Zaulesky. The Hartley victory was due to the fine running of the members of Hartley's mile relay team, who gave the Hawks the points they needed to cinch the victory.

Hartley Coach Tom Krieger, announced that the Hawks will participate in the Fifth Annual Diocesan Invitational Track and Field Meet to be held Memorial Day at Harley Field. The track team will face competition from other parochial schools in the Central Ohio area.

The Junior Prom held last night in the school's auditorium was a huge success. The juniors and their dates danced to the Classmen, a local group.

This first prom at Hartley was under the direction of the junior class officers and their faculty advisor, Sister Eleanor Josephine. General chairman was Nancy Krauss; decorations, Sandy Slater; tickets, Paul Coleman, and refreshments, Pat Lynch. This being the first prom at Hartley, the juniors were quite excited about the outcome of their "Rhapsody in Blue," the name of the prom.

Awards Assembly will take place on June 3, with Hartley principal Rev. Robert White as the keynote speaker. The purpose of this assembly, which is open to the public, is to honor the students with the highest averages in their respective subjects. There will be selections by the glee club. Student Council members and newspaper staff members will also receive awards.

Bea Sheafer, along with the help of faculty advisor Sister Patricia Marie, is forming a Pep Club. The aims and purposes of this club is to foster school spirit and attendance at games and other school activities.

Whitehall-Yearling RAM-blings

By Pat Kellenberger

Ron Nicholson Elected Head Of '61 Graduating Students

Suddenly last week a flurry of posters appeared in every bare spot at Whitehall-Yearling High School, and even on some people, preceding the election of class officers for next year.

The qualifications for officers include having a "B" average (2.5 or better), being willing to assume responsibilities and to carry through those responsibilities which they accept, being willing and able to attend all meetings, having ideas for improving his school, plus the ability to effectively convey the ideas to others, and being willing to compromise.

After each homeroom nominated one candidate for each office, the candidates made their campaign speeches at specially called class meetings. The triumphant winners for the class of 1961 are Wes Orr, president; Ron Nicholson, vice-president; Peggy Snider, secretary; and Ralph Sompres, treasurer.

Ron Paxson, president; Dan Clark, vice-president; Kirk Gay, secretary, and Melissa Cottingham, treasurer emerged the winners for the class of 1962.

The new leaders of the class of 1963 are Tom Smith, president; Karen Beery, vice-president; Sylvia Orr, secretary, and Alan Winner, treasurer.

Brian Crawford, president; Eugene Terrell, vice-president; Judi Bolom, secretary; and Jeff Robinson, treasurer came out on top for the class of 1964

Choir members have been busily selling tickets in between practice sessions for the Annual Spring Concert on Friday, May 20, at 8 p.m. The tickets are 40 cents.

Dorothy Heacox, Coby Dowler, Billis Hilzhause, Judy Copeland, Linda Russell, and Nancy Boggess were interviewed at the Beacon Indemnity Company for jobs. During the three hours they were there, they took typing and aptitude tests and had a personal ten minute interview with the company representative.

Question of the week: How many English words came from the Latin "porto"? For the answer see the front bulletin board.

There is an amazing difference of opinion on the subject of scales and weight. Since the introduction of this into the semester's health classes, girls complain the scales show too much weight while the boys say they don't show enough, but the teachers insist the scales balance perfectly. What is the answer to the riddle?

Lynda Starrett, Linda Gray, and Betty Thompson each received a $200 PTA Scholarship to be used in studying education.

At the Muskingum Relays at New Concord, the Whitehall team scored eight points. Robbie Neutzling once more placed first in the pole vault and the shuttle hurdle team received fourth place. High scorers on the team are Jerry Millington, 205 points, Rick Neutzling, 184¾, and Robbie Neutzling, 166¼.

Nancy Sherman and Jon Morrow were awarded the citizenship award by the Student Council.

State Is Sued On Collection

A suit charging collections for mental patients in state institutions are unconstitutional and discriminatory was filed last Wednesday in Common Pleas Court.

The suit was filed by Ward M. Miller, 562 Butler-av, whose son, Keith, 16, is a patient in the Columbus State School for Mentally Retarded Children.

Miller held that in order to have his son committed to the State School he had to "irrevocably commit him to the care of the department as a ward of the state and abandon any and all control and dominion over the well being and care of his son."

Man Fined $15 In Beaver Killing

The first beaver case prosecuted in southeastern Ohio during modern times, took place near Amesville recently, according to Earl Kinneer, Wildlife District 4 law enforcement supervisor.

The beaver, a female carrying young, was first shot and injured by a boy. A man then finished the job and, when apprehended, he was fined $15 and court costs for killing a mammal on the protected list. The beaver weighed 35 pounds.

Eleven beavers, live-trapped by Sheldon Colvin, state trapper have just been released in this area. The beavers came from nuisance colonies in Columbiana, Trumbull and Ashtabula counties.

Bexley Child Killed By Car

Richard John Grener, four, son of Mr. and Mrs. Richard L. Grener, 53 S. Ardmore-rd was hit by a car and killed May 19 in front of his home.

The child ran from the front of a parked truck into the path of a car driven by Samuel Valcov, 55, of 236 S. Ardmore-rd, police reported.

It was Bexley's first traffic fatality of 1960. No charges were filed.

Surviving are five brothers and sisters, Lawrence 13, Christopher, eight; Mary Ann, six; John Richard, a twin brother, and Anne, two; his maternal grandparents, Mr. and Mrs. Anton Brusok of Sheboygan, Wis.; and his paternal grandparents, Mr. and Mrs. Lawrence Grener of 94 Nottingham-rd.

Services were held Monday at St. Catharine Catholic Church with burial in St. Joseph Cemetery.

Town Meeting Set Next Week

Balanced Community Development is the objective of "Ohio's Town Meeting," scheduled for Columbus, June 1 and 2.

Leaders in all phases of community affairs — from the township to the city and county level — are invited to attend the two-day meeting. Reservations still may be made with the local chamber of commerce, or with the Industrial Development Department of the Ohio Chamber of Commerce.

"Ohio's Town Meeting" will give the community leader the opportunity to discuss his development problems with the experts on numerous panels.

"Cracker-barrel" sessions feature the program. They have as their chief sub-titles "Selling Your Town to the Citizens," "Community Man-Made Resources," and "Community Financing."

PERMIT GIVEN

Robert Curl, 1309 E. Broad-st, has been given a building permit for alterations to his brick building.

LOOK OVER PRIZE

AWARD-WINNING ARTISTS — William H. Eisele, Jr., 79 S. Weyant-av, art director for Wheeler Kight & Gainey, Inc., and David Wagstaff, art director for WBNS-TV, look over their prize Christmas seal designs. Eisele's Santa and elf won second prize in the National Tuberculosis Society's national competition last year. Wagstaff's "family circle" motif also was judged among the 10 top seal designs in the nation.

SERVED BY UNITED APPEAL—

Free Hearing, Speech Tests Are Announced

A chance to have both the hearing and speech of family members tested free is coming up next week.

The free screening tests will be given by the Hearing and Speech Center of Columbus and Central Ohio, a United Appeal-supported agency. The testing program highlights the agency's "Better Hearing" observance.

The well-marked trailer testing booth will be set up at five different locations between May 31 and June 3. The schedule follows:

Graceland Shopping Center, 3 to 9:30 p.m. Tuesday, May 31.

Great Western Shopping Center, 3 to 9:30 p.m. Wednesday, June 1.

Front of State Capitol downtown, 3 to 9:30 p.m. Thursday, June 2.

Great Southern Shopping Center, 3 to 9:30 p.m. Friday, June 3.

Town and Country Shopping Center, 12 noon to 9:30 p.m. Saturday, June 4.

Importance of the tests are dramatized by national surveys that show that about one of 10 persons suffers some form of hearing loss, the agency reported. About 15 per cent of kindergarten-age children have some type speech defect.

Testing will be done by trained hearing and speech therapists of the Central Ohio Speech and Hearing Association.

Mrs. Richards' Galloway Home Climate of Doll House Culture

From all over the world they come—big ones, small ones, short ones, tall ones.

From India, China, the Philippines and Washington State, they come—and they all gather to settle down in odd home sites—weather-beaten trunks and travel-weary cartons—these dolls of Mrs. Robert Richards.

For when it comes to dolls of almost every shade, size and sampling, no one is in a better position for doll-talk than this vibrant lady who lives at 8625 W. Broad-st, Galloway.

Even a tint of Christmas mystery and magic has been responsible for supplying one of Mrs. Richards' possessions, a Napoleon-type doll, representing a Sicilian Army officer. "I'll have to admit," she reponded, "that it appeared to be an ironic twist of circumstances that brought the little fellow to my door."

The strange occurrence that Mrs. Richards referred to took place during World War II. "My husband, Bob, was stationed overseas. Just before the Christmas holidays, he put my Napoleon in the mail.

Christmas Eve, I received a telephone call from a friend—a package bearing my name and address had fallen from an Army truck in front of her home, she told me.

Mrs. Richards said that the friend had turned the parcel over to the post office. "I called the post office and my present was sent right out."

Her other dolls were acquired by more conventional means. "I bought most of them," Mrs. Richards said. She has been in every country for which she has dolls except the Philippines.

"I have always tried to pick dolls representative of the countries as they were at the time I was there," she explained.

She started collecting dolls while still in college, and "the end is not yet in sight."

From India, she has a snake charmer and a Buddhist monk. Each has been intricately and painstakingly made to approach as near as possible to real figures.

A doll from South Africa was bought by her husband while on a safari. Another tiny figure, that of a Polish girl, was made by a refugee. Some of her Chinese dolls were acquired before the Communists occupied the country. However, she pointed out, that a doll purchased in

A HARTLEY HEADLINER

Chinatown in Chicago is constructed with a few subtle differences.

"The eyes are wider and the figures are not so plump as the ones made in China."

A German mechanical doll plays the violin and drinks beer. From the State of Washington are dolls made from dried apples with toothpicks used for teeth.

Bedouin dolls from Syria, where the women are called druses, have tattoo marks on the faces. Mrs. Richards explained that the marks reflect the caste and family from which the druse came "and also if they are criminals."

A Hawaiian boy and girl have shirts made from pineapple cloth, "And, of course, there is the Hollywood Style of Hawaiian girl —one in a grass skirt," Mrs. Richards commented.

A doll representing a nun is attired in cloth from a habit.

Age is beginning to creep up on some of the fine figurines, however. A doll from Holland has a hole in its sock.

Whitehall Seniors Get Guidance

Seniors at Whitehall-Yearling have a continuous program of vocational and college preparatory guidance.

During the school year, representatives from the various colleges and universities have visited the school. Students are notified in advance of the proposed visit of the representative and if the parents want to attend the meeting, they are more than welcome.

Approximately one-third of the seniors at Whitehall participate in cooperative programs where they are employed on a half-day basis, getting practical-on-the-job training. It is the job of the three cooperative teachers to contact the members of the junior class to inform them of the possible courses as seniors, and to begin selection procedures.

Individual counseling and guidance are the keys to these programs. The students are selected after careful counseling, testing and home visitations. The students are fitted to a work situation which will offer them training opportunities for the year. Frequent conferences with the individual student and with his employer tie the cooperative programs together.

Various scholarship tests such as the Merit Scholarship Test, Preliminary Scholastic Aptitude Test and the Ohio Senior Scholarship Test are given during the school year. Arrangements are made through the guidance office for the students to take the College Board Test, NROTC Test, American College Test and other tests required by the different universities that a senior might be interested in attending.

Ohio Bell Co. Announces Anniversaries

Ralph S. Parsell, 94 E. Lincoln-st, Westerville, retires this month after 38 years with Ohio Bell, since 1956, as a foreman in the plant department. He joined the company in 1922 as a draftsman.

Miss Adah F. Hartmeyer, 788 Kenwick-rd (assistant traffic supervisor since 1955), 40 years; Ralph VanWinkle, 456 Old Village-rd (central office foreman since 1944), 40 years; Welford C. Houston, 4075 Indianola-av (engineer in the plant department since 1946), 40 years; and Mrs. Elizabeth M. Edwards, 110 Eureka-av, (toll supervisor and instructor since 1928), 35 years.

Miss Mary C. Maloney, 3077 Parkside-rd is retiring after 49 years in the telephone industry — since 1921 with Ohio Bell. She started as an operator for the old Central Union Telephone Co. in 1911; has been assistant disbursing cashier for Ohio Bell since 1946.

Pharmacist Prescribes 'Air Car' As Means Of Travel In Future

By John Auble, Jr.

Residents in the N. Eureka-av district are slowly becoming accustomed to glancing out of their front windows and seeing strange, interesting and unusual mechanical devices.

They know that their neighbor, John Israel, at 292 N. Eureka-av, has been at it again—building, concocting and experimenting with new ideas.

Israel, a pharmacist at Cullers E. Broad Drug Store, recently appeared on his front lawn with his newest interest—an air car.

What is an air car? Israel explained that, like their earth-bound brothers, air cars come in various shapes and sizes, all working on the same principle.

Makes Own Air Cushion

Air is pulled into the vehicle and blasted out by a propeller through its bottom against the ground, creating a supporting cushion of air on which the car floats.

The air car at the Israel home was constructed by Harris Woods, a Pataskala resident who is an aircraft engineer with North American.

Although Israel himself didn't build the miniature air car, he's taken a sincere interest in the project and hopes to build a larger one. "There's a tennis court across from my house that would be perfect to try it out in," he said.

The strange, but inevitable conclusion about the vehicle is that it will probably be the car of the future. Israel, as far as he knows, is the only person in Ohio who has one of them.

"A lot of money and time have been spent by private individuals, large companies and the United States government, hoping that some day they'll come up with a vehicle that will ride comfortably and economically, a few feet off land or water and over all obstacles in its path", the personable pharmacist said.

Israel also added that it takes a real engineer to build one of these cars. "You can't just place a fan on an aluminum base and expect it to work."

"The blades," he explained, "are precision made to clear the sides of the drum on top of the device by just a hair."

MIGHT REPLACE CAR—John Israel, 292 N. Eureka-av, displays a model vehicle which rides on a cushion of air. He reported that someday this possibly will be the mode of travel. The air car was constructed by Harris Woods, a North American engineer.

Israel stated that Curtiss-Wright Corp., Wood-Ridge, N. J., has two air cars now offered for sale. These might be termed experimental, since their performance is somewhat limited (altitude of the smaller model is only four inches, that of the larger one six to 12 inches) and the company says they are offered for off highway use, which bars them to hopeful commuters.

The small air car that Israel has rides about an inch and a half off the ground. "They have larger models," he said, "that can life up to 900 pounds, carry a man and travel about 55 m.p.h."

At this stage in the experimental game, Israel sees these replace the four-wheel vehicles.

Grades Pose Problem

One problem is that the cars can't go up a steeper grade than 10 percent. They will have to be constructed to fly high enough to clear rocks, fences, high waves and other obstacles.

The second major problem is a steering, or guiding method to control the air-born device.

Also to be worked out is the fact that two of these air cars, passing side by side, will blow each other off the road.

Another problem, that aircraft engineers will never solve, is from Mrs. Israel who complains that the small model keeps "bumping and knicking my furniture" when John runs it in the house.

What's ahead for the air cars? At present, it's anybody's guess. But, at least, a Hilltop resident will be one of the pioneers.

Only Week Remains To Buy Kiwanis Night Game Ducats

Columbus Jets fans, who also like the things their community Kiwanis Club does for youngsters, have just another week to get tickets for the ball game between the Jets and Buffalo Bisons on June 8.

All Kiwanis Club members in Columbus and the suburbs, Lancaster, Newark, and Circleville, have the tickets—all seats, and regular prices.

The first division ball game with the hot-hitting front-running Bisons will be the big feature of the night. It will be followed by the first fireworks of the season.

Other odds and ends of fun will be thrown in to make this a good game night for everybody; mother and dad, the kids, and especially party trips by associates of community shops and businesses.

Manager Kirby Ferrell's Bisons, perennial power house of the International League, are having another good start this year—on top in hitting, on top the league in standings.

They field a mixed team of veterans like speedster Solly Drake, long ball Bob Bowman, pitcher Ken Lehman, and budding youngsters just a year away from a chance with parent club Philadelphia.

The Jets are currently making their bid as the dark horse favorite to finish in first place—to take it all this year. Support the team, support Kiwanis youth activities and have a lot of fun on Wednesday, June 8; game time is 8 p.m.

GRANTED PERMIT

Helen Zill, 3931 E. Main-st, has been granted a building permit for a one-room concrete block addition.

West '50 Class To Hold Reunion, Seeks Members

June, 1950 graduating class of West High School will hold a reunion at the Seneca Hotel Saturday, June 11, with a 6:30 p.m. cocktail hour, buffet dinner at 7:30 and dancing from 9 p.m. to midnight.

Reservations may be made before June 1 with Barbara Stewart Hoyle, TR. 8-4397.

Committee members, unable to locate a number of the graduates, would appreciate information on their whereabouts. Anyone knowing their addresses is requested to call Carl Caligiuri, TR. 8-3154.

Missing members of the class are Mamie Adams, Jo Ann Bergman, Dave Clark, Morris Cole, Kathryn Conley, Ruby Daines, Erma Dawkins, Daniel Donaldson, Beverlie Ford, Virginia Goolsby, Mary Green and Norma Hartgers.

Joe Janes, Malcolm McCoy, Doris McCracken, Barbara McElroy, Phyllis Nelson, Lois Roberts, Rowits Shaw, Carole Vaiden, James Williams, Dick Wood and Kathryn Lentz.

Outdoor Mass To Be Offered At St. Joseph

First outdoor mass at St. Joseph Cemetery, Route 23, south, will be offered at 10 a.m. Memorial Day at the Calvary Altar by Bishop Clarence Issenmann of the Columbus diocese.

The choir of Our Mother of Sorrows Church will sing and lead the congregation in responses. In the event of rain the mass will be held in the Mother of Sorrows Chapel in the cemetery, Rev. Patrick Griffin said.

Customary services by various patriotic groups will also take place during the morning.

Ex-Official Mitcheltree Dies At 71

Retired president of Columbus Mutual Life Insurance Co. Carl Mitcheltree, 71, of 2 Sessions-dr, died May 19 in University Hospital.

He was treasurer of the Central Heart Assn., and suffered a heart attack while visiting the Heart Assn. offices.

Mitcheltree graduated from the University of Michigan in 1916, then came to Columbus the next year to work for the company as an actuary.

He retired from the insurance company in 1956 when the Ohio State Life Insurance Co. acquired control of Columbus Mutual's stock.

Mitcheltree rose from actuary to assistant secretary in 1924, to secretary and actuary in 1930 and to vice president and secretary in 1933.

A colleague said "he knew the inside of a life insurance company better than any other man."

He was a Mason, a member of the First Congregational Church and the University and Columbus Clubs.

Surviving are his wife, Gertrude; two daughters, Mrs. J. Ralston Werum and Mrs. William C. Heer, both of Columbus; three grandchildren; and a sister, Mrs. E. A. Stone, Sharpsville, Pa.

Active pallbearers were John Elam, John Dexter, Dudley Plunkett, Ben Hadley, David Hauser and Noverre Musson.

Honorary pallbearers were J. W. Overstreet, D. B. Frampton, Paul H. North, W. H. McAllister, H. W. Mitchell, Alvin Tallmadge, F. R. Gardiner, Raymond Treffinger, Stanley Coffman, Lee N. Parker, R. R. Lounsbury, Oscar Thomas, Jack N. Meeks, Richard F. Sater and J. M. Vercoe.

Hearing—

was approved to boost parking time from 15 minutes to two hours along a strip from E. Main-st to the first alley east of Main.

The Capital University zoning request includes a portion of land east of Pleasant Ridge, from Mound-st to above Astor-av.

Another tract consists of an area between Mound and Main-sts with eastern and western boundaries of Sheridan and College-avs. The hearing will take place at 7 p.m., July 12.

Mayor William Schneider also asked council to check into the septic tank situation in the city. He mentioned that some eight or nine tanks were located within the Bexley environs, and that the people should be notified to hook onto sewer taps.

Pfc. Ken Mautz In Pistol Drill

Pfc. Kenneth M. Mautz, son of Carl M. Mautz, Rt. 3, Zanesville, recently participated in the Second Army rifle and pistol matches at Fort George G. Meade, Md.

The 19-year-old soldier, son of Mrs. Marjory M. Halterman, 3011 Westwick-rd, was graduated from Whitehall-Yearling High School in 1958 and attended Ohio State University.

Woman Attorney Joins County Board of Visitors

Probate Judge Roscoe R. Walcutt today announced the appointment of Miss Martha Ann Middleton, 206 S. Kellnar-rd, to the Franklin County Board of Visitors.

Miss Middleton is an attorney with offices at 16 E. Broad-st. She is the daughter of Henry A. Middleton, prominent Toledo lawyer and former Judge of Ohio Supreme Court.

She succeeds Mrs. Lucinda N. Madden, 1275 Medford-rd, who relinquished the post because of the press of business affairs.

The Board of Visitors is a bi-partisan six-member group, three of which must be women, charged with inspection of charitable and correctional institutions supported by local government funds.

Memorial Day services will be held in Maplewood Cemetery by Tri-Community Post, VFW. The ceremonies are scheduled to start here at 9:45 a.m.

REYNOLDSBURG

Memorial Day services are planned at the Reynoldsburg Cemetery by the Civic Center and Reynoldsburg Posts, VFW. The ceremonies are scheduled to start here at 2 p.m.

Activities will get under way Saturday when local veterans organizations will place 8,000 flags on the graves of war veterans buried in Franklin County ceremonies.

DOWNTOWN SERVICES

Of county-wide interest next Monday will be the downtown parade at 9 a.m. and ceremonies to follow. Marchers will start at Washington-av and E. Broad-st and move west to Broad-st bridge.

The reviewing stand will be at the front of the Chamber of Commerce building, 30 E. Broad-st. Ranking military and civic leaders have been invited to the place of honor. Guests will also include Gold Star and Blue Star Mothers, Widows of World War I veterans and Spanish-American War veterans.

As soon as the marchers disband, Navy and Marine veterans will honor their dead by dropping a floral anchor into the Scioto River. Franklin Post band will play.

The public is invited to a general memorial program to begin about 10:15 a.m. in the new Veterans Memorial building, 250 W. Broad-st. Master of ceremonies will be Judge William C. Bryant. Chief Justice Carl V. Weygandt of the Ohio Supreme Court will be the speaker.

Prior to the ceremonies the 37th Division Band will give a short concert and the West High School Senior Choir will sing. A flower ceremony by various patriotic groups will climax the program.

Organizations or persons wishing to deposit floral tributes to the war dead may leave them at the Memorial Room after 8:30 a.m. Monday.

Local Airman Ends Basic Drills

Airman Herbert M. Cox, son of Mrs. Helen L. Cox, of 53 Beechtree, has completed his initial course in Air Force basic military training here. He has been selected to attend the technical training course for Radio and Radar Maintenance at Keesler AFB, Miss.

Upon completion of special technical training at an Air Force Technical Training Center, airmen are assigned to operational units of the USAF Aerospace Force.

Bexley Grads To Dance Night Away At Mansion

Jeffrey mansion in Bexley will be transformed into a southern plantation the evening of Thursday, June 9, when parents of the seniors stage the Magnolia Ball.

The Jeffrey estate provides a realistic setting for the theme of this year's all-night party, arranged to keep the entire graduating class together and to provide a thrilling climax to their high school career.

The belles will receive corsages and the squires boutonnieres. They will dance to Dixieland jazz, keep dates with the stars, sit for their portraits and enjoy a buffet supper. Many surprises also await the seniors.

At sunrise the party will swim at the Excelsior Club, followed by breakfast and the class prophecy.

The executive committee is composed of parents of the class officers and the Student Council. They are: chairmen, Mr. and Mrs. Oscar L. Fleckner; co-chairmen, Dr. and Mrs. Sheldon Mann; vice-chairmen, Mr. and Mrs. James Baird, Mr. and Mrs. Ronald D. Culbertson; secretary, Mr. and Mrs. Wayne High; treasurer, Mr. and Mrs. William A. Calling Sunday Fishermen: Leave Pickerel Fight Alone

By JOHN AUBLE, JR.

To the certainity of death and taxes can be added this piece of information. If the Pickerel family were people, they would make an Apache uprising seem as refined as a kindergarten Miss in her first party dress.

Most of us have a stereotyped picture of a fisherman that we keep stored up in our subconscious and conjure up when the word is mentioned. The usual picture is one of placidness — a barefoot figure, calmly laying beneath a large tree, supporting a cane pole and sporting a straw hat with a ragged edge.

This picture would be shattered, however, if one were to see a pickerel fisherman at work.

Not only would the fishing tackle be of stronger than a cane pole, but the air of placidness would swiftly change to a scene of defensiveness and chaos.

There are five varieties of pickerel, the most ferocious being muskellunge (maximum size around 100 pounds) or a grass pickerel (maximum size about eight ounces.)

It's a matter of record that the mighty muskie's worst enemy is his kinsman and sometimes-consort, the northern pike. In many of the waters inhabited by both, control measures have to be taken to cut down the northern pike population.

MUSKIE-NORTHERN PIKE MESALLIANCE . . .

On the other hand, a muskie-northern pike breeding is what produces the real tiger muskie, a stormy middle-weight hybrid who, despite tales to the contrary, doesn't usually get as big as either parent but is meaner than both of them put together.

And that's considerable, which is why the whole family is so popular with fishermen. Take a good fish and you aren't stalled if he isn't hungry enough to bite — just mess around long enough and he'll bite out of pure cussedness, you bait, your car or your fingers, for that matter, if you get them close enough when he's in the mood.

Other members of the family are somewhat less like getting a toe hold on Georgeous George, but only because they get no handicap. The chain pickerel comes close to being everybody's old standby among the full gamefish classification from Canada to Texas and points east.

So, Mr. and Mrs. Sunday Fisherman, if you're planning a fishing trip this summer, find out where the pickerel are inhabiting and then pursue a pond populated by blue gill — that is if you're just a Sunday fisherman.

Your fishing trip might be about as exciting as reading a telephone directory, but at least you will head home with all your tackle and an unshattered nervous system.

MEMOIRS OF A SPORTSWRITER . . .

Eastmoor's John Poole, Whitehall's Gary Joseph and Bexley's Fred Mann were selected as outstanding in athletics and academic work at a dinner honoring them at the Seneca Hotel. The fete marked the 33rd annual Agonis Club athlete-scholar affair in Columbus.

A record field of 130 swingers from 34 schools take off in a dawn to dusk 18-hole tour of University's Gray course Friday for the Central District Golf Championship. Defending champion is Whitehall, led once again by Bobby Carson.

Ram Coach Reviews Season

By JOHN AUBLE, JR.

You're Pat McMillin and you're head track coach at Whitehall-Yearling High School. You ran track for awhile under Larry Snyder at Ohio State University and made up your mind that you'd like to coach the sport.

A colleague of yours steered you into an opening at Whitehall and you came over and took the job.

So you're on the job for four seasons and a reporter calls you and asks how things have been going. You're truthful and you don't need any exaggerations to make it sound as if you're pleased with your team this season.

You talk about pre-season practice sessions and the encouraging situation of having boys out who wanted to run track. You're happy because most of the boys came out to really improve themselves and gain abilities.

You had an idea that it might be a bed of roses this year after glancing through the record books from past seasons.

You tell 'em to be out by 4 p.m. after school so that you can get the maximum amount of work in and they're there ready to learn. A few of them just came out for "the show" but you work with them and they did show some improvement.

You've had two outstanding boys, a leading scorer for two years, Jerry Milligan and high jumper, discus and hurdle man named Rick Neutzling.

Milligan is a junior and was counted upon to come through in the high hurdles, broad jump and mile relay. He usually did. Neutzling was your second leading scorer for the past two years.

Sure, things have been pretty bright for you, but you can't help feeling that you were cheated out of winning a few meets. You haven't had a depth problem but you have just a few top scorers. You find it hard to win many first places.

But, you can always look ahead to next season. You've been eyeing some promising boys on that Junior High track team and figure that the record books will look better to you next year.

You know that the Junior High squad broke 10 school records this year and that a fellow named Bob Densham will be a great help in the future.

There's also Robbie Neutzling, Rick's brother, whom you've been watching. He's been progressing greatly on the pole vault and might be one of your top men.

You feel that your kids might have done better—but you're satisfied.

You're Whitehall's track coach and looking forward to next season.

STICK COACH—Whitehall Coach will be competing in the state tournament this Saturday. His squad ended third in Central Buckeye League play and won the Saturday Morning Golf League crown.

Eastmoor, Bexley Both Grab Area Diamond Meet Wins

The Bexley Lions took the sting out of Mt. Vernon's visiting Yellow Jackets with a 2-1 defeat to feature last Tuesday's area high school baseball action.

Babe Ruth League To Open Play Tuesday At Jets' Park

The annual pre-season meeting of the Columbus Industrial Babe Ruth League, in its second year, was held May 12 at the North American Aviation Recreation Park.

League Commissioner Larry Bott presided as plans were laid for the coming season. The 1960 league will be made up of the four holdovers from last year.

They are Lockbourne Air Force Base, North American Aviation, Timken and Westinghouse, and the new entry, Onized Club of Owens-Illinois Glass.

The five teams will begin action Saturday, June 4, in Columbus at Jet Stadium in a pre-season round robin.

Tuesday, June 7, is the official league opening date with games scheduled as follows: Timken at Westinghouse, Onized Club (home team) at Lockbourne, North American (bye).

First and second rounds will be played with champions for each round. Each team will play the other once in each round. A championship playoff will be played between first and second round winners to decide the 1960 league champion.

The following team managers were announced: Staff Sergeant Leon Biggs (Lockbourne), Cy Chapman (NAA), Bill Sims (Onized Club), Bob Rickard (Timken), and Willis Fyfee (Westinghouse).

Gail Towslee was elected league publicity director.

The complete league schedule is now being completed and will be announced prior to the season's inaugural games.

Capital Had 7 In Field At Wooster

Art Slate, Duane Pelkey Enter Hurdle Finals

At Wooster, Ohio, Capital and Wooster atheletes dominated last Friday's preliminary events in the Ohio Conference track and field meet.

The Lutherans qualified seven and Wooster six of the dash events and hurdles while both put a team in the finals of the 880-yd. relay. Wooster won its heat of this event in 1:28.3, tying the conference record, while Capital won its heat in 1:31.

Capital's Art Slate and Duane Pelkey competed in the finals of both hurdle events the following Saturday, while Al White qualified for the 100 and 200-yd. dash finals and Sam Travis for the 100.

Boat Trailers Can Take Fun Wherever You Go

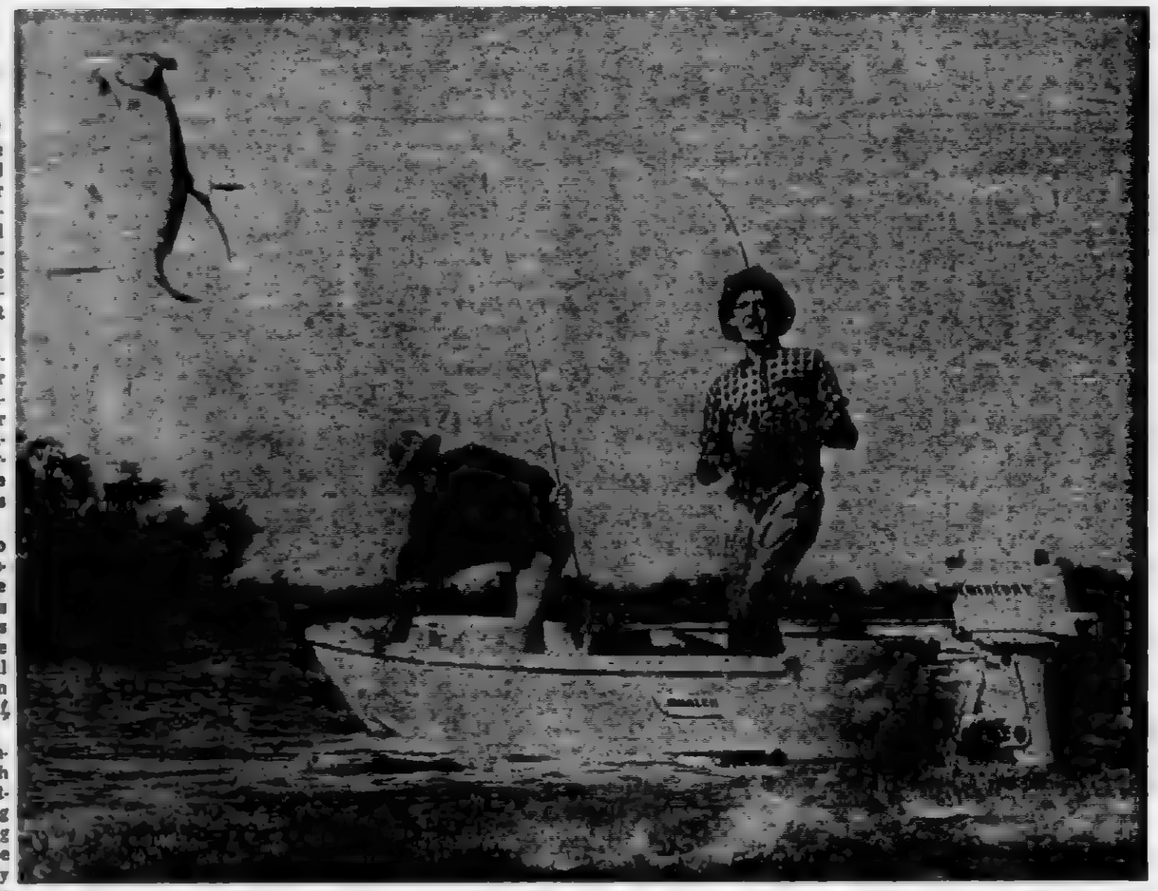
INSIDE ON THE **Outdoors**
By ROD COCHRAN

Modern boat trailers have made every garage, carport and backyard a possible drydock for all types of watercraft. Launching ramps have been provided at most waters by the Ohio Division of Parks and Wildlife and other agencies, and trailers have become as important as either a boat or motor.

Take a look up around Hoover Reservoir any evening or weekend, and you will see plenty of dry-dockers launching their craft. Area boaters also form almost continuous lines of trailered boats as they head for Lake Erie and other distant points on holidays.

Your boat trailer, the key to your adventures afloat on distant waters, should get a little attention if your boating fun is to be unmarred by breakdowns or other unpleasantness. Here are some suggestions which will enable you to put your rig on the highway and enjoy yourself during the coming season.

1. Check the coupler mechanism, winch gearing and winch line, safety chain, brake actuator (if so equipped), lighting harness, light bulbs and tilting locks and mechanicsm to be sure all are working properly and not showing signs of wear or imminent breakage. Replace broken or worn parts with replacements which can be obtained from dealers. Safety chain and belts are especially important items to check — rolling down the highway at 60 mph is no time to lose a boat.



2. Check rollers for deep gauges or other signs of wear, and replace if needed. Take a look at the cradle padding for worn spots. Use nylon carpeting strips for cradle pad replacements.

3. Check the frame overall, tongue, fenders, winch mast for the inevitable rust spots. Rub out the rust to bare metal using emery paper. Retouch areas and spots using matching paint colors.

4. Lubricate coupler mechanism with 30 wt. machine or motor oil. Lubricate tilt-frame mechanisms, rollers, cradle mechanisms, winch gearing, tilt-jack track using Lubriplate No. 70 or other heavy grease.

5. Servicing of the undercarriage is not recommended for amateurs. Wheel bearings should be examined, cleaned, lubricated by a competent garage man. Depending on the number of times the wheels are dunked in water, and the distances towed, wheel bearings might need servicing several times a season. At every stop when trailering check the wheel hubs with your hand. If hubs are heating up, have them serviced at once.

Check the air pressure in trailer tires before you start on a trip, and do not bleed off excess pressure when traveling. There will be a normal increase in pressure due to the heat generated on the road.

WORTH THE TRIP—Boat trailers have made possible long trips to exotic fishing waters. These anglers are catching a monstrous tarpon in Florida. The boat used here is the new "Boston Whaler, a stable, double-V bottomed job, stocked by Les Radifer, 1200 Parsons-av.

National Scouting Official To Lead Protestant Meeting

E. C. Hogan, Jr., assistant national director of Protestant service of Boy Scouts of America, will lead a Protestant Conference on Scouting in Columbus, Thursday, May 26.

The conference will be held in the YWCA, 65 S. Fourth-st, from 5 p.m. through the dinner hour. Presiding will be Dr. G. Weir Hartman, executive director of the Columbus Area Council of Churches.

Other speakers will be Rev. H. F. Heidmann, "A Partnership With Scouting"; Rev. Gerald Koster, "A Pastor's Responsible Role in Scouting"; Norman Line, "The Key Role of the Institutional Representative"; Rev. Karl Henry Dawson, "The Church Award Program" and Bob Dunfee "My Church Award Experience."

The chief speaker, Mr. Hogan, began his work as a Scouter and executive in Florida. His next assignment brought him to Philadelphia where he served as deputy regional Scout executive until he joined the national office on May 1, 1956. He assists in integrating the Boy Scout program with the total program of Christian education in the various denominations.

Invited are clergy, Scout leaders, institutional representatives and members of Scout committees. The conference is one of many such activities planned by the Ohio Council of Churches.

Rose Show Slated At Fairgrounds, Open To Public

The 22nd annual Columbus Rose show, sponsored by Columbus Rose Club will be held in the Youth Center Building, Ohio State Fairgrounds, E. 17th-av, Sunday, June 5, 1:30 to 6 p.m.

Admission is free and public is invited.

Except for a few special classes, anybody is welcome to enter.

Entries will be made from 7:30 to 11 a.m., says Bill MacCartney, show chairman.

Advance copies of the program, including schedule and rules, are available at all garden clubs, or from Ezra C. Anstaett, publicity chairman, 911 E. Broad-st or Eileen Herbert, CL. 8-9508.

Harriet Nelson Receives Genii Award At Banquet

By Larry Holmes

Harriet Hilliard Nelson of ABC-TV's "The Adventures of Ozzie and Harriett," was guest of honor at this year's Radio-TV Women of Southern California banquet.

The Genii Award was presented to Mrs. Nelson during the banquet which was held May 17, at the Beverly Hills Hotel.

This is an annual award presented to an outstanding female personality who not only has contributed a great deal to the entertainment field, but also in her private life engages in activities benefiting the community. Voting is done by secret mail ballot to the membership.

Past recipients of the award have been Dinah Shore, Loretta Young, Lucille Ball and Dale Evans.

A Show of Stars will be presented at the Veteran's Memorial Auditorium Thursday, May 26, at 8:15 p.m.

Bob Crosby, Carol Richards, Buddy Moreno and his orchestra, along with Johnny Matson will contribute to making the two hour program enjoyable.

The show is sponsored by The Sertoma Club of Columbus. Tickets are on sale at the Central Ticket Office, Marshall's, 46 N. High-st and will be priced from $1.75 to $3.00.

Play of the Week will present John Steinbeck's "Burning Bright" on Saturday, May 28, at 11:30 p.m. The play, originally produced on Broadway by Rogers and Hammerstein, is quite different from their usual musical fare.

A middle-aged man who is physically incapable of producing an heir is played by Myron McCormick. His need for a son to carry on his name is the driving force in this tension-filled production. Author Steinbeck has chosen a circus as a setting for the drama. Television does not lessen the impact of this story.

Walter Slezak will take over as host for the "Chevy Suspense Show" beginning Sunday, May 29 at 9 p.m. on Channel 4 in place of the Dinah Shore Show.

A special project program will be telecast by "World Wide 60" on Saturday, May 28 at 9:30 p.m. on Channel 4. Pros and cons of the vital question, "How good is today's American soldier?" will be presented in "The American Fighting Man."

The program subtitled "Korea Plus 10," will include a strong picture of the American fighting man by Hanson Baldwin, military columnist for The New York Times.

Beverage cases must be strong in order to hold up in all types of weather and traveling conditions. A laquer coating is used on these cases. It is abrasion and moisture resistant, attractive and easy to apply.

Big Demand In Central Ohio To Purchase Florida Land

Marvin C. Yerke, president of Marvin C. Yerke and Associates, says his organization is starting a sales campaign in connection with Florida properties developed by the General Development Corp. and Mackle Bros.

"Due to an unprecedented demand for new homes in Port Charlotte, Fla.," said Yerke, "General Development Corp. has accelerated its home building program. The Yerke organization is cooperating in making these homes available to Central Ohio residents."

Ralph Trachsel, 5203 Trabue-rd, is Florida Sales Director for Yerke.

Three salesman - associates with the Yerke organization recently completed a one-week orientation program in all of the General Development Corp. Florida developments and will devote their time to the exclusive sale of homes in Port Charlotte, Port St. Lucie, Port Malabar and Sebastian Highlands.

"Interest in Central Ohio in these Florida developments is very high and sales are brisk," Yerke reported.

The salesmen are Arnold Colabrese of 2407 Brandon-rd, Walter Wilk of 4685 E. Livingston-av and Robert Counter of 246 S. Dawson.

Women are like baseball umpires—they make quick decisions, never reverse them and they don't think you're safe when you're out.

Franklin Village Children Stage Art Exhibit Show

Children of Franklin Village presented an art exhibit on May 21st and 22nd in the Franklin Village Gym. No admission was charged and the public was invited.

Jack Dennis, Director of Art Education in the village, worked with the children and helped in presenting the show.

The purpose of the exhibit was to aquaint parents of children, who are fellow students of Franklin Village boys and girls in the Southwestern School District, with Franklin Village and its residents.

One of the Village cottages was open to visitors with children acting as guides. Staff members were also available to answer any questions pertaining to the village and exhibit.

A spokesman for the Citizens Public Expenditure Survey states that "if the federal government does not start paying off the present debt, in the next 30 years we will pay interest charges equal to the $284 billion principal of the debt—and still owe all of it."

According to Washington Report, a publication of the Chamber of Commerce of the United States, some 680,000 new school classrooms have been built since World War II. So, of the 1,330,000 classrooms that will be in use this fall, more than half will be of postwar construction. Communities have stayed ahead of enrollment requirements for classrooms, it adds — "without federal intervention"

NO NEED . . .

to advertise continuously?

CLERGYMEN

. . . should preach only one sermon or so a year. People are against sin anyway, so why harp on it!

TEACHERS

No need to review what's already been told the youngsters. Tell 'em once and they'll never forget.

STATE POLICE

. . . should stop patroling the highways to warn careless drivers. Motorists are aware of the law and should obey.

But, if you are one of the foolish kind - - - like the 600-year-old Notre Dame Cathedral, which still has its bell rung every day to let people know it's still there - - - and believe in continuous, profitable advertising, then you'll want to use one or more of the

WHITEHALL LIBRARY BOOKENDS

Practical Guide Of Seashores

This is the season for a general exodus to the seashore. The entire family might like to know more about the things of interest to be found at the seashore if that is where they are planning to spend their vacation.

"The Edge of the Sea," by Rachel Carson — a best-seller several years ago — is a book with a double purpose. It endeavors through words and pictures to lead the reader into an unknown world. It is a book to be read and enjoyed at any time or place. It is also a practical guide to identification to be used at the seashore.

To find out about life along the seashore, on the beach, in tidewater pools and in ocean shoals just consult "1001 Questions Answered About the Seashore," by Berrill. Here is a book overflowing with information in easy, informal question and answer form.

Just about everybody who goes to the seashore likes to collect seashells but very few of us know much about them. Whitehall Branch Library has on its shelves a number of good books on the subject — among them are "Sea Treasure," by Johnstone, "A Field Guide to the Shells," by Morris, and "Shell Collectors' Hankbook," by Verrill.

As our maritime horizon widens we may find ourseves interested in the world under the sea. Only a few of us will ever try deep sea diving, but all of us can read about the mysteries of the deep.

"The Undersea Adventure," by Diole, is a running commentary on well nigh all that goes on beneath the surface of the sea. "Undersea Explorer: The Story of Captain Costeau," by Dugan, and "The Gates of the Sea" also by Diole, are exciting accounts of adventures beneath the sea.

The Whitehall Branch of the Columbus Public Library will be closed on Memorial Day, Monday, May 30—and Tuesday, May 31. Summer hours will then begin. The library will be open Monday, Tuesday, Wednesday, Thursday and Saturday, from 9 a.m. until 5:30 p.m., and on Friday from 9 a.m. until 9 p.m. Also the story hour will be replaced during the summer by a reading club using Hawaii as its theme.

Four Whitehall Grads To Enter Nurse Training

Whitehall - Yearling High School will graduate four girls from the Class of 1960 who will be entering nurses' training in the fall. There are also two graduates of the Class of 1959 who are entering the same program.

Pat Kellenbarger, daughter of Mr. and Mrs. Kellenbarger of 3972 Beechbank-rd. is to enter Mount Carmel School of Nursing Sept. 6. She will attend Mt. Carmel for three years. Upon graduation, Pat will enroll in Ohio State University to earn her degree. Her future plans include going to Europe or Asia to do nursing work.

Barbara Bauer of 1648 Velarde-ln, will enter the Grant School of Nursing in August. Barbara, daughter of Mr. and Mrs. William Bauer, includes in her future plans specialization in pediatrics after her three years of training. She would also like to do nursing work in a foreign country.

Janet Jackson of 946 Rose-pl, daughter of Mr. and Mrs. W. D. Jackson, is to enter Capital University School of Nursing in September. After completing the four years necessary for her degree, she plans to specialize in the field of surgical nursing.

Marjorie Phillips of 4226 Mayflower-blvd, is to take her nurses training at the Grant School of Nursing. Marjorie, daughter of Mr. and Mrs. Robert Phillips, will begin her training in August and will attend for three years.

Beverl Schwind, a graduate of the Class of 1959, will also attend Grant in August. Beverly resides at 330 Beechmill-rd and is the daughter of Mr. and Mrs. Elmer Schwind.

June Brennen, another 1959 grad, is also entering Grant in August. June is the daughter of Mr. and Mrs. John Brennen and lives at 409 Wolfe-av.

Bexley Boy Chosen For Select Group

A Bexley high schooler has been named as a member of a select group to study special topics in chemistry, C. W. Jones, principal has announced.

Robert William Floyd, son of Col and Mrs. Albert Floyd, 422 N. Stanbury, has been selected to spend five weeks during the summer at Bowling Green State University with 15 other high school students under a National Science Foundation sponsored project.

The program is designed to provide experience so students may more completely understand the nature, demands and intellectual rewards of scientific works.

Floyd's selection was from among a group of approximately 180 applicants.

Scholarships Are Offered To Outstanding Seniors

By Barbara Moltenberry

Eastmoor held its fifth annual recognition assembly last Thursday to honor those students who have contributed their services or abilities to the school. Students helping in the library, book room, office, print shop, Student Court and Student Council were recognized. Athletes, musicians, and scholarship winners were also honored.

The following seniors have received scholarships so far this year: Sandy Chambers and Sidney Townsend each received a $200 scholarship renewable for one year from the Ohio Congress of Parent-Teacher Associations. Sidney also received a $400 grant renewable for four years from the Ohio State University School of Music.

Eileen Collins has been offered a $400 scholarship from DePauw, $800 from Ohio Wesleyan, and a $12500 award from Bryn Mawr, which is renewable for four years. She plans to attend Bryn Mawr in the fall.

Rachel Egbert received a $400 scholarship renewable for four years from Capital University. Karen Smith was given $360 from the American Legion for any nursing school of her choice. Penny Wainer accepted a $300 scholarship from Ohio State University's School of Education.

A $200 scholarship from the National Secretaries' Association, Columbus Chapter, was presented to Judy Williams. Margrit Bauer was awarded a $300 grant from the Taylor Publishing Company for her excellence in academic and journalism work. She also received a $200 freshman scholarship from Ohio University.

Gretchen Volz received $85 from Eastmoor Future Teachers of America Club. Barbara Moltenberry was given a $60 music scholarship from Miami University. Jennifer Douthit and Frank Hoffman each received a $50 Freshman Honor Scholarship from Ohio University.

The new senior members of Quill and Scroll club and the National honorary society of journalism students were recognized at the assembly. They are Margrit Bauer, Peggy Colgrove, Jennifer Douthit, Barbara Moltenberry, and Nancy Welch.

The annual award for the senior who has been most outstanding in vocal music was given to John Braulick, while Sidney Townsend received the award in instrumental music.

The Agonis Award for the outstanding athlete-scholar went to Ry Poole. Recognition was given to those who have lettered in spring sports. Varsity track letters were given to Bob Agnew, Bob Benjamin, Ray Bland, Orval Coates, Jack Connell, John Dollmatch, Dean Eby, Dave Frederick, Joe Shover, Tom Goodwin, Jim Huffman, Bob Lewis, Homer McKnight, John Matera, Frank Oakley, Randy Sheets and Ron Wollettt.

Letters in varsity baseball were given to Bob Benjamin, Doug VanHorn, Frank Dwyer, Ken Hollister, Ry Poole, Frank Stavroff, Jim Siders, Nick Cooper, Larry Gornall and Manager Jim Blackwell.

Bob Agnew, John Braulick, Dave Kautz, and Brad Hull lettered in golf. Tennis letters were awarded to John Braulick, Jim Hawk, Ken LeMaster, John Matera, and Denny Tishcoff.

Jim Huffman, Dave Kautz, Ry Poole, and Ron Wollett were presented with silver belt buckles for earning third-year letters in the same sport.

Those earning Junior High letters in track were John Bronson, Mike Andrew, Jim Clark, John Hofferheimer, John Rosemond, Allen Udisky, and Don Wray.

Letters in Junior High Baseball were awarded to Ron Golden, Terry Padgett, Jerry Myers, Stan Miller, Andy Powell, Dana VanHorn, Maurice Pope, Vincent VanHorn, Frank Shannon, Stan Ross and Dean Ishida.

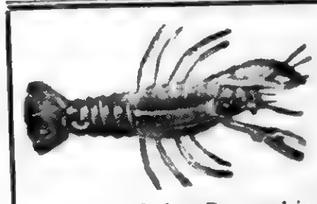
The Masquers' Club banquet was held at the Officer's Club of the Columbus General Depot last Thursday evening. Larry Nichols made the arrangements for the dinner and served as host. Special guests were Miss Anne Jackson, who assisted the dramatics department in costuming and make-up throughout the year, and Mr. Ring, student teacher of drama from Capital University.

Susan Brown was awarded the annual statuette for outstanding achievement in dramatics during the year. Mr. Keiser, dramatics instructor and club advisor, gave a farewell message to the seniors in the group.

Masquers' Club officers for the past year were Cindy Husted, president; Denny Tishcoff, vice president; Ellen Applebaum, secretary; Joe Goodwin, treasurer, and Stan Borboff, sergeant-at-arms.

Our still undefeated Junior High baseball team captured a 9-4 win over Barrett and a 6-1 victory over Bishop Hartley's Senior High team last week.

The varsity baseball team defeated East 12-1 last week. Stars of the game were Bob Benjamin with a double and triple, and pitcher Matt Fitzpatrick with 12 strike-outs.



Charles Booker Is Jump Grad

Army Pvt. Charles D. Booker, son of Mrs. Gladys Echols, 105 Nelson-rd, was recently graduated from the 82nd Airborne Division Jump School at Fort Bragg, N. C.

Booker received his parachutist wings after completing four weeks of intensive ground and aerial training which included five parachute jumps.

The 19-year-old soldier entered the Army in Sept. 1959 and received basic combat training at Fort Hood, Tex.

LESLEINS' FIVE DAUGHTERS—Lining up at the lanes are, left to right, Mrs. Florence Harmer, Mrs. Lillian Bort, Mrs. Vicki Taylor, Mrs. Mildred Butterfield and Mrs. Ethel Weisenberger.

Sister Bowling Quintet Did Their Best 'For Pop'

"We did our best for Pop" she commented.

So say the five daughters of the late Michael Leslein

Leslein, an ardent bowler, until he lost the use of both legs, was the symbol after his death of a drive by his daughters to collect the Star Room League Bowling diadem

They didn't—but they only missed by a pin, some 22 of them to be exact.

Leslein used to average around 200 a game, according to his one daughter, Mrs Ethel Weisenberger. "Even after he lost his legs, he couldn't stay away from the bowling alleys." she commented.

He'd sit there in his wheel chair and watch us girls try to knock the pins down." The sisters also insist that their father gave them excellent instruction in the ways of the bowling lanes.

The girls were halfway through the bowling season this last year and weren't doing so good against their competition when their father passed away. They vowed to win the league championship in memory of him and the final result as to who would be league champ were still in doubt even at the end of the season.

They came from out of nowhere and tied a Slimerama team and had to face a championship roll-off. They failed to win the crown, but did themselves proud trying. The girls rolled for Pope's Inn

According to another sister, Mrs. Mildred Butterfield, they were only six marks behind at the end of the ninth frame in the second game but just couldn't pull it through.

The Late Mr. and Mrs. Michael Leslein, For Whom The Girls Strove To Win

Their mother, who had preceded her husband in death, by a few months, "would have loved to have bowled," the sisters say "but she never had time" Mrs. Leslein. They pointed out, had 10 children to raise.

The Pope's Inn quintet, in addition to Mrs Weisenberger and Mrs Butterfield, consisted of Mrs Lillian Bort of 68 N Broadleigh a 118 bowler Mrs Florence Harmer, of 1027 Jacksonpk, who averages 149, and Mrs Vicki Taylor, of 1169 Arkwood, who bowls 149. Mrs. Weisenberger averages 118 and her sister, Mrs. Butterfield, rolls around 122

Mrs Taylor has been named president of the league for next year

So, although the ending of their quest for a championship in the name of their father failed the ending unlike the movies or novels, may be said to have lent a human touch to a human story

WILLIS PARK PTA HAS BIKE CLINIC

Willis Park PTA will conduct a bicycle-clinic as a community project, with all public and parochial school children in the area east of Hamilton-rd, and south of Main-st, invited.

The clinic will be held on two Saturdays - - June 4 and June 11 from 9 a.m. to noon at the Willis Park School parking area.

Purpose of the project is to acquaint children with road hazards, and test their riding readiness and aptitude with simple bicycle skill tests.

Certificates of registration and completion will be awarded.

Committee has requested, to save time, that children find the factory serial number on their bikes and have this information written down when they come

Mrs Sam LeVine, 1169 Manfeld-dr, is chairman of the Bicycle Clinic.

Officer Steve MacDonald will be present to direct and assist the children.

Parents in the area are urged to come and bring their children, including those just learning to ride bicycles.

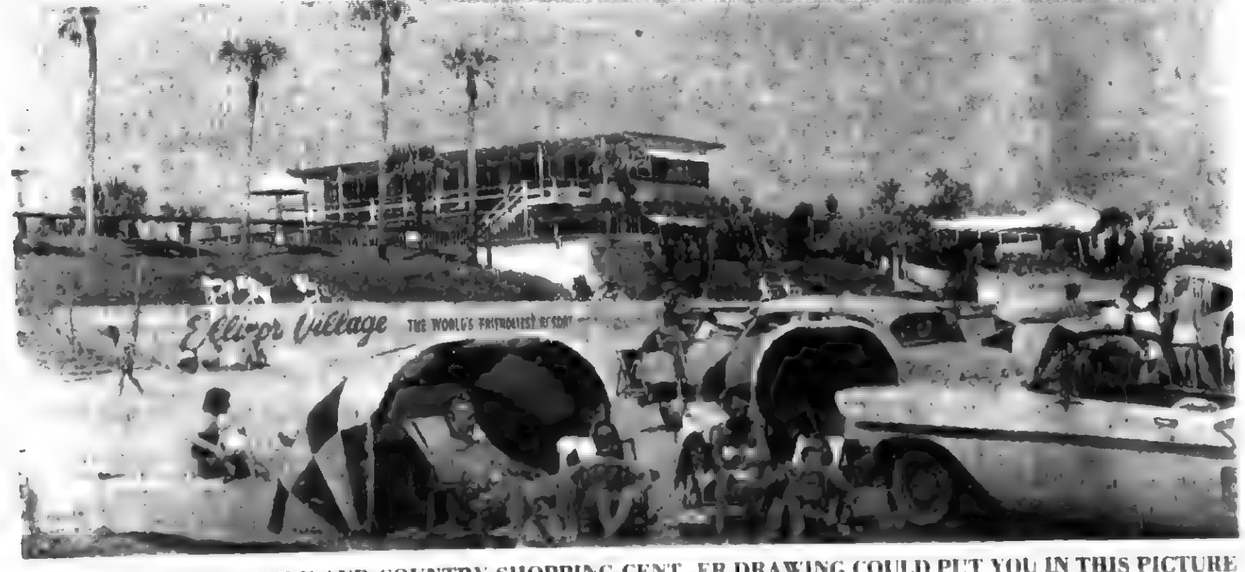
IN SUBURBIA TODAY . . .

SMILES ON EVERY PAGE

. . . NEXT WEEK

Laugh, commuter, laugh, says eminent publisher, author, lecturer, and corporation president Bennett Cerf, and avoid coronaries and ulcers.

Cerf lavishly illustrates his point in the sparkling June issue of SUBURBIA TODAY, which will be slipped into the June 9 edition of paid subscribers to the Eastern Review.



His funny, funny anecdotes are designed to help tax-payers keep their equilibrium through any tense or boring situation in their daily or weekend round

The magazine is filled with vacation bonuses in pleasure this month There are smiles on every page, beginning with the news column "Getting Around," which tells how one can, if called upon, de-skunk a cat, lose weight while doing the laundry, and other pieces of equally useful knowledge.

Then, there's the fun found by the Leslie Pearls, of the United States, and the John Gloags, of England, who swapped houses one summer and ended up with a wonderful, inexpensive, adventurous vacation.

There's also fun in planning a brook, cascade, or stream in your own garden. Everyone can create the delicious atmosphere of water running on his own ground with a simple pumping system and a bit of imagination

The food pages are spread for perhaps the best party of them all, the wedding breakfast with creamed turkey, spicy peach salad molds, and a variety of spreads for easy to prepare, beautiful, and tasty lofty rainbow sandwiches

WISHFUL THINKING? TOWN AND COUNTRY SHOPPING CENTER DRAWING COULD PUT YOU IN THIS PICTURE LIVING IT UP, DOWN SOUTH

NO NEED TO WAIT FOR WINTER

Town-Country Drawing Winner Will Head South For The Summer

Someone will be, and with expense money, too, for a vacation for a family of four if they are lucky enough to win the giant "give away" drawing at Town and Country Shopping Center Saturday June 11

The date of the drawing, too, is appropriate, since Columbus' oldest and largest regional shopping center will be celebrating its 11th birthday starting today and continuing through June 11

All 85 stores and services have spent weeks in preparation for the big anniversary sale.

"Everything for everybody at prices as low or lower than elsewhere," is the theme Special emphasis is being placed on providing top buys for the outdoor living season: cookouts, gardening, "paint up, clean-up," vacations, sports and seasonal wearables

The "give away" is being conducted in appreciation of the "splendid and loyal" patronage enjoyed by Town and Country merchants The public may register in any store, with nothing to buy, from June 2 on.

The winner of the grand prize award will receive a Florida vacation at Ellinor Village, Daytona Beach. The winning family will have lodging in a private ocean-side villa, complete with kitchen

In addition, they will automatically become members of the Ellinor Village Country Club and have available an 18 hole golf course, tennis courts, swimming pools and dancing and dining.

But, that's not all—they will also be given $100 in cash to defray gas and oil expenses.

The drawings will also include scores of other prize awards donated by individual Town and Country stores.

DEADLINE IS MONDAY

Only Few Days Left For Kids' Free Ads

"Hey, Sis! Got your free Hartley Want Ad ready? For once it's great to be under 16 so we can get our ads in the Hartley Nnewspapers for your babysitting and my lawn mowing. I'll never forget how fast one of these free ads sold my bike last year."

"Just a minute, Johnny, I want to be sure I've remembered all the important things . . . after all, our ads will be in more than 70,000 newspapers the week of June 8. I want mine to be correct because the papers have the right to edit or reject any ad."

"Well, get a move on, will you? The deadline's 10 a.m. Monday, June 6, you know!"

"Let's see . . ! Name, address, telephone number' . . . check. 'No more than 20 words' . . . check. Let me see your want ad, John."

". . . . 18, 19, 20, 21 . . . aw gee, guess I'll have to take out 'stupendous' before 'grass mower.'"

"Sorry, Bub. Remember, we'll want to get these mailed right away . . . no phoned-in kids' ads accepted. Here's the address: BOYS AND GIRLS' WANT AD DEPT., 2465 W. BROAD-ST, COLUMBUS 4, O. Or we could take them to the Hartley Newspapers office ourselves."

"No, let's mail them right away. And just to show you what a good guy I am, I'll mail your want ad with mine . . . . if you've got a four-cent stamp, that is."

Free Hearing, Speech Tests Set Saturday

Town and Country Shopping Center will be the site of free hearing and speech tests from noon to 9:30 p.m. Saturday.

The testing program, held each day this week in a different city location, highlights the "Better Hearing and Speech" observance sponsored by the Hearing and Speech Center, a United Appeal agency.

As part of the observance, the hearing agency released a beneficiary report showing that 92 East Siders were helped the past year. This included children and adults benefiting from both the hearing and speech therapy programs.

Here's the Answer

Service Award To NDTA

The National Defense Transportation Association has been selected as the winner of the Armed Forces Management Association's Service Award for 1960.

This award, is presented annually by AFMA to the non-member group or organization which makes the biggest contribution to the improvement of management of the Armed Forces during the year.

Francis W. Crary, executive vice president of NDTA, accepted the award on behalf of the Association.

The National Defense Transportation Association was cited for its "noteworthy accomplishment in the cause of better management of the National Defense of the United States and for its help and assistance to the Armed Forces Management Association and its program."

This announcement was made today by G. D. Cashner, freight sales representative of the Chesapeake & Ohio Railway, president of the Columbus Chapter of NDTA.

Bart Bare, district agent for Alabama Highway Express, is immediate past president and honorary president of the local chapter.

Oris D. Brown, traffic manager of Continental Grain Co. is secretary-treasurer.

Headmaster To Retire

Sumner F. Dennett, who has been a teacher and headmaster at Columbus Academy for 39 years, has announced that he will retire this year.

He was honored Tuesday night at the Ohio Union attended by alumni, parents, faculty, students, friends and educators.

The Academy has grown from an enrollment of less than 100 students to more than 300 students, during his administration. In the same time, the facilities have expanded from two small buildings to a larger one, including a gymnasium and swimming pool.

He became headmaster in 1944 and pursued a policy of adherence to strict scholastic principles. Prior to 1944, he was head of the English department.

Before starting at the Academy, he taught at Bishops College, Sherbrook, Canada; at the Albany Academy, Albany, N. Y., and in Adirondack, Fla.

He was born in Westbrook, Me., and received his A. B. degree from Dartmouth College.

Speaker for the banquet was H. Bartley Arnold. The toastmaster was Dr. Joseph H. Shepard.

Others on the program included Harry T. Minister, for the board of trustees, Dr. Reynolds Klages, Jr., for the alumni, Col. John P. Haines, for the Father's Association, James Pollock, for Association, Mrs. Richard L. Meiling, for the Mother's the students, and Kenneth Evans, for the faculty.

Hail Path Cut Through Bexley Saturday Noon

Bexley was hit by a hail storm shortly after noon, Saturday that cut a path several blocks wide through the city.

Hail stones were reported to be up to a half inch in diameter. Damages to flowers and garden plants were reported by residents in the area.

In some areas the hail lasted up to 15 minutes nearly covering the ground with the ice balls.

Flooding in the area of Napoleon-av helped a few boys decide to launch a rowboat so as to take advantage of the few moments of flooding.

Low pressure area which has hovered over Ohio and Michigan for several days caused the repeated rains.

Capital Plans To Graduate 262 Seniors

When Capital University holds its 99th Annual Commencement Monday, June 6, at 10 a.m. 262 graduates will be awarded diplomas and will gather around the flagpole facing Main-st to sing the Alma Mater for the last time.

Speaker for the Commencement Services will be Rev. Peter H. Eldersveld, director of the "Back-to-God" Radio and TV Hour.

A full weekend of events is scheduled for the graduating class, beginning with the annual Senior-Faculty Reception to be held in the College Refectory from 6:45 until 9 p.m. Thursday night, June 2.

As is traditional, featured speaker for the Baccalaureate Service Sunday, June 5, will be Capital's President, Dr. Harold Leland Yochum.

Saturday, June 4, Seniors will be honored by the Traditional Senior Breakfast to be held in the Refectory at 9 a.m. At 9:30 the Capital Alumni Board Meeting will be held in the new Speech and Fine Arts Building in the Schumacher Room.

From 12 until 2 Saturday afternoon Class Reunions will be held, with some ten graduating classes participating in the reunions. Particularly honored at this time will be the 50 Year Class, of which four members are residents of Columbus: Dr. Henry Schuh, Dr. William L. Young, Dr. Edgar Ebert, and Rev. George Schultz, Sr.

These men anad their wives, as well as several other 50 Year Class Members residing outside of the state, will be honored guests of the Alumni Association at the banquet to be held in the Refectory at five p.m. Also honored will be members of the 25 Year Class, and graduating seniors.

A Reception for Alumni and other friends will be held in Troutman Hall from 3:30 until 5, given by the Capital Alumnae Chapter of the Columbus Area.

Following Sunday's Baccalaureate Service, the Theological Seminary will hold its Commencement at 7:30 p.m. with Dr. Herbert C. Leupold, Professor of Old Testament, having been invited by the Seminary students and faculty to give this address. Sunday's activities will conclude with a concert, presented by the Capital University Concert Band under the direction of Professor Wilbur E. Crist performing in the stadium at 9 p.m. in the traditional "Under the Stars" Concert.

WAVES AT WHITEHALL

BANNER FOR WHITEHALL—Whitehall-Yearling High School has a new emblem to wave. Presented to the school by the Student Council, the flag embodies the school colors of white and black and consists of four stripes, one for each year of high school. The crest signifies the completion of high school and is the same as on student rings. Bob Leonard, Bill Gornall and Linda Layman, student council officers, are proud of the symbol they helped to compose along with the high school art department.

Prosecutor Will Not Ask Death Penalty

Prosecutor Earl Allison announced that he will not ask the death penalty in the first-degree murder trial of tavern owner William Gardner, Jr., 35, of 1870 Greenway South.

During questioning of prospective jurors, eliminating the need of questioning them on their beliefs on capital punishment, Allison brought out his decision.

The fatal shooting of John Lee Fosler, 20, of 1323 Lee-av, last Jan. 2 in Gardner's Cafe, 1402 Joyce-av, is the charge against Gardner.

Gardner shot Foster five times with a .32 caliber revolver and then hit him about the head with the gun after an argument, witnesses told police.

The jury consists of Mrs. Irene Roberts, 2421 Coventry rd; Wallace E. Pierce, 841 S. Broadleigh-rd; John Chaney, 4046 Sexton-dr; Mrs. Edna O. Grant, 302 N. Harris-av; Galen T. Borton, 611 Larcomb-av.

Mrs. Thelma I. Ullom, 1878 Myrtle-av; Miss Esther E. Sindel, Gahanna; Donald J. Cole, 362 S. Harding-rd; Mrs. Ethel Jordon, 309 Johnson-st.

Mrs. Lena Mae Taylor, 49 Dana-av; Mrs. Loretta T. Torrenti, 4891 Lunar-dr; Fred Mertz, 4203 Eastlea-dr. Alternate juror is Mrs. Betty Lorraine Stout, 2990 Parkside-rd.

Port Won't Get Trucks On Time

Equipment ordered to replace fire-fighting apparatus at Port Columbus won't be delivered until September.

Originally promised for early this year, the Walter Motor Truck Co., of Ridgewood, N.J., says the $100,000 of custom built crash equipment won't be ready until September.

The city is presently using borrowed Navy equipment.

Eastmoor High School's Warriors' Spear-It

By Barbara Moltenberry

ACTIVITIES HIGHLIGHT PRIOR TO GRADUATION

Many activities are highlighting the short time before graduation. The seniors will graduate Tuesday evening and the ninth grade Junior High ceremony will be Wednesday afternoon.

The Eastmoor "Shield" yearbooks were distributed this week. Last week the "Lance," the magazine featuring outstanding work of students, was distributed.

The senior dinner was held Tuesday evening at the school. The program included group singing, the reading of the class will and prophecy, songs by the Girls' Ensemble, and a farewell message by John Braulick, senior class president.

The Junior - Senior Prom, "Bali-Hai," will be held Saturday night at the school.

Bacalaureate for the seniors will be held Sunday afternoon in the school auditorium.

Eastmoor students, who placed in the top three in each subject of the Preliminary-District Scholarship Tests, took the final District-State tests May 7 at Ohio State University. Following are the ranks of students placing high in the Ohio State University District. Biology, Georgette Goldberg, 8; Bill Cohen, 10. General Science: Tom Bullen, 7; Chemistry, Dan Fleming, 6; physics, Mike Gifford 8; algebra I, Jim Carroll, 2, Janice Siegelman, 15; algebra II Dave Shupe, 3, Barry Hilton, 4, Kay Martindale, 7.

Plane Geometry, Karl Mills 6; Judi Clark, 12 American History, Dick England, 2; Rick Brown, 11; World History, Ann Whetstone, 4; Lencar Biddle, 8; Bob Lewis, 14.

English 10, Steve Stellman, 4. English II, Sandy Maxwell, 6. English 12, Eileen Collins and Jennifer Douthit tied for 7, and bookkeeping, Patty Sue Cope, 9.

Dan Fleming, Jim Carroll, Barry Hilton, Ann Whetstone and Steve Stellman placed high in the state by receiving honorable mention. Dave Shupe placed 15th and Dick England placed eighth in the state.

The senior choir and band picnic was held last Thursday at Hoover Dam. Following the meal and recreation, pins were awaarded to chair members who had earned a required number of points. They are Angel Burnette Joy Henry, Jon Ewing, Bobbie Kail, Steve Foster, Bob Uhl, Pat Bussard, Sharon Jarvis, LaRita Gantz, Bev. Finke, Lewis Beyer, Barbara Moltenberry, Dave Armstrong, Cindy Husted, Sandy Parks, Karen Smith, and Doris Wimmer.

The Junior High baseball won the city divisional championship last week after a 4-1 victory over Franklin. Highlights of the game were Dean Ishida's squeeze play bunt, Dana Van Horn's three hits, and Jerry Myer's fine pitching. The team was undefeated this season.

The varsity baseball team edged Aquinas 4-3 last week. The tennis team defeated Academy 4-1.

Grads To Hold First Reunion

The 1940 Class of Hilliard High School will hold its first class reunion at the new Hilliard High building, Scioto-Darby-rd, Sunday, June 26.

A program and games have been planned. If you plan to attend, or not, please contact the class secretary, Mrs. Louse Salzgaber Foresman, TR. 8-5075, or 5500 Trabue-rd.

STICK TO WRITING SPORTS, JOHN

HOLIDAY MEMORIAL—This scribe took a swing, and ended up with a sprained wing, the leg kind. Eastern Review sports writer John Auble, Jr., spent the day after Memorial Day recuperating from a golf lesson. He managed to twist his right knee "something good" while teeing off on a golf range. For the season's first reported casualty from the links front might go the motto of the second-guesser: "Stick to writing it, John, not trying it."

WILL TAKE OFF JULY 9

Area Woman To Fly In Derby

An East Side woman, Mrs. Marion Schorr Betzler, 3180 Dale-av, will be racing in position Number 10 in the forthcoming All-Woman Transcontinental Air Race, more popularly known as the "Powder Puff Derby." This nationally known event is set to take off from Torrance Municipal Airport, Calif., on July 9.

Mrs. Betzler will be flying a new model M Beechcraft Bonanza (250 horsepower) under the co-sponsorship of Columbus Aviation, Inc., Port Columbus, Beechcraft Sales and Service Operators and the United Rent-Alls Inc. of Lincoln, Neb.

Marion, flying solo this year in her fifth transcontinental Air Race, must cover the 2509 statute mile course within the allotted four days and cross the finish line at New Castle County Airport, Wilmington, Del. by noon of July 13 to be eligible for awards. She may stop to refuel and to remain over night at any of the designated airports along the prescribed route.

Mrs. Betzler holds a Commercial License with more than 1500 hours flying time. She also holds a rating as a radio navigation ground school instructor and Link trainer instructor. She is a former WASP pilot during WWII and learned to fly while a student at Southwestern Louisiana Institute.

More than 150 of the nation's top women pilots will take off from Torrance Municipal Airport in the 14th annual running of the All-Woman Transcontinental Air Race, more popularly known as the "Powder Puff Derby." To be eligible for awards the contestants must cross the finish line at New Castle County Airport, Wilmington, Del., by noon of July 13—a total distance of 2509.13 miles.

The race will be flown during daylight hours only and under FAA visual flight rules. It is a race for stock airplanes of not less than 85 horsepower nor more than 350 horsepower, single and multi-engine.

The airplanes are handicapped in accordance with their performance, range, etc., and scores are computed on the basis of elapsed time. The winners cannot be determined until all airplanes have finished the race and their times have been computed. Therefore, the first airplane to cross the finish line is not necessarily the winner.

A purse of $2500 will go to the five top winners, the pilots and co-pilots each receiving attractive trophies as well. Additional awards will be given for the best scores made by each "class" of airplane, for the best scores on each "leg" of the race and for other special categories.

The route will be as follows: Torrance Municipal Airport to Needles Municipal Airport, Prescott Municipal Airport, Winslow Municipal Airport, Kirtland Air Force Base (Albuquerque), Amarillo Air Terminal, Will Rogers Field (Oklahome City) Fort Smith Municipal Airport, Memphis Municipal Airport, Lovell Field (Chattanooga), Tri-City Airport (Johnson City, Tenn.), Woodrum Field (Roanoke) and then across the finish line at New Castle County Airport, Wilmington, Del.

ALONG THE SIDELINES

It's An Unfunny Thing If You Ain't Got Swing

By John Auble, Jr.

It usually always happens—the duffer goes all golf season tearing out divots, missing putts and slicing into the rough when finally, at the end of the summer, a small, freckled-faced caddie says, "Mister, why don't ya try tennis."

I was a bit more lucky. I found out what my golfing trouble was before I started my first nine holes—"It's an unfunny thing if you ain't got that swing."

At a nearby driving range, yours truly came up with a wrenched knee before the first bucket of balls was driven. Lying in the X-ray room at St. Anthony's Hospital, I suddenly realized that the Memorial Day casualty list had just claimed another victim.

From here on in, I vowed, I will become a life-long member of Soothsayers, Inc., (a mythical, all-prophet organization of "outcome" predictors) and let Snead, Finsterwald and Arnold fight it out for the PGA crown.

BOATING BOOM BIG BUSINESS . . .

Many an East Side area seafarin' man, landlocked for the past month by weather, now has his boat in shape and is riding the nearby waves.

Out there on the briny, which may be no more than a fresh water pond or a narrow river, he'll find more of his kind. This year the boating craze has hit a new high.

Now that there are eight million boats buzzing around the nation's waterways, maybe it's a good thing that three-fourths of the earth's surface is water.

And if "getting away from it all" is the lure drawing you toward purchase of a power or sailing rig, don't count on it. Weekends afloat are rapidly becoming almost as crowded as the highways leading to the lakes and rivers.

Many conservation officials are getting moves underway to keep boaters "in line." Fortunately, however, boating's accident rate in area waters has not kept pace with the spectacular increase in numbers of crafts.

The Ohio Division of Parks noted an increasing number of boating safety violations. First on the list is excessive speed in the 25 mile per hour zones. Second is speeding in danger and shore zones where a six miles per hour limit exists. Park officials say faster boats, coupled with more boats per acre of water this year, means an increased need to follow safety rules.

Observe the rules, practice courtesy and have more fun out of your boat this summer.

MEMOIRS OF A SPORTS WRITER . . .

The big, gala, Whitehall Boys' Baseball Association parade is scheduled for June 4. WBBA Queen, Sandy Joseph, will reign over the festivities.

Bob Carson, an 18-year-old expectant father from Whitehall, won the state high school individual golf title in the annual schoolboy tournament on the University Scarlet course last Saturday.

Any baseball fan can tell you the number of home runs Mickey Mantle belted last year or the salary of Ted Williams. But for those who really want to impress their wives or girl friends, here is a baseball first from the research department of the World Book Encyclopedia. In 1875, Charles Waite, first baseman for Boston, put on the first baseball glove—flesh-colored, so the fans wouldn't notice it.

A. G. Spalding finally wore a dark-brown glove, adding stuffing to it a little at a time.

AND, AS A PARTING SHOT—We received word that an East Sider was thinking about starting a baseball league in Columbus to be made up of Little League rejects. Just a grandstander, but that's baseball. 'Snuf sed.

Norwood Park Is Open Now

Memorial Day officially opened the summer season at Norwood Amusement Park.

Raymond Norwood, owner and operator of the entertainment plant at 2025 E. Main-st, reports that the park will be open daily.

Norwood also reports that eliminations for the regional miniature golf championship will get underway the first week in June. The popular miniature golf course has been granted the exclusive rights to the eliminations tournament. Winner of the local event will receive an all-expense trip to Asbury Park, N.J., next September for the world championships of miniature golf.

GIVEN PERMIT

Arthur L. Crabbe, 1580 Hamilton-rd, has a building permit for alterations to his frame dwelling.

Two Estates Valued Over Half Million

Two state inventories, each totaling well above a half-million dollars, were filed last Wednesday in Probate Court.

John R. Downey, Jr., 80 N. Drexel-av, who died Jan. 5, left an estate valued at $796,297, including $674,897 in securities and $89,300 in a checking account.

A former treasurer of Joyce Product, he left no will. His next of kin was identified as his mother, Adrienne M. Downey.

The estate of G. Dana Harrington, local jeweler, was valued at $684,461 of which $564,973 was in securities.

Harrington, 74, of 2466 Bryden-rd, died Feb. 23.

In his will, he set up two trusts for the benefit of his widow, Eunice L. Harrington. He directed that his executor dispose of his interest in the Harrington Co. within 12 months of his death.

He left a cash bequest of $5000 to Jay G. Tripp, an optometrist in the jewelry store at 84 N. High-st, and $1500 to Mrs. Sylvania Ector, 562 E. Columbia-st.

Stelzer-rd Main Permit Granted

Columbus has been granted a permit by county commissioners to build a 48-inch water main under Stelzer-rd, to serve the East Side.

Originating at Morse-rd, it will run south to near Seventh-av, where it will cross Stelzer and go south.

Charles Hartung Named Worker Father Of Year

The National Father's Day Committee named Charles Hartung, 1520 Cunard-rd as the "Worker Father of the Year."

He is the father of two children, Deborah, 9, and Steven, 6, and was cited for his many civic endeavors, including service as a volunteer solicitor for Columbus United Appeal, YMCA and Boy Scout work.

Hartung, 27, is employed by the Kimble Glass Co., 711 Southwood-av, as a quality control inspector of television tubes and is a member of Local 106 of the Glass Bottle Blowers Association, AFL-CIO.

A committee is a group that spends hours talkin' about things they should be doin'.

City To Check Johnson Park Water Complaint

Complaints of stagnant, smelly pools of rainwater in Johnson Park have reached the City Parks Division.

Parents are concerned for the safety of their children as water sometimes reaches a height of three feet deep in the park after a heavy rainstorm.

Emerson Bretz, of the parks division has indicated that the situation will be looked into. He said that the park has no drainage.

BIBLE COMMENT

Individuality Must Come With Sense

There is a mass psychology that influences the lives of many today which has inspired widespread criticism—the unwillingness to be different, when one ought to be different.

On a high level it means following a social pattern which may have little to commend it. On a low level it means being one of the "gang." This outlook is responsible, in part, for much juvenile delinquency.

Those who dare to become like Daniel—that great Christian crusader — do not become juvenile delinquents.

There is, of course, reason for conformity to all that is right and proper. There is no inherent virtue in individuality and nonconformity. It depends upon the quality of the individuality and what it is to which one refuses to conform.

There was once a minister who, according to a member of the congregation, used the word "world" in a sermon 45 times, each time pronouncing it "wold."

When asked why, his reply was that "a man must have some individuality." That sort of individuality is sheer silliness.

One can be a Daniel without being a snob or a Pharisee. Humility and consideration for others is consistent with firm conduct. The stronger our convictions the greater respect we ought to have for the strong convictions of others.

News 'n' Notes of Camp Fire Girls

CHESKCHAMAY

Cheskchamay, the name of our Camp Fiire Group, is the Indian word meaning "all friends." The name was appropriately chosen since all of the girls have become good friends. For the past five years they have been under the leadership of Mrs. John Connelly.

Perhaps the highlights of the year was their trip to Washington, D. C. They chose this as their goal two years ago and it became a reality and through earnings of the entire group they visited the Capital City where they toured all the famous historical sites.

Other activities in which the group participated, during the year, were bowling lessons, a week-end camping trip to Camp Wyandot, working on "Town Meeting" at the television station, and the training for counselors at Day Camp.

Their participation in Christmas activities included two items, folding of Christmas Seals, and Christmas caroling at Saint Rita's Home for the Aged.

In their freshman year they plan to enter the Horizon Club to accomplish the purpose of the Camp Fire organization, to prepare girls for the responsibilities of womanhood.

Deep-Dip Spells Defeat For Dog-Hungry Insects

Here's good news for flea-bitten, tick-tortured dogs . . . and their owners.

Saturday, June 4, has been set as "Dog Dunking Day" at the North Grain Co. in Groveport.

"Cap" North, owner of the grain company, has invited all dog owners in the area to bring their pets in for a free dip in a solution that will rid the animals of their unwanted summer guests.

A large mental drum, filled with a solution of Purina Mange Control, will be placed on the park lot at the store and a crew will be on hand to "dunk" the dogs as they are brought in.

Something new in service to dog owners, North says he's looking forward to everybody having a lot of fun at "Dog Dunking Day."

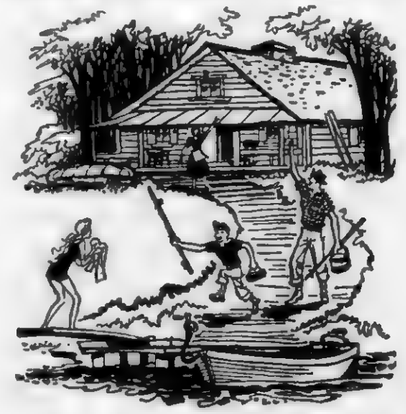
Marine Corps. Opens Program In Three Areas

The Marine Recruiters for the Columbus area have announced that the Marine Corps is now accepting young men on the three year enlistment terms as well as the four and six year terms.

Also available is the 120 day program "Delay" whereby a young man may start his service time up to four months prior to his going on active duty.



Applicants are also being accepted for guaranteed assignment to aviation duty. Enlistees accepted under this program will be assigned to the field of aviation upon completion of recruit and infantry combat training.

All applicants who qualify for these programs may request either San Diego, California, or Parris Island, South Carolina for Recruit Training.

To find out more about the above programs contact your local Marine Recruiters at Room 103 in the Old Post Office at 3rd and State Streets, from 8 a.m. to 4:30 p.m. Monday through Friday and from 8 a.m. to 12 noon on Saturday.

Fishing Vacationists Don't Need To Go Far From Home Waters

INSIDE ON THE **Outdoors** By ROD COCHRAN

The time has come to talk of vacations — more particularly, fishing vacations. People ask me where to go, and I don't know where to tell them.

If good fishing waters is all they want, there are plenty of places to go not far from home. Usually, however, a fishing vacation is an excuse to get away from local scenery, do a little traveling and search for pastures that are supposed to be greener. Both kinds of vacations have their attractions, and it's up to you to decide what you want.

Part of the allure of angling is "to go someplace where the fishing is good." I've witnessed many kinds of this go-itis and have fallen victim to it myself. Take for example the fisherman who has his headquarters at the south end of a lake. Almost always he will jump in a boat, and motor to the northern reaches before he starts to fish. On the way he will pass a fisherman who docks his boat in the north end and does all his fishing at the opposite end of the lake. A boat ride is part of a fishing trip far these men, and their jaunt would not be complete without it.

Travelers Hear About Home

Most of us pass up good fishing close to home to travel elsewhere. Imagine how Al Staffan and Erwin A. Bauer felt when they stopped at a service station in northern Wisconsin on their way to some "good fishing." When the attendant noticed their Ohio license plates he asked where they were from. They answered Columbus, and he said, "Boy, you guys are lucky to live so close to Buckeye Lake. I used to take my family there for two weeks of fishing every year, but have been so busy recently that we've missed these vacations the last couple of years."

So now you may have some idea of how difficult it is to tell a family where to go on a vacation. Part of the fun is in going, and who can tell how far you want to go?

Do not make the mistake though of thinking the farther you go the better the fish will bite. Fishless days occur everywhere. Several widely traveled fishermen have told me of finding waters in extreme northern Saskatchewan and Manitoba where luck was very poor. Nearby there would be lakes where the fishing was unbelievably good, so you have to find the fishing no matter where you go.

Anglers Work Harder Away

Another odd thing about fishing vacations is that a man will work a lot harder catching fish while away from home. When he is away from home. When spending money and time at a glamorous spot he will be up before dawn and he will fish until dark. If he fished this persistently and thoroughly at home he could catch a lot of fish in a week's time. But on familiar waters he will fish half-heartedly for half a day, and then retire to the boat dock or bait store and complain about the poor fishing. It must have something to do with trying to get your money's worth while on vacation.

So, with all these stumbling blocks in my path, I'll recommend the following: If you are going to stay at home for your vacation, Hoover Dam is your best bet. For a little farther away you might try Burr Oak Lake, Athens County; Clendening Lake, Harrison County; Veto Lake, Washington County; and Rocky Fork Lake, Highland County. Something is almost always biting in the laland area of Lake Erie, and I don't mean mosquitoes.

If you really want to pile your tackle in the car and hit the road, you might head for the Pigeon River in Ontario, Chautauqua Lake in New York, Ocean City, Maryland, for saltwater angling, the back bay region of southern Virginia, the Florida Keys, or Lake Ouachita in Arkansas.

Mind you, I'm not saying the fish are biting at these places, and if the guides tell you, and they probably will, that you should have been here last week, don't blame me. But if you're looking for an excuse to go some place, this is it.

Smallmouth Bass Believed Plentiful

Smallmouth bass are thicker than you think, according to a survey made by Ed Brown, Jr., fish management supervisor, Ohio Division of Wildlife.

Brown found from 60 to 100 catchable (10 inches or larger) smallmouth bass in a quarter-mile stretch of Massie Creek, Clark and Green counties, which he studied over a five-year period. This was part of his work done during the Little Miami River Headwater-Stream Investigation. The complete report of this study was edited by Brown and contains many facts of value to anglers.

In order to gather smallmouth reproduction facts, Brown devised a new technique. He mapped the location of all nests and followed them through the season. He found that the number varied from 47 to 157 a year. From these observations, he arrived at the figure of 60 to 100 harvestable smallmouth bass in the quarter-mile section of the stream under study. Incidentally, this stream was regularly fished.

During the five-year study, Brown handled almost 30,000 smallmouth bass. Largest to come to his attention was a 17-inch one.

He commented that there was a definite correlation between the size of a stream and the size of the fish. Big streams produced bigger fish than smaller ones. During the same period he handled about 2,500 rock bass. Biggest rock bass measured slightly more than 10 inches.

United Nation's Ice Athletes To Appear In Ice Capades

By Larry Holmes

Many top-notch ice skaters who have made their home in Germany, Great Britain, Canada, India and, of course, the United States, will make their only appearance of the year on "Summer On Ice—1960."

The Icecapades, comprised of the United Nations ice athletes, will be presented Thursday, June 2, at 9:30 p.m. on Channel 4.

Special guests on the unique ice special will include Tab Hunter, Gizele MacKenzie and Craig Stevens of "Peter Gunn" as host.

Cathy Steele and her partner, Phil Romayne, who comprise the world's finest adagio and dancing team on skates, will appear in "The Greatest Show on Ice."

Cathy's home is Garmisch-Partenkirchen, Germany, world center for winter sports.

Play of the Week will present "Lullaby", Saturday, June 4, at 11:30 p.m. on Channel 10. The show highlights a very unique type of romantic triangle, with an overbearing mother sitting firmly at the apex.

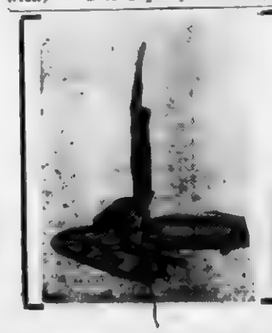
The husband-and-wife team of Eli Wallach and Anne Jackson stars in the play.

Wallach portrays Johnny, a mama's boy who's just a bit over the "mama" age, while Miss Jackson is seen as his wife, Eadie. The complications are sensational when Eadie decides to cut mother's apron strings away from her husband.

Eadie's happiness at finding a mate turns somewhat sour when she finds that she's taken not only a husband but a mother as well.

F.Y.I., the talked about documentary series, changes time to 6 p.m. Sundays, beginning June 5. Also it has picked up a permanent host, Douglas Edwards.

This show has been noted for its courage in spotlighting national problems as well as local sore spots of interest on a national level.



Edwards will add the "F.Y.I." chore to an already impressive schedule. His daily newscast seen at 7:15 p.m. is actually the world's largest single source of news. Approximately 35,000,000 viewers tune in "Douglas Edwards and the News" each week.

Beginning June 1 an expanded livestock market news program will be sponsored by the McMillen Mills of Ft. Wayne, Ind., and the Independent Livestock Marketing Association of Columbus.

The expanded market news program is scheduled for 11:05 a.m., Monday through Friday, over WRFD, 880 on your dial.

On Saturday, June 4, 12:15 p.m., Channel 10, the Boston Red Sox will battle the New York Yankees on baseball's "Game of the Week."

The Detroit Tigers and Cleveland Indians will clash Sunday at the same time on the "Game of the Week."

The hillbilly spotted a motorcycle the first he had ever seen coming up the mountain road. He raised his rifle and fired at it.

"Did you get the varmint?" his wife inquired.

"Hit it, didn't kill it," he replied. "I can still hear it growlin'—but I shore made it turn that pore man loose!"

Shepard Church To Honor Grads With Breakfast

Breakfast will be held in the Fellowship Hall of Shepard Methodist Church Sunday morning, honoring community high school graduates.

Approximately 50 are expected to attend the event, sponsored by the Methodist Youth Fellowship under the direction of Mrs. Leo Lockhart, Mrs. Waldo Anderson and Mrs. Everett Woolridge.

Awards will also be presented young people for service to the church and community during the year. Delegates to Lakeside Institute will be recognized.

Those participating in the program include Steve McDowell, senior high president; Terry Powell, junior high youth president; Mrs. Leo Lockhart, Mrs. Waldo Anderson, Mr. David Guthrie, Rev. and Mrs. Marvin Bee.

Copies of the Revised Standard Version of the Bible will be presented to each graduate at the worship service following breakfast.

HARTLEY HIGH SCHOOL'S

HAWK *Lines*

By Paul Coleman

Hawk Runners Have Successful Season

Hartley's first track team closed a successful first season on Monday, May 23, by defeating the Bexley Lions on their own track. This Hartley win gave the team a 4-2 record and the first winning season for any Hawk team. The track team, which competed as a reserve unit, won over Johnson Park Eastmoor Reserves, Aquinas Varsity, and Bexley. The two losses came from Hamilton Township's Varsity and Upper Arlington.

Freshmen and Sophomores were most numerous on the team, with only six upper classmen listed on the roster. The members of the 1960 track team were Jim Aneshansley, Doug Bedell, Jim Billiter, Paul Coleman, Jerry Emrich, Mike Hanf, Jim Kirk, Howard Mugrage, Jeff Nelson, Jack O'Dea, Art Spencer, Buddy Thomas, Don Van Horn, Steve Warren, Mike Yandrich and John Zaluesky.

Thomas and Kirk were high point men for the season. The track team was coached by Head Coach Tom C. Kreiger, who was assisted by Sandy Simpson, a former Bexley High pole-vaulter now attending classes at Ohio State.

Hartley's baseball team has closed the books on its first season also. The team has a 6-7 record in non-league play. In order to gain more experience some of the team members will play American Legion ball this summer. Members of the first team, which also played a reserve schedule were Tom Barbee, Bob Burman, Charles Carter, Bob Casey, Jack Diamond, John Dooley, Bob Gantner, Ron Glass, Jerry Kurelic, Mark Lang, Jim Nelson, Charles Robinson, Bill Slater and John Wagner. The team was coached by Jim Camerón.

Hartley's golfers finished up their first season along with the other spring teams. Steve Burman, Jim Glassmacher, Frank Kulp, Bill Lingo, Pat Lynch, Dick Phillips and Cary Wilhelm made up the team, coached by Joe Rath.

Elections for the Executive Board of the 1960-61 Bishop Hartley Student Council were held on May 24. The students returned three incumbents to the offices of president, vice president and treasurer. Re-elected for their second term of office were Paul Coleman president, Buddy Thomas, vice president and Jeff Kiener, treasurer, all members of the class of '61. Patty Moore, a sophomore, was elected secretary.

The Field Day scheduled for last Friday was postponed until Tuesday due to inclement weather. On this day, intramural track anad field events were held, supervised by Earl Vermillion and Student Council.

Members of the Hawk's track team officiated. Blue and red ribbons were awarded to the individual winners, and the mahogany and gold plaque went to the winning home room. Also, members of the CSMC, an organization founded to aid the missions, sold hot dogs and soft drinks. Also offered for sale were party hats in various shapes and colors, which added to the festivity of the day.

Three Hartley students placed in the District Final Scholarship Tests held at Ohio State University on May 7. Mary Pat Kramer and Suzanne Predis placed in Latin II, and Tina Church placed in English IX. Mary Pat and Suzanne are sophmores. Tina is a member of the freshman class.

Hartley held its annual May Crowning last Friday despite the rain. The ceremony was held in the auditorium, which was suitably decorated for the occasion. Sandy Slater, chosen as May Queen by the students, crowned the statue of Our Lady. After this, May King Andy Jacobs gave a speech on the obligations of all teenagers to God's Mother. Assisting him and Sandy with the ceremony were six other members of the court, also selected by student vote. They were Mary Driscoll, Nancy Krauss, Patty Lorms, Joe Gantner, Jim Harkless and Buddy Thomas.

The Awards Assembly will be held tomorrow night at Hartley. This assembly, which is an annual affair, is held to honor those students who have shown outstanding achievement in in their selective fields of study. Principal Rev. Robert G. White will present the awards, bronze metals and certificates, to those who merit them. In this way, due attention may be paid to scholastic endeavor at Hartley.

Ad Director's Post Assigned To Bracken

George Bracken

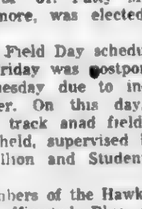
C. C. Hartley, publisher of Hartley Newspapers, recently announced the appointment of George F. Bracken to the post of advertising director of Hartley Newspapers.

Bracken joined the Hartley Newspapers earlier this year as sales director after many years with the former Columbus Citizen.

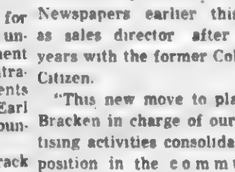
"This new move to place Mr. Bracken in charge of our advertising activities consolidates our position in the community field," Hartley stated.

Bracken has had extensive experience with many problems in retail business, having served with a large chain grocery and also with a large chain drug company before World War II. He is a captain in the air force reserve and is active in community affairs. He lives with his wife, Harriet, and two children at 1995 Zollinger-rd.

VINDICATED



Police laughed when a 42-year-old man complained that a camel had stepped out of the bushes in Cologne, Germany, and tried to bite him. Then a local circus reported one of its dromedaries missing.



A gang of burglars, finding only $17 in offices of a Davenport, Iowa, seed company, drove a truck through the building wall and left a message on the dictaphone informing the management it had only itself to blame.

HARTLEY MAY QUEEN

GARLAND OF ROSES—When the May Queen is selected, by popular vote, at Bishop Hartley High School, she has the honor of placing a garland of roses as a crown on a statue of the Virgin Mary. Last week, Sandy Slater was named as the school's May Queen. In an impressive ceremony, with the student body in attendance, Sandy stepped forward for the honor as the picture was snapped. A May King is also chosen. This year, the honor went to Andy Jacobs.

Bishop Hartley High Pupils Take Part In May Program

Students of Bishop Hartley High School participated in the school's second annual May crowning last Friday. The crowning was preceded by a procession of the student body.

The ceremony was held in the auditorium, beautifully decorated for the occasion. Flowers of all kinds surrounded the altar, and overhead hung a blue canopy.

Sandy Slater, selected as May Queen by a vote of the school, crowned a statue of Mary with a garland of roses.

Along with Miss Slater and Jacobs, six other students were selected to be members of the court. They were Mary Driscoll, Nancy Krauss, Patty Lorms, Joe Gantner, Jim Harkless and Buddy Thomas. It is a tradition at Hartley to select the members of "Our Lady's Court" from the top class.

YORKSHIRE

an exclusive community of fine homes

The Merlin

This sumptous four-level split is the fabulous 1960 "House of Enchantment." Come see it today, along with two other Yorkshire-quality homes at the display area. This is truly one of the most beautiful homes, and one of the loveliest interior decorating jobs you have ever had the pleasure of seeing. (And remember, the Merlin can be YOURS in Yorkshire).

Yorkshire is a new prestige community. It is located on picturesque Noe-Bixby Road just north of East Livingston Avenue. Here is a site within the city limits that has all the beauty of virgin woodland you'd normally expect to find only in the country.

If you have a true appreciation of the finer things in life, you'll fall in love with Yorkshire. Visit it today. Drive east on Broad, E. Main or E. Livingston to Noe-Bixby Road. Yorkshire is located between E. Main and E. Livingston on Noe-Bixby.

Piccolo Soloist Brobst To Star In Capital's Concert Under The Stars

PICCOLO PLAYER—David Brobst, 809 S. Cassingham-rd, will highlight Capital University's Concert Band presentation of its annual "Concert Under the Stars" at Bernlohr Field. He will also be the student conductor in John Philip Sousa's "Looking Upward."

David Brobst, 809 S. Cassingham-rd will appear as piccolo solist Sunday at 9 p.m. when the Capital University Concert Band presents its annual "Concert Under the Stars" at Bernlohr Field.

Brobst will also appear as student conductor performing Mars and Venus from Suite "Looking Upward" by John Philip Sousa.

Brobst has been a member of the Concert Band for four years playing solo flute for two and one-half years. He also has played piccolo in the L'Ecole Monteux Orchestra in Hancock, Me. for the past four summers. He is also a member of Phi Mu Alpha, Sinfonia Fraternity of America. A graduating senior in the Music Education curriculum, Brobst has been a student of his father, Fred Brobst, Professor of Music at the Conservatory of Music, and flutist with the Columbus Symphony Orchestra.

The program will also feature a trombone solo by Alan Berry, and Michael Caesar, David Hite, and Kathryn Williams, playing the Concertino for clarinet by von Weber.

A cornet trio, the Three Modernaires by Lowell Little, will be performed by Gayle Crawford, Gary Bailes, and William Gischel.

Wilbur E. Crist, conductor of the band, has announced a varied program in addition to the soloists which includes Stradella Overture by von Flotow, Pageant by Persichetti, and Concert Valse "Footlights" by Eric Coates.

The public is cordially invited to attend the concert. In case of bad weather, the concert will be held in Mees Hall auditorium.

SOPHOMORES MESS-IT-UP FOR A DAY

TRICK OR TREAT—Although it's some time until Halloween rolls around again, these four Whitehall-Yearling High School sophomores show what can happen when pre-fall imaginations run away with them. The students, left to right, Jack Adams, Sylvia Thompsen, Rita Rumper and Rick Adams, represent the class that was allowed to messup because they followed dress-up day all year long, Principal Austin Post stated. Prizes were awarded in different categories of costumes.

Witnesses Plan Visit From Their Area Supervisor

Circuit supervisor Louis Rylewicz, a previous visitor to the city, will pay his semi-annual visit to the East congregation of Jehovah's Witnesses May 31 through June 5, Melvin Jacobs, presiding minister, announced Sunday.

His two-fold job is to preach and teach.

His preaching, Jacobs said, will be from house to house, assisted by local Witnesses during the week, and from the platform of Kingdom Hall, 2091 Dartmouth-av, Sunday, June 5, 3.30 p.m., when he speaks on "What Does It Mean to be a Christian?"

His teaching will be by taking each Witness minister-member with him in house-to-house preaching during the week and supervising the congregation's ministry school.

The congregation's regular ministry speaking class and training school will be held Tuesday, May 31, 7:30 p.m., instead of the usual time, with Rylewicz giving counsel following, Jacobs explained.

The week's program will conclude Sunday after Rylewicz's public talk, with congregation participation in a study of The Watchtower, followed by concluding remarks by the supervisor.

Public is welcome, and no collections are taken.

Bexley High School LION's ROAR

By JESSIE WILE

Athletic Awards Presented To Outstanding Athletes

"Seasons" is the theme of the 1960 edition of the BEXLEO, Bexley High School's yearbook.

The theme is presented throughout the yearbook by pictures, art and layout. Each of the four classes represents a season of the year. The construction of the new wing is pictured in each season during various stages of completion.

Senior activities highlight the events at Bexley this week.

Awards and honors were presented to Bexley athletes in an assembly on May 27. Letters, belt buckles and trophies were presented to recognize outstanding achievement in athletic competition.

Stan Myers and John Offenberg were awarded large trophies for four years of participation in tennis and track, respectively.

Third-year trophies were awarded to Dick Morrow and Tom Tussing for participation in track. In baseball, Sam McCandlish and Rodney Wasserstrom, manager, received third year awards. Andy Tsitouris was awarded a third-year trophy for his participation in tennis.

Terry Lane was named captain of next year's track team. Tom Elsass was named captain of the baseball team, and Andy Tsitouris of the tennis team.

Scholarship will be in the spotlight at the annual Senior Awards Assembly on June 3. School cups and scholarships will be presented for outstanding work in various fields.

Seniors have been rehearsing for their baccalaureate service on June 5 and their commencement on June 9.

WELCOME TO "Good Neighbor Day"... Tuesday

10 years ago Tuesday — CITY NATIONAL started GOOD NEIGHBOR BANKING by opening the first drive-in full service bank at 1245 Olentangy. Since that time, CITY NATIONAL has constantly improved the facilities and services of our neighborhood offices to give you better, more convenient and friendly banking. We call it "GOOD NEIGHBOR" BANKING . . . it means we're always ready and happy to serve you.

In connection with our 10th year of neighborhood banking — we invite you to GOOD NEIGHBOR DAY — Tuesday, June 7th — at all 7 of our GOOD NEIGHBOR offices. During regular banking hours, 9 to 2, we'll be serving coffee and donuts. Don't bother dressing up because casual clothes will be the order of the day. Every member of our staff will be eager to become your GOOD NEIGHBOR.

We'll look for you Tuesday . . . stop in for a cup of coffee or just say HELLO.
Be sure to bring the family.

Area Principals Appointed To Elementary School Posts

Five Changes Made In Community Schools

Changes in administrative personnel of elementary schools, including five in eastern Columbus, were approved by the school board Tuesday.

All appointments and transfers of principals will become effective Aug. 1.

Amos Snide, principal of Greenlawn-Sullivant, is assigned to the same position at Clarfield-Stockbridge Schools.

Franklin McCaw, principal of Scottwood-Courtright, will be the new administrator of Main Street School.

Mildred Hoffman, princopal of Willis Park-Pinecrest will direct Pinecrest only, while Ray Kuehner, administrator of Fair-Main will become principal of Wills Park and the new Leawood School, planned to open in the fall.

Gertrude Kircher, administrative cadet, was appointed principal of Scottwood Elementary.

Amos Snide, 1329 E. Hudson-st, appointed head of Clarfield-Stockbridge Schools, has served as principal of Greenlawn and Sullivant for the past two years. He taught at Franklinton Elementary for one year after joining Columbus Schools in 1956.

He was graduated from Ohio University with BS and MA degrees.

McCaw, 1620 Genessee-av, principal of Scottwood-Courtright for the past year, will direct Main Street next year.

He has been a teacher in city schools since 1953, and taught at Reeb for one year and Northridge Elementary for four.

He holds BS and MA degrees from OSU.

New principal of Willis Park and Leawood, Kuehner of 241 E. Gates-st has been administrator of Fair and Main for the past four years. He also taught at Stewart Elementary.

He received a BS degree from OSU and an MA from Pittsburgh University, and joined the Columbus School system in 1952.

Mrs. Gertrude Kircher, 4682 N. High-st, an administrative cadet was promoted to the post of principal at Scottwood. She taught at Eastwood for six and a half years and at Reeb Avenue for three.

A member of Columbus schools' staff since 1950, she earned a BA degree from Lawrence College, Wis., and an MA from the University of Wisconsin.

Stelzer Rd. Water Line Bids Read

Bids have been opened for the Stelzer-rd water line but no date has been set as yet for the start of construction on the porject.

So stated Columbus Service Director Ernest Stork yesterday.

Apparent low bidder was Complete General Construction Co., of 1221 E. 5th-av, Stork announced.

The bid, he said, was for $1 million. Only $150,000 separated the highest and lowest bids. Seven were received, Stork said.

Stork said that it will "be about a week" before the bids can actively be awarded. Other necessary tabulations must be checked first, the service director explained.

Stork said that he could give no date at the present time as to when construction would begin. He pointed out that part of the unfinished business with which he is concerned deals with easements. Approximately 20 have been filed thus far, Stork said.

The bid entails only the first section of the water line, some six miles in length from Morse-rd south to Seventh-av. The main itself will be of the 48-inch type.

KIWANIANS HONOR TOP STUDENTS

ALL OSU GRADS—Cited for exemplifying the "Best of American Youth" are three young men who were guests at Eastern Kiwanis' Student Appreciation Night. Seen with James Henley (second from left) of the Kiwanis education and fellowship committee, are (from left) Rick Marsh, Jock Moody and King Ming. Marsh recently passed the Ohio Bar exams with the second highest grade. Moody was elected to two engineering honoraries at OSU. Ming, at 23, also belonged to engineering honoraries at OSU and is active in aeronautical and rocket societies.

Whitehall's Population Way Up; Bexley Count Shows Slight Gain

When the suburbs do things, they do them in big ways—and population is no exception.

Recently released Franklin County Census Bureau figures show that Whitehall boomed its way to 20,812 people. This represents an increase of over 300 per cent in the past 10 years.

Bexley, hemmed in on all sides by Columbus, showed a substantially smaller gain, only 15 per cent—but still a gain—to 14,281.

The census figures were released Wednesday by W. B. Marshall, Franklin County supervisor of census, to Mayors Walter B. Moling, of Whitehall, and William Schneider, of Bexley.

Moling commented that it was a "smaller jump" than he had expected to be reported. He said that he had anticipated "around a 25,000" count.

He pointed out that a 1956 count showed 18,098 persons within the city's environs.

In 1950, census figures showed Whitehall's population was 4877; Bexley's stood at 12,378. But over the ensuing years, Whitehall gained tremendously in size, and overtook their next door community neighbor.

Whitehall's overall increase registered at 15,935; Bexley's at 1903

The 1956 special census in Whitehall established the former village as a city. Requirement for city stature under state laws is 5000 population.

QUARTERMASTER OFFICERS NAMED

ELECTED—At its recent May meeting, the Columbus Chapter of the Quartermaster Association announced the election of officers to serve from Sept. 1960 to Aug. 1961. Re-elected, left to right, were Honorary President Brigadier General Harold H. Shaller, Com-Col., Quartermaster Equipment and Parts Center, Columbus General Depot; Other officers named were second vice-president, Marshall L. Dasher, purchasing agent, Williams and Company; secretary, Robert E. Greene, Columbus General Depot, and treasurer, Frank A. Konz, Quartermaster Purchasing Agency, Columbus General Depot.

LOOK MOM! NO SKY HOOKS!

ANGELS WITHOUT AN ANGLE—Nope! It's not the development of a new suburban community known as Heavenly Heights, nor is it the invention of a new super-type air foam cushion. In fact, these angels from Eastmoor High are entirely without any angles. They were simply snapped in the act of decorating the gymnasium for last weekend's prom. The two with their heads in the clouds, possibly over school being out, are Linda Hubbard and Cheryl McInturf.

'Lake Napoleon' Riles Residents On East Side

Behind the 600 block of Napoleon-av, householders viewed the soggy morass in their backyards, known locally as "Lake Napoleon."

Sixteen months ago, with the water lapping at their doorsteps, they began a series of telephone calls to city offices. After the buck was passed a dozen times, and a newspaper story was printed, the city cleaned out a storm sewer and drainage ditch.

Everything was running along smoothly until last Saturday, when the storm sewer at Brentwood-rd and Napoleon-av overflowed during the heavy rain.

When the rains stopped and the street flood subsided, the lake remained. Dirt fill dumped by a contractor had formed dams around the lake.

"It's private property," said Arthur Edwards of the City Sewer and Drain Department. "Nothing we can do about it. Call the Health Department."

Wade King, Health Department sanitarian, said: "It's undeveloped property. Nothing can be done about it. I suggest those people petition City Council to pass a law ordering the property owners (of Lake Napoleon) fill it in and level it off."

Carl Schoene, of the Drains and Sewers Department, said the city has seven different private engineers' reports from which to choose to solve the problem. The costs range from $170,000 to $730,000.

Schoene said he thought the $600,000 solution the best, "but when is the city going to get money like that?

"Something will have to be done about that some day."

Wanted: Girls For Diamonds

TWO MOTHERS TAKE A TURN AT BAT

. . . . . .

The girls are not to be denied this year when it comes to baseball fun.

Two vivacious, young mothers are ready to prove that when it comes to diamonds, the kind around the infield, that young ladies are as apt to turn out in droves as their male counterparts on the baseball field.

Mrs. John Considine and Mrs. A. Zettler Greely, each with three youngsters of their own, are heading an all-out drive to attract teenage girls and below into their athletic fold.

They have been told, Mrs. Greely stated, by Recreation Board member Bob Milligan that equipment will be available.

"But what good is all the equipment if there are no gals to use it?" Mrs. Greely asked.

Approximately 15 to 20 girls have volunteered to play so far, she said, just barely enough for two teams. "We need at least six teams to make it interesting."

Both she and Mrs. Considine, a former recreation director, are willing to umpire, but they would like to see mothers and older girls help out with the program

Mrs. Greely, who last year played in a Powder Puff League game, said that only softball will be offered this year. The league is expected to play its games at Rosemoor Junior High School. Girls 10 to 15 years of age will complement the teams, Mrs. Greely said.

So, get out your brother's catcher's mitt, gals, the time to play ball is right now.

Produce Station Still Planned By Railroad

The railroad does not intend to give up its battle for the right to build a produce terminal on the south side of Fifth-av near Port Columbus, a B&O Railroad spokesman emphasized Saturday.

Jack Bolton, airport superintendent, said the railroad has asked that the matter be tabled temporarily.

Request came from a B&O attorney who said the railroad intended to take the matter up with the Federal Aviation Agency, which must give approval to construction of this type if it threatens to interfere with commercial aircraft operations, Bolton said Saturday.

Railroad is proposing to sell a 25-acre site between Bagshaw and Poth-rds to a group of commission merchants by Frank Macaluso, for erection of a produce terminal.

Speedy approval is urgent because the produce merchants will soon be compelled to move as a result of the Market-Mohawk slum-clearance project, Edward Lind, district freight agent for the B&O, said.

Memorial Service Planned For Judge Fred J. Miller

A memorial service will be held Saturday, June 18, for the late Judge Fred J. Miller, of the 10th District Court of Appeals, Judge William C. Bryant, presiding judge of the 10th District Court of Appeals, announced Friday.

Services will be held in the Court of Appeals in the Franklin County Courthouse at 10 a.m.

Judge Miller, who lived at 393 N. Columbia-av, died May 18.

At the service Supreme Court Judge John M. Matthias will speak of his work with Judge Miller on the Municipal Court. Also Judge William C. Wiseman, Dayton, and former Judge Roscoe G. Hornbeck will speak of their work with him on the Appellate Court.

Ninth Appellate District, chief justice of the Appellate Courts of Ohio, Judge Oscar A. Hunsicker, will speak on behalf of ty Common Pleas Court the appellate judges; Franklin County Common Please Court by Judge Dana F. Reynolds, and Presiding Judge Fred L. Donnally, for the Columbus Municipal Court.

Memorials to Judge Miller will be presented as follows:

Columbus Bar Association, by John L. Davies, president; Lawyers Club, by Ralph G. Smith, president; and Barristers Club by Charles E. Shanklin, president.

Judge Bryant will preside.

Romnes Awarded Degree

Western Electric President H. I. Romnes has been awarded an honorary Doctor of Laws degree by his Alma Mater, the University of Wisconsin.

The degree was conferred upon Mr. Romnes at the University's commencement exercises held on June 6 at Madison, Wisc.

In presenting the honorary degree to Romnes, University of Wisconsin President Conrad Elvehjem cited him as "Enjoying the precise methodical mind of the skilled scientist combined with the decisive leadership of the successful executive," and likened Romnes to "One of the eternal infrantrymen of technology whose paramount task is to consolidate the conquests of science into useful products."

Romnes became the 11th President of Western Electric in March, 1959.

Eastmoor High School's Warriors' Spear-It

By Janet Van Balen

Many a pupil has said that a teacher's life is that of boredom. That statement might hold true for teachers at other schools but not for the teachers at Eastmoor High School. To continue a full and interesting life, many teachers are taking advantage of their summer vacations to add something unusual by way of education.

• • •

Miss Anne Jackson, who is the school's librarian, will take a leave of absence from Eastmoor for next year. She will take the position of school librarian at the American Dependents School in Tokyo, Japan, at the United States Army Headquarters.

Miss Jackson will leave Japan on Aug. 18, 1961. She will come back through Borneo, Java, India and Egypt. She will return to the United States before school starts in September, 1961.

• • •

Mrs. Ellen E. Franklin, a senior high English teacher, will spend the summer in Ephaim, Utah, with her two children and husband. Mr. Franklin will teach geology at the Ohio State University field camp in Ephiam.

• • •

John Condit, who teaches biology, was given a grant by the National Science Foundation to study fresh water biology for 10 weeks at Put-in-Bay.

• • •

Miss Catharine Singer, a home economics teacher, will leave June 22 for Honolulu, Hawaii, where she will study Asian life at the University of Hawaii. On July 6, as part of her studies, she will leave for a tour of Indo-China and Japan. She will return home on Aug. 22.

• • •

Mrs. Eleanor Mechling, a senior high history teacher, will spend part of the summer at Camp Minnehaha, White Sulphur Springs, Va., with her husband, Gene, and son, Jerry. Mr. Mechling is the athletic director of Camp Minnehaha.

Students as well as the teachers are taking advantage of their vacation. Sandi Katz, 17, 452 S. Napoleon, will spend seven weeks of her summer vacation in Israel.

The trip will be sponsored by the B'nai B'rith Youth Organization, which will send 39 other members representing 19 states and Canada.

Miss Katz will leave for New York on July 5, where, with the other members of the Youth Organization, she will learn different Israeli dances and songs, get the basic background of the history of Israel, and learn of its geography.

Sandy will leave July 9 by plane for Amsterdam, Holland, and will arrive in the Dutch city on July 10. At the end of a three day tour of Amsterdam, Miss Katz will leave for Tel-Aviv, Israel.

During her seven week stay, Sandi will study the native tongue, tour the country and visit the many projects that the B'nai B'rith Youth Organization supports in Israel.

The highlight of the trip will be a 10-day work period, at which time Sandi will actually live with an English-speaking family on a Kabutz. By living and working on the Kabutzim (an Israeli settlement) Miss Katz will see how people in Israel live and work.

She will leave Israel Aug. 3 and arrive in New York's Idlewild Airport later the same day.

Capital, St. Mary Share In $27,000 U.S. Steel Gift

Capital University, the College of St. Mary of the Springs, and Otterbein College will share in a $27,000 gift from the U.S. Steel Foundation.

The funds will be distributed among members of the Ohio Foundation of Independent Colleges.

Since 1954, U S. Steel has contributed at the rate of $1000 for each accredited college belonging to the foundation.

Bethany Holds Confirmation

Bethany Lutheran Church (Missouri Synod) held its second confirmation service for two young people on Pentecost Sunday.

Confirmands are Sharon Hamersley and Robert Eddy. The service climaxed two years of instruction in the beliefs of the Lutheran Church.

Rev. J. K. Wisch is pastor of the congregation which meets at Etna Road School in Whitehall.

HARTLEY HIGH SCHOOL'S

HAWK *Lines*

Awards Assembly Is Climax To Year

Hartley held its second annual Awards Assembly Friday evening. Father White, the principal of the school, opened the assembly with a prayer and the National Anthem.

After several selections by the Junior Glee Club, the American Legion Scioto Post 604 awarded Karen Stoppers and Paul Coleman medals and certificates for their excellent compositions on "Why I Am Proud To Be An American."

Certificates for perfect attendance were awarded and the Freshman Glee Club performed.

Ohio State scholarship awards were presented to members of the scholarship team. Christina Church was given an award for placing 19th in the district in English IX. Two sophomores placed in Latin II, Mary Pat Kramer, seventh and Suzanne Preidis, who placed 13th.

After the Sophomore Glee Club performed, the awards for the highest averages in the subjects were presented. These are bronze medals on ribbons of red and blue, the school colors. The medals have the diocesan seal, the name of the subject, and Bishop Hartley High School on them.

They were awarded to the following students: Jack Diamond for Religion I, Janet Van Balen for Religion II, Susan Sharkey for Religion III, Carol Krauss for English IX, Janet Van Balen for English X, Susan Sharkey for English XI, Christina Church for Latin I, Mary Pat Kramer for Latin II, Julaine Gates for Latin III, Susan Sharkey for French I, Karen Stopper for Spanish I, John Dooley for World History, Lucy Ryan for American History, Janet Van Balen for Biology, Howard Distelzweig for Chemistry, Mary Jo Smith for Advanced Biology, Susan McGough for General Science, Carol Krauss for Algebra I, Janet Van Balen for Geometry, Nancy Krauss for Math III, Bob Wunderlin for Bookkeeping, Charlene Lechtanski for General Business, Pam Rothermel for Shorthand, Marian Schilling for Typing I, Mary Jo Enderle for Art I, Jacob Veit for Mechanical Drawing, and Mary Jo Smith for Home Economics.

Art Spencer received a special award from the Eastman Kodak Company for distinguished achievement in amateur photography in the 1960 Kodak High School Photo Contest.

Three students received awards for the Great Southern Shopping Center Art Contest. Mary Jo Enderle received three honorable mentions; Sandy Slater and Perry Mohr each received one honorable mention.

The combined chorus closed the assembly with "Land of Hope and Glory" and "Eternal Life."

At the closing of school this morning, the members of the newspaper staff received awards. Silver pins were awarded to the editor-in-chief and to the other three page editors. Bronze pins were presented to the other members of the Hartley Hawk-Eye staff.

The staff is sponsoring a dance this evening from eight till 11.

X-Ray Cruiser Will Visit Center

The Christmas Seal X-ray Cruiser will visit James Road Shopping Center for a free X-ray program for the general public Thursday, June 9 through Saturday, June 11.

James Mayo, 1535 Kenwick-rd, president of the James Road Businessmen's Association, X-ray program sponsors, will act as general chairman of the Center's X-ray days.

Operating hours of the Christmas Seal Cruiser are as follows: Thursday, June 9, 12 p.m.; Friday, June 10, 3-9 p.m.; and Saturday, June 11, 11 a.m.-5 p.m.

ILLUSION

It may take three times as much "cheap" paint to cover a surface than if a high-quality product is used, according to the Cleveland Better Business Bureau. Wild claims about "fantastic" price bargains almost always refer to an inferior product, the Bureau says. Quality paint is your best buy regardless of the initial price, the organization adds. So be careful of two-for-one and second-gallon-free deals.

COMMITTEE HEADS—Pausing a moment in the activity of exhibition games the day of the WBBA Ball Park opening are, left to right, Linn Hiatt, finance chairman; Martin Iverson, purchasing chairman and John Bishop, construction chairman. These men are unpaid volunteers who are giving of their time so that Whitehall boys may receive primary training in clean competition.

FAMILY AFFAIR—As various Whitehall Boys' Baseball Association teams battled it out on the six diamonds on the new WBBA Park, the parents watched from the sidelines. President Henry Maxfield stated that he was pleased to see so many community residents taking an interest in the program. Pictured are, left to right, Georgia Bays, whose son, Steve, plays with the Red Sox; Pat Walker, whose son, Mike, is a Red Sox slugger and Connie Walker.

COOPERATION IN ACTION

Whitehall Baseball Is Community Effort

By JOHN AUBLE, JR.

The future looks bright for athletically-minded young men in the Whitehall area, thanks to much planning and community efforts by local individuals and organizations.

The Whitehall Boy's Baseball Association, Inc., in its first year of supplying organized activities for little league diamond squads, open their modern baseball park on Kae-av last Saturday.

The park, containing six regulation little league diamonds offers excellent advantages to all Whitehall youths desiring to play ball. Under the direction of such Whitehall residents as Linn Hiatt, Harold Fleck John Bishop and Martin Iverson, the WBBA program has grown and developed.

Sandy Joseph

The purpose of the organization is to promote good sportsmanship. To gain this purpose, the YBBA has asked, and received, the assistance of over one hundred fathers, mothers and friends of Whitehall boys.

These people are just a few who have contributed to the organizations growth. Such groups as the VFW, the Boy and Girl Scouts, Brownies, Whitehall-Yearling High School Band, fire department and the Putt-Putt golf group have added their assistance.

Stenographer Roan Rumper, Pepsi-Cola and the Babe Ruth League have also helped in promoting the baseball project.

According to WBBA president Henry J. Maxfield, "The previously mentioned groups, plus the wholehearted financial assistance of the merchants and other businessmen and the public in general who are members of this organization, will make the summer program a strong force.

Maxfield added that the baseball program will also combat juvenile delinquency and give the boys their primary training in clean competition.

The Whitehall Baseball Park is located east of Swimland, Inc., and north of Kae-av across from the elementary school. The lot is 600-feet square.

Drain To Be Installed In Johnson Park

City Parks Divisions plans to install a 385-foot drain tile in Johnson Park to clear up wet conditions caused by standing rain water.

Work is expected to begin next week on the drain, which will connect to a storm sewer adjacent to the Johnson Park School.

Little League Coaches Never Die They Ache, Try, Wonder Why....

By JOHN AUBLE, JR.

Baby sitting for 18 boys, eight to 12 years old can be quite a problem.

According to Minor League WBBA Coach Bob Cozart however, it is not as great a problem as losing a big game because your star pitcher is collecting his paper route and your ace third baseman decided the swimming pool would be a better way to spend a summer afternoon.

"Being a Little League coach is certainly no cinch," Cozart explained. "But it does have its rewarding moments."

One such "rewarding moment" is when you see a boy field a ball correctly or finally learn how to hold a bat after teaching him all season Cozart stated.

The personable coach lives at 136 Maplewood-av and his son, Timmy, is a catcher for his team, the Tigers.

Cozart spends two hours a night, two nights a week, practicing with his team. About an hour and a half another two nights a week is spent for games.

This is the second year of coaching for Cozart, who said, "The baseball program is certainly growing here. It gives the boys more ambition after seeing the work done by other men."

"One of my biggest problems in working with boys between 8 and 12," Cozart said, "is getting them over a feeling of nervousness. Most of them are always keyed up."

Aside from the amount of time playing and practicing, Cozart, as all WBBA coaches, has to take care of the bookkeeping, insurance and keeping the field in shape.

"Support from the parents is a big thing," he said. "It's a shame that more fathers and mothers don't turn out to see their boys in action. They're missing a lot of fun."

DUG OUT BOSS—Minor League Tiger Coach Bob Cozart checks over his roster before his team headed into its exhibition game last Saturday. The Tigers came out on the light end of a 6-1 score.

Center Sets Free Clinic

In cooperation with the opening of the Tweenage Summer Bowling League beginning Friday morning, June 17, from 10-12 noon — and every Friday morning thereafter the Columbus Jewish Center Bowling Lanes will conduct free Bowling Clinics.

The Clinic is open to incoming members of the 6th, 7th and 8th grades on Tuesday, June 14 at 10 a.m.

An instructional film "Spare Time Fun" will be shown followed by personal instruction. The technique of bowling is demonstrated in the film by champions Billy Welu, Lee Jouglard and Frank Clause.

Parents are invited to be with youngsters during the school session and enjoy the fun the junior high-schoolers will get from organized bowling.

Eastmoor Junior High Team Grabs City League Crown

baseball team won the championship in the South Section of the City League by compiling a 9-0 season standing.

The Warriors went undefeated for all games with a record of 15 wins and no losses. Over the past two seasons, the team has compiled a record of 28 wins and two losses.

A number of these games were played against senior high competition. This year's record enabled the squad to become the first team in the history of the school to go undefeated through an entire season.

The pitching for the team was handled mainly by Jerry Myers and Stan Miller. Paul Naumoff and Maurice Pope were used in relief pitching positions.

Jerry Myers ended up the leading pitcher with a 9-0 record and an earned run average of .94. Stan Miller's record was 6-0 with an earned run average of 1.12.

Jerry Myers was also the leading hitter with a .450 average and chalked up 30 RBI's. The 21-man squad included:

Ron Golden, Oran Hoover, Terry Padgett, Jerry Myers, Stan Miller, Paul Naumoff, Jack Alexander, Andy Powell, Dana Van Horn, Vince Van Horn, Maurice Pope, Frank Shannon, Nick Geldis, Rick Feinstein, Dean Ishida, Jeff Mellman, Phil Finke, Stan Ross, Wayne Williams, Bob Lerner and Terry Kellenberger.

The team was coached by Paul Eckelberry.

Spitzer Motor's Checks and Cash Stolen

Spitzer Motors, 2010 E. Main-st, was robbed of $2000 in cash and $3500 in non-negotiable checks over the weekend from a safe apparently left unlocked.

The money and checks were put in the safe Saturday night for bank deposit Monday, Carl Clapham, 29, of 2249 Dawnlight-dr, told police.

Clapham said he unlocked the safe Monday and discovered a small metal box containing the money and checks missing.

Police said the safe's door apparently did not lock when Clapham closed it.

No visible signs of forced entry into either the building or the safe were found by the investigating officers. Police are continuing the investigation.

City Insists That Navy Fix Airport

Federal General Services Administration was notified Wednesday by Service Director Ernest H. Stork that the city will insist that the former Columbus Naval Air Station site be restored completely if buildings are torn down.

After airport superintendent F. A. Bolton said he had received a tip that a local firm had been contacted to raze the 28 buildings, Stork made the demand in a letter to Stanley G. Green, regional director for GSA in Chicago.

Four inches of top-soil be put over building sites, all holes and basements be filled, and all debris removed, Stork demanded.

The Airport Commission asked that a survey be made to determine the cost of an entrance to the terminal from Hamilton-rd.

Preliminary studies indicate it would cost about $100,000 for a parking lot and pedestrian tunnel under a taxi-way or $300,000 for a complete roadway, Bolton said.

School Safety Patrol Honored

Twenty-nine boys and girls serving on the Safety Patrol at East Main Street School were honored with a party May 20. Refreshments were provided by by the Columbus Automobile Club. Captain R. W. Weatherby of the Whitehall Police Department, spoke to the boys and girls concerning their work.

Each member was presented with a certificate and a miniature patrol pin for their period of service.

Frederick Hall In Field Drills

Specialist Four Frederick B Hall is participating with other personnel from the 4th Armored Division in training maneuvers in Grafenwohl, Germany. The training is scheduled to end June 22.

Hall, whose wife, Marlene, and parents, Mr. and Mrs. Jennings B. Hall, live at 845 Exeter-rd, is a driver in Company D of the division's 54th Infantry in Heilbronn.

The 24-year old soldier entered the Army in October, 1958, completed basic training at Fort Hood, Tex., and arrived overseas in July, 1959.

Hall attended Gallia Academy in Gallipolis.

More Than A Weekly Guide For Things To Do In Your Leisure Hours

Best Fishermen Don't Worry About Time, Weather

INSIDE ON THE Outdoors By ROD COCHRAN

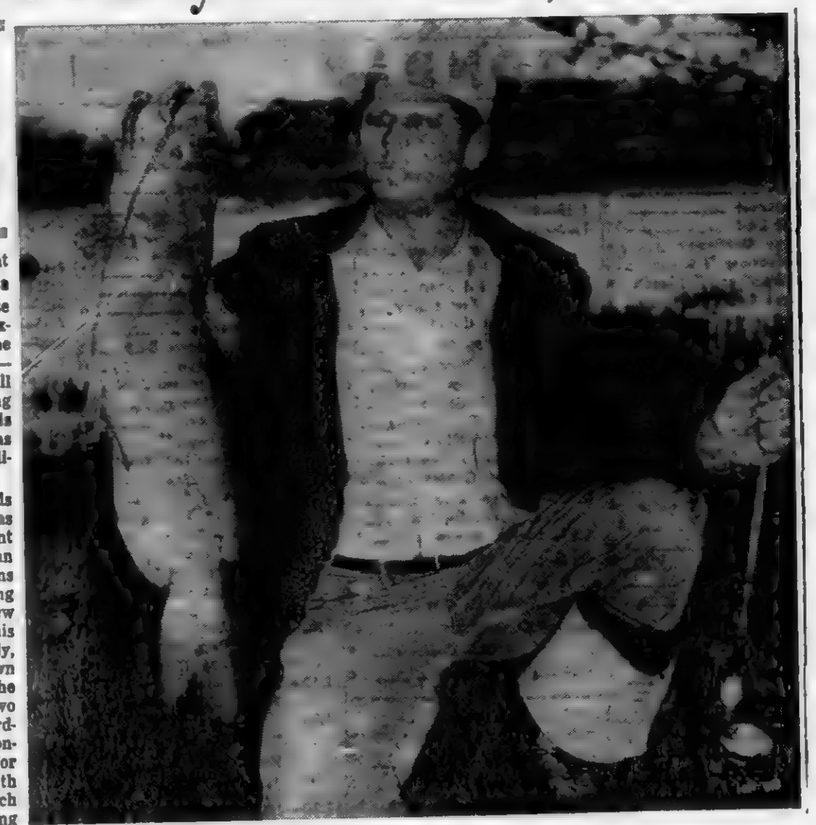
One thing about catfish, it hardly ever gets too muddy for them to hit.

If you don't believe it, ask Clyde Darst, Commerical Point, who had a memorable fishing jaunt to Madison Lake recently. It was about a week ago, and Deer Creek was running high and muddy (Darst worked the creek just below the dam). With his fishing buddy, Henry Painter, Commerical Point, Darst caught fish in the raging stream all night.

High point of the trip came just after daybreak, when a 14¾ pound channel catfish was hooked. The pair could tell that a really big one was on, so Painter glanced at his watch as the fish made its first run. Two hours and eight minutes later the monstrous fish, all 32½ inches of him, was gasping on the bank. All this was accomplished on six-pound test monofiliment line.

Bit All Night Long

One of the most remarkable things about the trip is the way fish were caught all night, when most anglers would consider the water unfit for fishing. Several nice catfish were taken up to three and one-half pounds. A number of carp and bullheads also hit the nightcrawlers that Darst and Painter were using.



All this goes to prove what we've said over and over — a lot of fine fish are caught close to home by fishermen with experience and know-how. One other ingredient is needed — fishing zeal. Not many of us will risk a night's sleep on a fishing trip when the weatherman is predicting rain and the streams are already in a swollen condition.

It is fortunate that fishing is a sport that can be made as easy or as rugged as you want it. The casual fisherman can wait until weather conditions are ideal, and can use fishing as an excuse to spend a few lazy afternoons in the sun. This is well and good, and everybody, of course, should fish to his own taste. But my hat is off to the few people who go fishing two or three times a week regardless of weather and water conditions. This total disregard for creature comforts, coupled with an overpowering desire to catch fish, produces results. Fishing becomes a he-man sport when conducted in this fashion, but the stringers are often heavy.

Fish Always Found Somewhere

I do not believe there is one day in the year when ice is off that an expert fisherman cannot catch fish. If streams are flooded, there will be some ponds or lakes that will give up fish to those who know how to take them. Most of us must be content with an amateur's skill in catching fish, so we take some when the fishing is good and go hungry when it isn't. We study the fishing forecasts and purchase the most popular baits—we need all the help we can get. It would do us more good to spend more time on the water.

The time to go fishing is when you can—ask Clyde Darst and Henry Painter.

TROPHY CHANNEL CAT — Taken by Clyde Darst at Madison Lake when the fish shouldn't have hit, but did.

"The remarkable thing about school reunions is that your old classmates have gotten so fat and bald that they hardly recognize you."

Going Away This Summer? Better Inform Post Office

With vacation season here, Postmaster Allen Rowe emphasized mailing tips which would assure vacationists the best possible mail service.

- Don't let a stuffed mail box advertise your absence to housebreakers. Ask a neighbor to empty your mail box and hold your mail.
- If you want to get your mail while you're away, file a forwarding order. Let the post office know when you get back. Forwarding first-class mail does not require more postage. Other classes of mail do, and you can guarantee payment of this postage by so indicating on the forwarding order you fill out.
- Use a full and complete vacation address and give it to people who may write you.
- Use enough postage. Regular post cards take three cents, jumbo cards four cents, first-class letters four cents an ounce, air mail seven cents an ounce.
- Don't send cash in letters; use postal money orders, and register letters containing valuable items.
- Prepare packages carefully. When sending perishable, fragile, or unusual items by parcel post, it is best to check on their mailability. Always enclose a card with the recipient's address, as well as your own address, printed on it plainly.
- Buy books of stamps so you won't exhaust your supply while on trips.

Area Officials Asked To Water Hearing

City and village officials of Ohio and any persons desiring help in solution of a water problem affected by present policy or legislation, are being asked to attend a hearing before the state Water Commission in Columbus June 22.

The commission will convene for convenience of residents in watersheds of the Scioto and Raccoon River basins. The hearing will be held from 9:30 a.m. to 3 p.m. in the State Office Building.

THURSDAY, JUNE 9 Through JUNE 15

Disaster Training Classes Will Resume Next Tuesday

With the increased demand for preparedness training because of mounting world tension, Leo J. Buck, chief of the rescue service of the Columbus and Franklin County Civil Defense Department, announces new classes for volunteers in basic rescue work.

Instruction starts Tuesday, June 14 (7:30 until 10:30 p.m.) and continues for four weeks on Tuesday, June 21, 28, July 5 and 12. Sessions will be held in Room 214 of the Health and Safety Building, 181 S. Washington-blvd. Both men and women volunteers are sought. Classes will be limited to 40 students.

Those interested may call the CD office at CA. 8-3501, Ext. 70, or Chief Buck at night at his home TU. 5-1367.

Electric Company Slates Second Youth Conference

Thirteen science students from high schools in the 23-county area served by Columbus and Southern Ohio Electric Company will attend the Second Annual Youth Conference on the Atom. This nationwide atomic seminar for young science students will be held Oct. 20, 21 and 22 at the Museum of Science and Industry Chicago.

More than 100 high schools in this 23-county area have been asked to select their outstanding science student for a competition which will determine the 13 winners of the Chicago trip. All students selected will spend Saturday, Oct. 8, at Ohio State University taking various tests to determine their knowledge in general science.

Those who score the highest will qualify for the all-expense paid trip to the Youth Conference on the Atom.

Water Skiers Are Warned Of Rules

"Remember the water safety regulations when water skiing," cautions Karl Stockman, supervisor of enforcement for the Ohio Division of Parks.

"Many persons do not realize that it's against the law for a water skier to go without a life preserver or without an observer in the towing boat in addition to the operator."

These regulations apply to water skies, surfboards and similar devices. Life preservers may be jacket, vest or belt type, filled with kapok, styrofoam or cork. Violators of these regulations may be fined not less than $10 or more than $100.

Golfers May 'Beat The Pro' In Benefit

Contestants who must come across town for the ninth annual "Beat the Pro" charity golf tournament are advised to pick one of the early nights to compete in the June 17-26 event.

That's because the final night of the hole-in-one competition is always a busy one at South Golf Range, 2890 S. High-st.

The sponsoring Wing 65 of Nightingale Cottage had to refund money to some contestants who never got a chance to shoot on the final night in 1959.

There is a $100 reward for a hole-in-one, and the first shooter to score two aces receives $1000—both awards underwritten by Big Bear Stores.

In addition there are nightly prizes awarded every half-hour and again at the end of the evening for the best three shooters in the 7 to 11 p.m. event.

All who beat the best of five efforts by a local golf professional will receive "I Beat the Pro" certificates.

Scioto Country Club's Jack Grout will be the opening night pro, followed by York's Jack Futerer, Indian Run's Jim Yingling, Golfland's Alex Polli and Walnut Hill's Jack Radcliffe.

To make a dustless dust cloth, put a soft cloth in a solution of one tablespoon of kerosene or turpentine and one pint of hot water, according to extension home management specialists at OSU. Wring out the cloth and let it dry before using.

Extensive Night-Shooting Has Affected Home Life

By Larry Holmes

Robert Stack is spending a large portion of his time back in the '20s and '30s for his role as Eliot Ness in ABC-TV's series "The Untouchables." The show is proving to be the next best thing to a 'time machine' for Bob.

He said, "even though the cars we use in the show probably had a top speed of 50 miles an hour when they were new, they still have a feeling of luxury that we don't think about today."

The extensive night-shooting of "The Untouchables" has drastically affected the home life of the Stacks.

"In my bachelor days, this night work wouldn't have been so bad," Bob Admits. "But now that I'm a family man this living the nightlife of the '20s and '30s is done at the expense of time I'd like to spend with my wife and children."

His wife, Rosemarie, has been "very understanding," he explains. He feels it's the younger generation of Stacks who are getting short-changed.

Bob just hopes, "We never get into an 'Uncle Daddy' relationship."

Play of the Week will present "The World of Sholom Aleichem," Saturday, June 11, at 11:30 p.m. on Channel 10.

Actually a summary of many ancient Jewish Fables, "Sholom Aleichem" presents three short plays drawn from the works of Sholom Aleichem and I. L. Peretz. The ancient bookseller to whom Aleichem dedicated his first novel will be portrayed by Sam Levene.

The second offering is the story of "Bontche Schweig," who led such a barren life on earth that he can't realize that anything he wants is his in heaven. His one pitiful request makes the angels blush with embarrassment.

Gertrude Berg is featured in "The High School" as a mother who wants to place her child in a non-religious institution of learning in the third play. The story is of a small but persistent attempt to break down segregation, but the play does not argue the thesis.

Erin O'Brien will portray Emma Nevada in the true "Death Valley Days" to be seen Sunday, June 12, at 9:30 p.m. on Channel 10.

She will portray one of the many colorful women who contributed so richly to the heritage of the West in the late 19th century.

On Saturday and Sunday, June 11 and 12, at 12:45 p.m., on Channel 10, the Cleveland Indians will battle New York on baseball's "Game of the Week."

Pat Boone, father of four daughters, has been named Television Father of the Year by the National Father's Day Committee.

Boone was honored "not only because of his artistry, but because his clean living and proper demeanor are an example for America's youth," a committee release said.

Confederate Burial Ground Is Open Daily

Camp Chase Confederate Cemetery, 2900 Sullivant-av, will be open every day from 1 to 4 p.m. from now until Labor Day, the U.S. Army Quatermaster Corps reported this week.

The cemetery is one of 118 such installations administered by the Quartermaster General.

Immediate supervision of 41 plots in 10 midwestern states is by Col. M. E. Mansager, Quartermaster Corps, Chicago.

Caretaker of the Camp Chase Cemetery is H. O. Parke, 314 S. Glenwood-av, CA. 4-9690.

New Camp Area Opening Delayed At East Harbor

Delay in construction work necessary to complete new camping facilities at East Harbor State Park, Ottawa County, has made it impossible to open this camping area, according to V. W. Flickinger, chief of the Ohio Division of Parks.

"Almost impossible working conditions, brought by bad weather, during March caused the delay," he says.

Public announcement will be made as soon as the camping area is open. Swimming, fishing and picnicking at the park have not been impaired by the construction work.

Other camp sites available in northern Ohio are Harrison Lake State Park, Fulton County; South Bass State Park Ottawa County, and Pymatuning State Park, Ashtabula County.

Cabins Available At State Parks

Housekeeping vacation cabins are still available during June, August and September at Hueston Woods State Park, Butler and Preble counties, and Pymatuning State Park, Ashtabula County, according to V. W. Flickinger, chief of the Division of Parks.

Cabins at both parks are new and linens, dishes and cooking utensils are furnished. Rates are $45 a week for four or less persons. There are 34 cabins at Hueston Woods and 35 at Pymatuning, all located in scenic set-

Reservations should be made by writing Park Manager, Hueston Woods State Park, Route 1, Oxford, or Park Manager, Pymatuning State Park, Andover.

This Duck Was Taken To Heart

A wild mallard duck hen just had to get her family on the other side of the road.

"This duck picked one of Ohio's most heavily traveled highways too," said George Fenen, Division of Wildlife, game management, who witnessed the incident.

"Throwing caution to the winds, Mrs. Duck proudly escorted her brood of ten young safely across State Route 224, between Akron and Suffield, Summit County. Trucks and passenger cars came to a standstill until the pedestrians were safely off the road."

FISH! SWIM! GOLF! OR JUST PLAIN **LOAF** ALL YEAR-ROUND AT
Port Charlotte FLORIDA

Au 950 Spire

Come in and see for yourself—actual color photographs, floor plans, maps—how very little it costs to own your own home on Florida's growing Southwest coast.

Really, at these prices — made possible by the revolutionary Mackle plan — you'll ask yourself, "How can I AFFORD to stay up north?" But don't take our word for it. Let us show you the actual testimony of satisfied individual owners who have discovered for themselves that Florida isn't necessarily a 850-a-day luxury haven. It's a place to LIVE; to extend a vacation into a lifetime of pleasant living, away from the confinements of winter. Port Charlotte is an active, progressive community of 1,700 homes, with three shopping centers, two community centers beaches, playgrounds, churches and civic clubs — thoroughly established, and growing all the time.

Credit For Arrest Goes To Attorney Lawrence Curtis

Credit for the arrest of a city employee caught carrying numbers slips in a city auto went to a gamblers' attorney, Wednesday.

The arrest substantiated his claim that gambling exists in city offices and that he would help catch the offenders, Atty. Lawrence Curtis said.

Vice Squad Chief George Watts and Police Chief George W. Scholer scoffed at Curtis' claim.

Curtis had given police only the general tip that numbers operators worked at the Municipal Garage, the chiefs said.

Louis A. Grossman, 61, of 88 N. Broadleigh-rd, a city mechanic, was arrested after vice squadmen obtained information about his activities from other sources, Lt. Watts said.

On First Part Of Stelzer Line

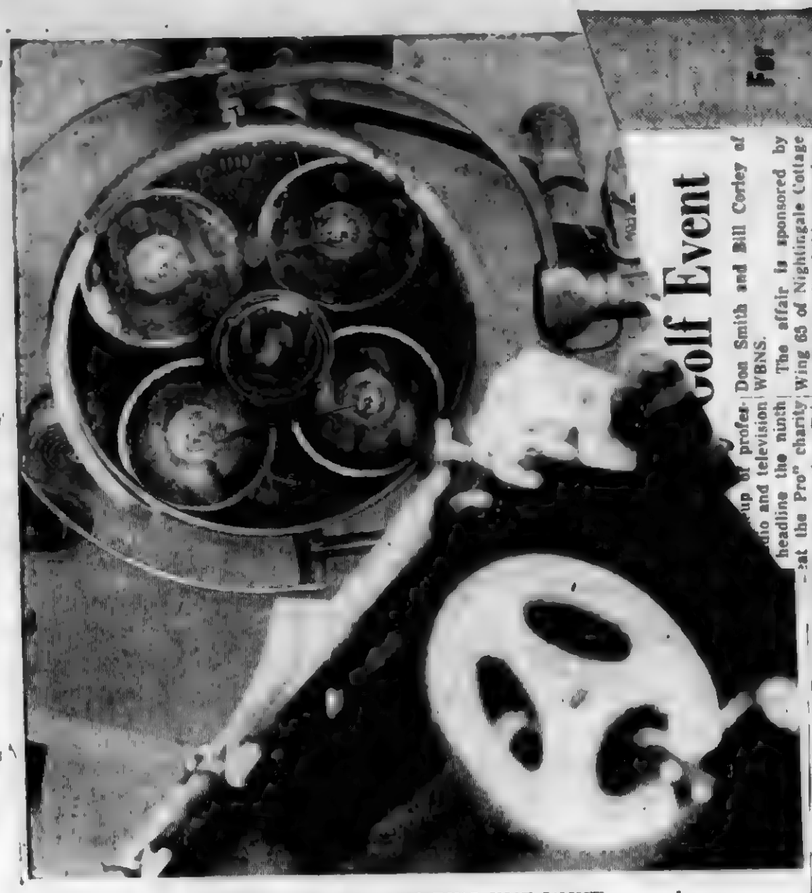
Settling 21 Easements May Delay Contractor

A $1 million construction contract has been awarded on the first section of the Stelzer-rd water line but 21 easements remain to be settled before the work can go ahead on a full scale basis.

Service Director Ernest H. Stork announced Tuesday that the Complete General Construction Co., 1221 E. Fifth-av was awarded the contract on the line between Morse-rd and Seventh-av.

Stork said that the contractor has ample room to start the project on city-owned land adjacent to Port Columbus Airport.

He said it would cost the contractor extra money if he started in more than one place to make use of the easements already obtained.



City Attorney Russell Leach said that the city will continue to negotiate with the 21 property owners who have not granted easements. He has "high

LINCOLN MEMORIAL HOSPITAL OFFERS FREE CANCER CHECK

CHECK IN FOR A CHECK UP

Is your life worth a half hour of your time?

That is about all it may take to protect yourself against a serious disease, and at the same time prolong your life expectancy.

All that is necessary, is for you to drop in at Lincoln Memorial Hospital along E. Livingston-av, some Thursday between the hours of 11 to 1 for a free cancer check-up.

J. Adrian Morgan, hospital superintendent, requests that first those concerned call to make an appointment.

The cancer check, directed mainly at women, is in conjunction with the National Cancer Society and Ohio State University Research Laboratories, Morgan said.

The free service, Morgan said, began in January of this year and is underwritten by the U. S. Government's Department of Health, Education and Welfare.

"Men, too," Morgan said, "are invited to make an appointment."

The whole examination, he explained, takes less than 30 minutes.

The hospital's reports are forwarded to Ohio State University, and in approximately six week's time, Morgan said, the person concerned will know the results.

Morgan emphasized that the service is offered only once each week, on Thursday, for a two hour period, from 11 a.m. to 1 p.m.

"We like for people to make appointments," he added, "only to know how many we can expect and how many of our medical staff to prepare."

He also suggested that persons repeat their check-ups at least once a year, "but better would be a re-check every six months."

UNDER THE MICROSCOPE

St. Philip Parish Sets Fete Dates

Plans for the St. Philip the Apostle Church first annual summer festival are now underway at the Southeast Columbus Parish.

Ken Saul, 3784 Astor, general chairman of the festival committee, has announced that Friday, June 17 and Saturday, June 18 have been chosen as dates for the affair.

Highlight of the two-day festival will be a Friday evening Fish Fry, and a Fried Chicken Dinner on Saturday evening. Dinners will be served starting at 5 p.m.

Fun for the whole family is promised with games for adults and children, carnival-type rides a cake sale, refreshments and other attractions.

Site of the fun fest will be the new church and school building on Elaine-rd, three blocks south of Livingston-av. Elaine-rd is four blocks west of the Livingston-av, Hamilton-rd intersection.

Proceeds will go to the building fund.

New Civic Group Formed

Eastern Columbus' newest civic organization has blossomed into being.

Combining efforts of some six different subdivision residents, the group, known as "Ha-Li," plans to adopt its charter Tuesday night.

Meeting place has been slated for the Shady Lane Presbyterian Church, at the corner of Livingston and Elaine-avs. Officers of the organization are also to be elected.

The "Ha-Li's" will get together at 8:30 p.m.

The name was arrived at by forming the first few letters of Hamilton and Livingston, the area which the group represents.

Residents from Thunderbird Acres, Pinecrest Addition, Shady Lane, Leawood Gardens, Walnut Estates and Village Green are invited to join.

Airport Board Firmly Against Motel Revision

Columbus Airport Commission took a look at last-minute changes in the design of a motel for Port Columbus, Tuesday afternoon, and reaffirmed its opinion that Avis-Ford Co., should stick to the plan as originally contracted and get started with construction.

The commission last week said it wasn't interested in considering any radically different plans, but reviewed them anyway this week at the request of council Monday night.

The building was to have been started a year ago. In the meantime, Avis-Ford has asked that the motel units be increased from 51 to 68, and that a restaurant and a meeting room be added.

Dobbs House, Inc., now has exclusive rights to operate a restaurant at the port. Commission members said thay believe they already have made enough concessions to the new contractor and gave him until Wednesday of this week to begin work.

An assistant to the Airport Division superintendent said no visible work had been started at the site by 2 p.m. Wednesday.

Under the original contract, changes in design are permitted only if given approval of the service director, the spokesman said.

Mass Is Sung At St. Patrick For O'Donnell

Requiem High Mass was sung Monday in St. Patrick Church for Raymond J. O'Donnell, of 2346 Brookwood-rd, former U.S. district attorney and one time Franklin County prosecutor. He was 70-years-old.

O'Donnell died Thursday in Mt. Carmel Hospital where he was admitted Tuesday after being stricken with pneumonia.

A practicing lawyer for 50 years, Mr. O'Donnell retired from private practice in 1958. He was associated with the law firm of O'Donnell, Bell and Maser, 16 E. Broad-st.

FROM THE 'HALLS' OF BEXLEY . . .

Parade Of Doings July 4th

. . . TO THE 'SHORES' OF WHITEHALL

Ready to shoot forth on July the Fourth are two of the biggest celebrations yet staged in the Whitehall-Bexley area.

Fireworks, sure, but that's not the only thing the public will be aware of during the day and night festivities.

Members of the Bexley Celebration Association, headed by James Henley, are already whooping it up in terms of the "biggest ever" to be seen in the city's environs.

Whitehall planners are just as enthusiastic about their attractions.

"Come rain or come shine," says Howard Mauger, Bexley Parade Marshall, "a parade will be held." The parade is scheduled to get underway at 9:30 a.m. with floats, a queen and bands. Entry forms must be submitted by June 24th, Mauger stipulated.

Preceding the parade, and setting the tone for the entire day, will be a 9 a.m. "alert." Late sleepers will probably be bounced from their beds by an aerial bomb display.

Games will be held at the high school commencing at 10:30.

Everybody will get a breather from 1:30 to 7:45 when the evening fireworks will be set off.

Whitehall residents won't be greeting the day in quite the same bombastic way. But what they will lack in noise they will make up for in talent

A hunt is currently underway for talented persons to enter their name in a talent production. Interested persons may contact "Peaches" Martin

The Whitehall celebration will get off with a parade at noon. Bike contest, ball games, pet contest, and a judo and first aid demonstration are on tap.

Franklin County Fire Departments have been invited to test their prowess in a water battle demonstration.

Exhibits are planned, one from the conservation Department and one from the National Guard.

Square and regular dancing will be provided. And of course, climaxing the evening will be a fireworks display.

Ex-TV Producer Now Directs Center Dramas

By a round-about road Harold Eisenstein eventually found his way to Columbus.

Einsenstein is Director of Gallery Pyalers at the Jewish Center.

The route he took began in Chicago, wended its way through New York, hit a few detours, such as the Army and Hollywood, and ended up on a one-way ticket to the Capital City.

In actually physical measurements, the distance is not so long compared to the length of time it took. The trip has taken the personable director over 30 years to make.

He started in a semi-professional group known as the Chicago Mummers at the age of 13, under the urging of his brother. "I was dragged in to fill in a small part in a production."

Since that inauspices beginning, Harold has been associated with plays and productions of his own, television and the movies.

He has bumped shoulders with Tony Perkins, Margaret Truman, Signe' Hasso, Walter Slezak, Peter Lorre, Linda Christian, Veronica Lake, and Francis X. Bushman.

In addition to theatrical work, he has operated a modeling agency and has taught fencing. His modeling agency days came right after he was discharged from the Army.

"I went into the field," he explained through pipe puffs, "because the theatrical profession is a precarious one."

He feels that the stage and screen is a highly competitive one, "because," as he pointed out, "of the glamour attached to it, there are more than enough aspirants for the number of positions available."

Likes Directing

Although he started as an actor, his first ambition was centered on directing and producing. He has no preference as to what type of play he is working on, they all present "a challenge" form an artistic standpoint.

Harold entered TV in Chicago, giving up the agency when an offer came along to be a drama specialist at the Jewish Center in Chicago. In addition, he also had his own summer stock company.

He was one of the first performers to appear in a live and film sequence program over television.

He has worked on a Disneyland production in Hollywood, but says that he prefers live entertainment. One of the reasons he left television work is that "I could not do what I wanted to do. I didn't feel creative enough."

His list of credits in the all seeing one-eyed world of TV: "What's My Name," for three years; "NBC All-Star Revue," "Cavalcade of Stars, "Stop the Music," "The Paul Winchell Show," "Startime," "The Herb Shriner Show."

In all, he was either producer, director, consultant or all three. In addition, he staged sketches and handled camera work when called upon

His immediate plans for the center include the possibility of setting up a Shakespearan workshop and productions involving youngsters.

For persons of Eisenstein's calibre, temperment and talent, it appears that doing just one thing at a time is not enough

Credit For Arrest Goes To Attorney Lawrence Curtis

Credit for the arrest of a city employee caught cashing numbers slips in a city hall went to a gamblers' attorney Wednesday.

The arrest substantiates claim that gambling operates in city offices and that police help catch the offenders, Attorney Lawrence Curtis said.

Vice Squad Chief Clyde Watts and Police Chief W. Scholer scoffed at the claim.

Curtis had given the tip to the general tip

75,000 Enrolled By Blue Shield

Over 75,000 of Ohio's senior citizens responded to the special Blue Shield "65-and-Over" enrollment recently concluded, according to Charles H. Coghlan, executive vice-president of Ohio Medical Indemnity, Inc., Columbus.

"The enrollment of 75,226 well exceeded our expectation," commented Coghlan. 'It is gratifying to know that this great number of Ohio's age 65-and-over citizens wanted to take this step to help insure their own ability to pay for surgical and medical care costs."

Wildlife Officials Cracking Down On Litterbugs

Wildlife officers are cracking down on litterbugs.

Two, who tossed empty beer bottles on the ground at the Clouse Lake Wildlife Area Perry County, paid fines of $15 and costs each, a total of $21, when arraigned in New Lexington, recently. Both pleaded guilty.

Another man, at the same area, pulled up a four-foot pine tree and threw it on a fire. He was fined the same amount.

Bait Man Is Information Center For Fishermen In These Parts

INSIDE ON THE
Outdoors
By ROD COCHRAN

If you would envy a man whose life is immersed in fishing and fish lore, then envy Bill Krack of Bill's Baits, 262 N. Central-av. He is surrounded day and night with fish lures and baits, and he talks fishing to his customers around the clock. And when things close up here for the winter—you guessed it, he heads south to Florida and Arkansas for more fishin'.

Bill told me the other day that catfishing has been good this year all along the Scioto, and the heavy stringers are continuing to show up. With his buddy, George Werner, 148 N. Huron-av, Bill recently tied into some of these prize catfish. They were fishing about a mile north of Fishinger- bridge, using minnows, trying to catch a few crappies. The cats moved in. They took two six-pounders, two three-pounders, and several smaller ones. Bill says he hears so much about fish being caught he just can't help but go see for himself once in a while.

Smallmouth bass are showing up from local streams, and soft craws are the most popular bait. Bill claims they are off the spawning beds, and on a feeding binge. If you want to know what is being caught, where on which, Krack is the one to talk to, for he keeps his finger on the local angling pulse.

Selling Own Lures

Bill is selling two of his own artificial lures this year. He started with pigs of his own design last year, and is marketing an artificial nightcrawler this season. Jigs are bottom-bouncing lures with a lead head and single hook that rides upright in the water to keep from snagging. Bucktails are attached that give the lures plenty of action, and come in a variety of colors. Some of Bill's bucktails are made from polar bear fur.

Artificial nightcrawlers, as we said several weeks ago, have been winning popularity polls all over the country for a couple of years. Bill Krack says the demand for them is still growing. They are fine for catching bass, when they are fished slowly along the bottom of lakes and streams.

Nothing, of course, will ever take the place of live bait. Supplying live bait to anglers is a bigger business than manufacturing and selling artificial lures.

Many Baits Imported

Bait dealers, for the most part, contract for much of their bait just as grocers order bananas, oranges, apples and the like. The nightcrawlers Bill sells come from Canada, and his minnows are shipped in from Wisconsin. Soft craws, dug worms and some large bass minnows come from local suppliers. The craw market varies the most, for water conditions must be just right for the pickers (craw gatherers) to find them.

For some reason fishermen prefer smaller craws for Lake Erie and larger ones for local waters. It's Bill's theory that the smaller ones are the best for all types of fishing. He says with a small craw you stand a better chance of hooking your fish. I won't get into this controversy, for many dedicated anglers insist on certain sizes of craws. It is another case where you can't argue with results—the proof of the craw is in the catching.

Roses For Blood Donors

Roses will be given to those donating blood at the Red Cross Regional Blood Center just prior to the Fourth of July weekend again this year by the Columbus Allied Florists Association.

Each person donating blood from Tuesday, June 28 through Friday, July 1, will be presented a gift certificate for one dozen roses which will be honored at any time during the month of July.

Ladies Get Chance At State Fair

Ohio women will have a chance to exhibit the results of their creative skills in the Cotton Bag Sewing Contest, one of the many events scheduled for homemakers at the 1960 Ohio State Fair, Aug. 26 thru Sept. 2.

Competition will be open in eight categories: aprons and potholders, pillow cases, sport shirts, play suits, luncheon sets, adult dresses, toys and crib quilts. All entries must be made from the cotton bags used to package feed, flour and other products.

The homemaker placing first in the Ohio State Fair will receive a portable sewing machine. Cash prizes totaling $100 will be awarded to other local contest winners.

The Ohio winner automatically will become a national finalist in the contest sponsored by the National Cotton Council of America. Grand Prize in the national contest is an expense paid vacation in California.

Articles entered will be judged for workmanship, appearance, originality and suitability of fabric and pattern. Contest entries must have been made after Jan. 1.

Entry blank and further information about the contest can be obtained by writing to the Women's Division, Ohio State Fairgrounds, Columbus 3, O. Deadline date for entries is Aug 1.

Final Round Of Golfdom's Classic To Be Presented

By Larry G. Holmes

Golfdom's number one classic, the National Open Golf Championship, will be televised on Channel 4, Saturday, June 18, from 9:30 to 10:30 p.m., from the Cherry Hills Country Club near Denver, Colo.

Coverage of the 60th Annual National Open will be presented both on video tape and live. The telecast will include action at the 16th, 17th and 18th holes in the fourth and final round of the tournament.

A total of 150 of the world's best professional and amateur golfers will compete in this year's Open starting today over the 7,004 yard par 71 Cherry Hills course.

The grueling 36-hole play on the final day, June 18, will be limited to the low 50 scores, plus ties for 50th place, after the first two rounds.

Play of the Week will present a story written by Author Robert Alan Arthur entitled "A Very Special Baby," on Saturday, June 18, at 11:30 p.m., on Channel 10.

The youngest child of an affluent Italian family will be portrayed by Larry Blyden. He plays a 34-year-old "baby" whom his father has dominated since birth.

Oscar Homolka plays Casale, the father who refuses to let Joey go on his own. A smouldering hate burns in the heart of the older man, as his wife died when Joey was born.

Joey's only wish is to start his own appliance business, but the father refuses to advance the needed money. The climax occurs when Joey appears before his father and completely renounces the old man and the family.

A special pre-flight program on the heavyweight championship boxing rematch between Ingemar Johansson and Floyd Patterson will be telecast on Sunday, June 19 at 10:30 p.m.

The telecast will feature highlights of the first meeting between these two boxers. In the fight last year, Johansson amazed the sporting world by winning the title from Patterson with a third round knockout.

Johansson is preparing for his first title defense while Patterson is training in an attempt to become the first heavyweight champion to regain his lost crown.

There will be no telecast of the fight, but it will be broadcast on the radio.

More than 400 high school musicians from Ohio, Michigan, Indiana, West Virginia and Kentucky are attending the seventh annual Summer Music Festival on the Ohio State University Campus.

The festival, under progress since June 12, will continue until June 19. During the High School Festival Week, the young musicians will study music theory and appreciation. They will all receive private instrumental or vocal lessons as well as group instruction with the various performing ensembles.

A concert in which three bands, the festival orchestra, and festival chorus will perform will conclude the festival on June 19.

LETTER TO EDITOR:

Borden Co. Hails YMCA Camp Efforts

My sincere thanks to you and your staff for giving so generously of your time, space and facilities to help the YMCA publicize the campaign to interest more boys in summer camping at Camp Alfred L. Willson.

Reports from "Y" officials indicate that the campaign has been very successful. Phone calls and requests for camp leaflets, by the dozen, have poured into the "Y" office. Many new boys have signed up for camp and old campers have signed up early.

YMCA officials have been delighted with the results and feel that many more new campers will be added to the camp roster as the summer progresses.

The camp Board of Managers and all the staff of the YMCA add their appreciation to mine for helping in this fine camping program for youth

Director of Public Relations
—Ray B. Rogers,

Yellow lines on highways are placed there for the driver's protection, says the Columbus Auto Club. Single yellow lines mean no passing when they are in your lane. A double yellow line indicates a no-passing zone for drivers on both sides of the highway. Never cross a yellow line; it always means the road ahead is a no-passing zone.

Sohio Men Honored At Dinner

Among the 585 veteran Independent Standard Oil dealers of Ohio who were honored June 15 during the Dealer Appreciation Program for from five to seventy years of service are 15 from this area.

This annual celebration was marked with the presentation by the company of a bronze plaque to teach dealer who, this year, completed his first five years of service.

Other dealers whose term of service was 10 years, 15 years, or any other multiple of five, will receive a date stud to be attached to the plaque already displayed at his station.

The plaques and date studs were presented at a division dinner on June 15 at Ilonka's Provincial House.

Dealers from this area to be honored at the Sohio dealer dinner will be:

For 30 years: Z F. Carminux, 1900 Northwest blvd.

For 20 Years: Ezra Stapleton, 3380 E. Main-st, Glenn Hamilton, 2800 Sullivant-av, and D. C. Williams, 785 W. Broad st.

'Beat The Pro' Is Aim Of Charity Golf Event

An all-star lineup of professionals and radio and television talent will headline the ninth annual "Beat the Pro" charity golf tournament starting Friday, June 17, at the South Golf Range, 2980 S High-st.

Scioto Country Club pro Jack Grout will be the swinger on inaugural night of the 10-day event.

He'll be followed successively by Jack Futerer, of York; Jim Yingling, of Indian Run; Alex Polli, of Golf Land; Jack Radcliffe, of Walnut Hill; Don Schock, of Columbus Country Club, Dick Rhyan, Jr., of Ridgeview; Jack Kidwell, of Beacon Light; Bob Bisciotti, of Circleville; and Curtis Reed of Chillicothe.

Some of the entertainment talent which will handle the microphone includes Bill Brabson and Bill Ellis of WVKO, Gene Fullen of WTVN-TV and Don Smith and Bill Corley of WBNS.

The affair is sponsored by Wing 65 of Nightingale Cottage for the benefit of this convalescent home and offers a multitude of prizes.

Top awards, of course, are the $100 for a hole-in-one and $1,000 for the first person to score two aces.

There are 10 or 11 nightly prizes and a final night door prize drawing on two $250 sets of golf clubs — with five days in which to claim them.

All who beat the "professional — whose best of five shots serves as the night's target — will receive certificates. The event runs from 7 to 11 p.m. nightly.

HIS LAST ACT

The henpecked husband eventually tired of his lot and sought out a psychiatrist for advice. The doctor told him, "Do not let your wife continue to bully you. Go home right now and show her who's the boss."

Encouraged, the timid fellow dashed home, slammed the door and seized his wife. He snarled, "From now on, you're taking orders from me, see? You'll make my supper this minute. One way to protect yourself and then you'll lay out my cloth from the actions of other driv

HERE'S HOW BROWNIE TROOP 231 WAVES GOOD-BYE

FLY-UP—Fly-up ceremonies for Brownie Troop 231 were held on June 3 at the Eastview Methodist Church; 20 Brownies received their Brownie Scout Wings, symbol of membership in the Brownie Scout troop. Each girl crossed over a rustic bridge, paused at the top, tossed her Brownie hat into the lake, waved good-bye to the Brownie troop and went over to the other side. There she made her Girl Scout Promise, received her new Girl Scout pin and was invested into the Girl Scout troop. Brownies saying goodbye: Debra Bentley, Mary Ellen Bobb, Karen Bower, Thelma Courtney, Janice Dixon, Lynn Ellen Elk, Kathleen Frantz, Deborah Heavilin, Pamela Hensler, Sally Hoyt, Paula Hickman, Sharon Hixon, Iris Marshall, Karen Miller, Constance Mitchell, Stephanie Nonnemacher, Joan Russell, Mary Beth Shal, Deborah Smutz, Barbara Lee Swanson. Leaders are Mrs. John Elk, Mrs. John Bower and Mrs. D. Hensler.

BAND BOOSTERS COMPILING CALENDAR

The Whitehall Band Boosters are now compiling information for the first publication of a school calendar this fall. The calendar will show all school activities for the next calendar school year.

Civic and Service Clubs as well as PTA meetings will be included, on request of their secretaries.

It is the plan of the Whitehall Band Boosters to have the calendar ready for distribution the first week of September.

The following committee will receive information for inclusion in the calendar: Mrs. E. F. Fleener, BE. 1-5348; Mrs. G. S. Wilson, BE. 1-1227; Mrs. L. Bower, BE. 8-5803; Mrs. J. R. Williams, BE. 1-9442.

A Channel 10 Special "The Bible Answers"

This interview program is documented by living characters from the Bible, who are seen and heard speaking their famous lines so long ago recorded. The Bible lives and answers as the fast-moving interview moves from one question to another, radiating throughout the spirit of tolerance and good will toward all.

Bexley Youth Gets Buckeye State Post

A Bexley High School student was elected chief justice of the State Supreme Court at Buckeye Boys State at Ohio University, Athens

Sam B. McGavran, 780 Grandon-av, won the post in elections held last Sunday. Delegates from many high schools throughout the state are attending Buckeye State, which is sponsored by the American Legion.

CLUB IS ONLY GRMAN SPEAKING IOOF UNIT

Harmonia Lodge Banquet Marks 100th Anniversary Of Activities

The Harmonia Lodge, 358 IOOF, which is the only German speaking club in the organization, celebrated its 100th anniversary with a banquet on May 28 at the Columbus Maennerchor Club.

The lodge was organized May 26, 1860, at the IOOF Hall, 1038 N. High-st, which still stands. The meetings are now held at the Germania Club, 543 S. Front-st.

The meetings are unique in that German is used for degree work and for business transactions.

In the 100 years since its inception, Harmonia has initiated 897 candidates, and paid $120,000 in relief sick benefits and funeral expenses in addition to contributing its share in the maintenance of the IOOF home in Springfield.

The centennial celebration was one of the most memorable evenings in the club's history. Grand Lodge officers were the special guests and attendance by members was nearly 100 per cent. Karl Jubelt, dressed in centennial clothing, made an impressive looking master of ceremonies for the occasion.

Officers of the lodge are Rudolph Eberhardt, Obermeister; Albert Veil, Untermeister; Konrad Dempert, secretary; Richard Merz, Schatzmeister; Adolph Heimsch, Fred Kaiser, Gustav Reiner, trustees.

The following Grand Lodge officers and visitors attended the celebration: Past Grand Master, George Meinen; Grand Secretary, Vernon Marconette; Past Sovereign Grand Master, James Elliott; Superintendent and Matron of the Springfield Home, Mr. and Mrs. John Hensler; Rev. Paul Kaefer, St. Paul's E and R Church.

Ill health prevented the appearance of Grand Master Sam Hogeman. Good wishes were expressed by visiting representatives of the Maennerchor and Germania Clubs.

Recognition was made of members who had achieved 25 to 60 years of membership.

Special recognition was made for those members belonging 50 years or more. These members are Henry H. Bauch, 50 years, Paul Mueller, 55 years; John L. Waidschmidt and Jacob Boesinger, 60 years.

District Deputy Grand Master William Drodke presented a commemorative plaque to the lodge, gift of lodges of District 46

The Germania Club gave the lodge a plaque commemorating the anniversary, Elliott, a resident of Alliance, was the featured speaker of the evening.

The lodge over the years has fostered the ideals of the Order, which include visiting the sick and educating orphans.

SKETCH OF PROPOSED STONEY CREEK COUNTRY CLUB NEAR REYNOLDSBURG

SKETCH OF PROPOSED STONEY CREEK COUNTRY CLUB NEAR REYNOLDSBURG

By JOHN AUBLE, JR.

Seven-thousand yards of rolling, watered fairways will soon be constructed on Route 256, Pickerington-rd, according to founder Benny Newpoff.

Newpoff, founder and developer of the new corporation, Stoney Creek Country Club, Inc., expects the new course to be ready for play by April 15 and the clubhouse to be completed six months from the start of construction.

It was disclosed at a press luncheon held last Wednesday

JACK KIDWELL

that the course is now being built on 155 acres of meadowland and will have a par of 72. Two deep wells will be used to assure an adequate supply of water, with the watering system flexible so that it may be connected to either one, or both wells.

Jack Kidwell, New Rome, handled the entire layout of Stoney Creek's 18-hole championship golf links. Kidwell is the pro-owner of the Beacon Lights Golf Course.

According to Kidwell, "The course is designed as a challenge to professional and amateur alike."

The Beacon Light pro is a Class A member of the professional Golfers Association and golfs in all area PGA tourneys. He is also a Class A member of the National Golf Course Superintendents Association.

Architect for the clubhouse is Harold Schofield, a Gahanna resident. "We've used Tennessee Ledge Rock and anodized aluminum panels to design the exterior of the club," he said.

The clubhouse will have three floors and the overall plan of the building is the form of a T with the crossbar of the T stretching 200 feet, the stem extending 160 feet.

The ballroom, to be the center of Stoney Creek's social season, will be 60x100 feet and will open onto a flag-stoned Florida Patio terrace.

Three pools will also be constructed in the complex, backed by a double tier of colorful Rio Cabanas.

"Members will not be required to pay an initiation fee," Newpoff reported. "Instead, they will purchase stock in the Soney Creek Country Club Corporation."

Newpoff has been an active member of a number of country clubs throughout the area, but felt that none of them held everything he desired for a fine year 'round atmosphere. From his experience he came on the idea for Stoney Creek.

"We honestly feel," Newpoff concluded, "that the Stoney Creek Club, when completed, will take its place as one of the finest clubs of its kind in the mid-west.

"Nothing is being stinted to make it so."

Deadline Date Set For Booths

Those in the know for the Whitehall July Fourth celebration are reminding organizations that a deadline has been set for applying for concession booths.

To date: June 24. After that day, money must be submitted along with applications, according to Mrs. Carol Gavin, publicity director.

Tourney Is Readied At Norwood

Contestants for the 1960 Columbus miniature golf championships began blasting away Monday at Norwood Amusement Park's golf course at 2025 E Main-st.

When the swinging stops the last week in August, two local champions will be crowned. Winner of the senior division for contestants over 16 years of age will receive an all-expense trip to Asbury Park, N.J., for participation in the world series of miniature golf.

In the junior division, for boys and girls under 16 years of age, the winner will ride off on a sparkling new Schwinn bicycle. Models of the two-wheeler prize will be on display throughout the summer at all authorized Schwinn dealers in the Columbus area.

Rules for the contest are very simple. All miniature golf players are eligibile and entries will be accepted at the parks' tournament headquarters. After a player signs up to compete, his official scorecard file is opened and during the summer he must play eight official 18-hole rounds.

After completing the required eight rounds, his scores will be totaled and divided by eight to determine his average. When the firing stops, the 12 low scorers in each division will be designated as finalists and will square off in the official playoffs to be held over Labor Day weekend.

Eastmoor Lad Gets All-City Team Berth

An Eastmoor sophomore was named to a first team berth on the All-City League baseball squad, selected by the nine coaches at recent meeting.

Bob Benjamin is the talented lad who received a nod for the shortstop position.

On the second 10, Eastmoor's Doug Van Horn received a first base nod.

Three other Eastmoor boys received honorable mention. They are Frank Stavroff, Nick Cooper and Jay Sheets.

FIRST TEAM

Pitchers: Dennis Swetnam, Linden and Steve Scott, North.

Catcher: Bob Hottinger, North.

1B: Mike Cantlon, West; 2B: Dick Guyer, South; SS: Bob Benjamin, Eastmoor; 3B: Rick Nye, North.

Outfielders: Steve Morian, Central; John Moore, Linden; Jim Cordell, South.

City Sued For $150,000 In Ditch Mishap

In Common Pleas Court Monday an American Addition woman filed a damage suit for $150,000 against the city of Columbus.

When the car Ida Glover, 1621 Dewey-av was riding in struck a street excavation for a water main at Dewey and Joyce-avs, she contends she was injured.

She said she suffered disc and spine injuries and general paralysis as a result of the accident.

GRASS SHACK BURNS

A fire broke out Wednesday at the Grass Shack, 3583 E. Broad-st, causing an estimated $2800 worth of damage. The blaze originated in the bar of the bar and grill establishment.

Wilbur D. Linsey Receives Award Before Retiring

Climax of 26 years of service for Wilbur D. Lindsey, manager of the State Liquor Store at 2824 E. Main-st, with Ohio Department of Liquor Control, came with his winning the June store-of-the-month award.

Lindsey, a resident of 2870 Livingston-av, is retiring at the end of the month.

The store was selected from the 33 state outlets composing the department's Columbus district.

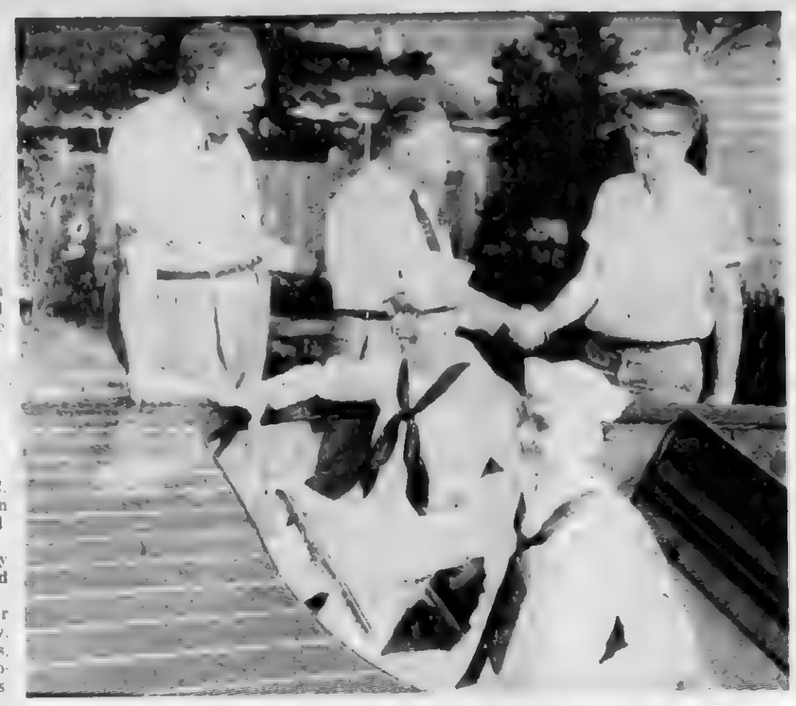
Commission Nixes Stop Sign Request

The City Traffic Commission recommended yield signs at an east side intersection but rejected a request for stop signs.

The intersection in question that of E. Mound-st and Eastmoor-blvd, was the scene of a two-car collision last April which claimed the life of one woman.

Local Deaths



DORA McLAIN

Dora McLain, age 86, of 16 N. Yearling-rd, died June 8, in Sherrodsville, after a short illness

She was a member of Holy Spirit Church and the Altar and Rosary Society.

She leaves to mourn their loss, a son, Albert McCarty, Zanesville; five step-daughters, Mrs. Mary McDonald of East Rochester; Mrs. Ann Dobyns; Mrs Marguerite Thompson; Mrs. Lenora McCarty, all of Columbus, Mrs. Florence Clark of Marietta; a sister, Mrs. George Mahaffie, Sherrodsville; three brothers, George of Columbus; Jiles of Shawnee and Morgan McCarty of Zanesville; 11 grandchildren; 20 great-grandchildren and numerous nieces and nephews. Her husband, John McLain, preceded her in death in 1940

Funeral services were held in Shawnee with interment Saturday in New Straitsville

SEA SCOUTS PRESENTED WITH BOAT

BOAT BUSINESS — Sea Scouts from Troop 24 inspect the interior of a boat given them by Charles Lingo, 310 S. Broadleigh-rd. In the boat are, left to right, John Blair and John Owen. Eastern Civitan Club enabled the troop to pursue their training routine with greater realism according to Frank S. Barker, left, president of Civitan. Next to Barker is Otto Heinzerling, skipper of the troop and Edward Lingo, son of the donor. The boys moved the 16' boat to their training center at the Sandusky-st Naval Armory.

Classes In Violin Being Registered At Capital U.

A number of inquiries regarding beginning lessons in violin and violoncello has prompted the Conservatory of Music at Capital University to organize beginning classes for this coming summer. The lessons will begin the middle of June and will continue for a six-week term.

Arrangements have been made whereby instruments may be rented on a monthly basis

Registration for the lessons may be made by calling the Conservatory of Music at BE. 5-8611. Teachers for the private lessons and classes will be Dean of the Conservatory Dr. Gene H. Taylor and Professor Lyle Wolfrom the Conservatory staff.

Restrainer Requested

Common Pleas Court was asked last week by a Berwick area woman to restrain the Davis Investment Co. from constructing a shopping center at the southwest corner of E. Livingston-av and Cunard-rd

Patsy L. Maughan, 1345 Cunard-rd contends that the proposed shopping center to be built on a 7.3-acre tract across from her home would deprive her of peace and quiet plus enjoyment of her residence.

Her property would be irreparably harmed by noise, traffic and lights from a shopping center,

peace and quiet plus enjoyment of her residence, she said

She asked the court to restrain the developers during the litigation and later to issue a permanent injunction against the Davis firm

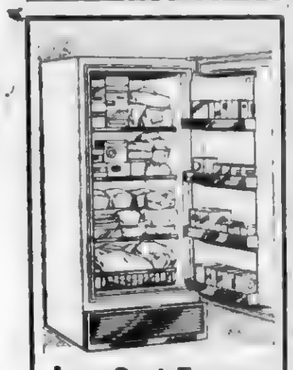
hopes that the majority will end in settlement."

Leach said that it appears the city will not be able to try any of the disputed easements in court until September.

The Common Pleas Court was not willing to impanel juries for the cases after the Spring term ends on June 17 and the staff of the court is reduced for the summer months, according to Leach.



Leach said that 69 property owners are involved in the easement negotiation and that 48 have given permission to install the water line through their property.

Five Stelzer-rd residents who met with city officials last week said they support the water main project but may hold out for free water taps in exchange for easements.

The residents did not believe they should pay the $3.30 a front foot tapping charge as part of their easement agreement.

City officials explained that they would not have to pay the fee on undeveloped land.

Center's Summer Program Starts

The Jewish Center's "Tween Summer Program" will feature overnight camping, tennis instruction, horseback riding, and summer bowling.

The Center's Junior High Camping Program will be held July 5 to July 25 and Aug 2 to Aug 22. Camping skills will be taught on three-day overnight trips.

Overnight camping trips will also be held at Pike Lake State Park, Bainbridge on June 24, 25 and 26; Zaleski State Park, Vinton County on July 8, 9, 10; Blue Rock State Park, Zanesville on July 29, 30, 31; John Bryant State Park, Yellow Springs on Aug. 12, 13, 14.

Six weeks of tennis instruction will be offered on Monday and Wednesday mornings. There will be two sessions. One will start on June 20 and the second on Aug. 8.

Horseback riding instruction will be conducted on Friday afternoons for eight weeks starting on June 17.

A summer bowling league will meet on Friday mornings from 10 a.m. to 12 noon at Center Lanes starting on June 17.

DickDerenburger In 'Hawk' Drills

Army Pfc. Richard R. Derenburger, son of Mr. and Mrs. Grover R. Derenburger, 836 Erickson, recently participated with other personnel from the 4th Armored Division's 66th Armor in Exercise Hawk, a fire-power demonstration conducted in Germany for 50 members of the Defense Orientation Conference Association.

A truck driver in the armor's Headquarters Company in Illesheim, Derenburger entered the army in December, 1958, completed basic training at Fort Hood, Tex., and arrived overseas in May, 1959.

The 19-year-old soldier attended Whitehall Yearling High School.

Cannon Chosen New President

Joseph Cannon, 2758 Eastminister-rd, was elected president of the Ohio Probation and Parole Association at its annual meeting held Monday through Wednesday at the Deshler-Hilton Hotel.

Cannon holds the position of director of social services of the Ohio Division of Corrections.

Bus Fares Are Upped Five Cents

The Columbus Transit Co. announced Wednesday an across-the-board five-cent increase on both tickets and cash fares.

The higher fares will become effective July 1, under the CTC franchise with the city

New fares will be 25 cents cash or four tickets for 90 cents Express fare will be 30 cents

CTC President Oscar R. Hott blamed the steady passenger decline since World War II and increased operating costs for the increase.

Hott said he estimates the company will have a $58,219 deficit and no net income for the first six months of 1960.

Mayor Ralston Westlake and Utilities Director Howard Johnson called the increase "shocking."

Because of the 1956 franchise, the city's only immediate recourse is to an arbitration board, Johnson said.

The company also granted a nine-cent-an-hour wage increase Nov. 15, 1959, 12 days after the city election.

Hott said declines in passenger revenue in the last half of 1959 entitled the company to a fare increase Jan. 1, but the company held it off in hopes of an increase in passengers.

Hott said the decline in passengers will not affect the company's order for $480,000 worth of new General Motors Corp diesel buses to be delivered in late September.

O'Donnell—

(Continued from Page 1)

26 years as a public official. Beginning as a special assistant county prosecuting attorney in 1915, he became Franklin County prosecutor in 1920 when the position was vacated. At the end of the term in 1922, O'Donnell returned to private practice.

In 1934 he re-entered public service when he was appointed assistant district attorney for the Southern Ohio District. In 1946 President Truman elevated him to the position of district attorney, a position he held until 1953 when he again returned to private practice.

During his years of service in the Federal courts, O'Donnell was noted for his investigative work.

O'Donnell was a memeber of the first graduating class at Aquinas High School. He was a member of the Columbus Athletic Club, Columbus Country Club, Columbus Bar Association and Knights of Columbus, Council 400.

Surviving him are his wife, Margaret; two sons, James R. of Columbus, and William W. of Kirkwood, Mo.; one daughter, Mrs. Robert A. Bell; five grandchildren; one brother, Lee J., and three sisters, Mrs. Charles Bancroft, Mrs. P. J. O'Neil and Mrs. Anna Mooar, all of Coral Gables, Fla.

Funeral arrangements were handled by the O'Shaughnessy Funeral Home.

Two Area Women Take Reins Of Local UA Drive

Mrs. Russell Mock

Mrs. Paul Pixley

Mrs. Russell Mock, 4614 Norton-ln, will be chairman of the Suburban East residential area in this year's United Appeal campaign.

The East area chairman will be Mrs. Paul Pixley, 33 S. Ardmore-rd.

The appointments were announced this week by Mrs. Charles T. Wheeler, chairman of the Residential Division which will conduct the door-to-door campaign throughout Franklin County in October.

Mrs. Mock, whose area takes in Whitehall and East Columbus, was the top area chairman in percentage of goal reached in the 1958 campaign.

A mother of two boys, Roger 13, and Gary 12, she pilots an airplane as a hobby, and has been entered in several competitive races.

Mrs. Pixley has three children, Suzanne, 10, Milton, eight, and Catharine, four. She is also active in the Children's Hospital Twig, Junior League and St. Alban's Church

Mrs. Pixley has worked through the ranks attaining a colonel's post in the last campaign.

The two chairmen are in the midst of recruiting volunteer workers. Anyone wishing to help may call the chairman covering their area.

FAMOUS FEET — These are the feet of Dr. Barbara Moore on W. Broad-st. (You've seen her determined face in the papers and newsreels but it's her feet that are making history.) The 56-year-old British vegetarian is following Route 40 coast to coast. (Note the heavy, ripple-soled shoes and bandaged ankle). A police escort aided Dr. Moore through the city at noon Tuesday.

Fourth Festivities Organized

A civic-minded East Side woman is almost single-handedly organizing a Fourth of July celebration program.

Mrs. Herbert Pierce, president of the East Columbus Civic Association reported that her group will sponsor Fourth festivities at Krumm Park, Ninth and Alton, again this year.

According to the one-woman organizer, "It's hard to get anyone to help out with a project such as this until the night of the presentation."

She added, however, that she is receiving fine cooperation in the financial department from local merchants. The VFW St. Lawrence Post 9657 is also helping with details.

At this stage in the game, Mrs. Pierce's plans call for a demonstration put on by the Linden Dog Training Exhibition Group. This is scheduled to start at 7 p.m.

At 7:30 p.m., she reported, the Boy and Girl Scouts will march in a parade around the park, climaxing it with a color guard presentation at the bandstand.

Music for the march will be furnished by the musical sounds of the Diehlers, a group of musicians ranging in ages from 11 to 18. At 7:45, the band will play for a round and square dance.

"The dance will be held on the blacktop area in the park," Mrs. Pierce reported, "and will last until 9:30."

At 9:30, present plans call for the gigantic fireworks display. "We usually spend about $200 on the fireworks demonstration," she said. "We're not sure whether or not we can finance a larger display this year."

A freshment stand also will be available at the festivities. Game booth will complete the project.

The fireworks display is being sponsored partially by the East Columbus' Lions Club as well as the Civic group and the VFW post.

This is the 10th year that the East Columbus Civic Association has decided to sponsor the Fourth of July event at Krumm Park.

Cross-Country Trail Shortens For Hiker Dr. Barbara Moore

More than two months and 2000 miles from the start of her cross-country hike, Dr. Barbara Moore strode into Columbus at noon Tuesday.

Still a long way from her New York goal and worried about reaching it before her next Tuesday deadline, she found her way hampered by thongs of people and traffic jams reaching fantastic proportions.

She ate supper in Bexley and while at Willard's was measured for two new pairs of shoes to be shipped to her from an admiring manufacturer in Detroit.

State Highway Patrolmen accompanied her along Route 40 and motorcycle patrolmen and cruisers met her at the city limits to make way for her. They shooed kids, afoot and on bikes, cars and adults, most of whom were armed with cameras from her path.

Dr. Moore

Dr. Moore, attempting to make up lost time from crowds along her route in Ohio, paused only for brief intervals before entering the city.

A waiter from Holiday Inn brought her a glass of orange juice as she walked along the island in the center of Broad-st. She stopped at Lincoln Lodge briefly.

The 56-year-old hiker, making the trip to prove the merit of her strict vegetarian diet, limped noticeably. She was hospitalized in Indiana with an injured foot, received when struck by an auto.

When she reaches her New York destination, she will board a plane for Australia where she has been invited to walk cross country.

Ads Do The Trick!

Register Now For School

School may be out, but in less than three months, it will be back in again and, according to Eastmoor High School vice-principal Norval Goss now is the time for "movers-in" to register for next fall.

Offices are open from now until the end of June and will be open again the first week in August for newcomers into the area to register. Office hours are from 9 a.m. to noon and from 1 p.m. to 3:45.

PAIR AT Y-TEEN CONFERENCE

REPRESENT EASTMOOR — Marilyn Ronick (left) and Janice Meltenberry, Eastmoor High School juniors, are attending the Annual Ohio Y-Teen Conference at Ohio Wesleyan University this week. Representatives from Y-Teen clubs all over the state are joining in a week of exchanging ideas, fellowship and leadership training which they carry back to their clubs in the fall. Janice will be program chairman for the Eastmoor club, and Marilyn will handle publicity.

East Sider Receives High Scoutdom Honor For Extensive Service

While a crowd of 650 watched, an East Side man Saturday received the Silver Beaver Award, highest honor that the nine-county Central Ohio Boy Scout Council can bestow.

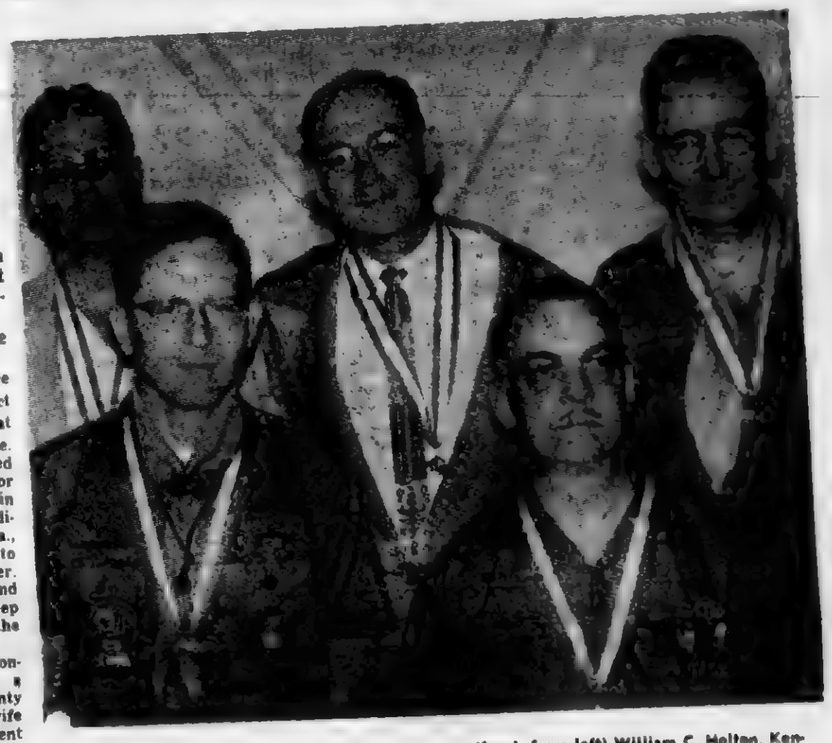
He is Stanley Smith, 193 S. James-rd, an employe of North American Aviation.

The ceremony took place during the Annual District Scouters Recognition Dinner at Camp Lazarus, near Delaware.

Smith has been associated with the Scouting movement for more than 40 years. As a boy in 1918, he joined and helped direct a troop in Wellsboro, Pa., moving rapidly up the ranks to become a Senior Patrol Leader. His leadership ability and knowledge enabled him to keep the troop operating after the Scoutmaster left the unit.

In 1935 after moving to Tonawanda, N.Y., he became a cubmaster in the Erie County Council. Stanley and his wife traveled many miles and spent many hours in the training of cub leaders.

After moving to Columbus in 1941, he became a member of Morgan Memorial Methodist Church, where he has continued his service in the church and Scouting with Troop 168. He has been chairman, committeeman and institutional representative, as well as serving on the official board of the church, the board of stewards and other activities.



In 1949 he was appointed chairman of the leadership training committee for the Southeast District. He served in that capacity until 1959 when he was appointed as chairman of the Central Ohio Council.

Over the years Stanley Smith has found time to assist and work in many other activities. The Tonawanda New York Chamber of Commerce recognized him as an outstanding young businessman of that community.

He is a 32 Degree Mason, a member of Bexley Lodge 704 (past master), also a member of the Kings Council of the Masons. He is the father of a son and two daughters.

Other Silver Beaver recipients were Cy O. Rawlings, 4037 Dublin-rd; Kenneth Legg, 1808 Cooke-rd; William C. Holton, London; and George Wright, 501, and other community life as well.

Robert Terhune, State Secretary of Agriculture and past council president, in making the awards praised the extensive service of the men in Scouting

City Charter Change Talks In Progress

Attempting to salvage some gain out of the $25,000 already expended on revising the Columbus City Charter, councilmen held their first talks on the subject since the November elections last Thursday.

Whether or not the package proposal will be ready to submit to the voters by this November appeared extremely doubtful at the session. Filing date for the election is Sept. 7.

Republican councilmen have expressed the hope of submitting separate proposals if the entire package can not be readied, but the Democratic members apparently want the whole issue on the ballot at once.

Among the items decided at the first session were increasing the number of councilmen to nine, raising council's pay to $3,600 a year, give the mayor the power to cast the deciding vote in the event council deadlocks over filling a vacancy and creating the position of council vice president.

Summer Fun Plans Readied At Krumm Park; Jr. Jets Set

Kumm Park is in full swing again this year with leaders Tom Golden, Janet Lambert and Molly McKinnon.

Golden is well known to all East Columbus children for his work at East Columbus School throughout the year.

Miss Lamber is a junior in Fine Arts Education at Ohio State University.

Miss McKinnon is also an Ohio State student majoring in Home Economics and Education.

Junior Jets are being organized and all the boys are enthusiastic about the program. A pet show is on the list of coming events.

The arts and crafts program will consist of puppet making, paper mache and painting.

New Subdivision Announced

Jewel Homes, currently one of the city's most prolific builders, this week announced the start of a 350-home East Side subdivision — Berwyn.

Julius Cohen, president, said the $5.5 million project will go up on 125-acres bounded roughly by Zettler-rd, Petzinger-rd, Scottwood-rd and Kenwock-rd.

As in Homestead community, the homes will be of brick or stone, will have central air-conditioning and complete Westinghouse kitchen. Eight such models will be available in colonial ranch and split level with four different exteriors. Prices will range from $14,200 to $18,750.

The firm plans to build model homes within the next month. All are to be finished in about a year. Jewel also is building a West Side development (Colony Heights) south of Georgian Heights off Sullivant-av, a 300-home group in Youngstown and plans a similar one in Pittsburgh.

SOUTHWAY POST ELECTS NEW OFFICERS

PLAN FALL INSTALLATION—Southway Post 144, American Legion, 874 S. High-st, elected its new officers at a meeting on June 15. Commander Chuck Kaiser (left front) congratulates Commander-Elect George V. Brand, who will be installed next fall. Left to right, front row, Kaiser, 1589 Vendome-dr, and Brand, 101 E. Whittier-st. Back row, Adjutant Ollie Goodall, 2064 Jervis-rd; Second Vice-Commander-Elect Bob Siebert, 350 E. Suter-st; First Vice-Commander-Elect Al Reed, 701 S. Sixth-st; Chaplain-Elect Bill Cotner, of Heid Funeral Home; and Third Vice-Commander-Elect Hayes Fuller, 748 Kenwick-rd.

Janis-dr Man Directs New City Group

An East Columbus man, Norman Folpe, of 4680 Janis-dr, has been named executive director of the Down-Town Area Committee.

The group is currently being organized, according to Dan M. Galbreath, vice-chairman, and is affiliated with the Development Committee For Greater Columbus.

Under Folpe's leadership, the committee hopes to revitalize the downtown area, roughly defined as "being inside the innerbelt."

Folpe has studied at Ohio State University and at the University of Southern California.

He came to Columbus in 1950 and since has been associated with a retail television outlet as general manager, with a real estate concern and has served at Columbus Land Acquisition office, supervising the purchase of some 1500 parcels of land for the expressway.

MRS. PITTMAN WINS FLORIDA VACATION

TO TAKE GRANDCHILDREN—Mrs. S. J. Pittman, 478 Collingwood-av, was the winner of the "Florida Vacation for A Family of Four" awarded in culmination of Town and Country Shopping Center's 11th Anniversary Celebration. Asher Moser, president of the Town and Country Merchants Association, is shown presenting the trip credentials to Mr. and Mrs. Pittman. Accompanying them on the trip will be their three grandchildren, Kathy, Robert and Pat Forster.

Featured in the first part of the program will be VBS officers, Alice Cohagan, president; David Belcastro, vice-president; Laura Mays, secretary, and Karen Driscoll, treasurer.

During the second part a king and queen will be crowned from the primary group.

The third part will feature the central theme of the Bible School, "The Teachings of Christ for Today."

Mrs. Norma Wills and Mrs. Milton Sebring will be in charge of the program. Dr. "Bro. Joe" Belcastro is the pastor.

Is Fired By Civil Board

John G. Turner, 1192 Byron-av, was fired Friday by the Municipal Civil Service Commission for insubordination.

Turner may appeal under Civil Service rules, but the appeal is before the commission that fired him.

Commission President Rand Hollenback and a member, G. B. Newton, said they believe the firing is necessary in the interest of the commission staff.

Objection to the dismissal came from Commissioner Melvill D. Frank who moved to have the charges dismissed but his motion failed for lack of a second.

WINS PHONE OF HER OWN

CONTEST WINNER—Bebs Sher, Bexley High School student, was among winners of the Ohio Bell Telephone Co.'s student newspaper princess phone advertising contest, announced last month at a luncheon at Deshler-Hilton Hotel. She was awarded a princess phone of her own for one year. Another princess advertisement printed in the Bexley High student publication at regular space rates was prepared by Irene Humphrey. The prize was awarded by Pat Bennett, Ohio Bell's Columbus Princess.

How Would You Say Ohio's Gas Rates Compare?

Overall, in the United States, Residential Gas Rates are 28% Higher than in Ohio.....Residential Rates in Ohio are Lower by Far than in other Midwest States
Gas rates in Ohio are among the lowest in the nation.*
Look at how much higher residential rates are in these other nearby states:
Indiana, 38% higher; Illinois, 51% higher; Michigan, 35% higher; Wisconsin, 80% higher; Iowa, 18% higher, and Minnesota, 35% higher.
Ohio's residential rates are even comparable to those in Texas, by far the nation's largest producer of natural gas.
Why?
The key is *underground storage*. During summer, natural gas produced in the Southwest is piped to Ohio and pumped into huge underground storage reservoirs developed here by your gas company. In winter the gas is withdrawn from storage as needed to help meet heating demands.
Because of underground storage, natural gas is available for house heating to hundreds of thousands of Ohio families who want year-around comfort and convenience — at moderate cost.

205 Youths Enroll For Activities

Playground season was officially opened at James Road School playground on June 15 by the Columbus Recreation Department.

Following the registration of 205 youngsters between the ages of six and 17, arts and crafts, group games, volleyball, horseshoes, tether ball and numerous other events were played.

Playground leaders for this season are Keitha Knecht and Richard Stranges.

Miss Knecht attended Ohio State University and has been affiliated with the Columbus Recreation Department for six years. Although her specialty is arts and crafts, she will be in charge of all special events.

Stranges, a Marion-Franklin High School teacher, is responsible for junior and secondary games.

Organizational meetings were held last week for the Junior Jet Baseball League. Schedules for the games will be printed at a later date.

On Tuesday, June 28, the Columbus Recreation Department will present its traveling zoo, between 5 and 7 p.m.

MAYOR OPENS BABE RUTH LEAGUE

PLAY BALL—Whitehall Mayor Walter B. Meling is shown throwing out the first ball of the Babe Ruth season. At his immediate right, seated, is Don Echer, recreation director and on the mayor's left, George Myers, commissioner of the Babe Ruth League, a part of the Whitehall Boys' Baseball Association.

Lady Golfers Start Second Week Of Play

With all reclassification and reorganization, two-division Jewish Center Women's Golf League will move into its second week of play following last week's rainout.

The beginners division, National League, plays at Olentangy Golf Course on Monday mornings, according to the Center's Physical Education Department.

The more advanced golfers, American League, play on Tuesday morning at Hillcrest Golf Course.

Scores are being computed on an 80 per cent handicap for both leagues. Team scores were not available at press time.

In the American League, Mrs. Art Pollock and Mrs. Ben Zuckerman have had low gross scores of 60. Mrs. Al Krantz had a 62 and Mrs. Irving Smith grabbed a 63.

In the National League, Mrs. Smith had a 40 on the par 27 course. Mrs. Ted Barneby and Mrs. Munroe Palestrant has 48 each.

The success of the women's golf league program this year, the largest in the Center's history, is due mainly to the tremendous effort put forth by Mrs. Smith in making it possible for all women interested in golf to play in an organized Center league.

Mid-Western's Yearly Show To Open June 30

This year's version of the Mid-Western Horse Show and Rodeo will run from June 30 through July 4 at the Ohio State Fairgrounds Coliseum.

Director of the Mid-Western Horse Show and rodeo chairman is Billy Clark. Clark is also a rodeo judge and secretary-treasurer of the Ohio Rodeo Cowboys Association.

Mid-Western will feature halter and performance classes for Appaloosas, Arabians, Morgans, Palominos, Quarter Horses, Western Horses, and Ponies, calf roping, cattle cutting and rodeo events.

Included on the list of entrants are nearly 40 top calf ropers, the 1959 All Around Cowboy of Mid-West Rodeo Association and top 4-H and FFA products.

Saturday afternoon, July 2, the 4-H Show Classes and the FFA Fat Steer Show along with the rodeo, cutting and roping events will be run as a special interest to youth.

Free tickets for children under 12 years of age are being sponsored by Bob Evans for the seven performances of Mid-Western. They may be obtained by writing to Bob Evans, Box 543, Station G, Columbus 7, stating the number of tickets desired.

A female shopper is a woman who can hurry through a department store aisle 18 inches wide without brushing against the piled-up glassware, then drive home and knock the doors off a 12-foot garage.

Services For Roland Peck Held Monday

Funeral services for Roland Richard Peck, 31, of 4464 Aragon-av, killed Thursday in an automobile accident near Golansville, Va., were held Monday at the Darfus Funeral Home in Groveport.

According to Virginia State Police, Peck apparently had fallen asleep at the wheel of his car when it crossed the highway and hit a tractor-trailer head on. Peck was traveling north on Rt. 1 at the time of the accident.

He is survived by his mother and stepfather, Mr. and Mrs. William A. Gaskins, two nieces and a nephew.

Burial was in Walnut Grove Cemetery.

Two Youths Are Injured In Collision

On Rt. 33, just south of Pettinger-rd near the southeast city limits a teenage boy and girl were injured June 15 when the car in which they were riding collided head-on with a bakery truck.

Mary Jo Mulchasey, 16, of 1275 Weyant-av, passenger in the car, is in Lincoln Memorial Hospital with a fractured collarbone and severe head cuts. Hospital officials consider her to be in serious condition.

Charles P. Wrenn Jr., 16, of 100 Jahn-av, driver of the car, is in Mercy Hospital with a broken arm and chest injuries. His condition is considered good by hospital officials.

Driver of the bakery truck, Robert Kreninger, 30, of 4044 Beechbank-rd, was taken to St. Anthony Hospital for treatment of head and chest injuries and released. Injuries came when he was hurled through the windshield of his truck, police said.

The youth's southbound auto veered left of center and slammed into the northbound truck, demolishing both vehicles, accident investigators said.

Michael Elkins, 8, Is Hurt By Truck

A Whitehall boy is in fair condition at Children's Hospital after riding his bicycle in front of a truck on Robinwood-av near Broad-st.

Michael Elkins, 8, son of Mr. and Mrs. Harold Elkins of 4028 Doney-st, suffered a fractured skull.

Franklin Hyland, 27, of Grove City was driving the truck. He was not cited by police.

The Columbus Auto Club says it is important that you check your car thoroughly before undertaking any summer motoring. Checking your car could check an accident.

Crows, Woodchucks Are Fine Targets For Summer Hunts

INSIDE ON THE **Outdoors** By ROD COCHRAN

Yearn to have the smell of gunsmoke drift through your nostrils? And I don't mean the T.V. variety, either.

Along about this time of year the average outdoorsman gets a little restless. He's had several cracks at fishing, and frankly he is bored. Nothing seems to cure him except shouldering a gun. But what to hunt in June?

There is no closed season on woodchucks and crows, and these provide fine hunting targets. Actually, they are game animals of the first order. Few of the game species that we seek in the fall will test your hunting skill as much as these two. Expert stalking is usually required to bag woodchucks, and the sportiest crow shooting is obtained when you call the birds to you.

Good woodchuck hunters think like woodchucks. They look for hayfields in conjunction with sandy or gravelly banks or mounds where it is easy for woodchucks to dig dens. Many 'chucks are found living in embankments facing railroad right-of-ways. When you start to ferret out the conditions that woodchucks need for easy living, than you will find them in huntable numbers.

The first step, of course, is to obtain the landowner's permission to hunt, which will not be difficult to get this time of year. Farmers usually consider woodchucks as pests, and are glad to have them thinned out a bit. You should hunt very slowly and cautiously, keeping a good lookout. Places to give special attention are rocky outcrops, stone fences and large stumps and logs—'chucks like to sun themselves at such locations. Margins of hay fields are fertile places to hunt during the feeding periods in the morning and evening.

Once you spot a woodchuck, the next thing is to get in gun range. A rifle, usually fitted with a scope, is the arm most hunters use. If you have a rifle that uses souped-up "varmint loads," then you will be able to shoot at greater distances. To put a 'chuck down for keeps with a .22, you will have to get plenty close. If you find one feeding, then the time to move is when he's down on all fours —not when he is sitting up looking around. With a little practice you can become a proficient woodchuck hunter and will have a lot of summer fun.

To enjoy some wing shooting with crows as targets, you will need to locate in an area where crows frequent. A farm woodlot is a good place to start. You must conceal yourself as carefully as if you were hunting ducks, and wear dark clothing. A crow call is vital to this sport, and it will take some work to learn how to blow one. Recordings are now available that will teach you the proper calls to use.

Crow decoys come in two types—imitations of crows, and crow enemies such as a hawk or owl. Some hunters use a live owl on a perch to attract crows, which is not harmed in any manner. In fact, some hunters say the owl seems to enjoy the hunt.

Crows will soon rally, and the shooting will be fast and furious. Experts can call crows back to a blind several times. A few hunters I know take a .22 rifle along to pick off perching crows, and a shotgun, of course, for the flying targets.

Your 1959 hunting license is needed to hunt crows and woodchucks, and will be good until Aug. 31. Good hunting.

A courteous act, says the Columbus Auto Club, can make a friend. On the highway, a courteous act can save a life.

Semi-Final Citation For Lane Bryant Awards Is Received

The Interfaith Committee for Better Entertainment in Columbus has just been named a semi-finalist in the Lane Bryant Annual Awards competition and has been honored with a citation in recognition of outstanding community service in 1959. The committee was nominated for this award by Mrs. Charles Gilligan, 1428 Miller-av.

The citation means that the group is among those being actively considered for one of two awards of $1,000 given annually to encourage voluntary participation in efforts designed to benefit American home and community life. One award is made to an individual, and one to a group.

Established in 1948, the Lane Bryant Annual Awards draw hundreds of nominations each year from all over the country. These are screened by the Bureau of Applied Social Research at Columbia University where they are subjected to five close examinations. Final awards will be made Nov. 10.

The Interfaith Committee for Better Entertainment in Columbus is composed of Protestant, Catholic and Jewish women. Its aims are to raise the entertainment level of the community by encouraging attendance at good movies and to provide a guide which will help parents know what is suitable.

With the encouragement and cooperation of newspapers and theatre editors, a listing of acceptable films appears regularly. Three national film rating film services are used in classifying films for children and teenagers.

To influence indiscriminate billing of adult and children's film together, only double features suitable for either age group are included. The committee also endeavored to alert the community by speaking to church groups and PTA's and distributed cards which individuals could use to write theatres, TV and Radio stations expressing their opinions of the programs. According to Mrs. W. L. Harris, a member, the public response has been excellent and has encouraged theatre exhibitors to book more double features suitable for children, for the entire family and for teenagers.

St. Vincent's Picnic Is July 2 This Year

Saturday, July 2, will be jam-packed with activity at the St. Vincent's Orphans Picnic to be held at the orphanage grounds, 1490 E. Main-st, from 11 a.m. until midnight.

Refreshments, entertainment and prizes will attract crowds at all hours. A public dinner ($1.25 and 75 cents) will be served from 3 to 8 p.m., or families may bring their own lunches and use free tables.

There will be amusement and pony rides, traveling zoo, clowns with favors for the kiddies, Jack Sherick dancers at 1 p.m., Casper the Camel at 3 p.m., variety revue at 5 p.m. and barbershop singing at 7 p.m.

Two automobiles and about 50 other cash prizes will be given out to winners (who need not be present). Also door prizes will be awarded to persons on the grounds at 2, 4, 6 and 8 p.m.

Richard Patton Appointed As Sales Manager

Richard L. Patton has been appointed Sales Manager of Swormstedt Storage and Van Company, Sam Nicola, president of the company, announced.

Patton received his educational training in Columbus and has been associated with the moving industry for eight years. He resides on Harmon-av, with his wife and three children.

Swormstedt Storage and Van Company's main office is located at 133 E. Chestnut and is now in its 40th year of operation.

The Columbus Auto Club reminds motorists that basic fundaments are vital to traffic safety. And one of the most basic of all driving principles is the rule of staying on the right side of the road.

Ohio State Final Fund Report Made

The final report of the 1960 Columbus Franklin County personal solicitation campaign for The Ohio State University Development Fund was made June 14 by Mrs. Elph C. Barnett, 1617 Essex-dr, at a dinner for her campaign division chairmen at the Ohio State Faculty Club.

Gifts from the personal solicitation campaign showed an increase of 28 per cent in money and five per cent in number of contributors over the 1959 campaign. This year's gifts totaled $40,821.00 and came from 6,640 alumni and friends of the University. In 1959, $31,949.00 was given by 6,308 people.

The Arlington campaign division, headed by Paul M. Shepard, Sr., 2645 Charing-rd was recognized for having the greatest increase in contributors.

TB Seal Contest Is Open To All

The call is out for Franklin County artists, both amateur and professional, to design the national TB Christmas seal for 1962.

Local competition, sponsored by the Tuberculosis Society and Columbus Art School, is now underway with Sept. 7 as the deadline.

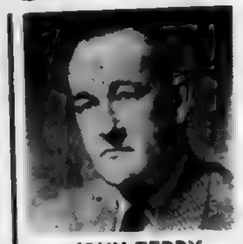
Artists will compete for a $500 cash prize presented by the National Tuberculosis Association to the top Christmas seal designer, plus five local cash or Columbus Art School scholarships.

On five occasions, one or more local artists have placed among the 10 in the country. Last year alone, four Franklin Countians were among the top 10 designers.

Interested artists should visit the Tuberculosis Society, 503 Oak-st, or call CA. 8-6704.

Public Wholesale Motors To Open

Owner Edward Burt is announcing the opening of Public Wholesale Motors, a used car lot at 2361-75 Cleveland-av.



Sales manager of the new firm will be Ralph Steck, who has more than 10 years of experience in the used car business.

"Here is an opportunity for anyone to buy a good used car at a very nearly wholesale price," says Steck.

All-Star Cast To Present Musical Comedy Tonight

by Larry Holmes

Imagination runs wild in the hour-long musical comedy to be presented Thursday, June 23 at 10 p.m. on Channel 10.

In "The Secret World of Eddie Hodges" a boy's imaginative mind brings him in contact with his heroes and heroines.

Eddie Hodges will play the young boy and stars such as Bert Lahr, Margaret Hamilton, Jackie Gleason, Boris Karloff, Janis Paigs and Hugh O'Brien have joined him in the cast.

Bert Lahr will portray a comic mailman who used to be a vaudeville headliner; Boris Karloff, a singing Captain Hook; Janis Paige, dancing circus queen; Margaret Hamilton, "mean old Miss Grundy" and Hugh O'Brian as the handsome Wyatt Earp. Jackie Gleason stars as narrator of the production.

When Eddie's baseball flies through the window of old Miss Grundy's house he is caught and taken into court. Eddie finds out who his real friends are in court as almost everyone comes to his defense.

As a part of the Red Cross "Learn to Swim" program conducted for youngsters, Flippo the Clown will be splashing his way across the swimming pools of Franklin County.

Flippo will be making appearances while the Red Cross instructors are teaching the kids swimming fundamentals.

Nearly 12,000 boys and girls participated in this program last year.

Classes will be broken down into beginners, intermediate, swimmers, and junior or senior life saving training according to the skill of the individual.

World middleweight champion Gene Fullmer will defend his title against Carmen Basilio in a 15-round bout on Wednesday, June 29.

Basilio will be seeking to regain the title he once lifted from Sugar Ray Robinson and to avenge a defeat at the hand of Fullmer last year in another title bout.

Fullmer defeated Ray Robinson in 1957 for the crown and in the same year, lost it back to Robinson. He regained the title last year from Basilio and since then has successfully defended it against Spider Webb and Joey Giardello.

San Francisco and Cincinnati will clash on the baseball game of the week on Saturday, June 25 at 1:15 p.m. on Channel 10.

On Sanday, June 26 at 12:15 the New York Yankees will battle the Cleveland Indians.

An hour-long musical salute to America's teenagers will be presented on "Coke Time," Monday, June 27 at 9:30 p.m.

Heading the star-studde roster will be Pat Boone, who will star and emcee the special. Other members of the cast include Paul Anka, Annette, Frankie Avalon, Anita Bryant, Edd "Kookie" Byrnes, Bobby Darin and Bob Denver.

This group of young entertainers is not only setting the standard for what teenagers like in music, but how they wear their hair.

Kookie is a steady comb user and Frankie Avalon has come up with a new twist or curl and his cry is "Combs are passee," "I don't go anywhere without a brush."

Local Men Serving On Scout Council

William J. Bauerle was re-elected president of the Central Ohio Area Council, Boy Scouts, at the annual meeting held June 7 at the Ternstedt plant.

Named vice presidents were Dr. Edward S. Chapman, George Gauthier, Ed Grigg, M. E. Sensenbrenner, Kermit Sitterley, Robert Terhune, Donald Wells and Dr. Harold Yochum. Robert Irwin was named council treasurer and Harker Hittson, commissioner.

Others from Hartley Newspapers areas named to posts include: executive board—Earl Brothers, Richard Castrop, H. A. Glascor, James Matheny, C. O. Rawlings, Ed Sloan, Stanley Smith, Jerry Spears, Jr.

Members-at-large—Judge Robert Draper, Ross Glick, Dave Goldsmith, William Kaiser, Robert Laux, Vernon Sanford and Harold Welch.

Officials Invited To Attend Clinic

City and village officials from nine counties have been invited to a grass roots workshop to be held Wednesday, June 29, at Columbus City Hall by State Auditor James Rhodes.

HAWAIIAN READING

SUMMER READING CLUB STARTS

THE ISLANDS BECKON—Some 6,000 local children are expected to take part in the Hawaiian Summer Reading Clubs at the 12 branches of the Columbus Public Library. An American flag reading plan will be offered at the Main Library only. Enrollment started Friday, June 10, in all the clubs. Youngsters who read the prescribed number of books will receive handsome diplomas. In the above photo, taken at Whitehall Branch Library, 4371 E. Broad-st, Mrs. Eunice Houck, librarian, shows some of the club posters to Frank Thurkettle, 11, son of Mr. and Mrs. Frank Thurkettle, of 4249 Doney-av, and Cynthia Walker, 12, daughter of Mr. and Mrs. William T. Walker, of 1527 Alar-dr. manding General, Columbus General Depot; President Bart Bare, 371 Beaver-av, Whitehall; first vice-president, John E. Maier, Lt.

AROUND TOWN—Pictured (top to bottom) are the three Scanlon locations—Grant and Gay, 22nd and Frebis and Main and Nelson.

IN 43rd YEAR

Scanlon's Guarantees Satisfaction

Scanlon's, Central Ohio distributors for B. F. Goodrich and Armstrong tires, is in its 43rd year of business in Columbus.

The firm was founded by James E. Scanlon, Sr., who is its president. His sons, James E. Scanlon, Jr. and Michael C. Scanlon, are associated with him in the business.

The company's headquarters is at Grant and Gay. Scanlon opened two branches this year, at Main and Nelson and 22nd and Frebis. The three locations are open every day but Sunday.

"We buy in carload shipments and pass the saving on to the customer," the senior Scanlon said. "We guarantee tire satisfaction. We sell tires with no down payment, with the first payment due in 45 days," he added. "Payments are scaled to suit customers."

The branch at 22nd and Frebis is open Monday nights, and the one at Main and Nelson Friday nights.

Scanlon's also handles Texaco products, Willard batteries and DuPont anti-freeze

Puppy Match Planned By Kennel Club

Licking River Kennel Club will hold its first all breed AKC Sanctioned Plan B and Obedience Puppy Match Sunday, June 28, in the Denison University Field House at Granville.

There will be both male and female classes for the following age groups: two to four months, four to six months, six to nine months, nine to 12 months and seniors with major points.

All pure bred dogs eligible for AKC may compete. Entries will be accepted between 10 and 12 noon with judging at 1 p.m. Entry fee is set at $1. Trophies and ribbons will be presented to winners.

An added attraction will be a parade of champions and dogs with Obedience Degrees.

Judges of the event will be Walter Schneider, Joann Trubee, Richard Trubee, Twila Miller, Wayne Miller and Jack Richardson.

If interested in receiving further information or post entries contact Bettie Burke at Pataskala 2205

Dennis Stickel Is Presenting Oil Paintings

Dennis Stickel, 10, son of Mr and Mrs. Charles W. Stickel of 487 Bernhard-rd is currently presenting his second public showing of oil paintings.

Eight canvases will be on display at the Whitehall Branch Library, 4371 E. Broad-st through the month of July.

He first attracted considerable local attention in January when his paintings were presented at a hobby exhibit of Etna Road School pupils.

All of the paintings on display were completed before his 10th birthday. The largest measures 24 by 36 inches.

Able to draw recognizable sketches since his second or third year, Dennis started taking class art lessons two years ago and was working under the private instruction of Mrs. Wilda Logsdon in her studio at 99 E. Gates-st from May of last year through this early spring. Mrs. Logsdon became critically ill at this time and had to cancel work with the young pupil.

Last Indoor Meet Held By Cub Pack

Cub Pack 424 held its last indoor meeting at the Main Street School last month.

Flag ceremony was presented by Den No. 3 with Mrs. Bristle, Den Mother in charge.

Theme for the month of May was Showboats. Each Den Mother built a float to represent her Den. A short skit in keeping with the theme was presented by each den.

Cub Master Art Swint has accepted Mary Campbell, Audrey Swint, Kathie Osborne, Mrs. John Cox and Mrs. Charles Sevy as new Den Mothers.

Each mother of the Cubs was presented a gift made by her son for a Mother's Day Gift.

Mrs. Gladys Bristle was presented her three year pin by her son for devoted services to the cause of scouting.

Eight boys were advanced in rank along the Cub Scouting trail.

Closing ceremonies were presented by Den No. 2 with Den Mother Mary Campbell in charge.

CONSTRUCTS GARAGE

Richard Froton, 3969 E. Mound-st, was granted permission to construct a frame garage.

PATIO BUILT

Rene Raymond, 233 Collingwood-av, was granted permission to construct a frame patio

Troop 1005 In 'Fly-Up'

Brownie Troop 1005 held its Fly-Up ceremony June 5 at the Whitehall Baptist Church.

The following girls passed their Tenderfoot requirements and received their Brownie Wings, Girl Scout Pin and World Association Pin: Patty Blake, Mary Jo Chase, Jane Harrison, Cathy Logan, Rosaline Nicholas, Peggy Robinette, Janice Ross, Linda Stonecypher, Kathleen Stumbaugh, Roseanna Williams, Wanda Stacy and Debby Tice.

Three other girls were unable to attend but they will receive their pins also. They are Terry Jackson, Joan Weber, and Brenda Roese.

Leaders of this troop are Mrs. Bonnie Stonecypher and Mrs. Ann Tice.

The Flag ceremony was by the third grade Brownies of this group: Linda Brantly, Sharon Spencer, Joyce Jeffers, Carolyn Miller, Cheryl Stone, Connie Logan, Patty Richardson, and Evelyn Cunningham.

Leaders of this troop are Mrs. Jean Stone and Mrs. Mary Spencer.

Raymond Boggs Gets Promotion

Raymond N. Boggs, whose wife, Norene, lives at 455 Morrill-av, was recently promoted to specialist four at Fort Campbell, Ky., where he is a member of the 101st Airborne Division.

A cook in the 101st Admin sion's Command and Control Battalion, Boggs entered the Army in April, 1957.

The 21-year-old soldier, son of Mr. and Mrs. Raymond Boggs, 1251 Perry-st, attended West High School.

ALTERS DWELLING

John H. Bell, 1349 Gravewood-rd, received a permit to make alterations on a frame dwelling. Franklin Builders Supply Company will be the contractor

Fred Shuler Is Employed By Fuel Co.

Fred A. Shuler

Fred A. Shuler, 63 Bullitt Park-pl, is now an employe of the Ohio Fuel Gas Co. as an industrial engineer in Ohio Fuel's Central District, Wilbur T. Collins, district manager for Ohio Fuel, announced.

In his new post, Shuler will work with architects, mechanical engineers and plant owners in an advisory capacity on promotion and installation of large-volume air conditioning equipment, Collins said.

Shuler was graduated from Columbus East High School in 1925 and received his Bachelor of Architectural Engineering Degree from Ohio State University in 1929.

From 1935 to 1943 Shuler held a similar position with Ohio Fuel in the promotion of gas heating and air conditioning equipment. Before returning to the gas company, he worked 11 years as a manufacturers' representative for various heating firms and two years for the Columbus Air Conditioning Corp.

Ready Court For Stelzer Land Trials

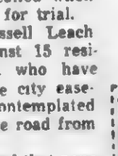
Common pleas judges have decided to hear when they're ready this summer trials involving easements on the Stelzer-rd water line route and other imperative city land appropriation cases.

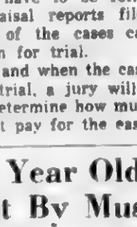
Judge Robert M. Draper, presiding judge of the court, said a trial judge will be available in addition to the normal summer duty judge. He explained that juries will be called when the cases are ready for trial.

City attorney Russell Leach has filed suit against 15 residents of Stelzer-rd who have refused to grant the city easements for the contemplated water main along the road from Morse-rd to 7th-av.

The judge explained that none of the 15 cases is ready for trial at this time. He pointed out that routine legal steps will have to be followed and appraisal reports filed before any of the cases can be set down for trial.

If and when the cases are set for trial, a jury will be seated to determine how much the city must pay for the easements.





12 Year Old Lad Bit By Muskrat

A 12-year-old youngster was bitten by a five-pound muskrat when he tried to capture it Tuesday night.

Jerry Wilson, 974 Exeter-rd, encountered the animal behind the Miles E. Main Auto Theater while returning home from a baseball game.

The youth received three stitches in his hand and was given a tetanus shot. The muskrat is being checked for rabies.

Star-Spangled July 4th In Works

WHITEHALL-BEXLEY
Eastern Review
A HARTLEY NEWSPAPER

Application to mail at second class postage rates is pending at Columbus, Ohio.

A Hartley Newspaper

2465 W. Broad St., Columbus, Ohio, Thursday, June 30, 1960
Vol. II, No. 43 — TEN CENTS PER COPY — Total No. 95

COOL WAY TO SALUTE THE FOURTH —Maybe Monday will be hot enough to make everybody wish they had a dash of the slash being doled out here by Whitehall Firefighters Paul Knoblauch and Dave Sneller. But, fun though it will be, these boys are in training for the annual water battle with other fire departments. Saluters can watch them get in the swim around 3 p.m. July 4th.

The Brothers Greely – Zet And Bob – Both Civic Minded

Greely, Greely & Greely is not a law firm but a brother combination that thrives in and around the two towns of Reynoldsburg and Whitehall.

And Dick, Bob and Zet enjoy a unique distinction—they all married Marys.

Dick, who lives in Reynoldsburg calls Mary Eunice his Mrs. Bo6, a Reynoldsburg councilman, has as his spouse Mary Frances.

A. Zettler, a Whitehall councilman, is wedded to Mary Lou.

Bob is the oldest brother at 39. He is, he says, a Democrat on a non-partisan council. He does have his doubts about running again, however, depending upon circumstances that may be created by his regeular employment as an agent with Mid-Western United Life.

Zet, as he is known throughout the city of Whitehall, also has his doubts about seeking office again. Altogether, he has been a member of the legislative body for four years, two of them as council president.

Dick, the only non-council member of the family, is an engineer on the Pennsylvania Railroad.

Zet, in referring to not seeking election again, feels that four years are enough. He stated that he thinks after four years, it would be a good time to get a new man on the scene with different ideas.

"You become too opinionated," he declared. "Before you are elected to office, the people come to you with their problems. Afterwards, they tend to shy away. They do not seek you out as freely—and you cannot fairly and adequately represent the people if they do not make known their ideas."

Zet holds a degree in law from Franklin University. He is employed as a supervisor at North American Aviation, Inc.

Zet, like brother Bob, is a Democrat on the Democratic majority controlled Whitehall Council.

Both are heads of their respective Finance Committees. For Bob it is his first year to serve in an official legislative status.

He is looking forward to the time when Reynoldsburg will become a city and has some ideas of his own on the subject.

"Reynoldsburg is in a rather unique position. We can take a look at Whitehall and say—this is what we will be five years hence. We can explore their history of legislation, and in turn, see what steps have been advantageous as well as disadvantageous to them."

"It is up to us to catch up, as far as being a city is concerned," he stated.

In explaining his ideas, Bob stated that the now-village will

Berwick Gets In July 4th Fun Groove

Bikes, trikes, rollers, strollers and wagons—that's the line-up for a neat little neighborhood Fourth of July parade being staged by the Berwick Park Civic Association.

The parade will host youngsters in all types of vehicles, with decorations to boot. Various age groups will be categorized in order to compete fairly for prizes, according to Mrs. LaRae Peters, Berwick public relations chairman.

The parade is to start forming at 9:30 a.m. in the park area at Kirkwood and Basil, Mrs. Peters said.

The various ensembles should be ready to leave for the short hike at 10, she said.

Parade route: Basil to Shamrock, to Bostwick, to Roswell, to Adair, to Gilroy, to Conway, to Bostwick.

At the end of the event, prizes will be awarded.

Dems Pick Solon

By John Poeppelmeyer

Garnon replacing Gorman in the Whitehall Democratic line-up—that's the way top Dem officials see the move at next Tuesday's council go-round.

The Second Ward Committeeman Robert F. Garnon has been slated to take over the solon post in place of Dan Gorman, who last week tendered his resignation. Gorman is leaving to take a job with RCA in Alaska.

Garnon, who lives at 4250 Mayflower, is slated to retain his committeeman post in addition to the solon slot, according to one Dem spokesman.

The machinations to move Garnon into the post will include accepting Gorman's resignation, then moving to bring Garnon behind council table.

Other pertinent council goings-on include public hearings

L. L. Gosnell Service Set For Today

Service for Lawrence L. Gosnell, 56-year-old Columbus funeral director, was to be held Thursday at 1 p.m. at the Gosnell Funeral Home, 3431 E. Main-st.

Gosnell died Sunday of a heart attack at his home at 99 Ruby-av. He had suffered a number of heart attacks previously.

Founder of the Gosnell Funeral Home in 1937, Gosnell retired last year. His son, Paul W., succeeded him as president of the firm.

He was a member of the Columbus Maennerchor, Fraternal Order of Eagles, Ohio Funeral Directors Association and Wilson Avenue Church of the Nazarene.

He was also active in the Masons and served as the first vice-president of the East Columbus Lions.

Surviving are his wife, Esther; his mother, Mrs. May Gosnell; his son; two grandsons, and a nephew.

Rev. D. E. Clay and Rev. James E. Everette were to officiate at the service. Interment was to be in Union Cemetery.

Bexley, Whitehall Set To Boom Away

A bit of the "spirit of '76" will be transformed into the "community spirit" when July 4th rolls around in Bexley and Whitehall.

Bexley will get a three-hour jump over its neighboring cousins by sounding off with a parade blast at 9 a.m. The Whitehall hike isn't scheduled to begin until noon.

But in both communities, organizers are planning the "boominest best" celebrations yet.

Fireworks are not the only item on the respective hoppers.

Contests, prizes, flag sales, dancing, talent shows— all are a part of the annual extravaganza.

In Bexley, at the wind-up of the parade, the whole days' events will just be beginning.

On tap is a salvo by the Ohio Volunteer Infantry with Civil War cannonades.

Games are being readied for everyone at the Cassingham Road football field and playgrounds. Guessing contests in addition to competition with slow bicycle races, athletic endeavors in the form of crab racing, volleyball kicking, scrambles, dashes and a nail driving contest, are but a few of the events to watch and participate in.

The fireworks display, slated for 9 p.m. will consist of 162 shells, 60 of which are being reserved on a "give-'em-all" finale.

The path of the morning parade will wind from the Maryland Avenue School, to Roosevelt-av, to Mound-st, to Cassingham-rd, to the football stadium. The parade gets underway at 9:30 a.m.

Floats are already in the progress of being put together.

Organizations sponsoring the Bexley celebration:

Bexley Band Parents Club, Bexley Boosters, Bexley Lions Club, Bexley Lions Auxiliary, Bexley Methodist Church, Bexley Post 430, American Legion, Bexley Post 430, American Legion Auxiliary, Bexley Recreation Department, Bexley Women's Club.

Christ Lutheran Church, Boy Scout Troop 166, Boy Scout Troop 198, Boy Scout Troop 234, Cassingham PTA, Christ Lutheran Sunday School, Cub Pack 9, Eastern Kiwanis Club, Maryland PTA, Montrose PTA and St. Albans Episcopal Church.

James Henley is the man in charge of the Bexley Celebrations Association. With the help of Vice-President Howard Mauger, Secretary Virginia Robbins and Treasurer Dorothy Yavitch, he plans on making the Bexley Fourth the "start of a tradition of which residents can be proud."

Whitehall's Fourth festivities will pop forth at noon, behind blaring drums and bugles at Town and Country Shopping Center.

Comrade Post, Whitehall Post 490, will be on hand to see that spirited residents can buy new 50-star flags at Eavey's.

A bike contest, kids games and contests, ball games, judo exhibitions, firemen's water contest, pet contest, square dancing and talent show will help round out the list of planned activities.

The bike contest is to start at 1 p.m. with the judo show at 2.

Firemen will get wet trying

EASTERN CIVITANS INSTALL OFFICERS

TURNING OVER THE GAVEL—That time of the year came last week when it was necessary for Eastern Civitan President Frank S. Barker to turn over his gavel to the incoming president, William R. Mnich. From left to right, at the installation dinner at Columbus General Depot, Jack H. Packard, president-elect; J. Jack Jones, Civitan Lt. Gov.; August T. Simmons, secretary; Mnich; Lt. Thomas E. Hickman, Fred F. Schroder and T. M. Rolfe, board members; Barker; Maj. Bert G. Kausek, vice-president; and George C. Lehnkuhl, treasurer.

A REMINDER—What the traditions of July 4th essentially, and originally, stand for, are being enacted by Carol McConnell as Betsy Ross, and Lutrelle H. Amrine as John Adams. They will be seen in the Bexley parade on top of the Eastern Kiwanis float. The parade is slated to start at 9:30 a.m.

C'MON 'SQUARES,' GET ON THE 'SEE-SAWS!'

Some more "squares" are needed for the "See-Saws."

That's what Mrs. Arlene Swentzel, of 1144 Oakwood-av, stated when she telephoned to report that the See-Saws Square Dance Club is seeking new members.

The group expects to be ready to start dancing in September on the first and third Monday nights. The dances are to take place at Bishop Hartley High School.

Mrs. Swentzel said that she could be contacted at HI. 2-3015. According to her, some of the outstanding square dance callers in the Central Ohio area will be featured.

So, c'mon "squares!" Get on the "See-Saws!"

Legion Post Sets Officer Installation

Comrade-Whitehall Post 490 of the American Legion will hold its officer installation at 2:30 p.m. Saturday, July 2, at post home, 11 Fairway blvd.

Ohio 12th District Commander Fred Williams and staff will install the officers.

Officers to be installed are Charles Basham, commander; John Hill, first vice-commander; Dick Hyatt, second vice-commander; George Jones, adjutant; Herman McDaniel, personnel adjutant; Herbert Taylor, finance officer; Robert Davis, chaplain; Kenneth Brittian, sergeant-at-arms, and color guard.

In Suburbia Today . . .

AUTHOR GIVES ANSWER TO CHILD CRIME

Robert Paul Smith, author of the best-selling "Where Did You Go? Out. What Did You Do? Nothing." comes along, this month, with a surprising, spirited defense of the dignity of labor at the expense of what he believes is the folly of universal education.

His proposal to limit higher education to those children who can and want to be educated is aired in the July issue of SUBURBIA TODAY, which will be included in the July 7 edition of the Eastern Review to paid subscribers.

Another feature in the magazine is a light, nostalgic account by Shirley Jackson of the day her cat Ninki gave birth to two black and two gray kittens on a comfortable corner of a brimming laundry basket.

There are 41 official rules that govern the game of golf. There are also several hundred exceptions to these rules some of the odder of which are discussed at length in "The Rules Nobody Knows," by Charles Price, editor of Golf magazine.

There is also an informative article on driveways — how to plan for the best possible one if you're building a house and how to improve one you already have. These simple instructions could add much to the value of your house and to the comfort of your family and guests.

For anyone who has ever said "send it, please," to a department store clerk there is a story about the men who deliver most of those packages — the United Parcel Service, a going concern whose familiar trucks and cocoa-clad couriers have made it almost an institutions in the minds of many people.

The food pages are bursting with pies, any one of which is as refreshing to look at on a hot July day as it is light and delicious to eat. Even the names—Lime Chiffon and Angel Tower and Canta-Lime — seem to stir a light, cooling breeze.

The other regular departments of the lively supplement include the news column, Getting Around (this month reporting on teenage beatnik parties, formal radish gardens, false teeth for cows, and the like); and Suburbia Any Day!

Hot As A 'Cracker!

Real estate slow now? Not so for the James Thompsons of 3194 Leap rd. They found a ready buyer for their three-bedroom ranch home in Hilliard. How? By advertising it in the Classified Section of Hartley Newspapers. Sales prospects are as hot as a firecracker when you use the Want Ads. Call BE. 4-1155 for help in selling your property.

Youth Chosen As Teenager Of The Year

Members of the Teenage Council, representing the 10 Columbus Jewish Youth organizations selected Stephen Levitt, son of Mr. and Mrs. Burton Levitt, 104 S. Stanwood-rd, as "Teenager of the Year."

Levitt is a June graduate of the Bexley High School and plans to attend Ohio State University this fall.

He served as president of Kappa Tau Zeta Fraternity and president of United Synagogue Youth of Temple Tifereth Israel. Also, he served as co-chairman of the Central Region USY spring board meeting and represented USY at all national and regional conventions.

Office Closed July Fourth

Because of the Independence holiday next Monday, club reporters and other news contributors are asked to send their reports to this newspaper as early as possible.

The offices of Hartley News papers, 2465 W. Broad-st, will be closed all day July Fourth and will reopen at 8 a.m. Tuesday. All photo appointments must be completed by Saturday noon.

Both classified and display advertising have also stepped up their deadlines and advertisers are urged to place their advertisements at their earliest convenience.

'Name' Athletes Invited To Anniversary Banquet

Outstanding athletes who have participated with or worked for the Columbus Recreation Department will attend the 50th Anniversary Banquet as special guests on July 18, at 6:30 p.m. in the Student Union at Ohio State University.

Some of those invited are Howard "Hop" Cassady, Jesse Owens, Dick Furry, Joe Roberts, Hank Gowdy, Jack Keller, Harold Cooper and Dr. Jimmy Hull, who will emcee the event.

Tickets may be purchased in Room, 124, City Hall.

Center Advisory Council members, members of various ole' time leagues in various sports and others interested in recreation will attend the banquet.

Summer School Kids Hot Lot

By Gwen Greenfield

"School's out, school's out!" may have been the cry of thousands of Columbus teen-agers as they dropped books and notebooks and headed for swimming pools or summer work, but for the 1,400 students enrolled in Summer School at Central High, it's just beginning.

"I like it!" said Joyce Taylor, who will be a junior at Eastmoor next fall. Joyce is returning for second year of summer studies at Central, this time for advanced work in algebra.

"It gives the kids the chance both to make-up something or to go ahead," she added.

Emil Bolden, another of her Eastmoor classmates in his first summer session, agreed with Joyce, adding, "It's fun to meet kids from all the different schools."

Forty-nine teachers were on hand Tuesday, June 21, to welcome students from all over the state of Ohio, Leslie M. Evans, Summer School principal reported.

"Most of the students are from the Columbus and Franklin County area, but as our credits are recognized throughout the State, we have students from as far as Cleveland and Chillicothe."

Contrary to fairly widespread opinion that summer school is for "dummies," Evans pointed out that 60 percent of the students this year were enrolled in advanced credit work. This trend began about four or five years ago, according to Evans. "Students have become interested in graduating with more than the minimum requirements."

Students gave a variety of reasons for working ahead during the summer. One girl said that her activities next fall conflicted with her class schedule. Another girl was accelerating to graduate in January rather than June.

"I was afraid I might not pass the course and then I could not graduate, so I thought I'd try it now," reported a teen-age boy.

Fifty classes of advanced work and 54 make-up classes are being taught this year. Special classes for 45 advanced students are also offered in a program set up at North High School. Junior high school summer sessions are being held at Champion and Mohawk.

"I have a little trouble getting up so early all year around" red-haired Troy Bauer, a West High School junior reported. "Seriously though, besides the opportunities it offers for make up work, summer school helps keep kids out of trouble. It gives them some thing to do."

Another Eastmoor student took a rather glum view of his summer school situation. "I don't like going to school all year," he said. "I could kick myself for messing around last year."

Some students viewed summer school as an opportunity for better understanding of a subject. Sophomore-to-be Pat Dale of Mifflin High School said, "I feel that concentrating on the most important points as my teachers have done here is quite helpful in learning the subject matter."

"There's no problem in recruiting a staff fc the summer session," Evans stated. "There are always many more applicants than there are positions to be filled."

One faculty member, Maurice Allgyer, is teaching basically the same eleventh grade English course that he will be teaching over WOSU-TV next fall.

Taking part in the Columbus Board of Education's first year for extensive work in televised secondary education this summer Allgyer is working with teachers from the high schools which will be involved in the program.

Summer school students may be studying, but they're not concentrating on academic life alone this summer.

Harold Hughes, a junior at East High, is doing part-time gardening work. A part-time job in a supermarket keeps West High senior Mary Van Sickle busy, while John Von ville of St. Charles High is taking time to relax and enjoy the summer along with his Saturday job.

Evans, in his third year as principal of Summer School, expressed his feeling that the national step-up in education has had a real effect on teenagers.

Evans or Eej ETA OOI NN "It shows up quite well in this Summer School. Just look at the number of students do- ever before. They realize it is ing advanced work of their own lip to them to do the work to accord. The students as a get the credit and that they are whole are more serious than paying for it."

GRANTS' NEW MANAGER

HOW DOES IT LOOK?—At left is Joe Sproviero, the new manager of Grants, Great Eastern. Sproviero has been with the W. T. Grant Company for seven years in Youngstown, Marion, Akron, Dayton and Warren. He lives in Berwick Manor with his wife and two sons, Joe and John. Pictured with him is Floyd Craft, assistant manager. Craft was at Great Southern and Great Western Grant stores before assuming his position at Great Eastern.

Police Change Age Limit, Seek 54 Candidates

For the first time since 1949 the Civil Service Commission will accept candidates for the Police Department at 21 years of age. The minimum age limit previously was set at 23 years.

Other rule changes in the last few months have eliminated the one year resident requirement within Franklin County. Applicants must reside in Franklin County if accepted for the Police Department.

There are 54 vacancies to be filled. Applications will be accepted at the offices of the Civil Service Commission, City Hall Annex.

Symphony Slates Ballet Program

Columbus Symphony Orchestra will present the Washington Ballet Friday, July 8, 8:30 p.m., at air-conditioned Veterans Memorial auditorium.

Melissa Hayden and Andre Eglevsky will be guest artists.

The program will include excerpts from "Swan Lake," "Sylvia" and "The Black Swan," and ballets, "The Chinese Nightingale" and "Hi-Spri."

Tickets are available at Summers & Son Music, University Music and Bexley Records. They will also be available at the door.

Dick Good, of South Bend, Ind., took his third checkered flag in a row Saturday night at Powell when he won the 25-lap

SUMMER SCHEDULE SET

Scottwood Junior Jets Baseballers Invite Neighbors View Games

Junior Jet teams invite neighbors to attend their league games at Scottwood Playground next week.

Schedule of games for the July 4 week is—8 and 9 year olds at 6 p.m. Tuesday, July 5, and Thursday, July 7. The 10, 11 and 12 year olds play on Wednesday, July 6, and Friday, July 8.

A horseshoe tournament will be held next week. The winners in each age group will compete in a city-wide tournament. Interested persons are to contact the playground leaders for further details.

We would like also to set up volley ball teams for the teenagers of the area. Would those interested in volley ball stop by Scottwood playground for further details.

The daily program for the playground has been established and arts and crafts for 6, 7 and 8 year olds will be held from 1 to 2 p.m. From 2 to 3 p.m. arts and crafts for ages 9, 10, 11 will be held. Story time starts at 3:30 p.m., and games will be played from 4 to 6 p.m. Physical fitness program will be held in the evenings at 7 p.m. along with tournaments in checkers, dominoes, pick-up sticks and cards for those not participating in physical fitness.

Winners of the pet show held June 22 are, prettiest, Kerry Finley, Mike Gobbel, Michele Benadom; best costumed, Mary Lou Vukovich, Gloria Pados, Timmy Kellar and Jimmy Blazer; most unusual, David Fazio, Billy Wood, Donna Bramblet.

Most obedient, Nancy McClatchy, Pam Allarding, Patty Perry; best groomed, Anita Shapiro, Fred Zimmerman, Nancy Schilling.

Smallest, Donna Bramblet, Kathy Gallagher, David Patterson; largest, Linton Kuchler, Fred Zimmerman, Mike Gobbel; cutest, Linda Vokucich, Bob Ault, Linda Sigler; best performer, Carolyn Johnston, Barbara Vorwerk, Linton Kuchler; most affectionate, Laura Caron, Kerry Finley and Ton Eslocher.

A reminded to parents and children that the playground will be closed on Monday, July 4, because of the holiday. It will reopen again promptly at 12:30 on Tuesday.

Buffing a polishing wax applied in thin coats makes it harder and drier, thus making a safer floor on which to walk, according to Extension specialists at The Ohio State University.

HUXLEY-DR KIDS HELP FUND

A VARIETY OF HELPING HANDS — The kids in the Huxley dr neighborhood decided to give Flippo's Heart Fund a helping hand. They planned and presented a colorful variety show that netted $8.50 for the fund. Costumes were supplied by Mrs. Judy Cook. Taking part in the performance (not necessarily in order) were Dave Siebert, Steve Roach, Debbie Rothrock, Charles Miner, Kathy Rothrock, Dave Roathrock, Susan Dixon, Barbara Swanson, Donna Roach, Linda Miner, Nancy Dixon and Robert Figley.

Center's Teenagers Get Ready To Set Sail

Sales were set, canoes were being readied, tents were coming out of mothballs as the Jewish Center's Tweenage department readied itself for the first session of its current camperaft-learning-skills program beginning July 5.

Counselors Mark Shapiro, Andrew Kuntzman, Carole Thall, with camp coordinator Carole Shapiro, junior CITS Cheri Papier and Cherylde Barash, began going through dry-runs of the scheduled program which will have tweens sailing, canoeing, horse back riding, and involved in tennis, drama, archery and overnight and outdoor camping and cooking.

Peggy Pierce, center aquatic director, prepared campers with qualification swimming tests that would allow them to participate in the smallcraft activities.

Registration for the second session, Aug. 2 through 22, is open and interested tweens and parents can call BE. 1-2731 for further information.

JAMES-RD SUMMER PROGRAM UNDERWAY

Playground activities at James-rd are in full swing with sports activities, crafts and skills and contests incorporated into the program.

The official daily schedule has been released. Between 1 and 3 p.m., arts and craft classes will be held. Group games at 3:30 p.m. Story hour has been scheduled to take place from 6:30 to 7:30 p.m. every Monday, Wednesday and Friday. Junior Jet baseball will be held between 6:30 and 8:30 p.m. Special playground events, such as cook-outs, dances and doll shows will also be held from 6:00 to 8:30 p.m.

Two college trained supervisors will be on duty daily between 12:30 and 8:30 p.m. to work with the children.

At present, interest is centered around the recreation department's annual Lantern Parade, which will take place at Schiller Recreation Center during the week of July 18.

James-rd has chosen the theme, "The Parade of Presidents." Each child is to choose a President of the United States to represent.

The first playground special event was a pet show held June 20. Winners of the event are: Larry Wallace, 2984 Eastmoor-dr, won the prettiest group; David Mertens, 2982 Morland-dr, best costumed; Beverly Kanyok, 873 S. Hampton, most interesting; Susan Leach, 923 Enfield-rd, best groomed.

Tim and Dick Dowdy, 910 James-rd, walked away with first prize by having the most obedient pet; Beth Butner, 2992 E. Moreland, smallest; Barry Nateman, 2984 Hampshire-rd, largest; Ricky Conte, 1091 Kenilworth-pl, affectionate; John Thompson, 2915 E. Livingston-av, cutest; Martha Sephers, 905 Barrett-rd, friskiest and Clayton Derrickson, 3013 Hampshire-rd, won with the most unusual.

Junior Jet baseball games, sponsored by Columbus Recreation Department, are played Monday through Friday at 6 p.m.

Many boys have entered the physical fitness program trying to qualify for a certificate. Previous recipients of certificates are: Phil Rothermil, 2914 E. Moreland; Dick Buehler, 1342 Millerdale; Steve Ortman, 1442 Avon-dr; Ray Reinhart, 3925 Brownlee-rd; Dave Alburn, 2616 Dover-rd and Jim Sweetmor, 1047 Waver-wy.

Krumm Park Pet Show Sets Off Activities

Krumm Park began its summer events with a pet show on June 24.

First place winners were Harriet Phillips, 18, having the largest and smallest pet; Sandy Miller, 11, most obedient; Janet Vitale, 9, most affectionate and Jerry Foster, 10, most unusual and best costumed.

A girls softball team will be organized tomorrow for girls 13 years of age and under. Practices will be held daily between 1 and 2 p.m.

The park's softball teams began playing last week. All teams will be playing at Pilgrim playground.

Boys and girls may earn a certificate of merit by entering the physical fitness program for the A.A.U. if they pass the required physical fitness test.

Politicking Ends But Incinerator Left Smoking

The hot politicking by Girls Staters living in Renner Hall on the Capital University campus may have ended as they left Sunday, but an incinerator in the upperclass men's dorm was smoking on Monday morning.

The Bexley police relayed a call to a fire squad from a passerby who saw the smoke. A patrolman found the building locked and had to beat on a rear door to rouse maintenance men. Firemen arrived and found the crammed incinerator smoking.

No fire loss was recorded by firemen who doused the smoldering remains of 1960 Girls State.

Dr. Grawey Named Works Medical Head

John D. Burlie, manager of Western Electric's Columbus Works, announced today that Dr. Gerald W. Grawey will be Works Medical Director.

Prior to joining the Columbus Works, Dr. Grawey was associated with Eastman Kodak Company in Rochester, N.Y., where he completed industrial medical training last month.

Following his graduation from St. Louis University in 1952, where he received his premedical and medical training, he had one year of rotating internship at Jackson Memorial Hospital in Miami, Fla. The next two years he ran an industrial dispensary and general medical clinic for employes and dependents of the American Cyananide Company in Brewster, Fla.

The following year and a half he spent as a full time industrial medical specialist in the jet engine plant of the General Electric Company in Cincinnati. From there he transferred to the University of Cincinnati, Institute of Public Health, located at Kettering Laboratory, and served two years there as an Atomic Energy Commission Fellow in Occupational Health.

During his training at Kettering he worked part time as an industrial physician for Proctor and Gamble and as an emergency room physician at Christ Hospital.

Also, for three months between the first and second year at Kettering, he directed the occupational health section of the North Carolina State Health Department.

Dr. Grawey and his wife reside at 100 E. Henderson-rd in Columbus.

Fairmoor Park Has Nearly 300 Youths Enrolled

Three teachers are employed for the summer months at Fairmoor Playground, supervising approximately 300 children daily in a varied sports, arts and crafts program.

The teachers, Elva Winters, Norman Preston and Richard Brown, are employed by the Columbus Board of Education during the school year.

Junior Jet Baseball League at the playground has 10 teams and will be under the supervision of Preston and Brown. Each team has a sponsor who will furnish T-shirts to its members.

According to Mrs. Winter, a four-year teacher at the playground, 50 to 100 children participate in her arts and crafts classes daily.

On June 24, a pet show was held with 25 children participating in the event.

Baseball will start Monday at 6 p.m. for eight and nine year olds and Tuesday for 10, 11 and 12 year olds.

ADDS TO HOME

Permission has been granted Mr. and Mrs. William B. Hayes, 20 S. Ardmore-rd, to construct a one-story room and porch addition. William D. Pettit is to be the contractor.

Want A Good Laugh? Try Wrestling Meets At Jones Park

By John Auble, Jr.

Sports fans who tire of watching the rugged play offered by TV hockey or the polished finesse of pro baseball have discovered, to their glee, that a short trip to Jones Park, 3800 Groveport-pk, can bring to focus an evening of siderending comedy, offered by America's most questionable sport — professional wrestling.

Jones Park is planning its grand opening June 3-4 with a free wrestling program. Thirty wrestlers are now under contract. The free show will be given in appreciation of fans that attended the park last year.

The "grunt-n-groan" boys, whose talents seem to lie in a flair for the dramatics and a proficiency in tumbling, grimace through exciting competition which somehow manages to transform even the sweetest, gray-haired old lady into a blood-thirsty, umbrella-wielding monster.

The wrestling shows (usually not advertised as "matches" by Promoter Bob Rodgers) have a large following in the Groveport and Obetz areas.

The basic success behind the popularity of pro-wrestling is an old silent movies trick. Most shows have a fair-haired hero and a down-right mean "villian," who throws away the rules of sportsmanship.

Interest is tempered by the hero's heartbreaking loss to the villian. Rematches are set and angered fans hurry back with the hope that fate will look the other way.

The test of a good college or legitimate wrestler rests with his ability to maintain a bona fide hold for a period of time.

However, in the pro ranks, a continental whirl around and outside the ring, with the emphasis on spectacular leaps and bounds, seems to be the order of the day.

Each wrestler has his own selection of holds (which are not really holds as a front row seat will clearly show).

An amazing quality of professional wrestlers is their remarkable skill at quick recovery. Sometime last year at Jones Park, a particular wrestler was injured so badly he had to be carried from the ring on a stretcher.

This was an accomplishment in itself but the villian insisted on kicking his opponent as he lay helpless, much to the dismay of irate fans.

To make things just a little more ridiculous, another wrestler, who "just happened" to be dressed in his mat togs, charged into the ring, vowing to finish the match in place of his fallen friend.

No less fascinating to observe than the wrestlers are the fans themselves. The more outgoing fan merely goes through a formality in selecting a seat, since the time spent in a seated position is practically nil.

The echo from the starting bell is scarcely quieted before the pleas for a broken arm or leg shout through the air with a fervor unmatched since patrons of the Coliseum extended their thumbs in a downward direction.

Wrestling fans are divided into two groups, the believers and the scoffers. The former will swear that everything is on the up-and-up and consider any other mat theory as subversive.

The latter group usually chuckles to themselves at the futility of the show, or if they are made of sterner stuff, attempts to question the validity of the "sport."

To be a good wrestling fan, there are certain rules which must be observed.

(1) It is obligatory to boo each wrestler that is not cheered since he is, in most cases, the villian.

(2) Referees, like their counterparts in other sports, are naturally blind and unknowing of the dastardly tactics of the villans.

(3) The referee must be informed, in full tonal range, that the favorite is being choked or that the villian is pulling the hero's hair to gain an advantage.

Please do not misunderstand. The world has a great need for all types of entertainment. Professional wrestling is one means.

Anyone who has never seen or attended a wrestling show at Jones Park has missed an experience topped only by the duffer's initial ace or a racing fan's first daily-double winner.

COUNTING THE 'DAYSIES' 'TIL CAMP TIME

IT WON'T BE LONG NOW — Columbus Jewish Center Tweenager Steve Schechter counts the "daysies" as well as the time, awaiting the start of the center's Tween Summer program. The center this year will offer an all outdoor-overnight camping program. It will introduce the skills of archery, tennis, horseback riding, sailing, canoeing and swimming. Registration is now open for two sessions: July 5 to 25, and Aug. 2 to 22. So buck up Steve, those are only dandelions anyway.

WEATHER FORCED POSTPONEMENTS

Westinghouse Has Lead In Industrial Ball Play

Westinghouse leads the first round of the Industrial League with a 3-0 mark after three week's play. Unfavorable weather and ground conditions have forced postponement of some League games.

The July 5 Lockbourne AFB-Westinghouse contest looms as a crucial first round game and could go a long way toward determining the champ. It will be played at Lockbourne.

Jim Neighborgal, of Westinghouse, continues to lead the league in the pitching department with a 3-0 mark. The right-hander has struck out 24, given up 16 walks and allowed only 10 hits and four runs in three starts.

His batting average hasn't suffered either. He is among the league's leaders. Included in his four hits for 10 times at bat are three doubles and four RBI's.

Outstanding among individual one-game pitching performances thus far in the first round is Lynn Fitzor's one-hitter against Onized Club. He fanned 15 batters in hurling Timken to an 11-5 win.

GAMES COMING UP

Monday, July 4 (non-league game): NAA vs. E. C. Jones Trucking, 2 p.m. at Whetstone Park.

Tuesday, July 5 (league): Lockbourne AFB vs. Westinghouse, 7:30 p.m. at Lockbourne; Timken vs NAA, 6 p.m. at NAA Park; Onized Club, bye.

Saturday, July 9 (league): Westinghouse vs. Lockbourne AFB, 2 p.m. at Westinghouse Park.

Two Local Boys Sent To Okinawa

Two soldiers from Columbus, Specialists Four Herbert E. Hunt and James C. Raber, are enroute to Okinawa after departing from Fort Bragg, N.C., earlier this month with other personnel from the 2nd Airborne Battle Group, 503rd Infantry.

Hunt, son of Mr. and Mrs. Bob D. Hunt, 107 S. Weyant-av, is assigned as a fire team leader in the infantry's Company E. He entered the Army in August, 1958 and completed basic training at Fort Jackson, S.C. The 20-year-old soldier is a 1958 graduate of Watkins Memorial High School. Before entering the Army, he was employed by the American Land Service.

Raber, son of Mr. and Mrs. John W. Raber, 3945 E. Moundst, is assigned as a gunner in the infantry's Company D.

Little League Given Gift

Robert Rosecrans, president of Eastern Kiwanis, has announced the gift of a public address system presented to the Whitehall Little League Baseball Park. Dr. John Lewis, chairman of the Boys and Girls Committee, stated that the gift was given toward the betterment of the WBBA Park.

that will be set up in approximately a month to decide the fate of two zoning problems.

One proposal centers around a request by the Haas Furniture Co. to rezone a little over 32 feet of land from residential to commercial for the expansion of warehouse facilities.

The other deals with the acceptance of a plat for a Main-Hamilton Subdivision. City Solicitor James Maxwell told council last week that he would like to study the form of the ordinance since it had been prepared by an attorney for the Hamilton-Main Co.

Still to come out of committee are ordinances dealing with the employment of three additional full-time firemen and the establishment of rates for garbage and trash collection.

Improvements on Yearling and Bernhard-rds still have to be considered by council. Last week, they gave the green light to improving Pierce-av.

Four Rescued

Four persons were picked up by another boat as fire destroyed a 23-foot cruiser July 22 in Lake Erie, near East Harbor State Park.

Dr. Lewis C. Pfeiffer, 1722 Melrose-av, owner of the boat, said a gasoline explosion was the apparent cause of the fire. The loss was estimated at more than $6,000.

The three others rescued in the accident were Earl A. LaValley, 2072 Agler-rd, his son, Mark, 13, and Jack Wunderle, 2689 Lakewood-dr

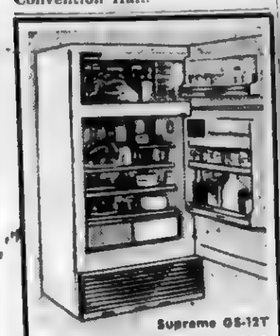
try to make the transition as smooth as possible without going into the hole financially.



He pointed out Reynoldsburg should probably instigate a Master Plan such as is seriously being considered being implemented in Whitehall. Bob also pointed out that Reynoldsburg has no charter and with one it would mean better integration of the village's polict and fire departments.

The brother's father was never elected to office, but according to Zet, he delved into politices in unofficial capacities.

So, now, the three Greely boys, with their three Marys, are left to fend for themselves in the political areas, especially as far as Bob and Zet are involved.

TRUCK LEASING, LONG SUIT OF LOCAL AVIS SYSTEM

Avis Offers Economical Leasing

Looking back over the past records of 38 years, John Brown, local manager of the Avis Rent-a-Truck System, observed that car and truck leasing, and rentals have grown to tremendous proportions.

This month, the Avis Rent-a-Truck System, located at 179 East State-st, will begin its 39th year of serving Columbus, the state, and the nation.

One of the oldest and largest concerns of its kind in the nation, the company was originally known as the U-Drive-It Company.

The operations started in the vicinity of Long and Fourth-sts and then in recent years, moved to its present location at 179 E. State-st.

Several months ago, the Avis System changed its name locally from the U-Drive-It Company to the Avis Rent-a-Truck System.

In the early years of the company the U-Drive-It Company was one of the very first of this type of business in Ohio. In addition, it originated the one-way truck rental service.

This means that a truck could be rented from the local office and may be left at any other branch in any city. At first the number of branches was limited. Today, the Avis System boasts more than 1300 branches throughout the United States offering the customer this type of service.

In a recent interview with the Columbus city manager, John Brown enumerated some facts pertaining to the operations of the local office.

"There is no reason to worry over the operation of a fleet of trucks. More and more companies as well as individuals find that through our own truck lease plan they can enjoy all the advantages of owning and operating their own trucks without any of the drawbacks of actual ownership. Lease rates vary according to the type of truck and services required.

"Present leasing plans offer tremendous advantages. You can have brand new equipment built to your exact specifications . . . size, body, paint, all exactly as you want. From then on, it becomes the Avis Rent-a-Truck System's job to keep this equipment in perfect condition and top performance, both mechanically and appearance-wise.

"License, lubrication, oil changes, insurance, maintenance, tires, and gasoline can be furnished if you so desire. All you have to furnish is the driver, who remains in your employ. Your entire cost for this set-up is established on a reasonable weekly basis."

In discussing the advantages of the Truck Lease Plan, Brown continued, "increased working capital is a great feature in operating any kind of modern business. By leasing your trucks instead of buying them, you do not have thousands of dollars tied up in equipment. Naturally, these dollars can be diverted to more profitable uses.

"Then too, the Lease Plan is a yardstick for figuring truck costs. Owning and maintaining your own fleet makes costs uncertain and variable. If operated on a close budget, unexpected maintenance or breakdown can prove very costly. With the Truck Lease Plan, you are able to pre-determine your truck costs to the dollar.

"Clerical work is cut to a minimum by our plan for any company. Avis does all the work for you. All you receive is a monthly statement itemizing all bills."

"For the move-it-yourself individual, truck rental can provide savings up to one-half and more. Once again, everything is furnished but the driver at low, economical rental rate. Tarps, piano movers, pads, planks, dollier, hydraulic tail gates, everything to make that next move easier is available at the Avis Rent-a-Truck System.

Truck rentals may be had for the hour, day, week, month or longer. Actually, it is like having a truck of your own at one-half the cost.

In addition to truck leasing and truck rental, the local Avis Rent-a-Truck System offers a Fleet Leasing Plan on cars whether one or a number is required. Corporations, companies and individuals find it comparatively easy to lease any number required. Full equipment and economy models are offered in any make, size and color.

Brown assumed the duties as manager of the Avis Rent-a-Truck in July of 1959 and prior to this, had six years experience in the transportation field.

A graduate of St. Charles, Brown attended Ohio State University and Xavier. He served with the armed forces in Germany. His residence is 256 S. Kellner.

The American Legion Urges You To OWN a FLAG -- and FLY a FLAG

• The Flag of the United States is one of the oldest national banners in use by any country. At the same time, with Alaska and Hawaii admitted to statehood, it is also a brand new Old Glory.

The adoption of the new 50-star Flag has given special emphasis to the American Legion's campaign urging all Americans to "Own a Flag—and to fly your Flag." If you own a Flag, pledge now to fly it. If you do not own a Flag, your local American Legion Post will be glad to supply a good Flag at a reasonable cost.

Fly Your Flag On These Patriotic Days

★ February 12—Lincoln's Birthday.
★ February 22—Washington's Birthday.
★ Third Saturday in May—Armed Services Day.
★ May 30 — Memorial Day (half staff until noon).
★ June 14—Flag Day.
★ July 4—Independence Day.
★ September 17 — Constitution and Citizenship Day.
★ November 11—Veteran's Day.

Put Safety First When Your Family Goes Boating

INSIDE ON THE **Outdoors** By ROD COCHRAN

SAFE FAMILY — Life jackets on the youngsters and an experienced skipper are two important factors in keeping boating a safe sport. Giving your children experience in handling a boat is also a wise practice.

* * *

If yours is a growing family it's likely one or more small fry will be aboard the family boat for the first time this year. This is a good time, then, to remind parents of these midget mariners that the kids should start out with a sure understanding of a few simple safety rules.

* * *

First and foremost, make it a rule that the younger children must wear life preservers every second they're in the boat. And by younger children we mean every person who is not a good swimmer, which will probably take in some passengers who are not so young. New watercraft regulations make it mandatory this year for all children under 10 to wear life jackets at all times in boats less than 18 feet in length.

* * *

The new life jackets designed for youngsters are light and colorful. They will soon get used to wearing them and your peace of mind will benefit.

Horseplay has its place in the backyard, but not on the water. Explain to the kids that confined deck areas or cockpits do not permit them to cut their customary capers. Ask them to walk, not run; fish, not fight.

At a surprisingly tender age they will be able to absorb many bits of nautical lore. Encouraging this knowledge of the water is the key to safe boating.

Supervise Young Pilots

Modern motors are controlled by just one lever. Since they are a lot easier to operate than the family car, teenagers are naturally eager to take the controls. By all means let them handle the boat, but under your supervision. They should be made to understand that operation of the faster, more powerful outboards is something they shouldn't undertake on their own.

A thorough understanding of watercraft regulations should be part of a youngster's training as he progresses with water sports. Learning to handle a boat should be similar to learning how to drive a car—a period of apprenticeship with an experienced skipper aboard, and a knowledge of regulations.

Water sports, boating, fishing, water skiing, etc., are not dangerous. They are like hunting, in that they are not dangerous if practiced in a wise and safe manner.

Your youngsters are among the luckiest kids imaginable, with a boat in the family. They will enjoy boating all their lives.

Help them to a good, safe start.

THE MODERN KID

Two first-graders stood talking in the school playground during recess when a jet plane flew over. "Look at that," said one. "It's a BX-50."

"No, a BX-51," commented the other. "You can tell by its wing sweep."

"You're right," conceded the first youngster. "But it's not going more than 760 miles per hour because it didn't break the sound barrier."

The second lad agreed on this point and remarked, "It's amazing the pressure that develops on those planes when they go into a dive—almost 1,200 pounds per square inch."

Then the school bell rang indicating the end of recess and the first boy sighed, "Let's go back and finish stringing those darn beads."

A mystery - detective series, "Diagnosis Unknown," will replace "The Garry Moore Show" for the summer, on Channel 10.

Chester Morris will star as Detective Captain Max Ritter on the program that will begin on Tuesday, July 5, on Channel 10.

Morris' most recent role was in the "Detective Story" in which he portrayed the ill-fated Detective McLeod. In action pictures he is best known for the series in which he starred as "Boston Blackie."

Play of the Week will present "Tiger at the Gates" on Saturday, July 2, at 11:30 p.m. over Channel 10, with stars Nina Foch, Arthur Treacher, Martin Gabel, Bramwell Fletcher and Lucen McGrath.

The plot is that of the efforts of Hector to stop the Trojan War. He convinces warrior Ulysses that to battle would be insane, but fails to reckon with the selfish interests of others.

Poets want war to compose great poems and kings want war for glory. Important people have a self-centered stake in the conflict.

Japanese beetles feed on foliage, corn silks, and especially roses. DDT gives best protection of foliage but does not prevent beetles from entering buds. To protect flowers use 1 percent rotenone dust on a day to day basis, say Ohio State University Extension entomologists.

Each one of Radio Free Europe's programs beamed to its target countries behind the Iron Curtain, is broadcast on several frequencies simultaneously in order to outwit Soviet jamming attempts.

Radio Free Europe's central newsroom in Munich, Germany, compiles 350,000 words of news and information a day. This is done to break the Communist information monopoly behind the Iron Curtain.

SENORS, SENORITAS AT FAIRWOOD

OLE!—During the last few days of school, a variety show was held for parents and students at Fairmoor Elementary. One of the acts consisted of this group of muchachos and muchachas. From left to right, standing, Shalley Hennis, Marc Carroll, Karen Bender, Phil McKenzie and Janice Kauffman. Sitting prettily are Jodie Delorme and Anne Pryor. The scene was enacted from a third grade reader, "The Story of Friendly Village," according to Clair Touby who directed the group.

"How About CHILD LABOR Instead of CHILD CRIME?"

By Robert Paul Smith

Author of "Where Did You Go?" "Out" "What Did You Do?" "Nothing"

One American dream—somewhat neglected today—the dignity of labor. Is this famous author (and father of two boys) really turning the clock back when he attacks enforced education at the high school level?

Or is he bringing some new thoughts to bear on a problem that concerns everyone, young people most of all? Read this thought-provoking article in the

Bexley, Lex Mayers Get Together On Traffic Woes

By John Poppelmeyer

Bexley Council skimmed through a raft of correspondence, took no official action on ordinances and adjourned a half-hour after it began Tuesday night.

Letters included garbage being strewn on private property, a local movie theater, Capital University housing and the improvement of Gould-rd.

Lex Mayers, of Lex Mayers' Chevrolet Co., appeared in council chambers to assure solons that traffic congestion will be kept at a minimum during his July 4th fete.

Apparently, Mayers' Memorial Day extravaganza drew far more people, ("around 10,000," Mayers asserted) than he had anticipated resulting in traffic tie-up at the intersection of Rt. 33 (College-av) and Rt. 40 (Main-st).

Mayers told council that this time he had hired off-duty police to maintain the flow of traffic.

Mayor William Schneider told council that the State Highway Patrol had contacted him on the matter, and had issued a warning that traffic tie-ups would not be tolerated.

A resident along Sherwood-av wrote council that employes from a nearby business concern had been strewing rubbish and litter on his property during noon lunch hours. He requested that "no-parking" signs be erected.

Schneider advised council that "no-parking" signs would not be a deterrent, "The employes would simply move to another area," he commented.

Solons deemed it advisable to contact the business concern and leave the matter up to the concern to consider.

The current engagement at the Bexley Art Theater was the point of interest in another communique to council.

The letter stated that "The Immoral Mr. Teas," was "vulgar," "cheap" and "offensive." The party writing the letter stated that she and her husband walked out after viewing the film a few moments.

Schneider in a return letter told the letter writer that he had not seen the movie and that he "did not intend to."

In referring to a request by the letter writer to control the type of movies to be seen in the City of Bexley, Schneider answered that there is no way of controlling such things without involving censorship.

He suggested that "good people ought to organize and stay away from them."

Capital University Board of Regents, in a letter to council, stated that in regard to fire law, no Capital student will be allowed to be housed on the third floor of private residences off campus.

City Solicitor Howard Park advised council that on July 12, a public hearing has been scheduled to discuss a request by Capital officials for rezoning.

City Worker Asks Impartial Trial Board Appointed

John G. Turner, senior personnel technician of the Municipal Civil Service Commission, has appealed his dismissal and asked the commission to appoint an impartial trial board to hear his appeal.

Turner was discharged June 17 by the commission on charges filed by Gale L. Reeder, commission secretary and personnel director.

Turner asked the board to step aside and approve the appointment of a five-man board to hear the case that is set for Friday, July 1, at 10 a.m.

July Fourth Fun On Tap At Norwood

Firecrackers are illegal in the state of Ohio, but a bang-up Fourth of July weekend is on tap for visitors at Norwood Amusement Park, 2025 E. Main-st.

A thrill-a-minute is offered for riders of the newly-reopened Speedway ride, while tinier tots will get a bang out of riding the other 18 rides on the park grounds.

Picnic parties will be welcomed at the park's picturesque picnic grove, which features two shelters, shuffleboard courts and other entertainment facilities for the entire family and private parties.

Registrations are still being taken for the local eliminations of the miniature golf regional championships, another exclusive offering of Norwood Park.

Hospital Names Dr. R. B. Cross Chief Of Staff

Dr. Robert B. Cross, 2425 Bryden-rd, was elected chief of staff of Doctors Hospital at a meeting of staff, graduating interns and residents last Thursday night.

Other officers installed included Dr. Ralph S. Licklider, 2375 Tremont-rd, chief of staff-elect; Dr. Robert E. Mauger, 2390 Edington-rd, vice chief of staff; Dr. John M. Schott, 765 Reinhard-av, secretary, Dr. R. G Reesman, Lancaster; Dr. Max Reed, 4202 Fairfax-dr, and Dr. M M. Mastel, Baltimore, executive committee members.

Fourteen interns and four residents were honored upon completion of their training. Dr. Ralph E. Dwork, state health director, was the principal speaker.

MAXWELL LASHES AT DEMOCRATS

He Doesn't Like Move To 'Usurp Exec Powers'

The Democrats and Jim Maxwell—Whitehall City solicitor—are having a go at it again

For once, however, no words were exchanged in a verbal manner. Everything has been written down.

The Dems Tuesday night offered an ordinance to employ legal counsel to advise them on legislation necessary to carry out recommendations submitted under the Master Plan

Maxwell didn't see the ordinance, he says, until it was handed to him to approve as to form. He didn't!

Instead, along with his disapproval, he handed council a two-page brief denouncing them as "power mad dictators" and stating that they have no appreciation or understanding of the principle of American Government—"that it is a government of laws and not of men."

The Democrats do not feel that they are usurping Maxwell's power, they said. They

Garnon Voted Into Solon Spot

Bob Garnon was seated peacefully as Whitehall's new Democratic council member Tuesday night.

The anticipated opposition from Republican stalwarts failed to materialize as Garmon was named in a 4 to 2 straight party line vote. The new solon fills the vacancy created by the recent resignation of Dan Gorman, who is on his way to Alaska.

The Republicans did beat the Dems to the punch, however. Ray Shipley introduced the name of Kenneth McIntosh for nomination as soon as entries were opened.

A. Zettler Greely entered Garnon's name, and from then on the slot was decided.

Garnon, who is also second ward committeeman, is expected to resign that post in favor of Henry Maxfield. Maxfield's wife served on council last term.

Republican Shipley was one of the first to welcome Democrat Garnon aboard. "You have had my highest respect for a long time," Shipley said. "And you are filling the shoes of a guy who has really done a job for the city."

Spruced Up Garbage Can Lends Cheery Air To Trashman's Visits

Trash collectors have something to look forward to in Whitehall as they make their usual rounds.

Not all of the garbage cans they are apt to come upon are the old, rusty, moldy type—not when they hit the residence of Arthur Reddy at 364 Pineview.

Reddy, who is the head of the city's fire department, thinks that trash collectors should be allowed to look upon pleasant sights.

He applied his dexterity with the paint brush to a newly acquired garbage can—viola!—a modernistic, red-veined eye, surrounded by white and specked with black and red squares now greets Reddy's collector.

Reddy admitted that he painted the can with tongue-in-cheek

"It must provide a discouraging outlook on life for a trash man to see rusty garbage can after rusty garbage can." Reddy's idea is to put a little spice in the life of his trash collector

Not only that, but the fire chief would like to see the idea expand throughout the community.

"Maybe," he said "it would be such a thing that it could build into a contest for the best decorated garbage can—with prizes and trips to famous art museums in the world."

Reddy said that the idea to paint a garbage can is not original. "I saw a fellow do it in New York about four years ago, and took the cue from him."

Reddy admits that he is not a modernistic painter. "I don't even know what the design on my can is supposed to represent."

Whether with tongue-in-cheek or not, at least a garbage can to one individual is a unique piece of furniture.

And, it is hoped that the dull routine of a trash collector's life has been sprinkled with a small amount of happiness, a la Reddy.

Swim Pool Regulation Gets Study

Most of Whitehall's Council meeting Tuesday night consisted of legislators droning their way through a 20-page revision of the city's criminal code.

The reading required under law was handled by a number of legislators spelling each other. Time required for the official act, a little over an hour.

The big hit of the evening turned out to be a Zettler Greely labeled "bath-tub" ordinance.

The bill actually dealt with the regulation of swimming pools in the city, but the wording (a swimming pool is defined as a body of water either indoors or out being over 12 inches in depth) caused Greely to utter that he couldn't go along with an ordinance that could include bath tubs.

When the part requiring a six foot fence to be constructed, was reached Greely, in an aside to Orton Davis, whispered, "I refuse to put a fence around my bathtub."

Council's main objection to the ordinance, requested, so City Solicitor James Maxwell said, by building inspector, "Hap" Martin, stemmed around the depth of the water that would define a pool as a pool.

Maxwell told council that it was up to their discression to amend any part they feel could not be enforced.

Solon Dick Evatt also objected to the ordinance on the grounds that "According to this, we would keep out commercial swimming pools."

Under the ordinance it would be required to ask for fees of $7.50 to cover inspection of the first 500 square feet; another $7.50 for the second 500 square feet, and a fee of $5

Meeting Changed

Whitehall Council will meet in a special session Tuesday, July 12. The meeting place has been changed, however.

Council President Ted Willis reported that the session will take place in the library at Whitehall-Yearling High School at 7:30 p.m. Previous committments by Beechwood School officials caused the location to be changed, Willis said.

ALONG SCHOLAR ROAD

SOMETHING FOR THE GIRLS AND PARENTS TO FIGURE ON

BY JOHN POEPPELMEYER

How does the figure 36-26-36 strike you?

Well, then take another look at this one: 2753-2875-5628

The latter one may not bring to mind the identical picture of the first one, but nevertheless it does represent an interesting measurement for Whitehall—and especially to and/or for the girls.

The last figure, 5628, represents the total number of boys and girls within the city's environs from age minus one year to age 17, inclusive

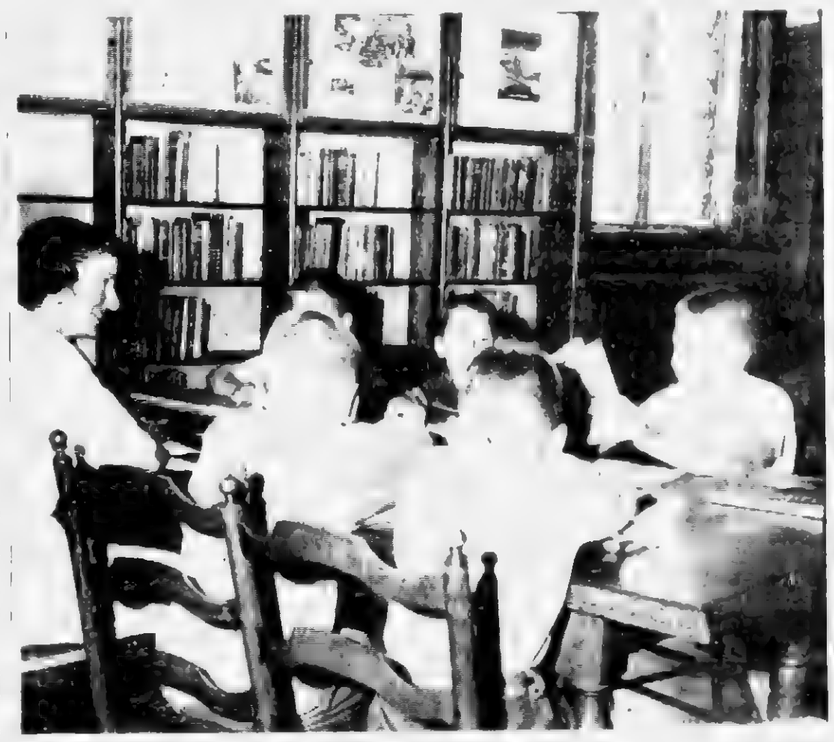
The first figure, 2753, represents the number of boys within this age category. And the middle one? Well, how many sexes are there?

These interesting set of figures and more to come, have emerged from the office of Roy Blosser, at Whitehall High School.

In addition to a host of other jobs within the system, Roy also has the duty of keeping a running census of preschool and school age youngsters. As of May 1960, there were 5628 Whitehall youngsters that fall within the age classification described

But, look again! Does it begin to register that there are more boys than girls enumerated? There's a warning here somewhere for somebody, but for which of the sexes, it would be hard to say

For the parents too, there are some interesting outlooks to keep in mind, as detailed by the report



For instance, in age groups 12 through 17 can be found some 1637 youngsters

In comparison, on the way up through the ranks, is coming the two to four age groups. Their numbers total 1916. Quite a hefty figure for a three-year spread compared to the 1600 figure over a six year one

Another three-year age group that draws attention is the five to seven year olds. Their number also is larger than the 12-17 group with a total of 1752—and that number does not include the number of Catholic youngsters among the five to seven year olds.

By adding in the children who are or will be attending

LIBRARY FUN—Mrs. Grant Price, children's librarian at Bexley Library, and one of her groups of young readers, the "Six Jerks." The boys arrive once a week to report on what they have read. According to Mrs. Price, and the boys, it's "Fun With Books," that counts.

IT'S FUN WITH BOOKS AT BEXLEY LIBRARY

Youngsters Enjoy Reading Clubs

When the "Six Jerks" and the "Nameless Nine" get together, anything can happen in the world of literature—but most of all fun

For that is the theme of the Bexley Library Children's Reading Clubs, "Fun With Books."

The legions of inventive named groups, among them those same "Six Jerks and Nameless Nine," hop over to the library once a week for a half hour to critique a book each has read during the week

Mrs. Grant Price, children's librarian, is in charge of the program. Youngsters are expected to read a certain number of books during the summer in order to receive a certificate at the end of their readings.

"We encourage the boys and girls to continue reading during the summer," Mrs. Price said, "and to have fun while doing it."

Each child is expected to read up to his or her ability, she added. Girls go in more for fairy tales, then graduate into fantasy stories.

"Boys, of course, enjoy sport stories. All of the children appear to like biographies."

Approximately 90 children altogether take part in the reading clubs. Youngsters entering the third grade this fall are the youngest group eligible. The upper age limit extends to seventh graders.

They have formed their own groups with such additional names as "Wildcats," "Wanderers," "Indians," "Half-Pints," and the like.

The program Mrs. Price said, is in its third year.

In contrast to what some may think, Mrs. Price points out that television actually encourages children to read.

When Walt Disney's "Swamp Fox" hit the screen, Mrs. Price explained, "we had a run on books about the life of Francis Marion."

Each youngster is expected to read a book a week, then give a resume of what he or she has read.

Some of the groups contain only girls, others only boys, while some are mixed, Mrs. Price said.

In addition to the young reader groups, a story hour is held each Wednesday at 10:15 a.m. Stories are told and a film is presented. The story hour is set up to include youngsters of 4 years and up, Mrs. Price said.

For Bexley children, learning of the "wonderful world of books," is not being left to chance—especially when there's fun to be had.

It's Nothing But Accolades For The Big Fourth At Bexley

Accolades were swirling skywards like skyrockets after the first parade ever in Bexley July 4th.

The City's pride was flamed anew at the end of a gala Fourth of July celebration.

Parade and city officials, those who took part and those who just watched, were enthused over the day-long events of activities.

But the biggest accolades must go to the parade itself and to the floats.

From the winning float on down the line they could all be called successful Eastern Ki-

(Continued on Page 9)

wanis with Lutrelle Amrine and Cathy McConnell portraying John Adams and Betsy Ross, respectively, won the Franklin Federal Savings and Loan Association's rotating trophy as the best in the parade.

First honorable mention went to a neighborhood float, "Crew in the Shoe," depicting the "old lady who lived in a shoe."

Second Honorable mention was awarded to the Junior Luther Leaguers of Christ Lutheran Church.

But nearly stealing the scene was J. B. Legg who appeared as a surprise element dressed as Dr. Barabra Moore, the itinerant vegetarian who not too long ago wended her way through the city.

Other highlights: one float was prepared in honor of the mayor who said that he was "surprised and honored."

Lex Mayers bear appeared in a convertible.

And the weather was perfect for the largest and finest fireworks display ever, according to James Henley, president of the Bexley Celebrations Association.

Parade Marshal Howard Mauger exclaimed that "with the limited amount of time we had to prepare, everybody did an excellent job." He especially praised and thanked everybody that helped in any capacity.

Mayor William A. Schneider added that he expects "people to be fighting to participate next year." He thinks the fine works display was the "best I've ever seen."

Henley promised that his group would have an even bigger and better fourth next year. He added that "Mauger did a tremendous job."

Judges of the parade were Frank Koebel, Rev. Richard Powell, Richard Bauer, Mrs. Mike Herrel and Mrs. Wendell Holt.

Responsible for the winning Kiwanis float were Jim Carney, Tim Leonard, Harry Marsh,

June Grad Of Bexley High Dead At 17

Seventeen-year-old Jeffre H. Papier will not be continuing his academic career in the college of his choice this fall. The June graduate of Bexley High School died Friday, July 1 in White Cross Hospital following a long illness.

He was the son of Mr. and Mrs. William Papier, 1023 S. Remington-rd. Mr. Papier is director of statistics, Bureau of Unemployment Compensation.

Regarded as a brilliant student, Papier was the winner of a National Merit Scholarship Certificate. He was also the recipient of Bexley High Achievement Awards in scholarship and math and an Ohio State University Scholarship Award.

Papier was a member of the National Honor Society, Quill

Bexley High School Addition Faces Delay

The addition to Bexley High School "just isn't coming along," Dr. E. D. Jarvis, superintendent said this week.

He wouldn't even hazard a guess as to when it would be completed.

"We may be able to use two or three classrooms on a temporary basis by the time school opens in September," he said. "I hardly know how we could start without them."

He added that all the school board gets is smiles and assurances. Original date of completion was to have been Aug. 1. The main body of the addition is to consist of a gymnasium with a seating capacity of around 2,000, according to Dr. Jarvis.

He hopes that the building will be completed around the end of September, but expects that the gymnasium will not be ready until 30 days after that.

No formal dedication services are slated, he said. An open house however, will probably be scheduled for sometime in November, Dr. Jarvis said.

Construction began in July 1959. The steel strike intervened and the contractor was given a two month extension, Dr. Jarvis said.

The addition is being paid for out with last year's approved $795,000 bond issue. Also to be included in the project will be a hospital suite, administrative headquarters, science rooms, dressing rooms, showers and space for a study hall adjacent to a library, along with nine classrooms, according to Dr. Jarvis.

Bexley's next school board meeting is slated for July 21. At that time, the board hopes to be able to approve final action on its research study idea, Dr. Jarvis said. One unnamed district has yet to be heard from on the project, he stated.

Purpose behind the project, Dr. Jarvis said, is to purchase the services of a good graduate student to provide some needed research for the districts involved.

Dr. Jarvis would like to see the study get underway as soon as possible.

Board members will take a vacation from policy making for a month. No meeting has been slated for August.

CHARGE IT—You can "charge it" now at J. C. Penney's store at Town and Country Shopping Center. First to take advantage of the new service were Mr. and Mrs. Earl R. Veerhees and children, udith, John and Jo Ellen, seen with Don Hiebel, assistant manager. The credit department opened for business July 5, and applications are being accepted now.

AFTER 56 YEARS . . .

Penney's Stores Begin Credit

Charles Collins, manager of the J. C. Penney Co. at Town and Country Shopping Center, announced today that his store began to offer credit facilities to customers on July 5.

The Penney credit plan will make available to customers the newest type of charge account in both Penney's charge account and the Time Payment Plan.

The Penney's charge account is a 30-day plan which makes it possible for a customer to pay an account in full within 30 days of billing date without a service charge. It also provides an option for customers who wish to spread payments over a longer period. Each month a bill is received the customer can pay it in full, without service charge, or pay a designated amount and extend the balance over a longer period. Minimum amounts vary from one-fourth to one-sixth of the total bill.

The Penney Time Payment Account is designed for higher-priced apparel with a unit price of at least $49. For those accounts the minimum payment will be $10 a month and the account may extend to a maximum of 10 months. Home furnishings items with a minimum unit price of $30 may also be purchased on a Time Payment Account. For these accounts minimum payments will be $5 and accounts may run to a maximum of 18 months.

The store manager emphasized that the credit plan will in no way change the compuany's long-standing, low mark-up po- continue to make their purchases on a cash-and-carry basis.

Penney's first started their credit operations in 1958 with 24 stores after 56 years of operating on a strictly cash-and-carry basis. In 1959, 169 more stores were added to the group. By the end of 1963 all of the nearly 1,700 Penney stores throughout the country are slated to offer charge accounts. About 600 stores will be offering credit by the end of 1960.

Read About Barbecues Here In Cool Comfort

The Shepard Branch of the Columbus Public Library, 2185 E. Fifth-av, has announced that people can select books and magazines in the cool comfort of brand new air-conditioning which has just been installed.

Summer hours are now in effect: Monday, 9 a.m.-9 p.m., Tuesday-Saturday, 9 a.m.-5:30 p.m

With the coming of warm weather, many people in Columbus have moved out into their backyards and patios to enjoy the first of the season's barbecues

Shepard has some excellent books on backyard cooking, as well as books with helpful hints on the construction of barbecue pits and outdoor fireplaces.

Better Homes and Gardens "Meat Cookbook" has a wonderful section called "It's Barbecue Time" and Jim Beard's "New Barbecue Cookbook" offers many tempting recipes and ideas.

Another good book to explore is Oetting's "Camping and Outdoor Cooking."

Arthur Lawson's "Fun in the Backyard" and Albert Ostrow's "Planning Your Home for Play" give many excellent ideas for outdoor living.

Bring the children with you and let them join the summer reading club with its theme of "Hawaii." They will enjoy seeing the list of books grow when they add them to those they have read and kept count of in their reading club folders. And they will be proud to show their reading club diplomas to their teacher, at the end of the summer, showing the number of books they have completed.

Let the entire family enhance the summer fun with good summer books

Continuing Committee Takes Over 'Y' Work

The Joint YMCA-YWCA Expansion Program which ended its second phase officially on July 1, was highlighted by a luncheon meeting at the YWCA, on June 28, at which time the director of the campaign, A. E. Rowe, announced that the drive has reached the $2 million mark, although still short of its goal.

Noting that the 7-in-one campaign is a complex operation, Rowe said that as of the hour of reporting, the books show over $1.7 million on hand. A careful estimate of the Citizens Accounts, the Womens Citizens Committee pledges for the fall from large organizations, and the Commercial Divisions still reporting, indicates that "a fair picture" by conservative estimate is not less than $2,043,000 of the $2.5 million goal.

"We have known for some time," said Rowe, that all the results of this campaign could not possibly be in by June 1—or July 1, and some not until almost the end of the calendar year. Cash and pledges in varying amounts from small bills to quite large sums are coming in each day. Some of these are from individuals, some from large firms and organizations. It is not always possible to arrive at a definite figure under such conditions, but we feel that the public should be informed as specifically as possible of the details, for the public has supported the campaign faithfully and will receive concrete benefits from the new neighborhood Y's almost immediately after building, and from the proposed YWCA residence hall."

Eibling Heads Committe

Dr. Harold Eibling, president of the YMCA Board was unanimously elected permanent chairman of the Continuing Committee.

The Continuing Committee includes:

For the YWCA: Mrs. Herbert S. Cook, 110 Park-dr; Mrs. Harrison Sayre, 264 N. Drexel-av; Mrs. Harold Schellenger, 4554 Starrett-rd; Mrs. Norman Nadel, president of the YW Board, 312 Blenheim-rd; Mr. Oscar Thomas, member of the YW Advisory Board, 4000 Lyon-dr; Miss Florence Worrell, executive director of the YWCA, ex-officio.

For the YMCA: E. C. Ninde, 1501 Spring Hollow-dr; R. L. Hepner, chairman of the South Side YM Board, 991 Bulen-av; A. P. Bentley, chairman of the Spring Street YM Board, 319 Sherborn; J. Philip Gibbs, 519 Richards; Dr. Harold Eibling, 255 Ceramic-dr; C. J. Dyer, general executive of the Metropolitan YM, ex-officio; Frank M. Shelton, assistant general executive of the Metro YM, ex-officio.

Campaign Chairman Ninde's motion that the YM and YWCA boards give immediate consideration to needed construction projects within the limitations of present funds was unanimously carried.

Records of the campaign were transferred to the YMCA offices from Campaign headquarters in the YWCA. Dr. Dyer, general executive of the YM, is taking over remaining business except for the "Shares for Shelter" part

A DUFFER'S DREAM

Wow-eee, It's A Hole-In-One

By John Auble, Jr.

A racing fans daily double or a golden glovers first knockout are sporting world thrills that come along about once in a lifetime.

An East Side man, Edward Pirik, of 3846 Conway-dr, was on the receiving end of one such thrill, however, when he grabbed a hole-in-one at Olentangy golf course.

"I was dumbfounded," he said. "I've only been playing golf for the last couple of years."

This is how it happened:

Pirik, 27, was playing his usual Monday morning Gasco Golf League game at the Olentangy links with a couple of team buddies, John Cushing and Bud Lane.

"My game was going a little better than average," he said. "I birdied the 14th hole and hit a few on par."

It was on the 15th green, using a five-iron, that Pirik hit for hole-in-one honors. "The tee is elevated," he stated, "and we could see the ball go in the hole—142 yards away."

Pirik plays on a team known as the Handicappers in the Gasco League and is currently attending Ohio State University. He graduated from Columbus South.

"I used to watch pro golf on television," Pirik said. "I picked up a few pointers from the play-for-pay boys, but I never took any lessons. A few advanced golfers in the league gave me tips, though," he explained.

Pirik's wife, Marianne, has a cousin who is a professional golfer in Fostoria. Pirik, himself, does quite a bit of practicing at Raymond Memorial and Lockbourne golf courses.

"My wife bought me a set of golf clubs for Christmas in 1958," Pirik added. "My daughter, Ann Marie, three, plays around with them quite a bit. I think she might turn out to be quite a golfer." Pirik has a younger son, Michael, one.

About golf, Pirik said that he has always liked the game but never had the opportunity to play it as a kid. "I'm still having trouble with chip shots," he said.

"When I hit the ball off the 15th," he related, "it felt good. I figured that it might come close to the pin—but just close. I never thought that it would drop in."

As for advice to other duffers, Pirik offers these words: "Don't try for a hole-in-one everytime."

Says He Used A 5-Iron
. . . "I was dumbfounded."

Suburban Swim Competitions In Progress

Schedule for the Suburban Swimming League contests for the next two weeks is as follows:

Thursday, July 7 — Hilltop at Jewish Center; Twin Towers at Swimland; Hilliard at Aqua-Marine. Tuesday, July 12 — Aqua Marine at Twin Towers, Jewish Center at Swimland; Hilliard at Hilltop. Friday, July 15 — Hilltop at Aqua Marine, Twin Towers at Jewish Center, Swimland at Hilliard.

Team coaches are Mrs. Joanne Awe, Swimland; Ronald Bolin, Hilliard; James Stevens, Hilltop; Earl Allemon, Jewish Center; Mrs. Gladys William son, Twin Towers; and Larry Harris, Aqua Marine.

WHAT A SPOT FOR A COMMERCIAL

UPSY-DAISY—When two lovely lasses stretch out in their bathing suits for the golden glow treatment from Old Man Sun, you can almost imagine the serene scene about to be shattered by the booming voice of an announcer plugging the wares of a new sun-tan lotion or a spot placement for a new women's electric shaver. But oblivious to any outside interference are these two at Whitehall's Swim-Land.

Parents Invited On Trips

Parents are invited to take advantage of the Trailer-travel trips offered to Tweenagers of the Jewish Center so that they too might gain the experience of overnight camping, staffer Paul Rosenmeld announced last week.

The program, being offered to junior high schoolers, gives experience in outdoor cooking and general campcraft, also.

Trailer-travel trips offered will leave on July 29 for Blue Rock State Park and Aug. 12 to John Bryant State Park, Yellow Springs, O.

The Tween program will offer tweens and their parents a chance to participate together in these trips headed by the Center's Mark and Carole Shapiro. The Center will supply the transportation, equipment and food for the all inclusive fee of $15 per person.

Each trip has accommodations for 12 campers. Parents could take other youngsters as long as one is a tweenage group member in the sixth, seventh or eighth grades. Interested outdoor-enthusiasts are asked to call BE. 1-2731 for further information.

CARD OF THANKS

We wish to thank the many friends, neighbors and relatives for their kindness and floral offerings at time of the death of our beloved husband and father, Carl Dalton; also the American Standard Co., the VFW Post No. 8794, and Cook and Son Funeral Home, Dr. Diltz and Rev. Risch for his consoling words.

Jewish Center Girls Camp Out; Prepare For Tweenage Counsel

On Saturday, June 25, Cheryl-dee Barash, 1045 Greers, and Cheri Papier participated in a counselors orientation session overnight conducted by the Jewish Community Center for junior counselor - in - training tweenagers. This was held at the campsite of the United Community Council, near Zaleski State Park.

It was in preparation for the Tween Summer Skill-Camping overnight program to be held at the end of the first (July 5-25) and second (Aug. 2-22) sessions. The counselors who went along were Paul Rosenfeld, the Jewish Centers' Tweenage Director, Carol Shapiro, Tween Camping Program Director, Mark Shapiro, Andrew Kunzman and Carole Thall.

When the girls arrived at their destination Harry Feldman, executive director of the Recreation Division of the United Community Council, met them and directed them via a tractor to our campsite in the woods. The campsite area was in a clearing on a hill overlooking beautiful scenery.

They had a meal of steak, corn on the cob, carrots, celery strips and tomato juice.

After dinner they changed into something warm because it gets chilly as the sun goes down. Then they gathered around the campfire and heard an interesting talk on outdoor living by Feldman.

He described the five main areas of outdoor living which were 1) housekeeping — outdoors; 2) exploring; 3) conservation; 4) nature lore; 5) and nature's way of living. He also related the basic rules of camping — safety and care of the outdoors, leadership and conservation.

The girls slept in tents with gedrolls on air mattresses. After eating breakfast they went exploring and got back to camp weary, after a long walk discovering many of nature's wonders. They discovered that they were really in a huge outdoor classroom and were amazed at the comparison of how they fitted into the "nature-al" pattern.

They then went swimming in Lake Hope and returned to the campsite to leave for home after a hearty lunch.

Party Boating On Lake Erie Offers World Of Enjoyment

INSIDE ON THE Outdoors
By ROD COCHRAN

Many people in this area have been hesitant the last couple of years about going to Lake Erie for a day of fishing. This is because discouraging reports of walleye (also called pickerel) catches have been coming from all quarters.

It is true that walleyes are down, but you're missing a bet if you think the fishing isn't good up on the lake. (Division of Wildlife officials report a good hatch a year ago last spring, and the numbers of year-old walleyes in the lake indicate an upswing.

Take the word of veteran party boat captain Eldon Hales, who operates out of Put-In-Bay and picks up his parties at the Catawba ferry dock on the mainland. "While many of my parties believe that trolling for pickerel is the only type of fishing the lake offers," says Hales, "I try to show them the variety of fishing we have." His fishing lessons must be pretty good, for he has more advanced bookings for his boat the "Shore-nuf" this year than he's ever had before. To make this even more significant, Hales has had to raise his price this year due to increased operating expenses.

Excursions Often Traditional

A party boat excursion on Lake Erie is almost a traditional sport for many central Ohioans. It combines a picnic, boat ride, family outing, office party and fishing trip. Granted, it's more expensive than a jaunt to the old mill pond—but then, you aren't paddling around in a row boat either. You enjoy the safety and convenience of large, modern, radio-equipped boats. Bait is usually furnished, and your skipper is a competent guide. It fish are biting anywhere, you will usually get in on the fun.

Eldon Hales says the party boat season starts with small mouth bass fishing in the spring. It makes no difference whether his parties want to cast artificial lures or fish with live bait he takes them to good spots.

After the smallmouths come the white bass, which are more plentiful this year than last. Hales fishes for white bass several ways depending on the wishes of his parties. He can troll for them, drift for them or anchor at a good location. When he is drifting or anchored the lines usually are caught on spinners or small plugs. These are school fish and the action may be very fast once they are located. Catches of up to 100 are not rare.

Waterbirds Help

As the season progresses the tactics for white bass fishing change, and in August most skippers look for flocks of diving gulls and terns that indicate a feeding school. The fish move around and it may be necessary to go into Canadian waters to find them.

When walleyes are plentiful, middle and late summer is the time to catch them by trolling on the reefs. This is the kind of fishing that most people associate with the lake. But when walleye angling is poor, Hales is out chasing white bass, smallmouths and perch.

As the fall season approaches the perch fishing picks up, and the last few years have been a bonanza for these tasty morsels. Minnows are used and fished close to the bottom for best results.

The cooling weather brings on another spurt of smallmouth bass fishing. Most anglers use minnows for bait and fish them fairly deep. The bass seem to be schooled up at this time, and a good hole will produce plenty of action.

A monstrous sheepshead or carp can be caught any time of the year, and such excitement is sometimes punctuated with a broken line or shattered rod. "To me, fishing is catching fish," says Hales, "and while we miss the pickerel I don't spend much time crying about it. This lake is still full of fish, and I like to catch whatever is biting." This is not an idle claim, for Eldon Hales has the satisfied customers to back it up. No, the world did not end with the walleye decline in fact, the lake is still offering plenty of fish and fun.

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR:
Fruits — Peaches, raspberries, watermelon, cantaloupe, bananas.
Vegetables — Snapbeans, beets, cabbage, peppers, green onions, radishes.
Meats and Poultry — Broiler-fryers, chuck roast, pork loin, round steak, eggs.

BROILERS ARE BUDGET STRETCHERS

Broilers will be a food budget stretcher for you this month. Since the middle of May, placement of broiler chicks each week has been from 10 to 15 per cent above the same week last year. It takes just nine weeks after placement to get a broiler ready for market. So, this larger than normal supply of broilers is ready for market in July. And at just the time when most of us are looking for tender economical meat for indoor and outdoor barbecuing.

Shopping for Economy—Pennies saved when you buy broilers soon add up to dollars if they are frequent fare for your summertime menus. Most retailers offer broilers whole, in halves, in quarters and cut up. Usually you pay a cent or two a pound more for the convenience of having them cut for you.

Another way to save pennies in to buy the whole bird rather than the parts—breasts, legs, thighs, etc. This is if you can use the whole birds.

As most busy homemakers have already noted, many markets offer whole cooked broilers. In most cases these have been rotisserie cooked. While offering a great deal of convenience, these ready-to-eat birds usually cost several cents a pound more than those you prepare at home.

Take extra care of the broilers once you get them home, now that warm weather is here. Refrigerate them at once. Remove the transparent film from the package. Cover them loosely—some circulation of air is good. The slight drying on the surface slows bacteria growth. Keep fresh broilers in the **coldest** part of the refrigerator, but use within one or two days.

Giblets are perishable and should be cooked within 12 hours and used within two days.

FLAVOR'S AS GOOD AS 30 YEARS AGO

Have you heard folks say chicken just does not taste as good as it used to? They say a broiler that grows to market age in nine weeks isn't as tasty as one that grew at a slower pace out on the farm 30 years ago.

Well, the USDA made a study of the flavor of the modern bird raised on high-energy feeds with the slow growing bird on a typical 1930 diet.

Taste panels made more than 600 comparisons of chicken roasted broiled, fried and cooked electronically. No difference could be detected in the chicken cooked in any of the four ways. Broilers and fryers taste just as good as chicken some 30 years ago.

Wide-Open Field For Par-Busters In Norwood Golf

A wide-open field awaits potential par-busters in the amateur golf championships at Norwood Amusement Park 2955 E. Main St.

Raymond Norwood, owner and operator, reports that the event is wide open for someone who will walk off with an all-expense trip to Asbury Park, N.J. next September for the world championships.

Norwood advises contestants to get an early start to complete the required eight 18-hole rounds to qualify for the elimination finals. Twelve finalists in each of the two divisions will be invited to participate in play-offs over Labor Day weekend.

Winner of the Junior Division for boys and girls under 15 years of age, will ride out on a new Schwinn bicycle.

Before a farmer decides to use irrigation on crops he should determine if the soils being treated are those that will pay substantial dividends if they are irrigated suggest Ohio State extension agronomists.

Homemakers Will Display Talents In New Building

Homemaking talents at the 1960 Ohio State Fair will be displayed in the new $465,000 Arts and Crafts Building on the Fairgrounds.

The building was opened for the first time during the 1959 fair and provides ample space and modern conveniences for fairgoers and exhibitors.

Deadline for entries for the 1960 State Fair has been set at midnight on August 1.

Julien Bryan Will Present Color Poland Film Tonight

Julien Bryan, world traveler cities, a significant historical lecturer and producer of documentary films, will present his color film on "Poland: At It Was — As It Is" in the Mershon Auditorium tonight at 8 p.m.

OSU Graduate School is sponsoring the event and admission to the program is free and the general public is invited.

Bryan's presentation is composed of 4 parts, a 29 minute section showing life in Poland in peacetime, 1939. The second portion is his wartime film "Siege", the only motion picture record made by any foreigner of the Nazi destruction of Warsaw and other Polish

Concluding sections of his film records his visits in 1946 and 1948 and again in 1958 and 1959, relating developments in the rebuilding of Poland.

Bryan's Polish documentary was featured in the Sept. 1, 1959 issue of Look Magazine.

Library Offers Information On Summer Living

Headquarters for information about summer theater, camping and fishing spots and other lore to help citizens get the most out of warm-season activities is the main Columbus Public Library at 96 S. Grant av. according to Miss Jeanne Lewis, reference chief.

Besides a huge display of handy volumes, playbills and photographs and so forth of interest to the outdoor theater enthusiast, the department is featuring maps and other material to make the summer more enjoyable. Such diverse information as how and where to travel with the family dog, where and how much to charter a fishing launch, and the best places for asthma sufferers to go is included in the items in the display.

Much information can also be obtained by telephoning the library reference department at CA. 8-6891.

Country's Best Lookers Set For Miss Universe Contest

By Larry G. Holmes

Men and women alike should settle back and relax Saturday night as the best looking gals in the world parade across the screen.

The women can watch the fashions and the men can watch as well they can just watch as the best girls each country has to offer compete for the "Miss Universe" contest title.

Miami is the setting for the pageant and it will be coming your way Saturday, July 9 at 10:30 p.m. on Channel 10 Television repairmen all over the country have been called in to insure good reception.

Tennessee Ernie Ford has been replaced during the summer months with a new weekly Western adventure series starring Jason Evers called "Wrangler."

The first show is scheduled for tonight at 9:30 on Channel 4. Stories will be based on the adventures of a wanderer named "Pitcairn" who roams the Old West ranges.

As Pitcairn Jason Evers will be seen in episodes involving ranching, railroading, mining camps, road gangs, hauling lumber camps, grain mills and in contrast to the usual Western to the will not be a gunman.

Other television credits for Evers include "Cash McCall," "Gunsmoke," "Dead Ringer," "Studio One," "Kraft Theatre" and "Verdict is Yours."

Since summer is in full swing and TV stars are taking vacations for a little change of scenery.

Robert Taylor of the "Detectives" plans a fishing trip to Wyoming. Cheyenne, Clint Walker will be making short trips to the desert and mountains before beginning a picture.

Gardner McKay of "Adventures in Paradise" will visit London, Paris and Rome and other cities in Europe. "Rifle

Summer Camp For Crippled Kids Starts August 7

The Ohio Society for Crippled Children and Adults in Columbus is sponsoring two summer rehabilitation sessions for crippled children at Camp Pittenger, near Tiffin, from Aug. 7 to Sept. 2.

County Crippled Children's Societies, Rotary, Kiwanis, Lions Service Clubs, and other organizations and individuals are providing funds to assist in operation of the camp.

Contributions are now being received at the Ohio Society's office, 311 Kendall pl, Columbus.

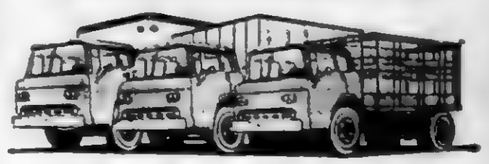
Scholarship Issued By TB Society

Frank H. Diehl, Dublin High School teacher of health and physical education, will complete a three-week workshop in health education at Ohio State University July 8 on a scholarship provided by the Tuberculosis Society.

Diehl, who lives at 17 S. High st, Dublin, was chosen from applicants throughout Franklin county, based on his statement of interest in school-age health.

Newest teacher trends, methods, and materials have been part of the workshop program.



The special Christmas seal grant by the Tuberculosis Society, to improve the teaching of health in the schools, covered full tuition.

Farm income for the first four months of 1960 was three percent under the same period last year. Volume of marketing was about the same as a year ago but prices averaged three per cent lower.

Contamination of private water supplies is becoming more of a problem each year in rural and suburban areas of Ohio, report OSU extension agricultural engineers.

Shirley Hamilton Is Bride of Philip Anderson

MRS. PHILIP A. ANDERSON

Bethlehem Lutheran Church was the setting for the June 11 wedding of Miss Shirley A. Hamilton and Mr. Philip A. Anderson.

The bride is the daughter of Mrs. Laura M. Hamilton of 809 Erickson-av and the late Mr. Carl B. Hamilton. Mr. Anderson is the son of Mr. and Mrs. Arthur A. Anderson of 751 S. Warren-av.

Rev. Ralph Ryberg and Rev. Fred Klopfer officiated at the double-ring ceremony.

A reception at the church followed.

The bride approached the altar on the arm of her uncle, Mr. Oden Shakstad of Madison, Wis.

Her gown, designed and made by herself, was of nylon lace and tulle over satin. The scoop neckline and brief sleeves were appliqued with tiny embroidered daisies and iridescents and seed pearls and thy tiered skirt, dotted with lace appliques, ended in a chapel train.

Her fingertip veil of illusion draped from a crown of iridescent and seed pearls and she carried a white orchid with carnations and lily of the valley on a white bible.

Mrs. Frances Chapman served as matron of honor and bridesmatrons were Mrs. Patricia Hamilton, Mrs. Ilean Hamilton, and Mrs. Charlene Hamilton.

The attendants' gowns, also made by themselves, were in ballerina-length of blue nylon organza over taffeta. The matron of honor was gowned in pink. They wore matching bandeaus.

Marilyn Hamilton, niece of the bride, wore a dress of pink embroidered organza and carried a basket of rose petals.

The honor attendant carried a Colonial bouquet of blue mums and white carnations, and others carried pink mums and white carnations.

Mr. Martin L. Shady served as best man and ushers were Mr. Ronald Borton, Mr. David Beeghly and Mr. Charles Hamilton. Richard Cannon, nephew of the bridegroom, was ring bearer.

The bride attended Columbus Art School and Ohio State University.

The bridegroom attended Ohio State University, served two years in the USMC, and is now associated with General Motors Corp.

Following a wedding trip to Niagara Falls, the couple will reside at 1940 Little-av.

Joseph Reisch Hurts Peeping Tom Suspect

Robert W. Bell, 31, whose last known address was 784 Oak-st, was seriously injured Saturday by Joseph Reisch, 22, of 406 Kelton-av.

Reisch told police that he awoke and saw a man at the window of his apartment. He donned his pants and caught the intruder. He began asking questions, but the suspect broke loose only to have Reisch grab him again and slam his head against a brick wall.

Prowlers have troubled the tenants of the apartment building for many weeks, Reisch said. Charges have been filed against the suspect.

Grant Hospital officials report that Bell is considered in satisfactory condition.

American Legion Post 490 Selling Flags

Comrade-Whitehall Post 490 American Legion has been given space at Cohagen Hardware to continue the selling of 50-star flags.

The post expressed its gratitude to the residents of Whitehall for making their Fourth of July flag sale a success.

Children May Be Placed In Camps

Certain children may be placed in various summer camps under the care of the Franklin County Child Welfare Board, Prosecutor Earl Allison said.

If the camp cost does not exceed the established per diem cost for wards of the agency the law permits such placements for the best interests of certain children, Allison stated.

Bible School Set At East Baptist

East Baptist Church will conduct Bible School Monday, July 11 through July 22.

Classes will be held each weekday morning from 9 to 11:30 a.m. for children four through 12 years. All children in the community are invited.

No pre-registration is necessary. Mrs. Warren G. Harrison is director.

Paul S. Lawrence VFW Post Gains Top Percentage Trophy

By John Pospsimeyer

Pride and praise garnered for a job well done came to Paul S. Lawrence VFW Post 9857 this week.

Accolades and awards were bestowed upon them in Toledo Sunday for a 200 per cent effort in acquiring new members.

Organized in 1948 with a charter membership of 40, the post had only 52 members at this time last year.

Under the leadership of Commander Gene Perry, and behind the efforts of Don Wagner, the post this year numbers 104—an increase of 200 per cent—good enough for them to walk off with the coveted Past Department Commanders Percentage Gain Trophy.

Commander Perry stated that it was the first time that the trophy had come to a Franklin County VFW Post.

He praised the efforts of the members in rounding up the host of new members, especially the effort put forth by Wagner, who managed to account for 28 newcomers, and Don Oakey, who brought in 14. Perry was responsible for seeing that 15 newcomers are currently wearing the post's colors.

All three received the top award for garnering new members—the VFW hat.

In addition, Perry pointed out, that pins went to Robert Turner and Robert Taylor for their part in the drive.

But the accolades don't stop there.

Paul S. Lawrence also copped the 11th District Post Competition Plaque for the second time in three years. The award is based upon the total number of members and percentage gain.

For the trophy, Perry and Co. had to vie against 419 other VFW Posts from all over Ohio. For the plaque, they were in immediate competition with 14 other 11th district units.

Coming on the heels of their successful poppy drive, which they attributed to the people in the Eastern Columbus area, the awards at Toledo make the Paul S. Lawrence Post one of the outstanding VFW's in Ohio.

In order to become a VFW member, a man must have served overseas during a National Emergency, Wagner pointed out.

Even though they are still flush with their success, Commander Perry would still like to see more new faces around the headquarters located at 2948 E. Fifth-av.

"Just contact the post in person, or by phone, that's all that's necessary."

For if they can win the Percentage Gain Trophy again next year, they will be able to retire it in their own club

Holy Spirit, Blosser's reckoning shows that the number of those in the five to seven group jumps to 1892.

The final 5628 total, by the way, also includes the number of Catholic children in the area. By deducting them, the final total reduces to 4915.

Some interesting individual age groups statistics: (For public schools only).

Seventeen year olds: only

Ten year olds: a hefty 408.

Six year olds: a bulging 629.

Four year olds (preschool): a you-name-it, 705 (no separation between prospective public and parochial pupils given).

So, although it looks as if the girls are keeping ahead of the boys, it also appears that parents are keeping ahead of the schools.

want to get the master plan underway with the advice of their own personal counsel, according to the ordinance.

The ordinance requested that they be able to hire "special advisory counsel assistance for council to make recommendations concerning implementation of the Master Plan and that he shall serve at the pleasure of council." The salary suggested was $200 a month.

Maxwell, in his brief, declared that "council has no authority to create or discontinue any office." He argued that such a step would go against the constitution of the state of Ohio.

"For council to attempt to employ legal counsel other than the City Solicitor, constitutes an attempt to seize power in violation of the legislative powers granted by the constitution."

He went on that council could provide the solicitor with an assistant, with the solicitor having the power to designate duties for the assistant.

"This administration," Maxwell said, "has been plagued by constant attempts on the part of the Democratic majority in council to enlarge legislative powers and the attempt to usurp administrative and executive powers.

"Any attempt on the part of council to retain and employ legal counsel for any purpose not authorized by the law and constitution of the State of Ohio will be resisted by me in the courts . . ." he added.

for each additional 500 square feet.

In addition, there would be a fee of $7.50 to cover inspection by the Board of Health.

Safety Director Bob Mickey interjected that the inspections are made to protect property owners.

A resident from the Fairport Apartment area appeared to inquire as to what is being done to clean up the garbage situation in his vicinity. Mickey told him that those responsible for the condition of the trash area will be cited in court Tuesday.

Residents are disturbed over the condition surrounding their garbage pick-up area. Some have claimed that rats are prevalent in the area.

Mayor Walter Moling asked council to approve specifications and estimates for the Washburn-st bridge, spanning Mason Run between Robinwood and Collingwood-avs.

Moling also said that he would like to have some action on plans for the expansion of the municipal building. "We are cramped more than ever," the mayor stipulated. "I would like to see the plans come out of committee."

Council, however, will probably wait until the Master Plan recommendations come through, before deciding what type of a municipal building is to be constructed.

Moling also told council that he would like to see the Fairport sanitary sewer extend into the 90-inch-main.

Garbage also entered the council agenda later in the program. This time it consisted of establishing rates for commercial garbage and trash collection.

Minimum rate: $20 per year which the commercial operator is entitled for up to 60 gallons a week and $20 additional dollars for each additional 60 gallons.

Council also took first reading of an ordinance to provide two clerks in the income tax department.

Four resolutions dealing with improvements of Elaine-av, Erickson-st, Westphal-av and Bernhard-rd were given solon okays.

Local Deaths

Funeral Services For Crash Victim Held Friday

Funeral services for John T. Petty, victim of a June 28 car-truck crash on Route 3 two miles southwest of Washington C. H., were held Friday, July 1, at the Gosnell Funeral Home. He was 69 years old.

Petty and Ray Bartlett, 63, of 403 Cemetery-rd, Hilliard, were traveling to a Cincinnati race track when their car collided with two north-bound trucks, according to Fayette County sheriff's deputies.

A loaded auto transit started to pass another truck which had slowed up behind a hay baler. Seeing Petty's car, the driver tried to move back into the north-bound lane and in doing so clipped the other truck and knocked it into the auto.

The four men involved in the accident were taken to Fayette Memorial Hospital, Washington C. H., where Petty was pronounced dead on arrival.

Fayette County deputies conducted an investigation into the details of the accident.

ZION LODGE—The Zion Lodge of B'nai B'rith recently presented a collection of books on human relations to the Columbus Public Library. Shown at the presentation ceremony are, left to right, Ralph Shapiro, president of Zion Lodge; Joel Olander, of the Ohio-Kentucky Regional Office of the Anti-Defamation League of B'nai B'rith, and Mrs. Margaret Carroll, head librarian.

Human Relations Books Given

The Columbus Public Library and its 12 branches throughout the city were the recipients of a 110 book human relations library, a gift of Zion Lodge of B'nai B'rith as part of that organization's year-round program of community service.

Mrs. Margaret Carroll, head librarian, accepted the books and pamphlets which deal with immigration, education, improving community relations and the problems of discrimination.

All of the publications were written by leading authorities in their respective fields and produced by the Anti-Defamation League, the educational arm of B'nai B'rith.

Ralph Shapiro, president of Zion Lodge, presented the materials. He pointed out that the B'nai B'rith, the oldest Jewish service and fraternal organization in the world, has always worked closely with local groups and institutions in an effort to foster better understanding among all people.

Joel Olander, community consultant for the Ohio-Kentucky Regional Office of the Anti-Defamation League, said that similar presentations were being planned to the public schools of Columbus, Bexley and Whitehall. "We hope that by so doing, the young people of Columbus will be encouraged to accept other people solely on the basis of their individual merits."

In accepting the materials on behalf of the library, Mrs. Carroll stated, "I am certain that these outstanding human relations publications will be used extensively by the youth and adults in Columbus."

Carrier Of Week Has Ideas To Stay Single

Baseball arithmetic and vacation—in approximately that order—are what interests this week's Eastern Review Carrier of the Week, Larry Thompson.

Larry is the son of Mr. and Mrs. Robert Thompson, of 698 Martha-ln

He has been a green sheet boy for nearly a year. He delivers some 200 papers each week on his route in about an hour and a half

Right now Larry is an Portsmouth visiting his grandmother, leaving behind his position on the Little League Braves. He plays both third base and the outfield.

Larry has two brothers and a sister: Gary Lee, five; Randy, four, and Roberta, three.

Larry expdained that with the money he earns off his route he buy clothes and baseball togs. When he is not baseballing, arithmeticking or vacationing, he likes to get into the swim of things for a cool dip in the nearest pool.

His ambition? To be a truck driver—for as Larry explains it:

"I don't want to get married, and by being a truck driver, that's a pretty safe way not to.

"Nobody would want to marry a man who is not home most of the time, would they?"

CARRIER OF THE WEEK LARRY THOMPSON

A permit has been granted to Louis Cunningham, 904 Montrose av, to build a two-car frame garage.

Discharged Cop Will Receive Pension Refund

A discharged city policeman is entitled to money he contributed to the police pension fund, Common Pleas Judge Dana F. Reynolds ruled Friday.

John G. Davis, 2853 Fairwood-av, who was discharged from the police department for malfeasance and nonfeasance, filed suit against the city demanding the return of $381. He was refused the refund by the city noting that only those who voluntarily resign are entitled to a refund.

Judge Reynolds said they are entitled to be reimbursed for the deductions due to the fact that contributions go into the pension fund by way of compulsory deductions and therefore have vested interest.

Three Estates Filed Total $632,000

Three estates were filed in Probate Court which totaled over $632,000.

Judge Fred J. Miller left an estate valued at $276,181. Inventory disclosed the estate included $244,000 in real estate. He served on the 10th District Court of Appeals until his death May 13 at the age of 67.

The Miller residence is located at 393 N. Columbia-av. He left his estate to his widow, Mary Jane Miller.

Mrs. Julia K. Helmick, wife of Claude, president of the Keener Sand and Clay Co., estate was valued at $201,688.

Mrs. Helmick, who left her estate to her widower, died May 28. She resided at 422 Brookside-dr.

An estate valued at $154,882 was left by Carl Mitcheltree, 71, of 2 Sessions-dr. Mitcheltree was president of the Columbus Mutual Life Insurance Co. He left his entire estate to his widow, Gertrude R. Mitcheltree.

Expanded East Side Park Facilities Urged By Report

A broad-scoped crash program to substantially boost city and metropolitan park facilities was outlined this week in a report released by the Parks and Recreation Committee of the Development Committee For Greater Columbus.

Urging purchase of 1,289 acres to expand existing metropolitan parks and raising of $5,980,000 to improve the city system, the committee termed its recommendations:

". . . a realistic and hard-headed approach, well within the means of the community, of keeping pace with the population treadmill."

To finance the metropolitan projects, the committee proposes a three-tenths mill levy in Franklin County. The city improvements will be included in a package bond issue being readied for Columbus voters this November.

City Parks

Summing up the recreational and park needs for Columbus, the committee recommended $5,980,500 in improvements.

This includes development of three new athletic fields and large parks, fourteen school-park areas, existing park development, recreation center improvement and extension, swimming pools, plus other miscellaneous facilities and improvements.

Additional priority is placed on the purchase and development of Alum Creek and Berwick areas at major athletic fields to serve the needs of their respective sectors of the city.

A west area athletic field is also recommended at a Clime Road Park which would be developed as a naturalistic park.

If the concept of providing a small neighborhood park of seven to ten acres in connection with each new school site is to mean anything, the committee states funds must be made available to purchase the park land at the same time the school sites are obtained.

Accordingly, the committee recommends that $500,000 be set aside in the bond issue and earmarked for the purchase of school-parks adjacent to 14 planned buildings.

In looking over the present park situation, the committee stated that improvements to Fairwood, Whittier and Scottwood are vital.

Centers Best

Concluding that recreation centers which can be used on a year-around basis are the wisest investment the city can make, the commitee urges creation of centers southeast, far east, in the Market-Mohawk area and at Westgate Park

In reviewing the Recreation Department's proposal to locate one center in Krumm Park, the committee suggests further consideration be given to an alternate designation on the far east.

Other recommendations are for additions at Beatty and Linden Centers, a gym at Schiller Park and four field houses.

Pointing out that the city has (Continued on Page 12)

AREA FAMILIES HOST EXCHANGE STUDENTS

TOUR STATES—Ten East Side families played host last weekend to 14 foreign students visiting Columbus after a year of schooling in America. Among the East Side families who welcomed students into their homes were: Mr. and Mrs. Walter M. Davies, 2398 Berwick-blvd; Dr. and Mrs. Robert Shaw, 316 N. Stanwood; Mr. and Mrs. J. For Future Development . . .

Whitehall's MP: Overall Outlook

. . . The Backing of the Public

By John Poeppelmeyer

The heretofore seldom seen, often spoken of Master plan for Whitehall will be up for official sanction before the summer is officially over.

Sometime between the 1st and middle of September, city solons and citizens will be granted a look-see into the future. And, for once, both factions of Whitehall's political set-up are in agreement that such a type plan is long overdue and needed by the burgeoning community.

What the final recommendations will be and in what priority they will be handed down by Rackoff Associates is still in the tentative planning stage. It is still too early to ask the engineering consultants to pin-point specific answers.

The Bandwagon Influence . . .

The Democrats, to a man, are enthusiastic over the possibilities offered in the improvements being scrutinized. The Republicans also have grasped the politicial ramifications involved within the MP.

For all, it offers a bandwagon to rally behind in the future elections, providing, of course, that it is successful in being implemented.

The plan itself covers every feasible avenue of city planning, water, sewage, streets, underdeveloped sections, schools, subdivisions, transit service, zoning, typography, neighborhoods, municipal buildings, parks and population.

There appears to be not one item that is not being looked into or being looked out for by the Kochoff Company.

Leaves Politicking Behind . . .

But, above all, the plan, if followed in the order or priorities that Rackoff Associates are expected to recommend, will, to a large extent, do away with "politicking."

One segment of the city will not be favored before another when it comes to which improvement should come first. Whether it be streets, sewers, parks or municipal buildings that top the priority agenda or be far down the list spokesmen on both sides of the political fence have vowed that the plan be implemented in numerical order.

"After all," as one enthusiastic MP supporter proclaimed, "it would be silly to give these guys $15,000, and then go against their ideas."

One of the main things brought out thus far by the projected Master Plan is that Whitehall has made a few mistakes, up to now, in its building.

Still, when the MP finally arrives, no doubt there will be some surprises in store, and, as in any selling game, it is the people who will have to be convinced, for it is their backing that will be necessary in order to make the Master Plan work.

E. Broad Restaurant Underway

Ground was broken this week for a new million dollar Polynesian restaurant, "Kahiki," at 3583 E. Broad-st.

Owners Lee Henry and Bill Sapp expect construction of the show place to be completed in the fall. Henry and Sapp, whose other enterprise, "The Grass Shack," was recently destroyed by fire, also operate "The Top" at E. Main-st.

The decor is slated to give the idea of a South Sea Island atmosphere.

Architects for the restaurant are Ned Eller and Ralph Sounic of Design Associates. Jack Liberatore is general contractor.

Three acres of ground adjacent to the "Grass Shack" have been set aside for the site.

A bamboo arch bridge, luau torches, oriental plants and Tiki gods are part of the outside arrangement, according to the plans.

Inside will be found grottos with waterfalls, a Beachcomber shop and huts.

The possibility of importing Polynesian natives and hostesses is also in the planning stage.

The atmosphere isn't the only thing that will be South Sea in nature — so will the refreshments and cuisine — and, of course, American style dishes.

SHEDS SMASHED BY 'JOY RIDERS'

DELIBERATE DESTRUCTION—Detectives have launched a search for youths who leveled two equipment buildings and damaged one of two large loader tractors at the C&T Gravel Co., 1342 Alum Creek-dr, last Saturday night. The youths demolished a barn (pictured above) and a shed. The buildings were valued at about $700. Damage to the equipment is expected to be more than $1,000. Carl De Matteo, vice-president of the firm at 2407 Harrison-rd, told police that youths have driven the heavy equipment several times in the past few weeks. He discovered the damage late Saturday night when he went to the gravel pit "to check it" because of recent vandalism.

Gordon Gill Now At Depot

Col. Gordon Gill

Colonel Gordon C. Gill has reported for duty at Columbus General Depot and has been assigned as Deputy Post Commander under Brig. Gen. Harold H. Shaller.

Colonel Gill has had more than eight years of foreign service in North Africa, Sicily, Germany, France, Korea and Japan.

His most recent assignment was in France. High ranking Army schools which he has attended include the Command and General Staff College, Armed Forces Staff College and Army War College.

He will reside in quarters on the Post with his wife, Mary, and three children, Michael, 13, John, 10, and Patricia, 11.

Brookwood Presbyterian Church Sanctuary Construction Started

It'll take about a year, but the Brookwood Presbyterian congregation will eventually be housed in a new $400,000 sanctuary.

Ground-breaking ceremonies were held this past Sunday. Construction is already underway.

Representatives from the three board and church organizations along with Rev. Keith Conning participated.

The congregation, organized Thanksgiving Day in 1948 with 41 charter members, totaling about 1400, according to Rev. Conning.

The steps to erect a sanctuary is the next-to-last in a construction program that was begun in June, 1950, he stated. The chapel was dedicated that year with an educational building following two years later. The church hall was readied in September of 1954, the east parking lot in 1956.

"The fund raising campaign for the sanctuary was begun last year," Rev. Conning said, "and between services last Sunday, ground was broken for the sanctuary."

Cost of construction of the first three units totaled around $200,000, he estimated, approximately half of the cost of the sanctuary.

Yet to come: a connecting link between the sanctuary and the educational building.

Rev. Conning said the the sanctuary will seat around 600 and that he hopes the unit will be finished within a year.

He and his wife arrived in 1948 to start organizing the church, he said.

At the present time, the congregation is using the chapel and fire-side room for

99-Year-Old Woman, Mrs. Skinner, Honored By Family, Friends

By Gwen Greenfield

Ninety-nine candles will encircle the cake at an open house Sunday honoring the birthday of Mrs. Ida Skinner to be held at the home of her daughter, Mrs. C. W. Hankins, 2365 Stelzer-rd.

Mrs. Skinner, born on July 17, 1861, the year of Abraham Lincoln's first inauguration and the year which saw the first skirmishes of the Civil War, is "in good health," her daughter, Mrs. Hankins, reported.

Her childhood days remain "vividly in her memory," Mrs. Hankins said. She remembers especially well "going to the woods to get away from the rebels."

Born and raised in Berlin, she lived for 50 years in Lancaster before coming to live with her daughter. Her husband, James, died in 1937.

Mrs. Skinner's favorite pastime is listening to the radio. Birthday wishes will be coming to her over the air Sunday from WJR in Detroit and on the Renfro Valley program.

She enjoys an occasional trip back to Lancaster to attend services at the First Methodist Church to which she belongs. She is a regular listener to the Sunday morning broadcasts of the Avondale Evangelical Church.

Although she can no longer see well enough to read her Bible, she prays nightly asking for another day of life. "She just won't give up," Mrs. Hankins said.

Mrs. Skinner's two other children, Mrs. Margaret Primrose and Edward Skinner live at 465 Hilltonia-av. She has eight grandchildren, 12 great-grandchildren and two great-great-grandchildren.

SOMETHING SPECIAL!

Included with this week's edition is a special section dedicated to the Columbus Recreation Department on its 50th anniversary.

The publishers of Hartley Newspapers hope you will find it interesting.

Kids Can Go To Indian Village Soon

Kids in the park areas of Fairmoor, James-rd, Krumm, Scottwood and Shepard can take advantage of the City Recreation Department's tour to Indian Village Day Camp come the week of July 25th.

Recreation board department member, Mrs. Dorothy Jones has stated that youngsters wanting to go should get their applications in at any playground the Thursday before the 25th.

She looks for some 60 children to take advantage of the day camp offer.

Youngsters will be picked up at Krumm Park each day at 8:30 a.m. "They will be able to do everything an outdoor camp-out could provide except stay the night," Mrs. Jones said.

Singing, dancing, crafts, fishing, swimming, tent pitching and cook-outs can be indulged in. Milk will be furnished. The whole deal costs $2.50 a week.

KIWANIS HONORED

100 PER CENT—Robert Rosecrans, left, president of the Eastern Kiwanis, is presented the Governor's Award for attendance for the month of June by Evan Williams, Lt. Gov. of the 10th District. The club, last month, had 100 per cent membership attendance.

Stelzer-rd Decisions In Court

Hearings were to begin Thursday on only eight remaining easement cases that are delaying the start of the new Stelzer-rd water main.

Originally docketed for next Monday before Common Pleas Judge Joseph M. Harter, the cases were readied Thursday when the courts were cleared earlier than expected.

Of the original 68 property cases, this leaves eight pending court action and four that did not file, said William Huggins, an assistant city attorney.

Through an attorney, several of the holdouts insisted that they should be exempted from the $3.30 a front foot tapping fee. They also felt that damage payments should be higher because of the "dangerous nature" of the high pressure line.

Council has reiterated its policy of offering water tap privileges to the non-residents but refuses to waive the tapping fee.

Huggins said that the city is paying out just under $1,000 in damages to irreplaceable trees, crops and the like. But, he pointed out that the contract with General Construction Co. has extensive stipulations that the contractor must replace sod, surface and sub-surface items, etc.

The water line runs close to the road most of the distance.

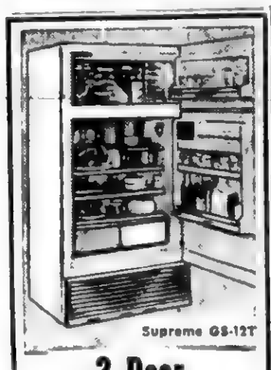
STEPHEN and KEVIN WOOLCOTT

Couple Of Ex-Whitehall Lads Return With 'Military Honors'

Two Whitehall lads, who wended their way westward, to —in a manner of speaking— join the army—have returned to their native Ohioland with a handful of military accolades.

Both Stephen and Kevin Woolcott, ages 10 and 6, respectively, sons of Mrs. Kay Woolcott, formerly of Whitehall, garnered a host of awards at Page Military Academy at Los Angeles.



The boys are currently vacationing at their grandparents home in Whitehall.

Stephen came in for a courtesy and personal appearance award in addition to a "Silver Scholarship" medallion, the latter for placing two years ahead of the class average in State examinations

Kevin has been presented with a company achievement award, given in recognition of the best drilling company on military day:

In addtion, Stephen is recognized as a top notch honor student at the academy in every subject. He has attained the rank of Staff Sergeant. Kevin is also climbing the academic ladder. He was recently promoted to the rank of corporal.

When the boys return to California after their stay at the home of Mr. and Mrs. O. F. Treadway, 512 Collingwood, Stephen will be entering the sixth grade and Kevin the second.

New Cleaning Store Opens Near Gahanna

A newly constructed cement block building located off of Johnstown-rd, west of Gahanna at the rear of 2949 Johnstown-rd, is now open for the A and H Rug Cleaning Service.

Owners and operators of the new business are Mr. and Mrs. C. T. Hampp, who operated the Hampp Hardware near the new location.

The Hampps, who have lived in the area more than 30 years, stated that all cleaning work on rugs, upholstery and auto interiors would be completed by factory trained experts and that one main feature to be introduced by the company will be the cleaning of a 9x12 rug (cash and carry) for only $3.95.

Goodyear Adds Overflow Tent For Displays

Ray Ramsey, manager of the Goodyear Service Store located on Hamilton-rd just north of E. Main-st, had a problem.

It seems that several truckloads of new G.E. merchandise arrived on the spot with little or no space inside the store for display. The answer was discovered by the addition of a large tent set right in front of the Main-Hamilton tire and appliance center.

"Now, they can't miss it," Ramsey stated, "And since it has to be there we are going to make sure that there's good reason to come in and see it."

The store, which opened in September, is one of the largest appliance stores in the East End in addition to being the supplier of Goodyear tires for the area. The tent sale will begin Thursday, July 14, and last through Saturday, July 23.

Ramsey indicated that free refreshments would be served and that keys to a treasure chest of prizes would be offered to each tent-looker.

Carrier Looks To Future Education

To Henry Wesemann, Jr., his education comes first.

Henry, who is carrier of the week, is saving money from his Eastern Review route in order to attain an education.

He is 13 years old and the son of Mr. and Mrs. Henry Wesemann, of 635 Beechwood-rd.

Henry has carried for the Eastern Review for the past two years. He has, he says, over 400 customers to which he delivers the "green sheet" each week.

His mother feels that carrying papers is "fine." She thinks that it will prepare him for later life and that the experience he gains now meeting people, the public, is a valuable asset.

Henry plans to delve into mechanical drawing in high school and wants to be an architect.

Among his hobbies, Henry lists model making of all kinds, boats, planes and cars.

"The hardest part about carrying papers," he stated "is getting started."

State, Metropolitan Parks Offer Much To Hikers

INSIDE ON THE **Outdoors** By ROD COCHRAN

I asked Bill Price, 105 Roslyn-av, naturalist for the Ohio Division of Parks what ever became of hiking. "Well, it's growing," he answered, "like all the other outdoor sports."

Few people in this area are not aware of the fact that Dr. Moore breezed through here recently on a cross-country hike, and not long ago two British soldiers marched their way from the Pacific to the Atlantic. These antics are understandable during the heat of summer, but it is noteworthy when people who are being criticized almost daily for soft living revive the joys of hiking. No matter how many improvements are made for "convenience living," a number of people will continue to enjoy hiking Ohio's hills and dales, and the more rugged the terrain the better they like it.

Short hikes can be taken in the nearby Columbus Metropolitan Parks Trails are well marked, and it's wise to begin with easy hikes. People who love the outdoors are already familiar with Blacklick and Blendon Woods, but not many have hiked the new Darby Creek Park Trails have just been laid out, but this lends a more primitive atmosphere. The view of Darby Creek from one of the bluffs is almost breathtaking, and more than enough to start a family hiking.

Hocking Is Favorite

Hocking State Park has been popular with Central Ohio hikers for years, and according to Price, this scenic area is one of the best in the state. Trails are numerous here and many are not well marked, but the paths are easy to follow. A main trail leads from Ash Cave to Cedar Falls, to Old Man's Cave, along a ridge. Another is a scenic gorge trail from Cedar Falls to Old Man's Cave. There is an excellent two mile trail around the rim of Conkle's Hollow, which is dangerous for children not accompanied by adults. Shorter trails are at Rock House and Cantwell Cliffs.

The scenery at Hocking is spectacular and comparable to anything found in eastern United States. There are many waterfalls and deep hemlock-lined gorges. Rare plants found include yellow birch, Canadian yew, red elderberry, purple raspberry, shooting star and roundleaf catchfly.

Pike Lake State Park holds a lot of possibilities for hikers. There are about three miles of developed trail now, and plans call for a 15 to 20-mile trail system. Abandoned roads, service roads and logging trails provide hiking in Pike State Forest adjacent to the park.

Clearfork State Park is another excellent hiking area. Most trails are located in adjacent Mohican State Forest and they total 10 to 14 miles. The most popular trail is called Lyons Falls and the entrance is off the main park road where it crosses Clearfork. There are steep cliffs, lookouts and bold rock formations along with rare plants to interest hikers.

Bill Price has done plenty of hiking in Ohio, for this pleasurable pastime is actually part of his job. Most of Bill's hiking is exploration work laying out new trails for park-goers. He has enjoyed hikes with "Grandma" Emma Gatewood, of Gallipolis, who is Ohio's most famous hiker. She has hiked the Appalachian Trail several times, and last summer hiked over the Old Oregon Trail that settlers took westward.

Pros Give Advice

Here are some hints from these professionals: Beginning hikers tackle too much ground. Short, one to two-mile hikes will get you started and in shape for the five to 20-milers to come. Regular hikes are needed to keep in good condition, so hike the year around. Plan your hike—will you need insect repellant, suntan lotion and drinking water? Good, heavy-soled high shoes are a must. Long-sleeved shirts are better than short ones as a rule. A pocket knife and a piece of twine will cope with many emergencies. A snake-bite kit may put your mind at ease. Raisins will relieve hunger pangs, and you shouldn't attempt large meals while hiking.

Consumer Report

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR:

Fruits—Summer apples, watermelon, cantaloupe, bananas, frozen lemonade.

Vegetables—Snap beans, sweet corn, beets, cabbage, celery, green onions

Meats and Poultry—Fryers, eggs, chuck roasts, sausage and luncheon meats

WEEKS OF PLENTY AHEAD

Lots of peaches, watermelon and roasting ears is the story for July.

All reports indicate that this will be a good year for peaches. The crop is expected to be the largest since 1946. The quality so far this season has been good and prices are expected to stay reasonable.

The watermelon supply is still increasing. You'll find more larger-sized ones now which may carry slightly higher price tags, but the price per pound is the same or less than in past weeks. Cantaloupe prices are up slightly but will likely go down again when local harvest replaces the California crop which is about finished

Low banana prices are expected to continue for some time due to the almost record supply. The sour cherry harvest is in full swing in the northern states. Now is the time to engage your supply for freezing or canning. The sweet cherry season is about over. A variety of excellent quality soft fruits is available, such as plums, apricots, nectarines and grapes.

Sweet corn from southern Ohio is now in good supply. Our local harvest is beginning, but heavy production will come a little later than usual because of cool weather in June and early July. Peak of our local supply is expected the week of July 24. This is the time when you can expect quality and price to be in your favor. So, you can plan your freezing and canning schedules accordingly.

The supply of new potatoes from the East is increasing and should result in slightly lower prices, except for the "long whites." Their season is about over. Supplies of field-grown tomatoes and green beans are on the increase.

Poultry and Eggs—This is the time of the year that we need to be especially conscious of egg care. Keep eggs clean, covered, and cold. It's best to remove from the refrigerator only the number of eggs needed at one time. Little change is expected in the price of fryers. Marketing specialists say supplies of fryers may increase with slightly lower prices in August.

As for Meats, the supply of U.S. Choice grade beef is expected to increase with a decline in price of some cuts especially the forequarter cuts. Pork prices will probably start upward as a result of a smaller supply.

Swormstedt Storage and Van Company, 133 E. Chestnut-st, has been appointed the exclusive Central Ohio agent for Bekins World-Wide Moving and Storage System, it was revealed recently by Sam Nicola, Swormstedt president.

The Bekins system was organized in 1891. Since its early west coast successes, Bekins has steadily been moving its services eastward.

Today, Bekins offers storage and moving facilities on a "round-the-world basis. It operates 1500 vans, maintains 75 warehouses and has over 250 contract agents in the United States alone.

Swormstedt Storage and Van — a 40-year old Central Ohio moving and storage concern — is now the Bekins agent for Franklin County and the areas surrounding Delaware, Lancaster, Newark, Marysville, and Circleville.

Richard L. Patton, National sales manager for Swormstedt, an eight-year moving industry veteran, is serving as the local Bekins representative.

Collegians Will Meet Pro Champs In College All-Star Football Game

By Larry G. Holmes

Top collegians and the National Football Champion Baltimore Colts will kick off the 1960 grid season with the College All Star football game from Chicago's Soldier Field.

The game will pit the NFL's champs against the cream of the college gridiron stars on Aug. 12 over Channel 6.

This year's game will be the 27th in the series. Last season the Baltimore Colts defeated the College All-Stars to give the pros their 16th victory in the series against eight wins for the All Stars with two games ending in ties.

In addition to the game, the presentation of the Most Valuable Player trophy to the top player of last year's game, will be presented at half-time.

Democratic pre-convention programs are underway on Channel 6 and 4 with the purpose of acquainting viewers with the men and issues that will dominate the convention. It will also offer an analysis of the various candidates' chances for success at the convention.

Edited comments of what leading candidates have said about the political conventions and of their chances for success in winning their party's top post will be presented

The Republican convention will be presented in the same manner beginning July 23. On July 24 at 7 p.m. the principal candidates, convention and party leaders will appear on "These Are the Men."

A new program titled "Expedition" scheduled to begin in September, will offer documentary films of outstanding expeditions in recent years

It will not be lessons, but entertaining, informative programs. Committees of local educators will prepare Teachers Guides for each of these programs so that home-viewing may be used by teachers to stimulate learning in a wide variety of subjects

The program will explore many fields of local interest, such as health, history, science, art, government, natural resources. Choice of subject matter will be made by the local stations and educational advisors to meet the curriculum needs of elementary and high school.

Chicago and Baltimore will tangle on Saturday and Sunday, June 18 and 17 over Channel 10 on the Baseball Game of the Week.

Both clubs are top contenders and will be trying to take the games to move up the ladder.

The Secret of Freedom will present an encore showing of the much praised play by Archibald MacLeish, to be presented Saturday, July 16 at 9:30 p.m. on Channel 4.

Tony Randall, Kim Hunter and Thomas Mitchell star in the play which tells of a young civic-minded couple who work long and hard on the passage of a school bond—only to see it defeated at the polls. They become bitter, but are shown that their work was not in vain.

STUMP CUTTER CLEARS FAIRGROUNDS

BOTTOMS UP—Hilliard Fairgrounds is getting cleaned up clear down to the roots in preparation for the Franklin County Fair next month. On right, Guy Elbin, county engineer, inspects the work of a stump cutter while Robert Hall, 6506 Roberts rd, operator of the cutter, watches. Elbin said, "I believe this machine has saved more money for the county than any other piece of equipment purchased." The stump pictured was approximately 70 inches thick and the stump cutter completely removed it within 40 minutes.

Examiners Will Be Available To Help Figure Vendors' Tax

Examiners will be available during the month of July to assist persons having Ohio Vendors' licenses who are required to file their next semi-annual sales tax returns by July 31 for the period of Jan. 1 to June 30, 1960.

The Department of Taxation has arranged for examiners to be available at the First District Office, 240 Parsons-av; and the Central Office, 66 E. Gay-st, daily from 8 a.m. to 5 p.m. The Parsons-av office will be open Saturdays from 8 a.m. to 12 noon.

Vendors seeking assistance from examiners will be required to present all records necessary to substantiate the figures to be reported, such as a copy of their return for the previous period, a record of gross and exempt sales and a record of taxable sales of 31 cents or over.

Vendors are no longer required to have sales tax returns sworn to before a notary public or a representative of the Department of Taxation. The vendor, however, is required to sign the declaration on the return that the information given is true.

When completed, all returns must be filed with or mailed to the Treasurer of State P. O. Box 1799, Columbus, Ohio.

One nice thing about bein' poor, you've got plenty of company.

Phone Pioneers Set Picnic Date

Life Members Club of the Columbus Council Telephone Pioneers will hold its third annual picnic at Whetstone Park, Thursday, July 21, 12:30 to 5:30 p.m.

All members and their families are invited.

Pheasant Hunting To Be Allowed In Five Areas

There will be 4,483 acres in five public wildlife areas that have been set aside for hunters in which to shoot ringnecked hen pheasants this fall. The Ohio Wildlife Council recently legalized the taking of the birds, leaving it up to the Division of Wildlife to name the areas.

Gene Knoder, division supervisor of game production and investigations, listed the following areas, with the name, acreage and county listed in that order: Spring Valley, 800, Greene; Rush Run, 1,270, Preble; Pleasant Valley, 1,400, Ross; Auburn Marsh, 431, Geauga, and Hambden Orchard, 582, Geauga. Cock pheasants may also be shot on the areas.

The ringnecked pheasant season on private lands is from Nov. 15 to Dec 10, inclusive with a daily bag limit of two and four for possession limit after the first day. The public area season will be from Nov. 15 to Jan 14, 1961, with the same tag limits as for private lands. Hunting hours for both types will be 9 a.m. to 5 p.m.

CONSTRUCTION GUARDS—Pictured above are the two officers in the newly formed Contractors and Builders Patrol which boasts of being the only one of its kind in the country. At left is Chief Bruce Quick, who organized the patrol and Lieutenant Coy Helms. Both are Whitehall residents.

Unique Police Unit Formed

By John Aubie, Jr.

The dream of a Whitehall resident, conceived some two years ago, has given his organization the distinction no other group in the country can claim.

Bruce Quick, 993 Bucknell-rd, has organized a patrol service, designed to prevent vandalism and injury at construction sites. They began their work last September.

"You read everyday," Quick said, "about some small children getting themselves hurt at a construction site. This is what we're trying to prevent."

Quick and his wife, Lucille, have three children. Tom, who is 17 months, Pete, 7, and Janice, 10. Lucille graduated from Columbus South.

The contractors and builders patrol was formed from a nucelus of workmen from the government's Windsor Terrace Housing project. Two of the men on the force, Coy Helms and Bob Bartholic, reside in Whitehall.

The group owns six patrol cars, each equipped with radio phones, fire extinguishers, field first aid kits, special lighting equipment for large areas, pot flares, fuses, two flashing warning devices, and three lanterns.

They also have purchased their own uniforms and work under the sanction of the local authorities wherever their job happens to be.

How effective are they? Well, according to Captain Tom Sawyer, head of the detective bureau of the Columbus Police Department, "We've had a million complaints of vandalism, thefts and injury reports from construction. Lately, however," the captain said, "the reports have fallen off."

This is not to say that the builders patrol is responsible for this decline, but it certainly could be an indication.

At present the patrol is policing the new Mt. Carmel construction site, and excavations at the Riverside Methodist Hospital on Olentangy River-rd and Westerville Jr. High School.

In the past, the patrol has serviced the Third-at viaduct, Lincoln Park and Sullivant Gardens Federal Housing Projects and Grant Hospital construction sites.

The 37-year old patrol chief was graduated from the Pennsylvania Institute of Technology in Philidelphia, enjoys playing golf in his spare time. "But," he smiled, "I have yet to break a hundred."

Quick contributes the biggest problem facing construction crews is lack of parental discipline. "The parents just won't make their children stay away from construction areas," he said.

In the future, Quick hopes to expand his services to locales throughout the state. "However," he stated, "we're a new idea and we'll have to move slowly." He started out as a one-man, one-car operation.

Other members of the force include Bernard Berman, Leo Erwin, Buck Foit, Lawrence Neal and Joseph Nobel.

Area Children Copy Dr. Moore, Walk Two Miles To See Toys

Shades of Dr. Barbara Moore.

Four-year-old Vernon and two-year-old Nori-Beth Payne made a two-mile trek from their home at 758 Maplewood-av to the Town and Country Boston Store, "just to look around at the toys," Saturday, July 9.

They too had a large crowd attempting to trace their path—their parents, Mr. and Mrs. Glen Payne, other relatives, friends, neighbors and even the police. But, unlike Dr. Moore who was sometimes hampered in her march by the crowds because of her much publicized route, Vernon and Nori-Beth's following had a difficult time finding them.

It was no doubt a happy grandfather, Vernon Bowen of 841 Westphal-av who finally caught up with them as they were returning home over two and a half hours later.

It all started when Mrs. Payne left the children outside by themselves cautioning them to stay in the backyard while she got ready to take them to the store. When she returned fifteen minutes later they were missing.

The Paynes have another child Jack who is eight months old

Large Waddler Is Fined For Waddling At Large

Like in the reincarnation of the Sacco-Vanzetti case, the defendant looked worriedly around the court room. He smiled a brave smile to his friend and quacked a word of encouragement.

The judge ran his fingers through his hair, glanced at the defendant and sounded off with his Sunday sermon. Well, maybe his Monday sermon.

The words flew in a fluttery, ominous trajectory to the defendant's ear and he listened with cold disdain

"Guilty," said the judge, as the defendant bowed his head in shame.

It was court day in Whitehall Tuesday morning and Donald Duck was convicted of charges of "waddling at large."

Donald, the pet of Mrs. Alberta Armstrong, 91 Robinwood av, was charged by police after he nipped the leg of Jeroldine Hoyda, 265 Robinwood av in front of the Armstrong home, June 20.

When Mrs. Armstrong entered the Whitehall police station, followed by Donald, Mayor Walter B. Moling refused to allow the duck to enter the courtroom and make it a "barnyard."

"This is for the birds," thought Donald. "So fair a fowl as I have I never seen."

The refusal to allow the duck in the courtroom came as a disappointment to Mrs. Armstrong who pointed out that Donald "had his diaper on" and would not create any trouble in the courtroom.

On behalf of the duck, Mrs Armstrong pleaded guilty to the charges that she had violated a city ordinance by allowing her pet to run free.

She was fined $5 and costs by the court.

Before biting his victim, Donald was acustomed to waddling through the neighborhood whenever he pleased.

After the trial, Mrs. Armstrong left the police station followed by Donald, who thought the whole thing was duck soup.

Bexley Police Crackdown On Garden Thefts

A crackdown was ordered by Bexley Police Chief R. E. McNamee on sneak thieves stealing vegetables from gardens in the suburbs.

McNamee acted after received two complaints. A S. Remington-rd resident said the first ripe tomato in her back-yard garden was stolen and a resident of Sheridan-av reported that ready to harvest cabbage was stolen from his fenced-in garden.

Special attention will be given to gardens by patrolmen, McNamee said. Anyone caught stealing will face three charges, trespassing, petit larceny, and a special count of stealing from a garden under an ordinance enacted during the victory garden period of World War II, McNamee stated.

Free Community Dance Slated

A community dance has been slated for Friday, Aug. 12, at the Whitehall Fire Department from 9 p.m. to 1 a.m. Recreation Director Don Ecker said this week.

Admission is free and refreshments will be served at a nominal fee.

Hartley Gets New Coaches

Earl E. Vermillion, teacher and director of intramural athletics at Bishop Hartley High School, has been named head basketball coach, Fr. Robert White, principal, announced recently.

The 32-year-old Vermillion, a native of Newark, attended Denison University and was graduated from Ohio State. He is a former basketball coach at Holy Family High and assistant basketball and head track coach at St. Chrles.

Fr. White also announced that John Murphy, former coach at Watterson High, has been appointed head football coach and track coach, succeeding Tom Krieger, who resigned.

Murphy, an 18-year coaching veteran, is a graduate of Manhattan College.

Recreation Director Looks Ahead

What's in store for Whitehall now that they have a recreation director?

Although he is currently immersed in the activities of the summer program, Don Ecker, the new rec pilot, has given a look-see into the future.

"People may not realize it yet," he began, "but fall is just around the corner."

The city's autumnal program, although still in the tentative planning stage, will be a vibrant one if Ecker is able to get all of his ideas translated into reality.

The Recreation Department plans to request a $25,000 allocation of funds for 1961, Ecker said. Of this total, he said, approximately $10,000 would be needed by the department for capital improvements.

Part of the monies will go towards adding two more playgrounds and to hire a permanent grounds' superintendent.

Such projects as a calorie club, drama group, municipal band, grooming courses, men's basketball league and — a night out for ladies, are the works, Ecker has acknowledged.

The fall program, he said, begins in October and will continue for some weeks.

"I hope to work a band concert somewhere onto the agenda in August, before the fall program actually is slated to start." He plans to augment the high school band with recent graduates and candidates for a municipal band. Anyone interested in playing can contact city hall. The first concert is slated Aug. 7 at 2:30 p.m. next to the municipal building.

The municipal band, by the way, is one of his pet projects. Ecker said that come next spring, he hopes to be able to put on regularly scheduled concerts.

Explaining on the idea of hte calorie club, the recreation director explained that he has tried it before in other localities. "The idea he stated, is to get people to diet among themselves."

Along with the calorie classes, grooming and cosmetology courses are planned to be conducted.

He also would like to see a men's gymnastic class get underway as well as basketball play.

"I'll probably change the basketball rules a little," he continued, "by incorporating shorter courts and shorter quarters."

The ladies night out will give them a chance to engage in card games, lectures, or "anything they may desire." It wil be comparable to a stag affair—only this will be for "does."

Although most of Ecker's advanced planning centers around an adult program, the kids are far from being forgotten.

"The Drama Club will be for all ages, he said. "In addition, I hope to have touch football games after school and basketball on Saturdays."

To steer the program through, Ecker thinks he may be able to utilize school teachers in many aspects of the program.

The drama club wil start off with readings and terminate in either a three act play or three one act productions.

Anyway, you look at it, the busy community of Whitehall will be busier still if Don Ecker can get his program underway.

Tons Of Beans Simmering For Annual Hilltop Affair

Hilltop's huge open-house party — the annual Bean Dinner — will get under way Monday evening, July 18 at Westgate Park and continue through Wednesday, July 20.

Hilltop Business Association members, hosts at the three-day affair, invite everyone to "come early, stay late and have dinner with us."

Three tons of beans, cooked with ham and served with crisp, salted crackers will be served free from 5 to 8 p.m. both Tuesday and Wednesday evenings.

Prizes of cash and merchandise totaling $1500 in value will be distributed during the three-day affair.

Crowning of a queen and a king to rule over festivities will be held Monday evening, and a huge fireworks display is planned for 10 p.m.

Tuesday and Wednesday programs start at 2 p.m. and planned events are scheduled through 10 p.m.

There will be games and contests for children both nights, tumbling and folk dancing exhibitions, and a band concert.

THE GIRLS TAKE OVER

BATTER UP—WOW!—Slugger Jackie Kline, captain of the Honeybees in the Girls' Softball League in Whitehall, has that determined look on her face. The catcher of the opposing team, (the gal behind the glove) is Sharon Murphy of the Fireflies.

CATCH! IF YOU CAN

READY OR NOT—A hearty heave and coming your way is a leather tether ball. This playground scene happened to take place at Maryland School with Rick Weber doing the "tethering." But such scenes can be seen all over the area, now that summer is here.

Scottwood Names Horseshoe Winners

Winners of the Scottwood horseshoe tournament have been named and will compete in the city wide tournament.

Jeff Williams placed first in the Junior Division and John Engle carried away first in the Intermediate Division.

The two winners will now compete in the city wide tournament to determine a champion of the seventy-three playgrounds in Columbus.

Girls at the playground have been busy with the physical fitness program. Twenty girls enrolled in the program and so far seven have completed the requirements that entitles them to an AAU certificate.

AAU certificate receivers are Suzan Fields, Nancy Fields, Anady Ortman, Jo Ellen Trapp hagen Patty Kuhn, Corrine Shaevitz and Nancy Kuckler.

Arrangements have been made by the playground to secure tickets for the youngsters to see "Ben Hur" for 90 cents. Dates of the showing are July 26 and Aug. 9.

The annual Lantern Parade will take place at Schiller Park on July 21. Scottwood's theme will be "Huckleberry Hound."

TWEEN CAMPING PROGRAM STARTS SECOND FUN WEEK

Tween Camping program of the Columbus Jewish Center went into its second week of the first (July) session with tweens sailing and canoeing on Hoover Dam spotlighting activities on the all-outdoor skill learning program.

Tweens were looking ahead to their three-day overnite at the United Community Council site in Vinton County which will take them "on the scene" July 22, 23 and 24 of putting their new skills to work, in the outdoors.

Registeration began for the second session of this new type of campcraft skill-learning program, beginning Aug. 2 and running through Aug. 22. The all inclusive $40 fee covers all activities such as tennis, horsebackriding, archery, swimming, canoeing, sailing, outdoor cooking and camping instructions.

Interested tweens and parents are invited to call BE. 1-2731 for further information.

James-rd Youngsters Prepare For Parade

Youngsters at James Road Playground are busy preparing lanterns for the lantern parade next week.

Special interest is being devoted to one, which when completed, will resemble the Capitol of the United States.

A cook-out is being planned by the youths which is scheduled to take place Monday, July 18 at 6 p.m.

Children are asked to supply their own hot dogs and buns. Beverages will be supplied.

The newly organized softball team lost its first game last Friday to Karns II by a score of 13 to 6.

Junior Jet baseball is in full swing with games being played every night. Highlighting last week's play was the 12-year-old pitcher Dana Rutledge's no-hit game.

Six playgrounders achieved physical fitness awards this week. They are Fred Whiteman, 1028 S. Hampton; Steve Coate and Tom Coate, 837 Eastmoor; Robert Ucker, 3000 Hampshire; John Sanford, 865 Eastmoor, and Steve Cones, 966 S. Hampton.

Mrs. Alice Zirbe, 902 Eastmoor-blvd; Mrs. O. L. Butner, 2992 E. Moreland; Mac Goddard, 3134 Clermont; James Grace, 3083 Astor-av; Dale Johnson, 3733 Roswell-dr, and Ruth Wymer, 3296 Roswell, have been appointed to the new advisory council.

Special games will be held on Friday, July 15, between 2:30 and 3:30 p.m., in connection with the 50th anniversary of the Columbus Recreation Department.

Games will include some old fashioned and modern-day ideas. Ribbons will be awarded in all age groups for participation.

FAIRMOOR JUNIOR JET TEAMS CONTINUE PLAY

Fairmoor Junior Jet League play has entered its third week.

The American League, composed of 10, 11 and team sponsors are being prepared.
teams sponsors are being prepared.

Team managers in the American League are: Ted Wilcox, team A; Bill Walpole and John Whitten, team B; Bob Reese, team C;

The National League played a full schedule last week with teams B and E winning two games to jump into the league's lead. John Rhode and Jack Bell were given credit for the wins.

Softball play also got underway with Fairmoor winning a game from Livingston by forfeit. Tornoff playground is scheduled to meet Fairmoor this week.

The picnic is slated for Sunday, July 17, at Murphy's Barn at Powell.

Attending the meeting were Mike J. Eberly, 819 Kenwick-rd, director; Thomas R. McCabe, 675 Linwood; Don Gallick, 2936 E. Fourth-av; Mike Murphy, 819 Northridge rd, R. J. McDonald, 1369 26th-av; Tom Cahill, 1526 Fairwood; Pete Shanahan, 2969 Indianola-av; Clarence Sheehan, 898 S. Ohio-av; Thomas Birch, 40 S. Kellner, Larry Grogan, 1337 Loretta-av, and Gilbert H. O'Shaughnessy, 746 Yearling-rd.

Also in attendance were Mrs. O'Shaughnessy, Mrs. Eberly, Mrs. Sheehan and Mrs. Birch.

Virginia Wright Guild Plans Games Party

Virginia Wright Mothers' Guild will hold its Summer games party at the Jeffrey Mansion, 165 N. Parkview-av, Bexley, Wednesday, July 20.

Dessert luncheon is planned at 1 p.m. Guests are invited.

Chairman is Mrs. Robert Mowery, and co-chairman, Mrs. F. L. Winkelhausen is in charge of table prizes.

House prizes are the responsibility of Mrs. P. E. Hefner. Luncheon chairmen are Mrs. J. H. Innis and Mrs. H. C. Beery, and hostesses are Mrs. R. H. Bohl, Mrs. Adlai Kammeron, Mrs. J. Paul Batterson and Mrs. H. M. Leitnaker.

EVENING BIBLE SCHOOL SLATED AT WHITEHALL

Whitehall Community Church of God will conduct vacation Bible School classes starting Wednesday, July 20 through July 29.

Evening classes will be held from 7 to 8.30 p.m. at Beechwood Elementary School.

Children from four through 15 are invited. There also will be a class for parents.

Bentgrass lawns require a lot of care if they are to be attractive. They should be cut short, using a reel-type mower. During seasons of rapid growth it may be necessary to mow bentgrass lawns three times a week.

MISS HAZEL MESSINGER

Area Man To Wed In Iowa August 19

Mr. and Mrs. E. L. Messinger Braddyville, Ia., announce the engagement of their daughter, Hazel Marie, to Mr. Henry Kumler Stickrod, son of Mr. and Mrs. Howard O. Stickrod, 650 Elizabeth av.

The bride-elect is a graduate of College Springs High School, Iowa, and Weaver Airlines Personnel School, Kansas City, Mo.

Mr. Stickrod is a graduate of East High school and Weaver Airlines Personnel School, Kansas City. After his discharge from U.S. Air Force he attended Ohio State University.

Both are currently employed by American Airlines, Chicago, Ill.

The wedding will be an event of Aug 19, at the United Presbyterian Church, College Springs, Ia.

Enoch Named To Direct Gallery Team

Phil Enoch, producer-director of many WBNS-TV programs, has been named to stage the annual summer production of the Gallery Teens at the Jewish Center.

Enoch is the producer-director of "The Flippo Show," and produces news, sports and weather programs. He also has directed the daily half-hour children's program, "TV Kindergarten."

Harold M. Eisenstein, director of drama at the Center, announced that there are still a few parts available for the Gallery Teens show. All teenage Center members who are interested are invited to attend a final rehearsal reading, Sunday, July 17.

Women Offered Horseback Riding Skill Classes

Horseback riding received a boost this week with the announcement by the Columbus Jewish Center that one eight-week session instructional class will be offered for women on Fridays between 10 and 11 a.m., beginning July 29.

This will be an instructional course for adults in the finer skills of horseback riding which will include personalized small group sessions.

Lessons will include introduction and orientation as to the parts of the horse, saddling, bridling, mounting and dismounting, walking, stopping, control, proper sitting, sitting trot, trot with rhythm, grip, posting trot, cantering and trail riding.

Registration is open to Center members by payment of $15 all inclusive fee. Interested horsewomen are invited to call BE. 1-2731 for further information.

Lea-Wood Gardeners To Tour Roses Park

Budget Plan Concrete Can Be Purchased

Ready mixed concrete can now be purchased on budget terms, according to Ralph H. Anderson, president of the Anderson Concrete Co., 560 Harmon-av.

The firm, with 11 locations in Columbus and Franklin County, will now deliver ready mixed concrete for home owners, with no down payment and terms up to 18 months.

According to Lee H. Hinder, sales manager, home owners can have a patio, driveway, or new sidewalk on terms as low as $2 a week.

This new budget plan offered by Anderson Concrete Company makes possible for the first time improvements which formerly would have had to be deferred on a cash basis. Greater Columbus home owners can have their use of a new patio, driveway, play area, sidewalk or porch this year and pay for them over an extended period just as they pay for many other home items, Hinder said.

Crash Death Indictment Is Refused

For lack of evidence, the Franklin County Grand Jury last Wednesday refused to indict Mrs. Sue Carol Miller, 24, of 1118 Olney-dr, in the traffic death Apr. 20 of Mrs. Glenna Schimel, 62, of 575 Eastmoor-blvd.

Mrs. Schimel died in Lincoln Memorial Hospital two hours after her car and one driven by Mrs. Miller collided at Mound-st and Eastmoor-blvd. Police charged Mrs. Miller of failing to yield the right of way. Officials said there were no witnesses.

The grand jury returned 22 indictments and refused to indict in seven other cases. Nine of the 22 were indictments on burglary charges and six on forgery counts.

Krumm Park Kids Ready For Parade

Youngsters at Krumm Park Park will be saving boxes next week which will be decorated during the arts and crafts classes for the lantern parade.

Many of the lanterns will depict important happenings of the last fifty years since this is the Golden Anniversary of recreation parks in Columbus.

The parade is scheduled to take place at Goodale park Thursday, July 21 at 8 p.m.

Children at the park are talking about the Indian Vilage Day Camp.

Registeration cards can be obtained at the park. Children between the ages of 8 and 12 are eligable to attend.

Entry fee is $2.50 for the entire week. Activities such as swimming, fishing, hiking and arts and crafts will be offered.

Danny Reese was named winner of the Krumm Park horseshoe tournament.

Junior Jet Baseball is well underway. Standings are as follows: team 2, won 3, lost 1; team 3, won 3, lost 1; team 1, won 1, lost 2; and team 4, won 0, lost 3.

Airliner Lands Safely; Faulty Switch Blamed

Emergency equipment was ordered to stand by at Port Columbus last Tuesday morning until the pilot on American Airlines Flight 589 from Cleveland could check his landing gear.

A red light on the instrument panel had indicated the gear was not locked properly but the trouble was found to be a defective switch in the warning system.

Police Recruiting Office Open Saturday, July 16

The Municipal Civil Service Commission office wil be open Saturday, July 16, from 8 to 11 a.m. to accept applications for the Columbus Police Department.

Those interested must be high school graduates between the ages of 21 and 31.

Opposition Strong—Rezoning Dropped

Opposition to commercial zoning near Hamilton and Etnards, has apparently resulted in the attorney for Hazel Realty Co. withdrawing its request, Margaret McQuaid, Whitehall Planning and Zoning secretary said of Tuesday night's meeting.

She said that she had on file some "750 names" who opposed the rezoning.

No reason was given by Attorney William Lewis for the realty company's action.

The Planning and Zoning Board did okay variances for Homestead Motel and for Ohio Federal Savings and Loan, Mrs. McQuaid said.

E. Main Gets New Principal

Groveport's loss is Whitehall's gain.

School Board officials this week named Francis E. Beard, elementary head of two Madison Local schools, as the new East Main Street School principal.

The board also adopted its temporary budget for fiscal 1961, Superintendent Robert Crabbs said.

Estimated receipts: $1,561,745.44; estimates expenditures, $1,588,301.77. The deficit, Crabbs feels, will be made up from the district's increased tax duplicate.

But he is not ruling out the possibility of the board asking for more funds sometime next year, he said.

Beard, the newly appointed principal, has been at Groveport for three years. Madison Local Executive Head Robert McCracken reported. He has had experience at both Edwards and Brice elementaries.

"He has excellent knowledge of the instructional program at the elementary level," McCracken said. "I hate to see him go."

Beard is a graduate of Hamilton High. His name was selected from approximately 20 applicants, Crabbs said. The Whitehall executives said that Beard came "highly recommended."

Another appointment involved the assignment of Lynn Sloane, high school industrial arts teacher, to the assistant principalship at East Broad Street.

Sloane, the board members heard, has had previous experience at the administrative level at Scioto County schools.

Crabbs said that the tax duplicate is up approximately $2,500,000 over last year's, to $45,305,000. It is also expected, he said, that the county budget commission will recommend a .35 of a mill tax reduction.

"This amounts," Crabbs stipulated," to a .95 of a mill tax reduction over the past two years."

In other matters, the board, for the first time, okayed the purchase of drapes for the cafeteria at Rosemoor Junior High and at the high school.

Approval was given to install gas lines to the home economics department, giving that department both electric and gas facilities.

New social studies texts for the eighth grade were approved and three new teachers were hired.

services. "For the first year and a half, however," Rev Conning said, "we conducted services at the Montrose school along Main-st."

Rev. Conning is assisted by Rev. Richard Doerbaum and by Dr. Eli Mawry, who is in charge of Sunday School.

Chairman of the building committee is James Whittier; chairman of the trustees is William Coons; clerk of session is Mrs. Ben Kramer.

Parks—

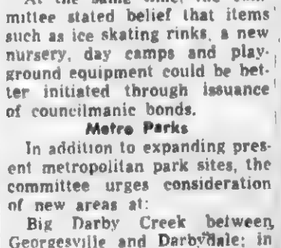
(Continued from Page 1)

only one swimming pool at Maryland Park, the committee stated that immediate steps should be taken to construct facilities at Sunshine and Schiller Parks and in the Thompson, Linden and Westgate areas.

Other parts of the report call for construction of a new golf course on the area of Port Columbus and the reconditioning of Maryland Pool.

At the same time, the committee stated belief that items such as ice skating rinks, a new nursery, day camps and playground equipment could be better initiated through issuance of councilmanic bonds.

Metro Parks



In addition to expanding present metropolitan park sites, the committee urges consideration of new areas at:

Big Darby Creek between Georgesville and Darbydale; in the upper valley of Big Walnut Creek; in the valley of Rocky Fork north of Gahanna; in the so-called Three-Forks area at the confluence of Alum, Big Walnut and Blacklick Creeks south of Columbus; near the Chestnut Ridge overlook in the Lithopolis area plus adjacent section of highly scenic land

Noting the urban encroachment upon the existing park sites, the committee says further expansion for protective purposes should begin soon. It is pointed that the situation is particularly acute around Blacklick Woods.

Specific recommendations of the committee call for the purchase of 261 additional acres at Blacklick, 343 at Darby Creek, 425 at Highbanks and 260 at Blendon Woods.

Whitehall's Bell-oring Squelched

Whitehall parents can once again rest assured these nights.

No need for them to worry about their toddlers tumbling out of bed to greet the "goody" man any more.

The ice cream man's bells have been muted during the hours between 9 p.m. and 8 a.m. Final okay to the Dick Hyatt sponsored bill was given at Tuesday night's special meeting.

Also endorsed was a bill directing the service director to employ three more full time fire men.

Two ordinances, one to establish commercial garbage rates, the other concerning the installation of sidewalks on commercial property south of Main-st, made it past the third reading, but were keyholed back to committees for further study.

The much disputed bill to allow council to engage their own counsel made it past the second reading. City Solicitor James Maxwell had a few comments to make on the proposal at last week's meeting, but is on vacation this week.

Council says it wants to hire an advisor to aid on the Master Plan recommendations. Maxwell is opposed to the move and has threatened legal action.

The ice cream vendor regulation had originally been rejected by council because of certain legal terminology. The revised ordinance calls the ringing of bells at night time a "nuisance," and that the "ringing disturbs children in their sleep."

Parade Of Lanterns Tonight For Eastern Columbus Kids

GETTING READY — Winner of a top award in last year's Lantern Parades, youngsters at the James-rd playground hope to repeat this year. The model of the White House is being prepared by front row, left, Mary Karenberg, and Patricia Koe. In the background, left to right, are supervisor Keitha Knecht, Carl Andrioff and Steve Grumkemeyer. The kids are getting ready to march tonight.

Hundreds of twinkling lights will be mirrored in lakes at Schiller and Goodale Parks, Thursday night, July 21, where East Side children will be participating in the annual Sectional Lantern Parades.

Children from James-rd, Fairmoor and Scottwood will join those from 13 other city-operated playgrounds at Schiller Park (Deshler-av and Jaeger-st) at 7:30 tonight. Those from the Krumm and Shepard playgrounds will go to Goodale Park (Goodale-st and Dennison-av) at the same time.

Carrying hand-crafted lanterns made from boxes, cartons, chicken wire, tin cans, papier mache, and paint, the youngsters will march around the lake and across the bandstand in front of judges.

Each playground will be given a participation award and the first, second, and third prizes will be given for the best executed lanterns and most original themes.

Ribbons will be given for individual lanterns in the following categories: prettiest, cleverest, most unusual, most original, most spectacular, best design, showiest, funniest, most grotesque and best constructed.

Some of the themes will be "Animals", "The City By Night", with the Leveque-Lincoln tower, "Parade of Presidents", "March of the Swiss Guards" and many others. Each lantern will be lighted by a candle or flashlight.

Emcee for the Schiller event will be Bill McCormick of WBNS-TV. The judges are William P Hoermle, city councilman; "Ollie" Oelgoetz of the Recreation Commission; John Phillips of the Police Juvenile Bureau and J. R. Solensky of

HI THAR, DAVEY!

DUTRO—THAT IS—While most youngsters these days are dreaming of space, the kind to go through to get to Mars, young Davey Dutro, of Beachbank-rd in Whitehall, is looking for the wide open spaces, the kind like out West. A throwback to another Davey, the Crockett kind, the Dutro Davey is obviously planning to waylay a stage, or... better yet, planning how to not take a nap. Good hunting, Davey—the summer is yours.

Stern Gets Endorsement As Candidate

Leonard J. Stern, attorney, 370 S. Roosevelt-av, received the endorsement of the County Republican Central Committee as candidate for the Court of Appeals seat vacated by the death of Judge Fred J. Miller.

Stern has served as corporation counsel in the Secretary of State's office and as executive secretary of the Ohio Department of Public Works under former Governor John W. Bricker.

He has been in private practice in Columbus since 1947. He has been active in the Red Cross, USO, Arthritis Foundation, and is a member of the Board of Governor's of the Columbus Bar Association.

ALONG SCHOLAR ROAD

A PROUD HERITAGE FOR BEXLEY GRADUATES

Bexley High School and its graduates have a record of which to be proud.

Of the numerous graduates from the years 1953 to 1955, inclusive, who have entered college, over 60 per cent of them have followed through to gain degrees.

The average figure of college graduates is 63.5 per cent.

The number of Bexley boys to be graduated from colleges and universities exceeds that of girls, first, because a higher percentage (73) enter college, and secondly, because a higher percentage, on the average, of the girls get married.

Let's follow one graduating class through the statistical maze in order to attain a clearer picture.

In the Class of '55, a little over 88 percent of the boys and 84 percent of the girls from Bexley entered colleges. Of this amount, 73 percent of the boys and nearly 58 percent of the girls graduated from college four years later.

In other words, of nearly 87 percent of 1955 Bexley graduates, 66 percent followed through with their intentions for higher education and attained degrees.

One of the reasons for the drop in the number of girls graduating from college can be expressed by the percentage of those who were married: in this case, it amounted to 60 percent of the '55 class.

While, at the same time, only 22½ percent of the boys aspired to matrimonial heights.

Indeed, the number of college graduates among the boys may have been higher,

Hyatt's Father Dead At 83

Funeral service for Ned A. Hyatt, 73, father of Whitehall's first ward councilman Richard A. Hyatt, were held Wednesday at Leach and Son Funeral Home.

Hyatt died Sunday in Wirton, Canada. He lived at 1040 Bernhard-rd, Whitehall. He was a retired passenger agent for the N&W RR and a member of the Whitehall Democratic Club.

Also surviving are his wife, Dessie; a daughter, Mary June Schmueckle, and two grandchildren.

Burial was in St. Joseph Cemetery.

Whitehall Band Practice Slated

An Aug. 2 call has been issued by Whitehall Recreation Director Don Ecker for the community band concert rehearsal.

The performance is slated for Aug. 7 at 2:30 p.m. at the city hall parking lot near the city hall.

AF Colonel Gets Assignment

Berwick Man Pentagon Bound

COL. JAMES E. HILL

A Berwick area resident who is one of the Air Force's younger colonels has been assigned to the Pentagon in Washington.

He is Col. James E. Hill, who has been living with his wife and three children at 1475 Garywood-av.

Hill will report to the Pentagon by Aug. 26.

The 39-year-old colonel's new assignment is to be chief of the Contract Services Branch in the Air Force's Directorate of Manpower and Organization. As such, he will deal with contracts between the military and civilian organizations. His stay in the nation's capital is expected to last at least four years.

For the past three years Hill has been Air Force senior adviser to the Ohio Air National Guard's 121st Tactical Fighter Wing at Lockbourne Air Force Base.

A veteran of 285 combat missions in World War II and the Korean Conflict, Col. Hill has flown various types of fighter planes from the P47 used in the European campaign to the F84F jet fighter-bomber used by the Ohio Air Guard.

Before coming to Columbus, he was director of operations for the 20th Tactical Fighter Wing in England.

Born and raised in Stillwater, Okla., the colonel attended Oklahoma State University before entering the service in 1942. He received his commission and pilot's wings in February 1943. After World War II, he completed work on his degree at Oklahoma University in Norman, graduating in 1948.

He will be succeeded here by Col. Frank J. Collins, who has been serving in Japan.

Top VFW Post Issues Call for More Members

A call for new members has been issued by the Paul S. Lawrence VFW Post 9857.

Riding high on the horse of success after being named one of the top VFW posts in the state, membership-wise, Lawrence officials are seeking more applicants to enter their fold.

With 104 members now, officials Don Wagner and Commander Gene Perry are seeking to retain their newly won Past Commanders Department Percentage Gain Trophy for a second straight year.

If eligible, intereested applicants are urged to contact the post at CL. 3-4604 or to drop around and "see Don." The post is located at 2948 E. 5th-av.

Commander Perry & Co. are also hoping to get the makings of a color guard and drill team. According to Wagner, 20 men will be needed for such an outfit.

Glick's Announces Expansion Program Topping $1 Million

Robert A. Glick, president of Glick's Furniture Co., has announced two major expansions totaling in excess of $1,100,000 —one of which will provide the firm with its first East Side retail store.

Construction is now underway for a 34,000 square foot suburban store in the Town and Country Shopping Center area, 3361 E. Broad-st, and a 114,000 square foot combined warehouse-outlet store and warehouse on East Fifth-av, just west of the Leonard-av intersection.

The Town and Country suburban store will be the largest of Glick's shopping center operations, and, according to Glick, it is anticipated that it will be the largest and most beautiful in the state. The building will be of modern red brick, having 142 foot frontage on E. Broad-st. A 40-foot high pylon bearing an attractively lighted sign will be visible from over a half-mile.

Display window space will total 125 feet, plus two picturesque show windows. Adding a garden effect, four flowering trees in individual brick planters, with twinkling lights, as well as other planters containing evergreens, will grace the canopied entranceway, Glick said.

Center of the store will be given a "sunken living room" effect. A community meeting room with kitchen is planned for the use at no charge by various clubs and church groups. The meeting room will overlook a landscaped patio.

Exotic Display Areas Featured

Other unusual features in the new store will include a large woodburning fireplace, visible from outside, a 2,000 square foot landscaped patio for displaying outdoor furniture in the summer. During the winter, spotlights and an unusual fountain display, will be visible through 16 feet of sliding glass doors.

There will be many departments in the new addition—a complete carpet department, an early American shop, an in-

FATHER ROBERT HARWICK AND HOLY SPIRIT CONSTRUCTION . . . . . .

Holy Spirit Church Set For Fall Completion

With the arrival of the pungent odor of burning leaves and skyward swirling smoke, so will come the advent that parishioners at Holy Spirit have awaited.

For some time this fall, possibly in October or November, a new modernistic church will be ready for occupancy. No definite date has as yet been set by Father Robert Harwick for the dedication ceremonies.

An open house observance is also on the probable agenda, he said.

Construction of the $350,000 project was started in June of last year. Seating will be available for 890 people, the priest stated.

The congregation numbers, according to him, somewhere in the vicinity of 800. Holy Spirit Church is located at the corner of E. Boad-st and Yearling-rd in Whitehall.

The structure, when completed, will also contain a sanctuary and a cafeteria in the basement.

The congregation was organized in 1947. First services were held at the Shrine of the Little Flower.

They moved to a temporary church building in 1951. The building will be used for grade school classrooms upon completion of the church, Father Harwick said.

He has been in the parish for around seven years.

Architects are Titus and Prindle. Contractor is Alton-Coady Co.

New parishioners are requested to register on Sunday morning after any of the last three Masses or may phone for an appointment.

Jewish Center Fishing Club Invites Members

The Columbus Jewish Center Sportsmen's Club after two very successful fishing trips to local secret areas held its first dinner meeting of the summer at the Desert Inn on Thursday night, July 21, to hear Dr. Dave Papier, liaison chemist of the Division of Wild Life of the State of Ohio, talk on "Clubs and Outdoor Living in Ohio."

The sportsmen will get together with their families for the first time this season on a visit to the fish hatchery at Hebron, Sunday morning, July 31.

Members will meet at 9:30 at Jewish Center, accompanied by youngsters and wives, and will proceed in caravan to visit and learn about fish hatching. A cookout and picnic will highlight the day's activities.

Summer fun and activities will further spotlight a floating trip and cookout for these sportsmen when they meet on Sunday, Aug. 21, to go down the Big Darby.

Interested participants are invited to call club president, Jonas Rosenthal, BE. 8-7948, for further information.

Next Week, Too

Whitehall Council will hold a special meeting at the library of the Yearling Road High School, July 26, at 7:30 p.m.

Purpose of the meeting is a public hearing to change zoning and to accept plat for Main-Hamilton Subdivision.

Kilgore at Hartly

Dave Kilgore, a place-kicking specialist for Ohio State's Buckeyes for the past two seasons, has been hired as an assistant coach at Hartley High School, it was revealed last Friday.

The 21-year-old Dayton Roosevelt grad, who enrolls in Ohio State's Dental School in the fall, will be head swimming coach and assistant to John Murphy in football.

Kilgore, who is married, is working this summer as an instructor at Lincoln Village pool.

Wednesday Funeral Held For Former East Athlete

Wednesday funeral service was held for Larry Lee Karnes, 22-year-old athlete who was killed when struck by a car early Sunday morning as he walked along Mock-rd near Century-dr.

An employe of the road maintenance division of the Franklin County Engineering Department, Karnes lived with his parents, Mr. and Mrs. Walter Karnes, 3069 E. 11th-st.

The accident occured at 3:45 a.m., only a short time after Karnes had left the car of his sister and brother-in-law, Mr. and Mrs. Donald Williams, of the 11th-av address. The three had been visiting relatives in the north end and Karnes had left the car saying he was not ready to go home as yet.

Donovan Knight, 18, of 3198 Westerville-rd, driver of the car which hit Karnes, was released without charges Monday.

Patrolman Frank Reynolds of the accident squad reported that there was some fog in the area and that Karnes had been clad in a brown T-shirt and black slacks at the time of the accident. The driver told him he had not seen Karnes until it was too late.

A graduate of East High School, Karnes was a member of the football and baseball teams and won the position of third baseman on the 1955 all-Ohio team.

He entered Capital University last fall and played football there. He was currently a member of an industrial team.

Other survivors include his grandmothers, Mrs. Grace Karnes of Columbus and Mrs. Margaret Jones of Lancaster.

Burial was in Glen Rest Cemetery by Cook and Son Funeral Home.

MICHAEL MOSSMAN
Michael Mossman, son of Mr. and Mrs. Jerry Mossman of 2000 Winslow-dr, died at the age of seven months.

He is also survived by his maternal grandparents, Mr. and Mrs. William Autenrieth; paternal grandparents, Mrs. Edith Mossman and Mr. Amos Mossman, and great-grandmothers, Mrs. Grace Poston and Mrs. William Autenrieth.

Funeral services were Saturday, July 16, at Cook and Son Chapel. Interment was in Green Lawn Cemetery.

CHARLOTTE N. DECHTER
Mrs. Charlotte Nichols Dechter, 66, of 226 N. Lowell-rd died Tuesday, June 12, in Grant Hospital.

A graduate of the White Cross Hospital School of Nursing, she served as secretary of the Franklin Unit No. 1 American Legion Auxiliary.

Surviving are her husband, Samuel; a daughter, Mrs. Sara Doyle, and two grandchildren.

Private funeral services were held Friday at Schoedinger State Street Chapel. Interment was at Green Lawn Cemetery.

HOWARD GLASER
Howard Glaser of the Park Hotel at 173 Woodland, died at the age of 71. Funeral service was Tuesday at the Broadwell Funeral Home, Felicity. Local arrangements were made by Leach and Son.

PAUL HUGHEY
Funeral service was held on Wednesday at the Schoedinger Funeral Home for Paul Hughey, 55, a department manager for F. and R. Lazarus and Company.

Hughey, a member of the Lazarus Executive Club and 20-year-club of the firm, died Monday at his home at 828 Montrose-av.

He was a member of the Humboldt Lodge of Masons, Scottish Rite and Shrine and the Chanters.

He is survived by his wife, Leona, and his mother, Mrs. Etta Hughey.

CLIFFORD H. STOESSEL
Clifford H. Stoessel, age 66, of 1443 S. Fourth-st, died June 13.

He is survived by a son, Clifford, Jr.; three grandsons, David, John and Steven, and an aunt, Mrs. Laura McCune.

The funeral was at Graumlich and Son Funeral Home, on Thursday. Interment was in Green Lawn Cemetery.

SUSIE B. COOLEY
Mrs. Susie Briggs Cooley of 1529 Clifton-av passed away.

Surviving are her husband, Joseph C. Cooley; a daughter Mrs. Marian Phillips, Indianapolis; a grandson, Norman Green; three sisters, Mrs. Bessie McKenny, Mrs. Mary Thompson and Mrs. Jennie Lee; an uncle, Robert Smith, Brooklyn; a son-in-law, Andrew Phillips, and other relatives and friends.

Funeral services were Monday in the Shiloh Baptist Church with Rev. James W. Parrish officiating. Interment was in Green Lawn Cemetery.

GETS GRANT
General Carlton S. Dargusch, 271 N. Columbia-av, member of the Board of Directors, Franklin County Unit, American Cancer Society, announced today that the Society has awarded a research grant of $9,211 to Dr. Jack N. Taylor, Assistant Professor in Surgery at Ohio State University.

ORA JOHNSON
Mrs. Ora Johnson, 70, of 1730 Bryden-rd, died Sunday morning in St. Anthony's Hospital.

Surviving are several nieces and nephews.

The funeral was Wednesday afternoon at the Egan-Ryan Parlors. Interment was at Eastlawn.

BUILDS GARAGE
Edward W. Metzgar, 1554 Selkirk rd, received a permit to build a two-car concrete block garage. C&M Builders is the contractor.

ALTERS DWELLING
Permission has been granted to Ralph DiVito, 3375 Maryland av, to alter a frame dwelling. The Harris Construction Company is the contractor.

E. Broad Site Selected For Ohio Federal Branch

Purchase of the property at 4140 East Broad-st by Ohio Federal Savings and Loan Association as the site for a new branch office, has been announced by Arthur R. Allen, president.

Clearance of the land has already begun. Construction is expected to get underway in the near future. The present Ohio Federal branch office at 4009 E. Broad-st will move into the new quarters by late fall, Allen said.

Architecture of the new building will be identical to the South High-st and Upper Arlington branches.

The new building will have approximately 2400 square feet of working office space, and will allow the association to offer its customers several additional services including a drive-in window, night depository service, and expanded parking facilities. The second floor will also have available office space.

The property at 4140 E. Broad-st has a small stream on it, and construction plans include opening the stream, building a bridge over it, and landscaping the area with flowers and shrubbery.

REMODELS GARAGE
Permission to remodel a garage was granted to P. L. Pixley, 869 Grandon av.

Beechwood Has Record Throng

Whitehall Recreation Plan Is Coming Along 'Just Fine'

The playground situation at Whitehall appears to be coming along just fine, in the words of Recreation Director Don Ecker.

The kids, it appears, are turning out in droves for the diverse opportunities available.

Norton field averages some 50 kids on its acreage per day.

"Slightly more boys than girls are taking part here," Ecker said.

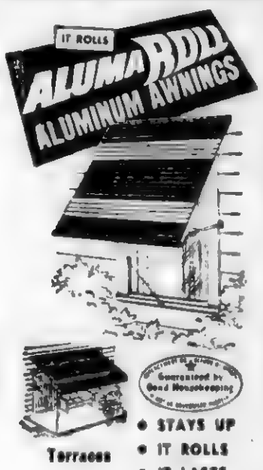
But it's Beechwood that is setting the records.

Normally some 75 to 80 kids pop up every day. Beechwood holds the one day record of 109.

The Etna-rd facility takes care of approximately 50 to 60 lads and lasses per day.

How do the different playgrounds stack up as to the foremost activity?

"Well," says Ecker, "games appear to be the most active at Etna. Active arts and crafts for small youngsters occupy most of the agenda at Beechwood.



"Norton," he continued, "has a good all-around program."

During the heat of these summer days, the rec pilot said the youngsters are mostly concerned with arts and crafts.

Tournament Entry Blanks Are Available

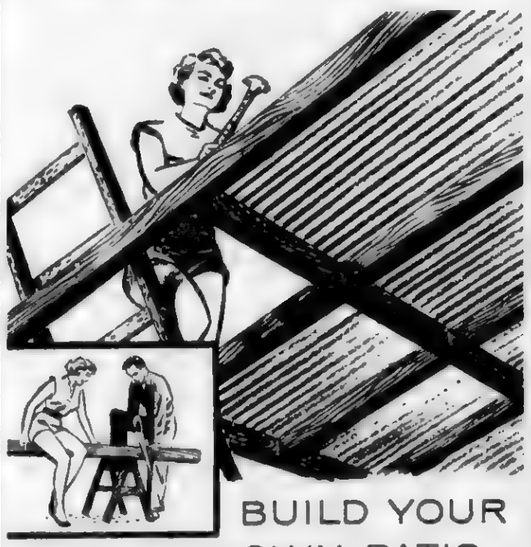
Officials of the Main Lanes Bowling Alley, owner-operator of Columbus Putt-R-Golf Course announced that entry blanks are available for the 1960 annual Handicap Tournament.

Putt-R-Golf officials have set up a 60 per cent handicap available to four class winners with cash awards being presented in all classes. The ten finalists in each class will play one 18-hole round to determine the class champion. Each player's established handicap will be deducted from this 18 hole round to determine his tournament score.

After awards have been presented to each of the four class champions, they will in turn play one additional 18-hole round to establish a course champion. Winner of the course championship will receive a trophy and a trip to Akron to compete in the National Putt-R-Golf finals Sept. 10.

All five rounds must be completed by Aug. 14 to establish handicaps. Last year's winner of the Columbus Tournament Robert Wilson, won the National Tournament at Akron.

Corporation Elections Held At Annual Meeting



W. Richard Moling was re-elected president of the Board of Directors of Moling and Associates, Incorporated at the annual meeting of the stockholders and directors July 18. Re-elected to the board were Moling, Jean L. Moling and James P. Butler.

Moling announced an increase of 21.17 percent in gross business in the fiscal year ending June 30 over the fiscal year ending June 30, 1959. A branch office was opened in Dayton during the past year and another will be opened elsewhere in Ohio in August.

The Students Work From Sun To Sun But The Coaches' Work Is Never Done

By John Auble, Jr.

Two Whitehall-Yearling coaches took to their stages and headed West, young man — West Virginia, that is.

Another stayed behind, but is engaging in the same type of summer holiday as the proverbial human.

When the bell sounded closing the end of the school year last June, it signaled a summer of athletics and study for coaches Jim Bline, Pat McMillin and John Peters.

Take Jim Bline, for instance. He heads the varsity football team during the school's grid season. Right now, however, he's working on his Master's degree in physical education at the University of West Virginia.

"I'll be going to school until football season starts," said Bline who comes back to Columbus on weekends.

The young coach is planning to marry Miss Judy Matson who was Capital University's homecoming queen and recently student-taught at Whitehall-Yearling.

What about Pat McMillin?

Bline

McMillin

Peters

His track team has long since fled from the confines of the school building and headed for swimming pools, backyard picnics and the like.

"I don't have any spare time this summer," he said. "I'm kept pretty busy up at Ohio State."

On the Buckeye campus scene, McMillin is doing work for his Master's degree in educational administration. At present, he stated, he's writing his thesis.

"When you get through with coaching," he explained, "it's nice to have something to fall back on. I think I'd enjoy school administration work." He attends school two hours per day.

McMillin also tends to his duties in the Whitehall print shop during the summer months.

Coach John Peters, who handles junior high football and track, is also taking courses at the West Virginia school with Coach Bline.

Peters and Bline spend most of their free, between classes, time boating and playing ball. They're both on the West Virginia intramural softball team.

"It's studying and athletics most of the summer," McMillin summed up, "with more study and athletics during our free time."

Around the first week of June you'll find them back at their posts at the Ram home. They feel that they'll be more fully versed in athletic techniques which will benefit young Whitehall sportsmen.

Mrs. Blue To Address Actor's Lab

Next session of the Gallery Players Actor's Lab, to be held in the adult lounge of the Jewish Center, 1125 S. College-av, Wednesday evening, July 27, will feature the film "A Dancer's World," prepared by Martha Graham and her troupe.

A talk dealing with the dancer as a creative artist and stressing the common goal of both actor and dancer will be given by Mrs. Magda Blue. Mrs. Blue, dancer and choreographer, will also lead a discussion.

Mrs. Blue has studied dancing and choreography at the Art College of Budapest, and was graduated from the Academy of Dancing. She has a diploma as teacher of interpretive acrobatic and ballroom dancing.

She was choreographer of the Gallery Player production, "Finian's Rainbow."

Further information concerning the Gallery Players Actor's Lab may be obtained from the program secretary at the Jewish Center, BE. 1-2731, Ext. 27.

THEATER, PICNIC ARE HIGHLIGHTS OF YMC's PLANS

Young Married Couples of the Columbus Jewish Center, at a recent planning session, revised their summer schedule to include a theater party Saturday, July 30. The YMC will see "Of Mice And Men" at the Stadium Theater.

Plans call for a picnic Sunday, Aug. 14. Members will meet at the center at 10 a.m. and go to O'Shaughnessy Dam, with an alternate, in case of rain, for bowling at Center Lanes at 2 p.m.

YMC will hold a hayride in September with time and place to be announced.

Interested persons wishing to join the center's Young Married Couples may call Mrs. Marty Wolf at BE. 1-7852.

BRIEFING SESSION — Capt. Reginald Harvey, right, describes to Rev. John W. Moody some of the typical parish activities of the Church of St. Mary the Virgin, Weldon, England, where Rev. Moody will spend the month of August in an exchange with the rector of the Weldon Church. Capt. Harvey suggested the exchange.

TO VISIT HERE — Rev. Higginson, who will serve the Whitehall church for the month of August, and his niece examine one of the old parish documents of the Church of St. Mary the Virgin, Weldon, England, titled "From the Court at Whitehall." The document is a proclamation to the English Church from Charles II, who held court at Whitehall Palace in 17th century England.

Whitehall, English Church Vicars To Exchange Pulpits For Month

Rev. John W. Moody, vicar of the Church of St. Edward (Episcopal), Whitehall, will leave for England on July 25 to exchange pulpits for the month of August with a clergyman of the Church of England.

Rev. Arthur Higginson, rector of the Church of St. Mary the Virgin, Weldon, England, will come to St. Edward

Weldon, a country village 70 miles north-northwest of London, offest striking contrast to Whitehall.

The Church of St. Mary the Virgin is known to have been rebuilt in 1230, while the congregation of the Church of St. Edward has been meeting only since 1954. The present St. Edward building was dedicated in 1956.

The exchange was suggested by Capt. Reginald Harvey of the English Church Army. Capt. Harvey has been in this country for the past year and a half as a missioner.

This visit will not be the first that Rev. Higginson has made to the United States. In 1959, he and Rev. Laurence Hall of St. Paul's Church, East Cleveland, made a similar exchange.

During his stay in Columbus, Rev. Higginson will be the guest of the M. B. Curley family, 5501 Clark State-rd, Gahanna.

'HAVE ORGAN, WILL TRAVEL' MAN

Christian Book Store Slates Monday Visit Of Curt Davis

"Have Organ, Will Travel," might well be the theme of itinerant musician Curt Davis.

Davis is slated to be at the Christian Book Store, 179 S. High-st, Monday, July 25, from 2 p.m. until closing time to autograph records.

Curt Davis

For 13 years he was accompanist for the largest organized choir in the world, some 1400 voices, he says. For many years he was heard daily over WLW. His first album has just been published. Davis uses a Hammond Organ, concert model.

The Hammond organ that was traded in on the outfit which he is currently using, was hauled more than 300,000 miles in the trailer built especially for that purpose.

After thirteen years of constant use and more than 300,000 miles of travel, the first organ used by Davis, was traded in on a concert model, blond finish Hammond and fine tone cabinet which constitutes his present equipment.

Before Davis took to the road, he was for a number of years organist at the Cadle Tabernacle at Indianapolis.

He teaches the many children in his choirs all over the country to call him "Uncle Curt."

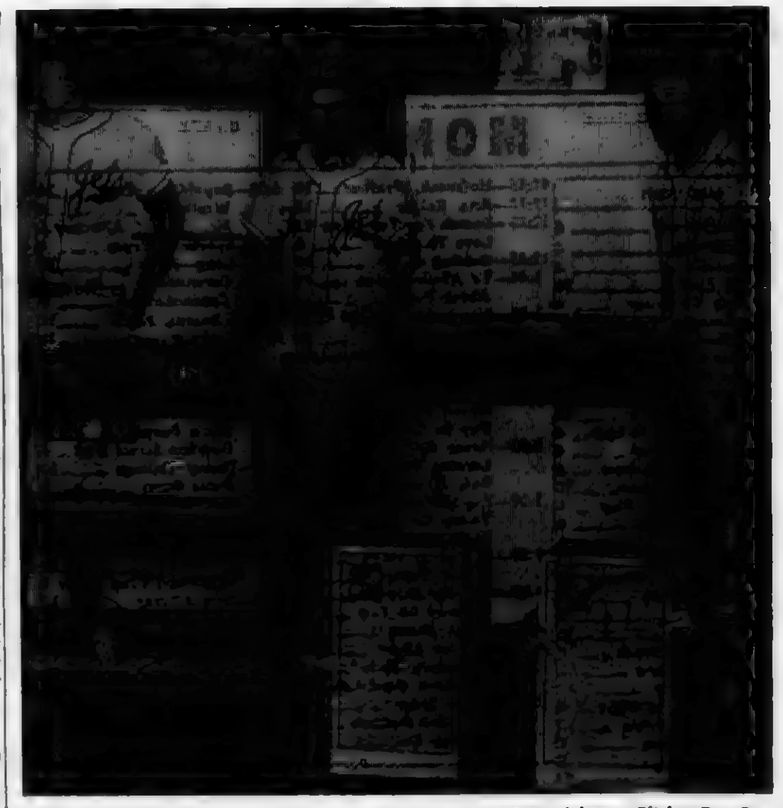
The Davis family resides at 2022 E. Raymond st, Indianapolis, Ind. Besides "Uncle Curt," there are Charlotte (Mrs. Davis), Richard (a ministerial student) and Carol (a high school student). From this address as home base, he goes out, and Charlotte accompanies him on some of the trips, to conduct the music in many evangelistic meetings.

People Can Go To The Dogs At Coming State Fair Exhibit

Everyone will be in the "Dog House" at the 1960 Ohio State Fair, Aug. 26 through Sept. 2.

Why? The "Dog House" during State Fair Week will be the Little Theater Building on the Fairgrounds where many dogs and their abilities will be exhibited.

Long and short-haired dogs, working and hunting dogs, large collies and tiny chihuahua will be seen in the daily parade of dogs. Other familiar breeds on display will be the dane, pyrenese, basenji, cocker spaniel, Yorkshire terrior and dachshund. A not-so-familiar sight, a pink poodle, will be the charmer of the exhibit.



If you wonder what makes Fido act the way he does, expert breeders and trainers will be present at the dog exhibit to answer all your questions about the canine world.

A variety of entertainment will be offered each day to those who attend the dog exhibit. A mock dog show will be presented to explain to fairgoers how an actual dog show is staged and why one dog wins and another loses.

Obedience demonstrations will be conducted to show the advantages of a well-trained dog. Films on various phases of dog work and training will be shown each day in the auditorium of the "Dog House."

The Columbus Collie Club is managing the dog exhibit, which will be open each day of the Fair from 8 a.m. to 8 p.m. Admission to the exhibit is 25 cents for adults and ten cents for children.

Fertilizer delivered in winter for spring use should be stored on a dry floor and kept away from livestock.

EYE PRIZES—Three Columbus Jet players look over appliances on display at Jet Stadium for Westinghouse Night Saturday, July 23, when Columbus meets Richmond at 8 o'clock. Left to right are Pitcher Don Debrino, Second Baseman Bobby Sagers, and Outfielder Tom Burgess.

JETS HOST WESTINGHOUSE

Big Night At Stadium

The fifth annual Westinghouse Night, Saturday at Jet Stadium, promises to be bigger and better with more prizes given away than ever before.

One of the largest crowds of the season is expected and the gates will open at 6:30 p.m. The game between the Columbus Jets and the Richmond Vees will start at 8 p.m.

Everyone attending Saturday night's game will be eligible to win one of the 30 appliances, worth over $3000.

Prizes will be awarded after the game and Spook Beckman, local disc jockey, will serve as master of ceremonies for the after the game prize awarding.

Two center door refrigerators called the sensation of the industry, a home freezer, dishwasher, two air conditioners, dehumidifiers, fan, clock radio, and 21 other appliances will be given away free. Ticket reservations can be made now by calling the stadium at CA. 4-1175.

In the four previous Westinghouse Nights, the Jets have won three of four games, defeating Richmond, 6-5, in 1956 before 6,926 fans; downing Buffalo, 5-1, in 1957 before 11,765 fans; losing to Montreal, 0-5, in 1958 before 7,854 fans and beating Buffalo, 3-1, last year before 10,026 fans.

Witnesses To Attend District Meet

Delegates from Jehovah's Witnesses congregations throughout the Columbus area will attend the district assembly to be held in Detroit, Mich., July 28 through 31.

Attending from Hartley Newspapers' area are, Daniel C. Held, presiding minister and 120 members of the West congregation; Robert Wigton, minister and 35 delegates from the Southeast congregation; Dean G. Bourne, minister and 65 delegates from South congregation, and Melvin Jacobs, minister and 50 delegates from the East congregation.

Convention officials expect 40,000 persons for the four-day gathering, to be held in Briggs Stadium, from 20 states and Canada.

Watchtower Bible and Tract Society of New York is sponsoring the meet. The society's vice president, Fred W. Franz, will deliver the principal talk Sunday, July 31, 3 p.m.

For ticks on dogs, dust with either four per cent malathion, 10 per cent DDT or 1 per cent lindane, say OSU extension entomologists.

Civil Defense Survival Programs Scheduled For Rural Communities

By Larry G. Holmes

Special programs dedicated to the survival of rural community and the individual farmer after enemy attack have been scheduled by Channel 10.

Bill Zipf, proprietor of "Farmtime" will devote the entire week of July 25 to farm survival.

Many agriculturists are not informed of the special Civil Defense programs tailored to farm needs. Discussions will include not only the family, but ways of saving animals and salvaging crops as well.

In addition, discussions will include the effect of radiation on animals and crops, how to receive emergency information in an area that is relatively isolated, the farm fall-out and bomb shelter, and stock piling of emergency foods.

The farm Civil Defense program lists two objectives, the survival of the family and the preservation of farm products to aid other survivors.

Play of the Week will present "The Rope Dancers," at 11 p.m., Saturday, July 23, on Channel 10.

Siobhan McKenna stars as a mother whose daughter is born with a six-fingered hand and believes that the deformity is a punishment from God resulting from the fact that her husband was once an alcoholic.

The mother becomes insanely cruel and bitter as a result of her belief after which a tragedy resolves the situation.

Other members of the cast include Walter Matthau as the husband, Judy Sanford as young Lizzie Hyland, Audrey Christie, Frances Myers and Jacob Ben-Ami.

Curtains will be raised on the Republican National Convention Sunday, July 24, at 6 p.m. Other broadcasts will be presented Monday 11 a.m. to 2 p.m. and 7:30 until 11:30 p.m.; Tuesday, 7:30 until 11:30 p.m. Wednesday 7:30 until 11:30 p.m. and Thursday 7 to 11 p.m.

The 1960 Professional Golfers' Association Championship will be presented Saturday and Sunday, July 23 and 24 on Channel 10.

Final rounds of play will be broadcast from the Firestone Country Club at Akron from 4 to 5 p.m. Saturday, and 3:30 to 5 p.m. Sunday.

Bob Rosberg won the 1959 championship by one stroke over veteran Jerry Barber and Sanders with a 277, climaxed by a 66 on the final round.

The Professional Golfers' Association title was determined by match play until 1958, when the association changed to medal play. Dow Finsterwald won the first PGA Championship under medal play rules with a 267 at Llanerch Golf Club in Philadelphia, Pa.

Local Scouts At Jamboree In Colorado

One hundred-sixty Boy Scouts and their leaders from Central Ohio boarded trains July 18 for Colorado Springs to become part of the giant National Boy Scout Jamboree.

There, 57,000 boys and leaders from all over the U.S. and free world will meet for 10 days beginning July 22.

At the great camp city the Scouts will compete in proficiency tests, swap souvenirs and make new friendships. Said Bob Meade, council field director: "Through this program we are endeavoring to train American boys to live together in mutual respect and cooperation . . . and to envision a world brotherhood of all nations."

In the trips to and from Colorado Springs, the local group plans side jaunts to the Garden of the Gods, Royal Gorge of Grand Canyon, Seven Falls, old mining camps, Rocky Mountain Zoological Gardens and other spots of interest.

GMI Expands Degree Program

Baccalaureate degrees in electrical engineering will be granted by General Motors Institute for the first time in 1963.

The school's regents voted to grant the degree in addition to the mechanical and industrial engineering degrees presently awarded.

More than 2,000 students are enrolled in GMI's cooperative engineering programs. Approximately 3,900 graduates are currently employed by General Motors.

Eagles Slate Picnic At Powell Sunday

Columbus Aerie No. 297 Fraternal Order of Eagles will hold its Annual Family Picnic at Murphy's Party Barn and Picnic Grounds at Powell, O., Speedway Grounds Sunday, July 24, starting at 11 a.m.

Food will be served on the grounds by the Ladies Auxiliary. Games will be played. There will be round and square dancing from 3 to 5 p.m. and from 7 to 10 p.m. with a floor show in the evening.

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR:

Vegetables—Sweet corn, snap beans, cabbage, summer squash, cucumbers, leaf lettuce.

Fruits—Peaches, summer apples, watermelon, cantaloupe, bananas, frozen lemonade.

Meats and Poultry—Chuck roast, round steak, sausage meats, fryers, eggs.

IT'S SWEET CORN TIME AGAIN

Local harvest of sweet corn is in full swing. The abundance of this all-American vegetable is one of the nicest happenings of the summer months.

Lucky you are if you grow your own corn because then you can enjoy it really fresh. The sooner corn is cooked after picking, the better it is. Next best is to buy local corn that has been kept cool, and then keep it cool and damp until you use it.

Today's sweet corn is truly a scientific marvel when it's freshly picked. Producers follow researchers' recommendations to control the corn borer and the ear worm. Many producers have irrigation systems. When there is too little rainfall for the best growth, the irrigation system is turned on. This is another step in producing sweet tender sweet corn.

Keeping sweet corn sweet is the problem. Producers harvest sweet, sweet corn. But, as soon as it is picked the sugars that make it sweet begin to turn to starch. At summer temperatures, sweet corn may lose as much as one-half of its sweetness in 12 to 14 hours.

Research workers say keep it cool to keep it fresh. To do this, most growers pick the corn at daybreak—the cool part of the day—while the dew is still on the corn. It's hurried to the packing shed and sprayed with cold water or hydrocooler, and then packed in ice for its trip to market.

Progressive retailers are anxious that you like the corn they buy for you. They keep the corn in refrigerated cases or in iced display bins. They are aware that the transformation of sugar into starch is rapid at room or outdoor summer temperatures.

Now it's up to you—once you've bought sweet corn, the sooner you use it the sweeter and juicier it will be. If you must hold it, even for a few hours, refrigerate it either in husks or in a moisture-proof bag.

Keep sweet corn sweet by quick cooking. The small slender ears need only three to four minutes in boiling water; larger-sized ones five to eight minutes.

FREEZING AND CANNING IS HERE

If you plan to freeze or can corn for out-of-season use, late July or August is the time to do it. Quality is then at its best and the price lowest. If you would like help on preservation methods, the following free bulletins are available from the Agricultural Extension Service, Room 317, Old Post Office Building, Columbus 15:

- Freezing and Using Vegetables, Fruits and Prepared Foods, O.S.U.
- Home Canning of Fruits and Vegetables, U.S.D.A.
